THE COUNCIL CORNER

COMING UP

THE NEWS RETURNS

The Senior Student Council of University School met on Thursday, March 1. The meeting was called to order by President, Bill Felts.

The main topic for discussion was the revision of the Constitution of University School. The Council hopes to have the new Constitution ready to present to the student body sometime this spring.

The next Council meeting will be held on Thursday, March 8, at 3:00 p.m. This will be an open meeting, and students are invited to attend. Suggestions from the "Suggestion Box" will be considered.

SUPPORT THE STUDENT COUNCIL

MARY KAY SQUIRES RECEIVES D.A.R. AWARD

Mary Kay Squires, senior, was chosen winner of the annual Daughters of the American Revolution award for good citizenship. She was chosen by the faculty, from three girls who were nominated by the senior class. Nominations were made on the basis of leadership, dependability, service, and patriotism.

On February 11, Mary Kay and her mother attended a D.A.R. Tea at the Christian Church in Zeigler, where she received her award.

March 10. District Latin Contest at Christopher. Elaine Kaplan, second-year, and Richard Ehrlich, first-year students will attend.

March 10. U. School debate team participates in the sectional meet at Robinson.

March 10. U. School speech students will enter individual speaking events at Robinson. They are: Dede Lingle, Joyce Ross, Pat Foster, Wanda Sill, Mary Ann Rushing, and George Bricker.

March 13. F. H. A. will entertain their fathers at a "Dad's Party." The program will include an initiation ceremony for new members.

Soon. University School debate squad will entertain squads from Paducah, Kentucky, and Mt. Carmel, Illinois.

March 24. District solo and ensemble contest at Herrin. Madrigals, mixed octet, and girls sextet will participate.

March 17. Are you tired, droopy, completely worn out? We've got just the cure for you. Have you forgotten that Spring Vacation is just around the corner? Get up to date! Remember S. V. March 17-25. Have Fun!!!!

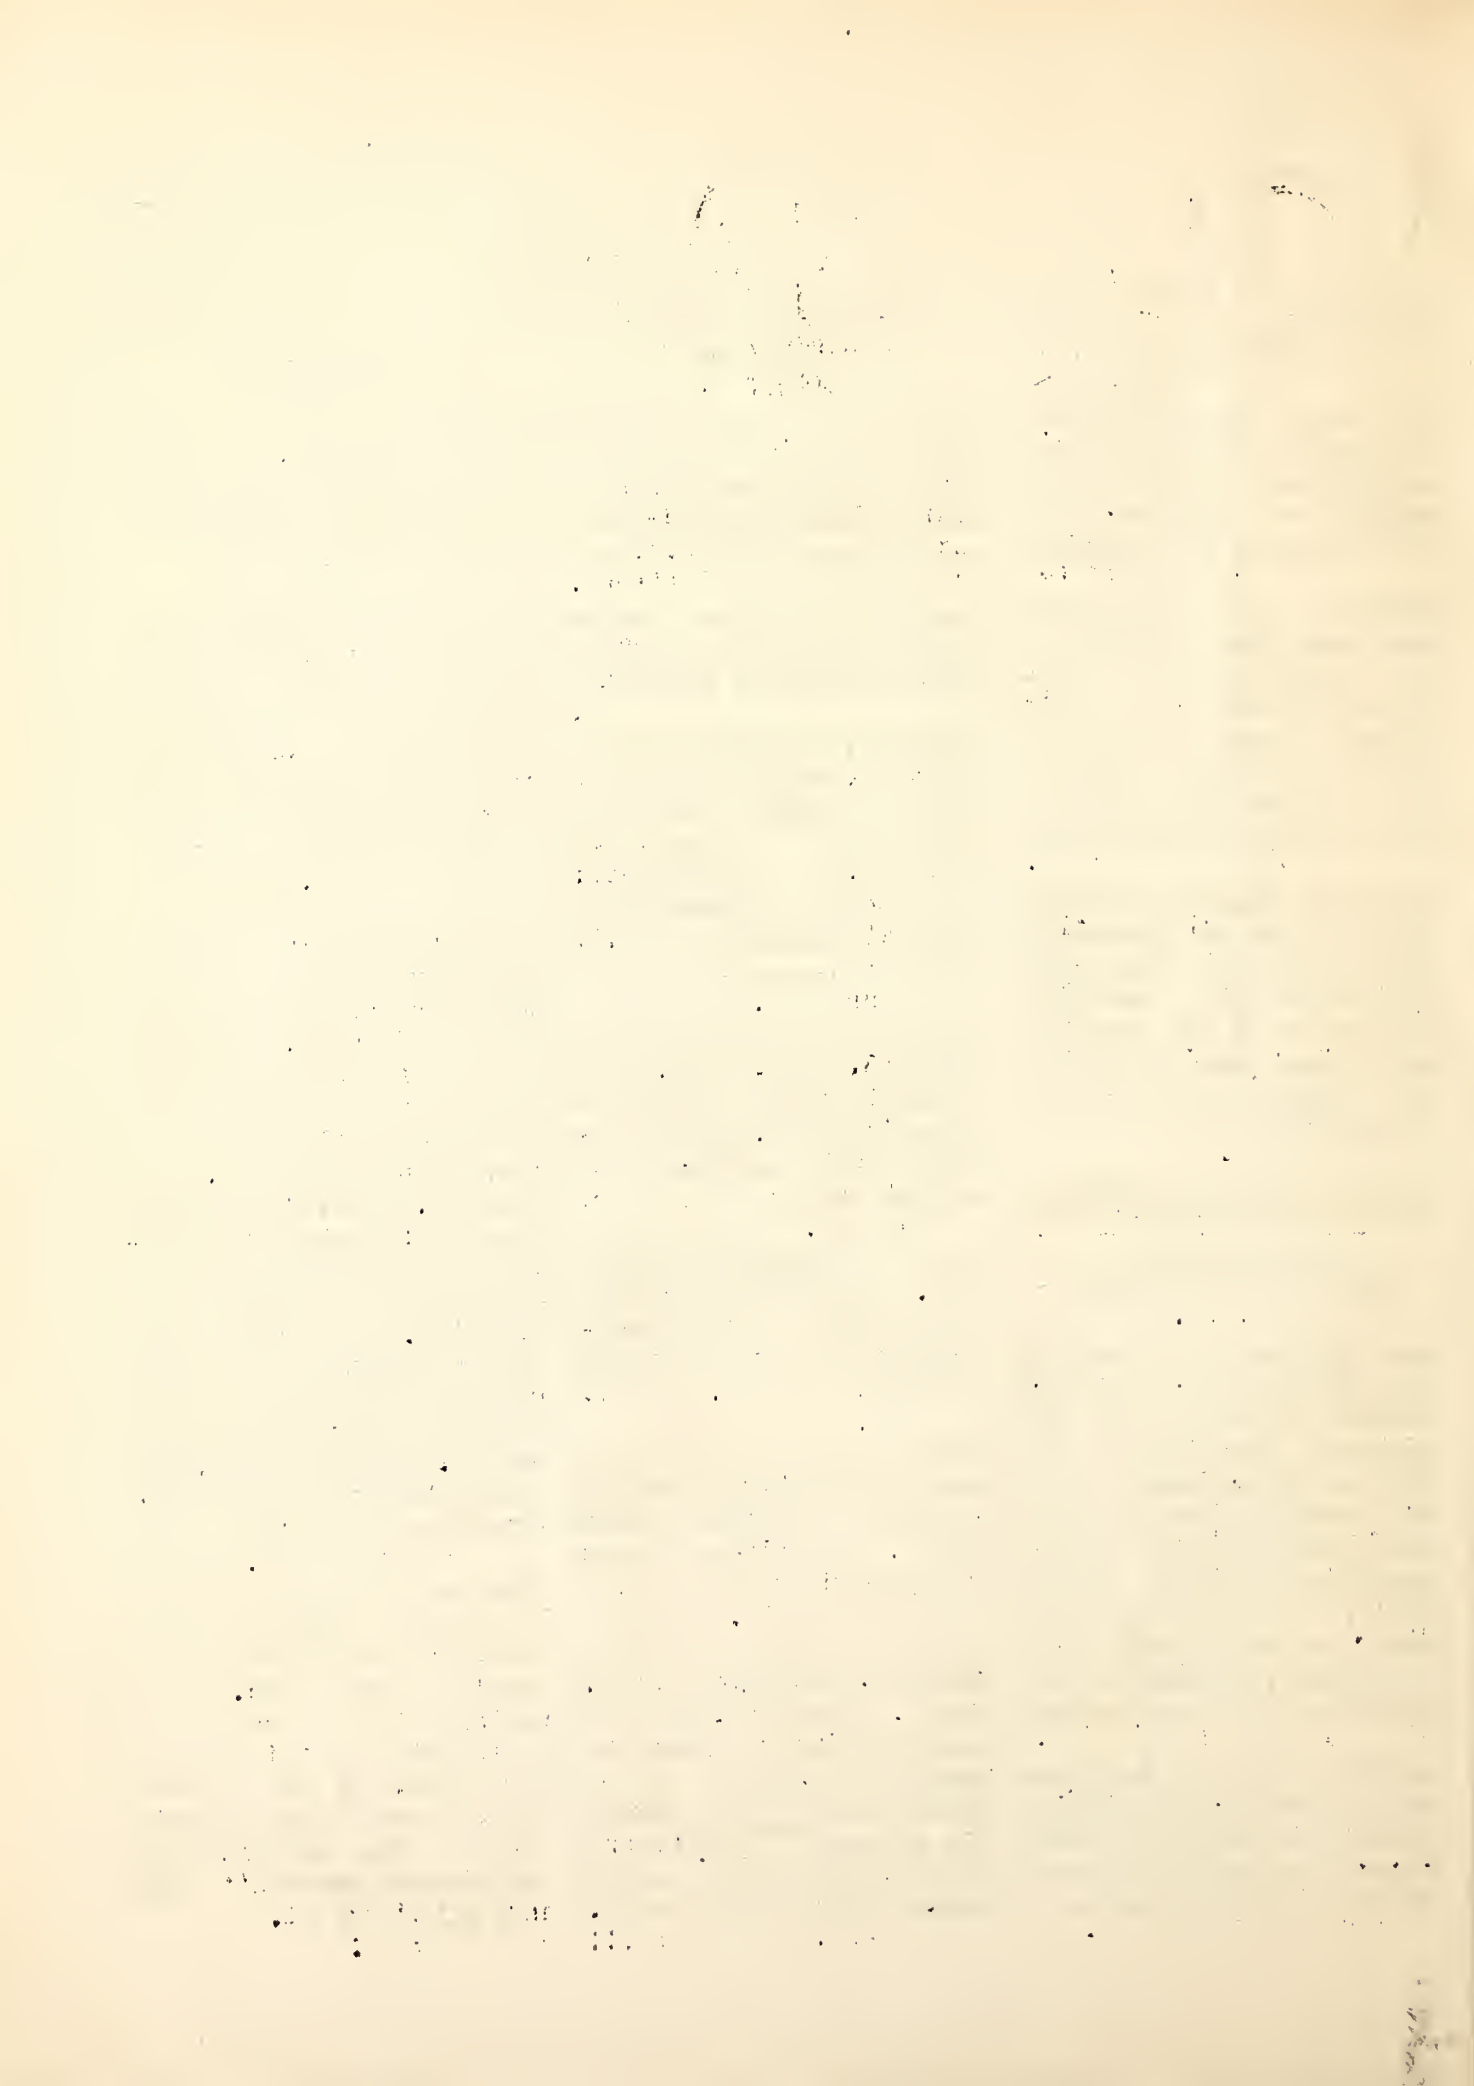

With the printing of this first edition of "You Name It," another milestone has been reached in the history of University School.

This may seem insignificant to some of you, but we believe that when you know some of the background of this effort, you will be very appreciative of the work of the Student Council and your staff.

The idea of having a school paper grew out of one of the open meetings of the Student Council. A committee of Council members was appointed to investigate the possibility. After conferring with Dr. Mees and Mrs. Francis, it was decided to call for volunteer staff members and to check on possible means of printing. Printers in Carbondale and other towns were contacted, but they wanted much more money than we had. At this point, the staff became so desperate that they even considered dropping the issue.

Then we received a copy of a school paper that was neatly mimeographed. Upon seeing this paper, we decided to try this method ourselves.

Well, here it is! We will try to keep you informed on all the activities in and around school. Hope you enjoy it!

YOU NAME IT

Our first issue is out now, and we of the staff believe that it contains most of the features that a school newspaper should. The principal shortcoming that we find is that IT HAS NO NAME! The best brains of the paper staff have been unable to arrive at a suitable handle for so momentous a publication.

When in doubt, Go to the Public! Surely you have some suggestion for a name--something that has been lurking in the black reaches of your mind. Let us know about it! Put your suggestion in a box you will find in the Library marked "You Name It." Be sure to sign your name so the judges will know to whom to give the credit for the best name.

The newspaper staff will choose their favorite name, and the winner will

be announced in our next issue. So, enter now, and enter as often as you like. Be sure to sign your name to each entry.

The lucky winner will receive a copy of the paper, autographed by Bob Wheeler, and Jim Sappenfield, co-editors. Who wouldn't be thrilled to receive this prize? So, with this added incentive, let's all support the paper and give it a good name.

We're Counting On Y O U !!

WANTED...TALENT!

University School wants Talent. We know this school is just loaded with it, so we volunteered to help uncover it. If you see something running around the hall that looks like talent, report it immediately to the Variety Show Committee. The Committee members are Susan Garbutt, Jim Gumm, Mary K. Squires, George Buys, Betty Frakes, and Mary Phillips.

P. S. If you've got talent, don't hold out on us! Come One, Come All!

SPRING PLAY CAST SELECTED

The Torchbearers, by George Kelley, has been chosen as the U. School annual Spring play. Try-outs were conducted by Dr. Abrams, who will direct the play. The final cast is as follows:

Gerry Barker, Bill Felts, Winkie Lewis, Alan Kelley, Lindle Crandle, Joyce Ross, Carole Zurlueh, Jerry Meyer, George Bricker, Jim Sappenfield, Elaine Bicknell, and Bob Wheeler.

The Play date will be announced later.

PROBLEMS CLASS MAKES SURVEY

The 2:00 Problems Class, under the supervision of Miss Smith, Mr. Cunningham, and Miss Winstead, has recently studied the organization and work of the United Nations.

As part of their work, the class interviewed townspeople, college and high school students, and parents, to see how much the average person knows about the U. N. After making 264 interviews, they found that, generally, people are poorly informed on the United Nations.

SEVENTH GRADE HOLDS STYLE SHOW

The seventh grade girls in Home Economics class held a style show and tea for their mothers on Wednesday, March 7, at 3:15 p.m. The girls modeled spring and summer blouses which they had made in class. Punch and cookies were served from a tea table which the girls had arranged. Two students narrated the show, and programs were prepared by the girls in class.

"QUIPS & QUOTES"

Say, wonder why all those freshmen girls in Home Ec. at 11:00 are learning to cook? Better watch out men, here they come! There sure was some variety at the variety show last week --Karla and Birdie. Hey John Wagner, who've you got on the string now? Well, well, Wheeler. Seems you've been staying out too late nights. Went to sleep during play rehearsal didn't you! Why the radiant eyes, John Don? Too many girls from Monticello? The old saying, "True love never dies," is going out of style. Note--Medlin and Belford, and Williams and Sims. Toomuch competition? Quote, "We've had it!" Urquote. The latest couple in U. School is none other than-----yep, you guessed it, Kent Brandon and the almighty Richard Norman. C.E. and W. R. seem to have a monopoly on the back door of the studio theatre. You can find them there almost anytime. What's this about Charles Reinhardt flunking the Freshman class to be with all those Gor-Gee-Ous eighth grade girls? Oh-Oh! What's going on behind the Algebra book in 8:00 study hall with Gerry Barker and John Don Cook? Oh, Well, I always knew Algebra was good for something. Well, Well-----Is Dyke giving up his snakes for GIRLS? Say, that social dancing class really does things for people. How about it, Travers? Say, Men. What is Fred Fisher's secret?

Frankly, I've lost count. WHO DONE IT? If any of you like to play amateur detective, maybe you can solve the mystery of who "ransackled" cars in the parking lot, especially those belonging to Boots Fligor and Alan Kelley. Two of the guilty parties have been apprehended, but the others are still at large. Information leading to the whereabouts of these scoundrels will be rewarded with a coke. See Alan Kelley for reward. Looks like George Buys believes in making newcomers feel at home! What true love won't do! I'll bet Terry Thalman's phone bill is terrific, cause Beulahsure can talk. Say, Gary Cruse, why don't you invite those H'burg boys back more often? Some of our girls would like to get better acquainted. Contributions are now being accepted for the BUY A PIECE OF STRING FOR MR. SMITH CAMPAIGN. Anyone who could forget a box of money needs one! Did you know that the Post Office is making a fortune off Patty Bain? Costs a lot of money to send air mail to Turkey.

SCHOOL ASSEMBLY FEATURES SPEECH STUDENTS

The February 29 assembly featured five students who are entering speech contests. George Bricker, Dede Lingle, Winkie Lewis, Wanda Sill, and Pat Foster entertained. A surprise feature of the program was the appearance

of George Riabikoff, internationally known pianist, who played several numbers.

ART CLASS MAKES TRIP

The Art class visited the Missourian Exhibition at the St. Louis City Art Museum on Friday, Mar. 2. Sixteen students, accompanied by Mr. Sullivan and two student teachers, made the trip.

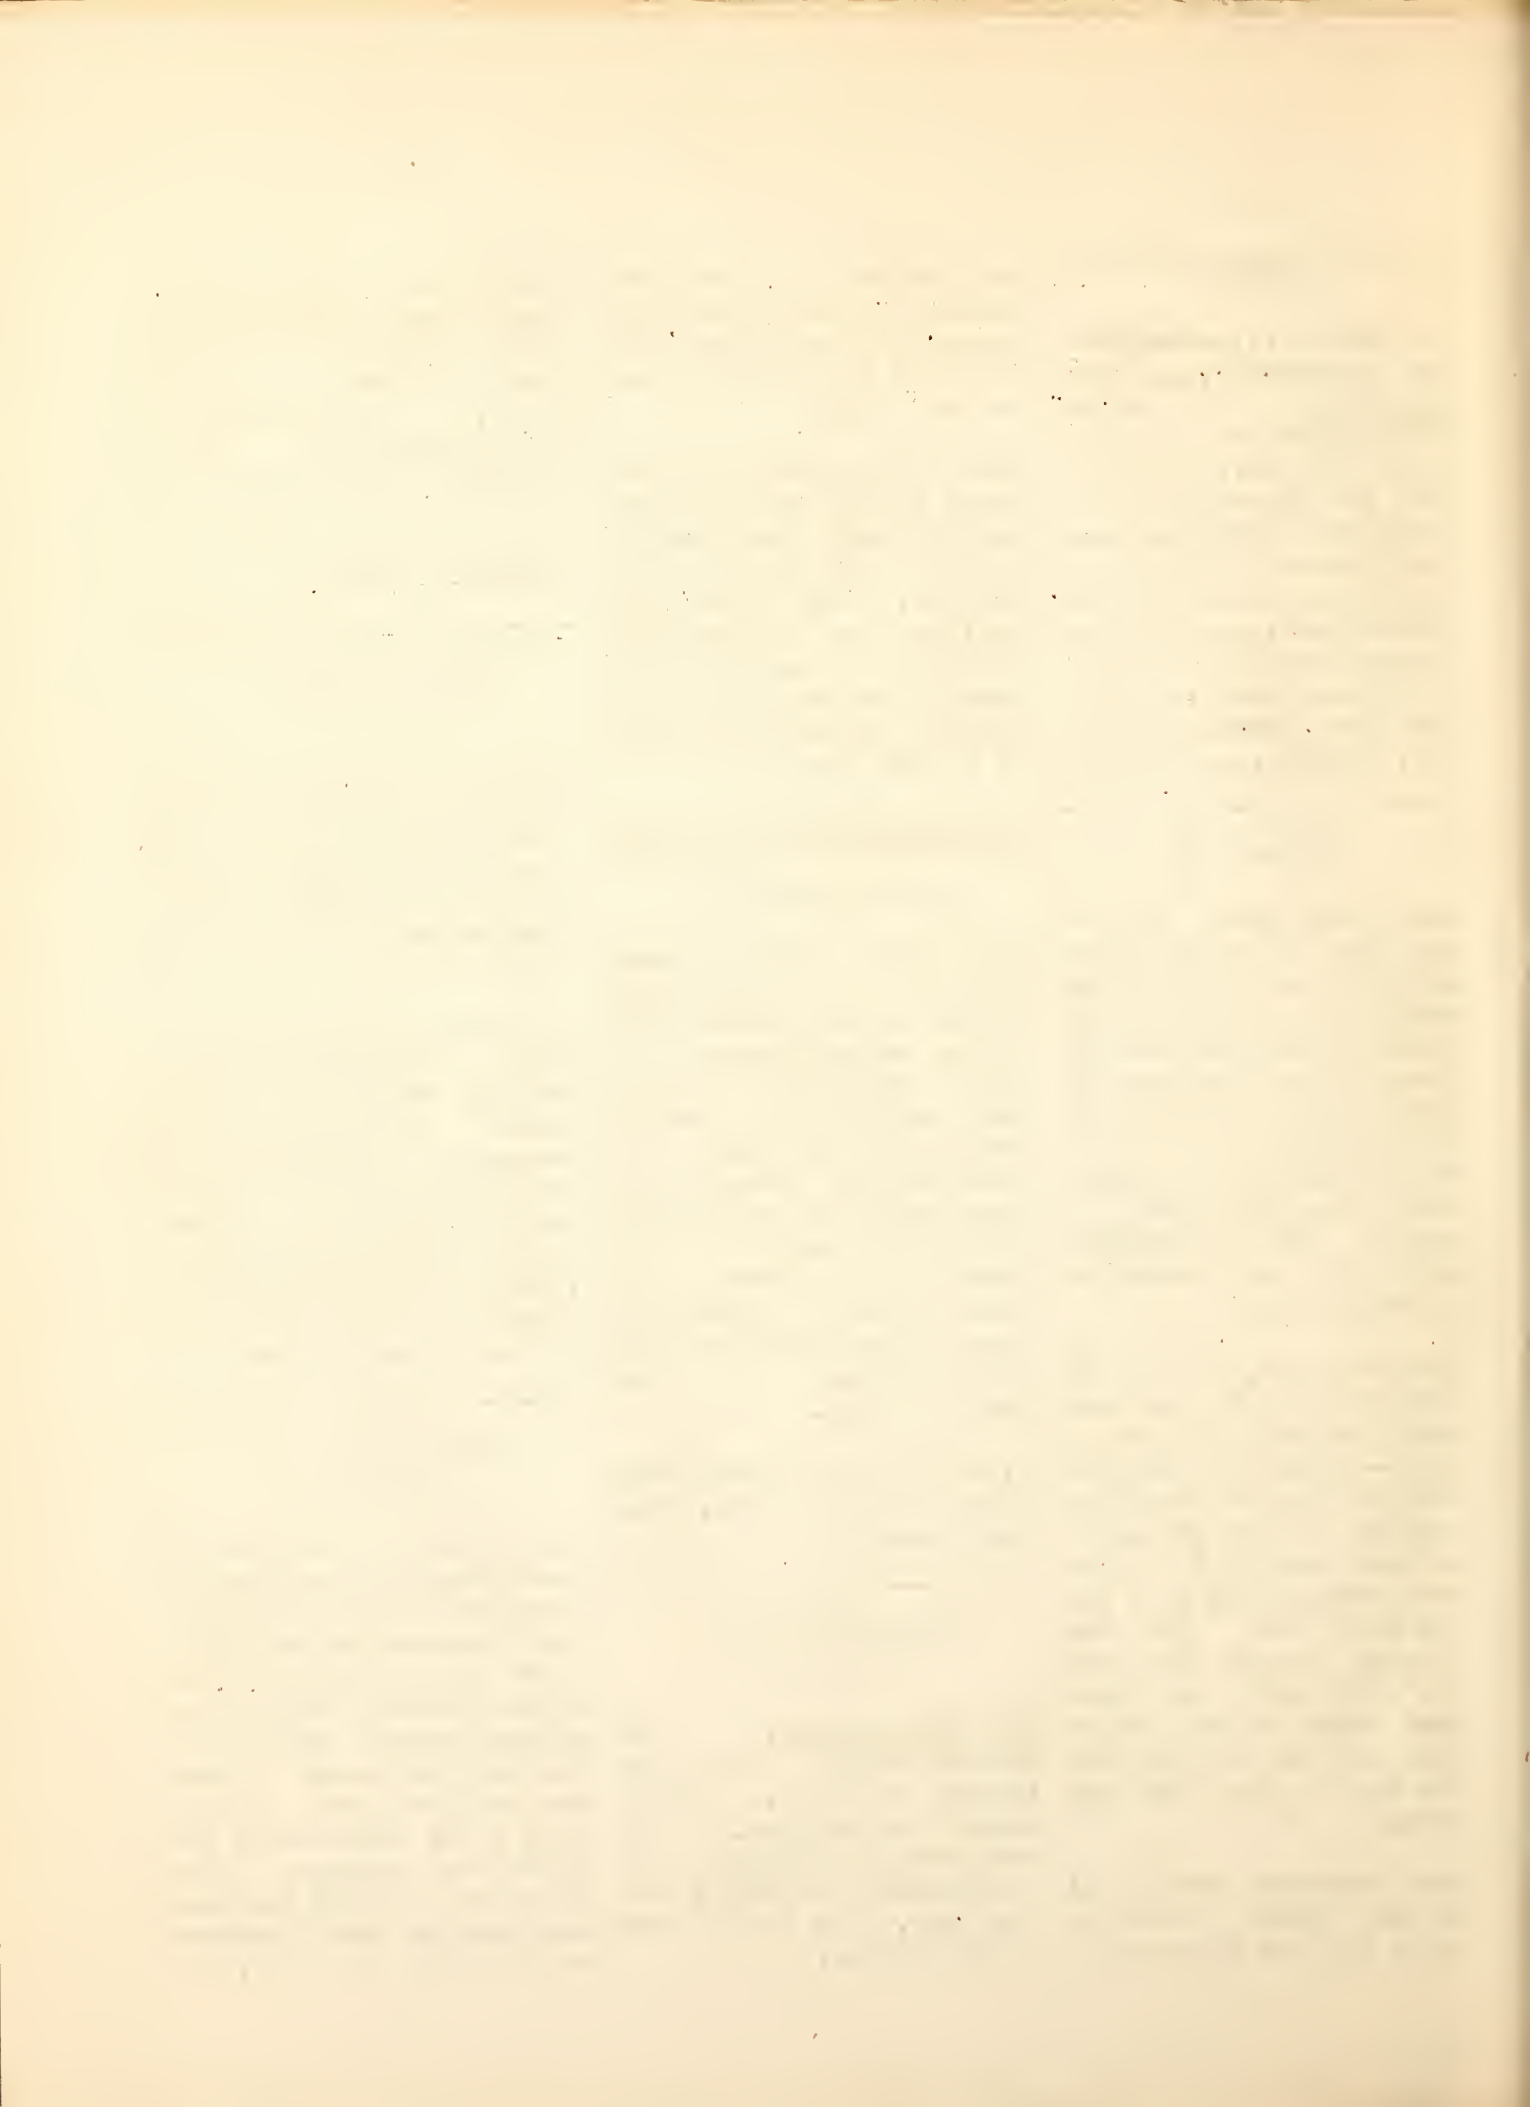

The group first went to the Museum, where they saw some paintings by Sigfried Reinhardt. They also saw some contemporary sculpture, including a piece by Mr. Sullivan entitled "Lunar Affinity." Some beautiful Chinese ceramics, including a blue vase and an oxblood vase were on exhibit. Some of the artworks were over five-thousand years old, including a mummy which was displayed. The total value of the exhibit was about forty million dollars.

LYNXES UPSET MURPHYSBORO

The Lynxes upset Murphysboro, 63-61, in the regional tournament at Marion, February 29. The victory was the first regional win in the history of University School.

The Red Devils were out in front 4-0, when the Lynxes finally began to hit. With one minute to play, they jumped into a 12-10 lead. Murphy managed to knot the score, 12-12, as the quarter ended.

The Lynxes continued excellent ball during the second quarter. "Perk's" accurate jump shots, and Mees' one-hand set shots were the highlights of the second quarter. The half ended with the Lynxes in a 26-25 lead.

Robinson and Bricker kept the Lynxes in the third quarter, ending with a 39-28 lead for U. School. In the final period, the lead changed hands several times. With 1½ minutes to play, Mees sank two charity shots to put the Lynxes ahead. The Red Devils put on a full-court press, but the Lynxes didn't falter. Brandon and Simon scored on easy lay-ups to clinch the game for U. School, 63-61.

Simon played his best game of the season, scoring 19 points. "Perk" connected on nine field goals for

18 points. The Lynxes shot a remarkable .543. High man for the Red Devils was Mohlenbrock, with 17 points.

COMMUNITY DEFEATS U. SCHOOL

The Lynxes were defeated by the Carbondale Community Terriers in the semi-finals of the Marion regional, Thursday, March 1. The Terriers jumped into a 6-0 lead, which they never lost. The Lynxes finally scored on Norman's field goal, after about two minutes of play. The quarter ended with Community out in front 22-5.

The Terriers continued their hot pace during the second period, scoring 26 straight points. The second quarter ended with the Terriers leading by a 37 point margin.

The Lynxes made a terrific comeback in the third quarter. Led by Bricker's 8 points, the Lynxes scored 22 points. As the third quarter ended, Robinson made his fifth foul. This ended a brilliant year for him, in which he averaged 15.0 points per game. The third quarter score stood at 76-37.

The Terriers played their reserves throughout the last quarter, as they had

the game well in hand. The final score was a 92-51 victory for the Terriers, with Martin scoring 27 points for top honors. Bricker was high man for the Lynxes, with 9 points.

TEAM RECORDS

The Lynxes wound up the 1955-56 basketball season with a record of 13 wins and 11 losses. The Lynxes scored a total of 1463 points, averaging 61.0 per game. Individual players' averages are shown below:

Player	Tot. Pts.	Ave.

COUNCIL CORNER

Are you guilty of writing a question, dropping it in the question box and then forgetting all about it? If you are guilty we have a sentence all prepared for you.

COME TO THE OPEN MEETINGS.

The council appreciates all of the suggestions and tries to do what ever is possible to answer them. How are you to know the answer to your question if you don't come and hear them discussed.

These questions can do a lot to improve your school, but the support Please! Support Your Student Council.

F. F. A. STUDENTS ENTER CONTEST

The Section 24 Vocational Agriculture Poultry and Grain Judging contest was held on the Southern Illinois University Campus Friday, March 9, 1956.

Entered for U-High were Kenneth Palmer, Ray Hicks, and Donald Knust for Poultry. They were judged on 6 ring of hens, 1 ring of eggs, and 1 ring of dressed poultry. U-High got 4th in the poultry division. Kenneth Palmer won a 5th for individual work.

Entered in the Grain were Louie Cecil, Jimmy Stevens, and Jerry Millette. Jimmy Stevens got a 7th for individual work. They were judged on 6 rings of grain as seeds, identified 20 crops, and identified 20 weeds. U-High placed 6th in the Grain Division.

the various United Nations organs. The contest is sponsored annually by the United Nations Staff in New York City. The lucky winner of this contest will receive a prize of \$10,000.

YOU NAMED IT CONTEST RESULTS

Well, you named it. How do you like it?

We of the newspaper staff would like to thank everyone who co-operated with us by submitting a suggestion for a name for the paper. They were eliminated until only three were left. Then a vote was taken. "The Cat Call" was chosen by a large majority. And the lucky winners of that autographed newspaper are Mary Phillips and Jean Frakes.

If you don't like the name, you might speak to one of those girls. Or better yet, stop and ask yourself why you didn't turn in a better one.

THE LY'X THINK

Do you read Connie Elder's "Council Corner?" Do you know the names of the Student Council representatives from your class? Do you know how many people are on the Council?--the officers? Have you ever put a suggestion in the Suggestion Box?--talked personally to your class representative about a problem?--attended an open forum meeting?

If you can't answer yes to most of these questions, I suggest that you look into the situation.

The primary purpose of the Student Council is to make known the needs and desires of the student body to the faculty and administration and to make recommendations aimed at making U. School a better educational organization.

The indifference of the student body toward the functions of the Council nip these efforts in the proverbial bud. Members of the Student Council, realizing this, have tried to stimulate student interest this year by placing a suggestion box in the library(which, incidentally, is responsible for this newspaper), and have initiated a policy of open forum meetings twice a month. Both of these attempts have met with measured success.

Open forum meetings have been poorly attended. This cannot be because the discussions are uninteresting. I have been to most of the meetings up to date, and I can testify that the discussion is most interesting. Poor interest must be due only to student indifference caused by ignorance as to the functions of the Student Council.

Contrary to popular opinion, the Council is not a group of slimy things that don white wigs and sit on wool sacks to discuss the intricacies of school government. It is,

on the other hand, a group of folks like you and me, to whom has been given the greatest responsibility in school. This responsibility can be lightened for them if you will give them your support. How? If you have a suggestion or complaint that you think comes under the jurisdiction of the Student Council, put it in the Suggestion Box, or speak to a Council member about it. The next time there is an open meeting, make an attempt to be there and see how the Council works.

It is your duty to help your Student Council help your school. GET BEHIND YOUR STUDENT COUNCIL!!

Our books are getting dog-eared! Dog-ears are fine on dogs, but fierce on books. We need book-marks! Design a bookmark for the Bookmark Contest sponsored by the Library Club.

Bookmarks should be two inches wide and between five and eight inches long. Write your name on the back of your bookmark and turn it in by April 6, at the Library desk. All bookmarks will be displayed on the bulletin board with the names of the designers. The best designs will be chosen for the library supply for your use. Try it! Your bookmark might be chosen!!

"QUIPS AND QUOTES"

No, you were not seeing things if you were driving by Southern Acres early in the morning, the first Saturday of vacation. That group of wild women was the girls of our Senior Class. Story is that they had been to a slumber party at Myrna's. At least it makes a good story. For details, contact Mary Kay Sharkey or that Prince Charming in a blue Mercury, who saved our girls some sore feet.

Is Mary Phillips trying to bone up for Driver Training Class? Else why such a sudden interest in a green Plymouth auto? It's been seen lots of places lately.

Sunday night, March 25, the Florida vacationers were back. The first night home should have been spent unpacking, etc., but NO! If you had taken the trouble, you could have found all the happy people out at Thompson's Lake.

Some males certainly do have a flair for letter writing. For example, Winkie received two or three letters from Florida every day. Linda only got one from Canada all week.

A stranger is only a stranger until you make his acquaintance, huh, Jeanie? Don't you wish music contests came more often?

Jim Simon, for lack of anything better to do, now takes midnight strolls with the neighbor girls.

Mr. Rieke was a fine teacher. We all agree to that. Why then, did Bill Wright go to sleep in 1:00 American History Class??? Bill, do you still have that lump on your head where Mr. Rieke was forced to awaken you?

Wonder if Dr. Small has found any more m-m-m's and ah's running around the halls lately.

Hey, Patty! What happened to that guy in Turkey? You don't mean to say you have deserted him for a Terrier?!!!

Spring has sprung: the Mug is open again! What I'd like to know is----- When will our gorgeous car hops put on shorts?

Asked by Miss Bach in English Class: What is the new version of the old fashioned word "spooning?" Reply by The Kent Brandon, "I believe it is now called 'shoveling', you know, take your pick and shovel!" Is that what is commonly known as a pun?

Yes, it's spring! The time of the year for mating and love birds. At University School, a young man's fancy turns to thoughts of baseball, cars, and--more baseball.

Welcome home beachcombers, glad to have you back. But will you please stay away from us poor little anemic snow birds. You give us inferiority complexes!!!

Well, Shryock has done it again. Now she has graduated from Oldsmobiles to Buicks! It's even rumored that she is attending Prom in that big, blue Buick.

If any students have been unable to buy copies of Playboy, the reason is that a certain faculty member is grabbing them off the news stands as soon as they come in. For a complete file of past issues, check in the office of the Boy's Counselor. He might be able to help you.

If all our Senior girls are playing hooky this week, it's because the U. of I. is out of school.

FLASH! Have you seen the stars in our Dr. Gross' eyes lately? It's rumored that wedding bells will soon ring.

DADDY DATE NIGHT

The F. H. A. girls of University School held a "Daddy Date Night" for their fathers recently.

The group spent some time in getting acquainted. Then the formal initiation for new members was held. A game of Truth or Consequences was enjoyed by both Dads and daughters. The consequences were comical toys, such as working a Yo Yo ten times; and as the couple had trouble working it, they asked to take it home to practice. Another one was the Dad pinning up the girl's hair. He was sent home to practice up.

Then the Dads were told to find their daughter's pictures among the baby pictures pinned on the wall. This created much laughter.

Mr. Clyde V. Winkler, Polly's father, shared with the group some familiar poems.

Refreshments of punch and sandwiches were served, and fun was had by all.

SECOND CONCERT HELD

On March 15, the U. School vocal and instrumental departments presented their second concert. The theme was St. Patrick's Day, and the program included Irish numbers. The Junior, Senior, and Dance Bands performed. The Sixth and Eighth grades presented vocal numbers. The Arion Music Awards were presented to Don Davis and Claudia Cutler.

ALL-SCHOOL VARIETY SHOW

On Thursday at 8:00 A.M. the assembly committee presented the All-school Variety Show.

The show included "The Four Freshmen," a piano duet by Mary Ann Rushing and Richard Ehrlich, a modern dance number by Susan Garbutt, Margaret Taylor, Myrna Gansman, Mary Kay Sharkey. Fred Fisher presented a reading; Joyce Ross sang a solo, and Elaine Dicknell and Mary Phillips sang a duet. Winkie Lewis and Dede Lingle presented a record pantomime. Claudia Cutler sang a solo and Sallie Taylor played a piano solo. The program, was opened by the Dance Band. Bob Wheeler served as M.C.

DISTRICT MUSIC CONTEST HELD IN HERRIN

The district solo and ensemble contest was held in Herrin on March 24.

U. School entries and their ratings were:
 Claudia Cutler - Oboe...II
 Connie Elder - Flute....II
 Nellie Lybarger - Sax....I
 Richard Ehrlich - Piano..II
 Sallie Taylor - Piano...II

The mixed octet, which received a first place rating, will also compete in the State Music Contest

JUNIOR HI NEWS

Florida was full of U. School eighth graders during Spring Vacation. Ronny Klamp went fishing on the Florida Keys. Judy Chaney did a lot of sun bathing on the beaches. Linda Davenport went to Fort Lauderdale.

Florida is stealing one of our Junior Lynxes to play basketball in Miami. Yes, Jimmy Johnson is going to school in Florida and is on the varsity basketball team. He has a chance to get a "letter." The talk is that Jimmy is finishing school out this year down in the Sunshine State.

Dan Gallington went down to New Orleans for a long week end, and Charlotte Davis spent about five days of Spring Vacation in St. Louis.

The Junior Lynxes recently completed a fairly successful season. They won four games and lost six. The team played two games each with Gorham, De Soto, Elkville, Dowell and Vergennes. The Lynxes scored a total of 355 points for an average of 35 per game. The individual totals are as follows

Goetz	2	Dev	I
Johnson	65	Williams	I
Ogur	66	O'Dell	4

FOREIGN LANGUAGE CLUB HOLDS MONTHLY MEETING

The Foreign Language Club held its March meeting Thursday, March 14, at 7:00 p.m. The meeting, held in the recreation room, was sponsored by the French Class.

As the guests arrived, they were served French pastry and Roman Punch (Vintage 1956) by a group of six French waiters, imported to this country at practically no cost.

The waiters, George Bricker, John Hand, Jim Rossiter, Dale Wene, Jim Sappenfield, and David Rector, then rendered a vocal selection. The French Class also arranged for a torch singer, Joyce Ross, to sing a number.

For the main entertainment of the evening, each girl chose a boy, who designed her a hat from materials that he gathered from a table in the room. Judges, Dyke Howell and John Hand, awarded the first prize, two movie tickets, to noted Paris designer Bill Felts and his model, Mary K. Sharkey. John Mees and Linda Crandle were runners-up.

The evening of fun and frolic ended at 8:00 P. M.

G. A. A. NEWS

The G. A. A. girls have been going bowling each Friday after school. The scores have been very high, and even the beginners have made some good scores.

Last week, 24 of the club girls participated in a nation-wide basketball shooting contest. The scores will be compared with other girls' scores from all over the U. S. The girls with the highest scores were Barbara Belford, Janet DeWitt, Frances Moore, Betty Frakes, and Mary Wall. We hope that these girls will come out tops in the nation.

The G. A. A. will have a "Play Day" on May 12. Eleven schools will participate in the activities, which will begin at 9:00. "Under The Seas" is the theme of the play day. The play day is being planned by Margaret Taylor and other club members, under the supervision of Mrs. Stief and Miss Roos. More about this later.

"NOSIN' AROUND"

Your inquiring reporter was curious about what our students did on Spring vacation.

After asking a number of people, he received these replies:

Delores McCall - "Nothing"

Ann Cecil -	"Worked"
Jim Barrett -	"Loafed"
Ralph Dillow -	"Nursed my appendix"
Don Ingli -	"Went Fishing"
Sue Garbutt -	"Saw Cinerama"
Sallie Taylor -	"Was sick"
Miss Bach -	"Went to St. Louis and Centralia"
Dr. Gross -	"Visited people"
Jack Lane -	"Worked in the Lipe Peach Orchard"
Mary Kay Sharkey -	"Gabbled"
George Bricker -	"Caught up on some lost sleep"
Carole Zurflueh -	"Baby sat"
Mike Morris -	"Flew to Mexico"
Elbert Simon -	"Slept"

U. SCHOOL ATTENDS SECTIONAL SPEECH MEET

On March 10 the Sectional Speech Meet was held at Robinson. U. School debaters attending were: Mike Morris, Dede Lingle, George Bricker, Winkie Lewis, and Mary Ann Rushing. The debate team won three and lost three debates, tying for fourth place.

Ratings for individual speaking events were: Dede Lingle, Oratory, no place; Mary Ann Rushing, Extempore Speaking, 3rd place; George Bricker, After-Dinner Speaking, 3rd place; Joyce Ross, Radio Speaking, 3rd place; Pat Foster, Serious Play Reading, 5th place; and Wanda Sill, Verse Reading, no place.

Dr. Buys wishes to thank all students who participated in speech this year, and to invite interested students to come to Thurs. evening debates.

The LYNX LOG

1956 BASKETBALL BANQUET

The Basketball squad held it's annual Banquet, Monday, March 12, in the University Cafeteria. Food was served cafeteria style, and the banquet was held in one of the cafeteria's private dining rooms.

Coach Thate, who acted as toastmaster, called on Dr. George Hand for the invocation. Dean Grinnell, the principal speaker of the evening, urged the boys to maintain good physical condition and good sportsmanlike ideals throughout life. Other speakers on the program were student teachers, Ed Johnson and Lon McManey, and Dr. John Mees who announced that the Lynxes would schedule one game each with Vienna and Trico next year.

Cheerleading letters were presented to cheerleaders Tedrick, Phillips, Sims, Sharkey, Desborough, Crandle, and Lewis. Junior-varsity players received certificates and this year's fine freshmen group got their numerals.

This season's Lynx lettermen were, Elbert

Simon, Robert "Perk"
Robinson, Charles
Reinhardt, John Paul Lees,
Lyvon "Snake" Martin,
Richard Norman, Gaylin
"Boots" Fligor, John Don
Cook, George Bricher, Kent
Brandon, John Hand, and
Bill Chaney.

30 REPORT FOR BASEBALL

30 boys are out for baseball at U-High. Returning lettermen are "Loots" Fligor, John Mees, Bill Chaney, Terry Modlin, Gere Jackson, Elbert Simon, Kent Brandon, John Cook, Jon Voss, and Steve Williams.

Coach Dwain Small, in his first year at U-High, hopes to make a letter showing than last years team.

"We have a real good bunch of freshman out for baseball," reports Coach Small. "A Fresh-Soph Team maybe possible if the interest continues. He (Coach Small) also says "No position has been definitely filled, but there are about four or five boys batting for a starting berth in the outfield."

U-High's first game will be against the Carbondale

Community Terriers, April 10, at the C.C.H.S. diamond
All games will start at approximately 4 p.m.

TRACK NEWS

There are 18 boys out for track in high school, and 10 boys out in Junior High. The boys are coached by Dr. Stotlar and managed by Ronnie Klamp and Chuck Tudor.

The scheduled meets for high school are: April 24, at Zeigler, April 28, at Herrin, and May 8, in Pinckneyville for freshmen and sophomores.

"GUESS WHO"

Can you guess who these basketball "stars" are?

This blonde, blue-eyed star was born on May 1, 1940. He weighs 145 lbs. His favorite food is chicken and his favorite actress is Cyd Charisse. His favorite color is blue.

Do you think you know this character? If you weary of thinking, the answer will appear in the next issue.

THE COUNCIL CORNER

At a recent open forum meeting of the Student Council, the question was raised concerning the manner in which the Council has been handling suggestions.

The Council discussed this problem thoroughly and decided on a definite procedure for handling the suggestions.

A day or so before the open meetings, the suggestion box will be opened by George Bricker and Mr. Smith. The suggestions will be divided into different categories, such as administrative problems, vending machines, school parties, and others.

The suggestions will then be given to the President, Bill Felts, shortly before the meeting. He will, in turn, present the problems to the Council, which will decide on the final solution.

MUSIC ORGANIZATIONS TAKE HONORS

The Glee Club and Mixed Chorus of University High School attended the District Music Contest in Herrin on Saturday, April 7. The organizations received the only First ratings awarded to vocal groups.

The Glee Club sang "Master Of Human Destinies" and "Breakers Off Barranquilla." They were required to sight read one 3-part number.

The Mixed Chorus sang "The Peasant and His Oxen" and "September Water-Color." This group did four-part sight reading.

Congratulations to these groups, and three cheers to Miss Carey!!!

LOTS OF LUCK AT STATE!

LATIN CONTEST TO BE HERE

University School will be host to the contestants of the Sectional Latin Meet on Saturday, April 14.

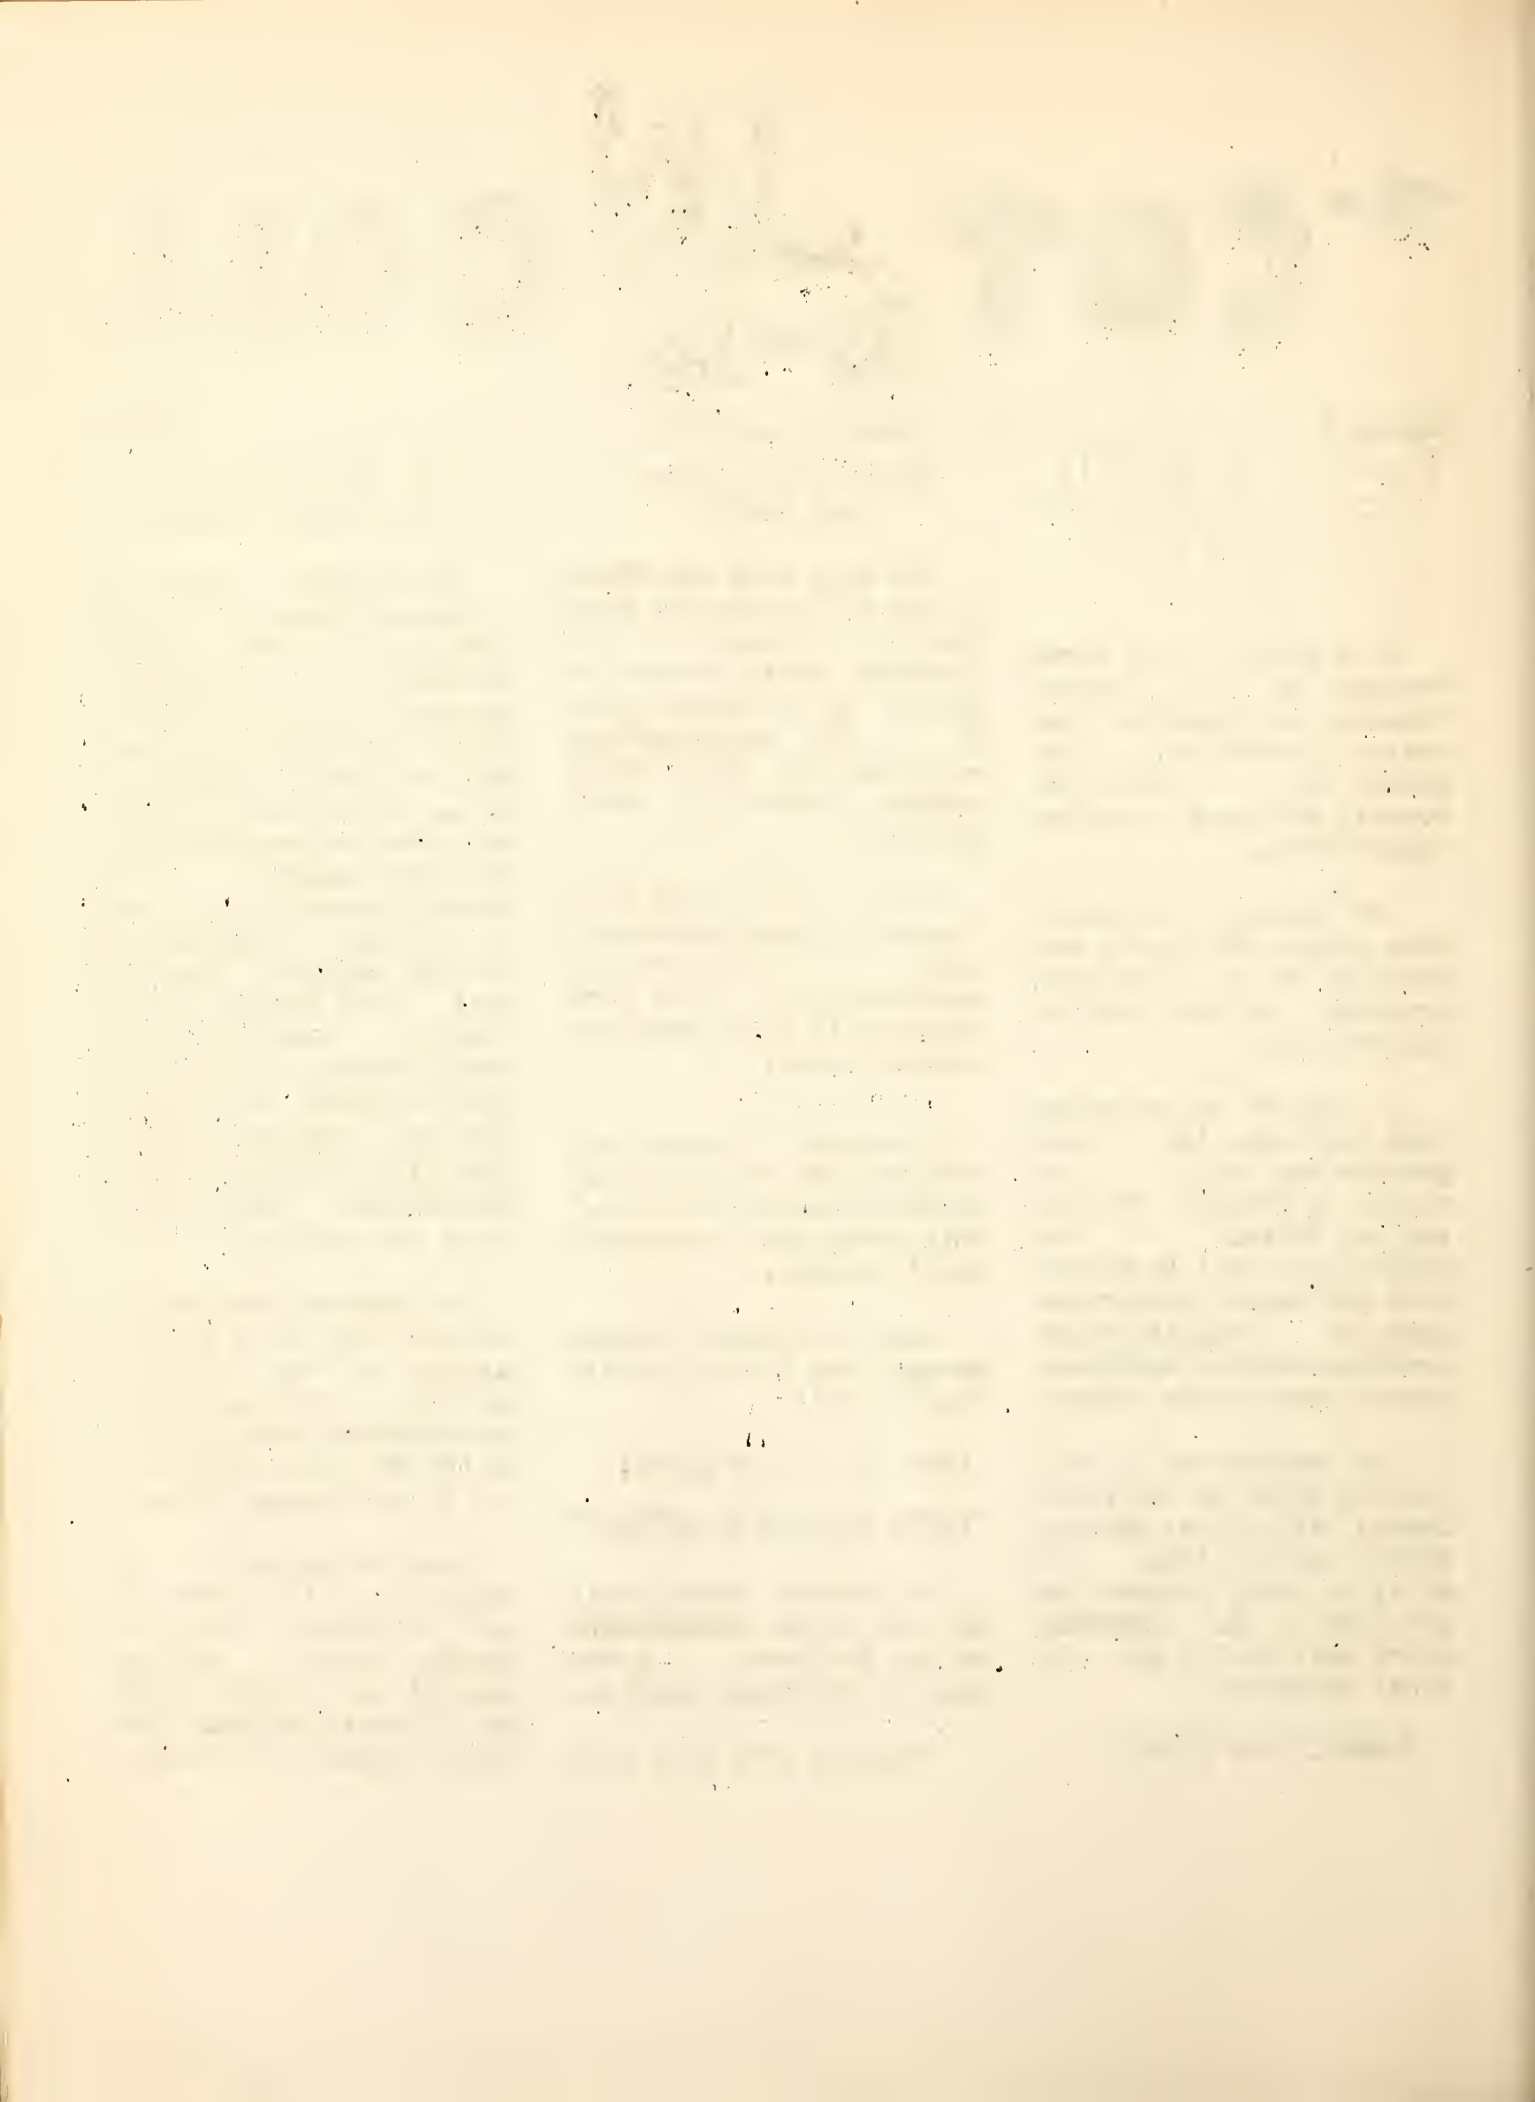

Students from nine area

U. SCHOOL HOST TO JR. SCIENCE ACADEMY

On Saturday, April 14, University School will host the Southern District meeting of the Illinois Junior Academy of Science. Fifteen neighboring towns will be participating. Mr. R. L. Foster will present a lecture and demonstration on liquid oxygen. Dr. Harvey Fisher will present the awards. Students from U. High entering displays are: Fred Fisher, George Fisher, George Bricker, David Rector, Don Davis, Charles Brown, and Richard Ehrlich. Exhibits will be open from 10:00 until 3:00. Schools are eligible to enter the contest.

The contest consists of examinations given to the winners of the District contests. Winners of the five Sectionals are eligible to try for State honors on May 5, at Wheaton College.

Mrs. Evelyn Rieke is Chairman of this contest, and students from University School who are entered are Elaine Kaplan and Richard Ehrlich. GOOD LUCK, Elaine and Richard!!

column. this is, in my opinion, the best part of the paper. What a good opportunity to hear all the embarrassing facts about a person! Now when anyone has something the least bit personal or private, it can be broadcast all over the school. OH 'BOY!! I wish I could have seen the looks on some peoples' faces when embarrassing information about them, true or untrue, was delicately published for the whole school to read. Just think, they had no way to deny anything, except to swear up and down that it wasn't true, or that it didn't happen that way; and no one will believe them anyway, because reading is believing. What a marvelous way for the writers to get in all the dirty little digs and remarks about people that they want to! I'll bet they even run up and down the halls threatening to put everything into the paper. How come they don't sign their names to it? I'd like to know who writes such a wonderful column. As I said before, I LIKE the gossip column, both pages of it. I guess they couldn't say everything about everybody in just one column. Why don't you just rename the paper "The Gab Bags" or "The Daily Scum" or something, and leave out all the unimportant stuff, like news and sports and editorials, and just have ten pages of

pure gossip? You almost have that anyway. I think that would be good, because I like the gossip column best of all!!! Pardon the crayola, but they won't let us use anything sharp here.

Napoleon Jones
Anna (G. B.)

First of all, we would like to thank George Bricker for being the first student to express his opinion through a letter to the editors. We would appreciate more letters, and we will try to answer them in the best way we can. We feel that this is one student's personal opinion. How many others share this opinion, we do not know. In order to find out, we plan to conduct a poll, in the usual place, sometime next week. You will hear more about this later.

Now, we do not mean for our gossip column to slander anyone. On the contrary, we try to edit any gossip that would be offensive to anyone. Of course, mistakes will be made; so please bear with us and understand that our intentions are honorable.

As to length, we have decided to limit the gossip column to two columns, at most. We hope you like this issue; and remember, we thrive on criticism. So, keep those letters coming in!

"QUIPS & QUOTES"

Why the out-hanging tongues, 10:00 World History class? Are those work sheets of Dr. Edwards' too rough? You won't complain if you get A's, will you?

Tell me, Bonnie McCaslin where's that big blue class ring?

Say, Mary K. Squires, is that any way to welcome your U. of I. boyfriend? We saw the way you were acting in the back seat of that green and white Nash.

Betty Frakes certainly knows how to make a certain new Freshman boy welcome. Don't you agree George DeLay?

They say dynamite comes in small packages. Wonder what was in that package in front of Sandy Modlin's house? Couldn't be a time bomb, could it, Simon?

NOTICE!! The Lewis - Chaney wrestling matches will be resumed as soon as Chaney recovers from that black eye he got in previous bouts.

Why the starry eyes and big, wide grin, Delores McCall? Congrats with J.C. Treece!

West Virginia will be represented at the U. High Prom. Best wishes, Jim Simon and Barbara Mohrman. We didn't think you could arrange it.

The hallowed halls of old U. High are minus the ring of one happy freshman voice. We miss you Gerry Barker. Come back often!

Best wishes to our Miss Smith for a speedy recovery. Hope you're back with us very soon.

Belated congratulations to Dr. and Mrs. Brown on the birth of a daughter.

FRED FISHER ATTENDS F. T. A. CONVENTION

On Friday, April 6, Fred Fisher and nine representatives from S.I. U. attended the Future Teachers of America State Convention at Champaign.

On Friday evening, a party was given for the convention delegates. On Saturday morning, the convention business meeting was held at Lincoln Hall. Following the business meeting, the delegates participated in group discussions.

The convention was concluded with a luncheon and an address on "The Challenge of Teaching," by Rev. Kermit Long.

FOREIGN LANGUAGE PLAYS TO BE PRESENTED

The students in the foreign language classes are hard at work, prepar-

ing for the plays which they will present May 2.

The Latin classes are presenting "Saccus Mallorum" and French classes are preparing "Haut Les Main." The Spanish I class is rehearsing "Es El Costumbre," which was written by George Bricker and Fran Schoen. The Spanish II class is preparing "Serenata de Guanajuato."

"GUESS WHO"

This week's personality is a pleasant Junior lad who is 5'9" and weighs 131. He has light brown hair and blue eyes. His favorite food is shrimp; his favorite actor is James Dean, and his favorite actress is Esther Williams. He likes basketball, and his favorite girl is a blue-eyed blonde. Can you guess who?

P. S. Last issue's Guess Who was John Paul Mees.

9aa news

Congratulations are in order for those girls who participated in the state Basketball Shooting Contest. Our G.A.A. girls came in 4th in the district.

Hiking is the next activity on the G.A.A. agenda for Friday afternoons. If the loyal members are complaining about their sore feet-you know why.

By the way, those beginners in bowling are now excellent. At this particular time they are just waiting for someone to challenge them.

"Play Day" preparations are still underway and the committees are hard at work. Those people doing the work are:

Registration Committee:

Mary K. Sharkey, Betty Frakes, Mary Phillips, and Carole Zurflueh.

Food Committee:

Margaret Taylor, Fran Moore, Dede Lingle, Elaine Bicknell, and Sally Taylor.

Scoring Committee:

Marilyn Johnson, Pat Widdows, and Fran Schoen.

Locker Room Committee:

Myrna Gansmann, Winkie

Lewis, Linda Crawford, and Mary Ann Rushing.

Get Acquainted Committee:

Janet DeWitt, Sandy Modlin, Charlotte O'Dell, and Dorothy Kinsey.

Officials and life-guards will be announced later.

The schools attending the Play Day are: Chester, Cairo, C'dale Community, Cambell Hill, Murphysboro, Pinckneyville, DuQuoin, Anna-Jonesboro, Metropolis, and Steeleville.

jr hi news

Our Junior Hi Student Council has been very active this year.

The Council consists of a boy and girl from each section of the seventh and eighth grades. Members this year are: Sue Cherry, Bill Budslick, Margie Malone, Steve McGrath, John Heimbaugh, Libby McGowan, Jim Brunner, and Judy Hunter. Co-sponsors are Dr. Bartlett and Mr. Teel.

The Council discusses problems that face us daily in our school life. We are now planning our final spring party. We are also

assisting with the revision of the Student Handbook. Earlier in the year we conducted a locker inspection.

At our last meeting, we made final plans for our seventh and eighth grade party, to be held on Friday, April 27, at 7:30 p.m. Committees are as follows:

Decoration Committee:

Donna Gray, Harriet Owens, Tony Willard, George Brackett, Brenda Dillow, Tommy Goetz, Eugene Hopper, and Carol Bair.

Refreshment Committee:

Ann Phelps, Jimmy Hunt, Judy Chaney, Karen Davis.

Recreation Committee:

Lois Tucker, Jackie Smith, Kate Lewis, and Charlotte Davis.

The boys out for track are preparing for the meets ahead. Mr. Stotlar is recording the best times and distances of the boys, and will decide who will enter each event. Coach Stotlar says about his athletes, "It's either love or cigarettes, and I don't think it's cigarettes."

SPRING PLAY DATE ANNOUNCED

On Thursday, April 26, at 8:00 P. M., the annual University School Spring Play will be presented in the Auditorium, under the direction of Dr. Abrams.

The play is a three-act comedy in satire, concerning a group of amateur players who are presenting a play. Through the ignorance of the players, the comedy which they are presenting is done as a tragedy.

Don't forget to come out on Thursday, April 26, and see "The Torchbearers." Ticket sale information will be announced later.

BY SPECIAL REQUEST

We have had a special request from the Student Council to mention in the "Cat Call" something about the care of school property, especially as it applies to the plastic magazine covers in the library.

It seems that person or persons unknown have been using these covers for scratch paper. Now the editors and staff of "Cat Call" believe that the misuse of these covers is unintentional, and that certainly no student of University School would

deliberately damage school property. We are hereby officially discouraging this practice and asking the co-operation of all students in this matter. These covers are a great deal more expensive than you might suspect.

The Library Staff, the Student Council, and the staff of "Cat Call" ask you to please be more careful when using library materials, particularly the magazines.

Remember, that a school is as good as the students make it. Let's make ours the best!

In spite of the bad weather conditions of late, the loyal U. School baseball lads have been working out in anticipation of their first game with Cobden, which will be played on the Cobden diamond today.

Coach Small has announced his probable starting lineup for today's game, as follows:

1st base.....George Buys
2nd base...Laverne Addison
3rd base.....Darwin Wright
Short Stop.....John Mees
Left Field.....John Cook
Center Field...Bill Chaney
Right Field...Terry Modlin
Catcher.....Steve Williams

CAMPUS CHATTER

Hey, there! You with the stars in your eyes!!! What is it? Oh, I know. It's P R O M time again.

Have you seen "busy beaver" Brandon and his Junior crew? They are making arrangements for this year's gala event. Plans now are complete for the big Junior-Senior banquet, which will be held at Woody Hall, and plenty of planning is going into that big frolic, Prom. Dr. Willard is lending his assistance to the steering committees.

All you Junior and Senior guys who don't have dates had better get on the proverbial ball, and start asking some of our these "starry-eyed" beauties to go along. (You have noticed them, haven't you?) So, come along now and give some girl a thrill. Save yourself some money, and see Lewis or Chaney about tickets. Let's all make this year's Prom the best ever'.

COUNCIL CORNER

The 22nd Annual Conference of the Illinois Association of Student Councils will be held at the Hotel Sherman in Chicago on Friday and Saturday, April 27 and 28.

Delegates to the conference from University School are Winkie Lewis and George Bricker. They will be accompanied by Mr. Smith, Student Council sponsor.

The theme for this year's conference is "Make The Right Popular." Students will have an opportunity to hear discussions, outstanding speakers, and to meet other student council members and exchange ideas with them.

On Friday evening, the delegates will attend a banquet in the Grand Ballroom of the Hotel Sherman. They will return home Saturday night.

JUNIOR STUDENT COUNCIL

The Junior Council met on April 11 with eight members present. A reporter for the "Cat Call" was appointed. The suggestions for the handbook were completed and given to the faculty chairman of the Handbook Committee. The locker inspection was completed and results posted.

PHYSICS CLASS TOURS

BAUSCH-LOMB COMPANY

As a part of their study of light reflection and refraction, the 1:00 Physics Class visited the Bausch-Lomb Optical Company.

The class saw how the different types of lenses are manufactured and the way eyeglasses are made.

One member of the class, Boots Fligor, took a sample eye test and passed with flying colors. The class was accompanied by Dr. Gross and student teachers.

STUDENTS TO ATTEND STATE ACADEMY OF SCIENCE

On Thursday, May 3, four University School students will go to Springfield to enter exhibits in the State Academy of Science Meet. Will Arvin, Wallace Pulliam, Don Davis, and George Fisher, all of whom won first awards in the district meet, will make the trip with Dr. Gross and Dr. Brown.

On Friday morning, the projects of hundreds of students from all over Illinois will be judged. The awards will be given Friday night at a banquet. On Saturday, the boys will tour the Allis-Chalmers plant and will return home.

COMMERCE CLASSES CELEBRATE NATIONAL SECRETARIES' WEEK

On Monday, April 23, the Shorthand I and Typing II classes observed National Secretaries' Week with a luncheon at Engles and a guest speaker. The classes had as their guest, Mrs. Lois Nelson, Secretary to President Morris.

After lunch, the group toured the President's office, and Mrs. Nelson told the girls about some of her duties and some of the qualifications necessary to become an executive secretary.

THE LYNX THINK

My Word! Napoleon Jones' letter certainly touched off some interesting reactions. Seventy-six nice people took time to vote in our poll. Seventy want us to continue gossip, 68 school news, 61 Guess Who and coming events; over 50 want sports, club news, inquiring reporter, and letters to the editor. 40 want editorials, Council news, and student articles. A number suggested that

we re-name the paper. Others suggested jokes, cartoons, stories and puzzles. Thanks to all of you. Perhaps the most interesting comment we received was this:

TO G. B. - FROM J. S.

You don't like Quips and Quotes; that's odd. Sounds as if you have a Guilty mind, poor cod.

For those of us who have Nothing to hide,
We find your complaint Dead--dried.

I speak for the majority,
Of that I'm sure--
We need more Quips and Quotes, or "Cat Call" is Obscure.

PLAY CAST ENJOYS PARTY

After their successful presentation of "The Torch-bearers", the exhausted cast enjoyed a party given by Bill Felts at his home. Food was served, and a good time was had by all.

JUNIOR SCIENTISTS MEET

On Saturday, April 14, University School was host to students from eleven area high schools at the Junior Academy of Science Meet. Exhibits were open until noon. In the afternoon, a demonstration on liquid oxygen was given, and the awards were presented.

Murphysboro High School students took top honors, entering six exhibits and winning six firsts.

U. School students who won awards were: Will Arvin, first; Wallace Pulliam, first; Don Davis, first, and George Fisher, first. Also winning awards were George Bricker & Richard Ehrlich. First place winners are eligible to enter the State Meet on May 3.

DISTRICT LATIN MEET HELD HERE

The Illinois District Latin Contest was held at the U. School campus on Saturday, April 14. Students from seven schools entered the competition.

Richard Ehrlich won a Superior rating, and Elaine Kaplan won Excellent. As a result of his rating, Richard will enter the State Meet at Wheaton College on May 5.

During the Meet, Mrs. Evelyn Rieke was hostess to the teachers at a luncheon in the Home Ec room.

QUIPS & QUOTES

Well, that big night has come and gone! In case you haven't heard, heads were really in the stars, what with all the girls wearing stars in their hair, the stars on the table decorations, to say nothing of that stairway to the stars. In spite of Dr. Buys' timely??? remarks, we were surprised when we entered the door.

I'll bet those freshmen and sophomore girls stayed out later than ever, didn't you, Elaine, Bonnie, Linda, Shannon, and Mary Ann? All in all, I guess there are advantages to dating upper-classmen. Wonder what happened to those four couples who came to the banquet sooooo late?

Did you know that a certain junior girl is dating her old flame again, a senior at Community at that?

If you want to know all about cupid, just ask Gary Crows---he was hit by an arrow. From one of the archery classes, no doubt.

Looks like one redhead would be enough for anyone, but no-----a certain male sophomore redhead is courting again, another sophomore redhead.

Well, things come and go, but Betty Young's engagement ring went pretty fast, didn't it?

Attention, U. High girls! Are you going to let Perk get by with going to Du Quoin to get a class ring?

I understand that the only way Dr. Small can win at rum is to let him go first. Now is that any way to treat freshmen, Dr. Small?

It's rumored that some of our eighth grade girls are coming up in this world, with some freshmen boys, no less.

NOTICE! Dr. Brown is looking for one 26-inch boy's bike. We don't know whether the station wagon is too small, or the waistline too large; but at any rate, if you have one for sale, see Dr. Brown.

GUESS WHO

This week's personality is a pleasant Miss who is new to U. High this year. She has black hair and blue eyes, is 5'8" and weighs 130. Her favorite food is FOOD, and her favorite actor is Marlon Brando. She has not decided yet what she likes best about U. School, unless it's a certain blonde boy. Can you guess who?

Incidentally, last issue's Guess Who was Bill Chaney.

'T WAS A HEAVENLY PROM!!

We of the Class of '56 would like to thank the Junior Class for such a

lovely Prom and banquet. The atmosphere at both was cozy and pleasant. It's a good thing Kent told us not to put our feet on the stairs, or someone might have been carried away, heavenward, that is. Thanks again, Juniors. We hope you have as nice a Prom as you presented to us!

1956 TOWER STAFF NAMED

Appointments for the 1956-57 Tower Staff have been made by Dr. Gross and the faculty.

Dede Lingle has been named Editor, with Jim Sappenfield as Associate, and Mary A. Rushing, Assist.

Business Manager is Richard Ehrlich, and Fran Schoen is Advertising Mgr.

Dick Randle will handle Athletics, and Dorothy Kinsey is Organizations Editor.

Dick Fulkerson will be Activities Editor, with Winkie Lewis helping. Mary Wall will be in charge of Typing. Sandy Modlin, Sue Garbutt, Mary A. Shyrock, and Judy Chaney have been named Senior, Junior, Sophomore, and Freshman Class Editors, respectively. Jr. High Editor is Michele Davis.

Bob Wheeler will be assisted by Wanda Sill on Photography, and Darrell Cutler and Emilee Murray will be snapping shots. Print Men will be Danny Lewis and Paul Buff.

9.a.a. news

Hike, anyone? Our G. A. A. gals hiked out to the Crab Orchard picnic area last week (only half way really), and a good time was had by all.

Everyone was to bring something that could be cooked over a fire, and what outdoor people we had!!!!

Linda Crandle managed a minute steak, and Fran Schoen mastered fish sticks in the fire, roasted potatoes and hot rolls.

With some struggle, Carole Zurfluh finished with some tomato soup, and Mary Kay Sharkey had the most gorgeous toasted cheese sandwich drooling all over the place.

Judy Palmer and Delores McCall tried to get by with meat loaf that was already cooked, but it ended up over the fire being cooked again.

Mrs. Stief, Master Camp-Fire Girl, had cooked potatoes and hamburger with tomatoes and onions. Doesn't that sound like a good diet girls? And Miss Roos, nature lover that she is, supervised.

The other outdoor people really cooked too. What? Well, just guess-----you're right--hot dogs and more hot dogs!!

F.F.A.

On Friday, April 27, the Future Farmers of America, University School chapter, will visit St. Louis. The group will leave by bus and will tour the Chevrolet assembly plant and McDonnell Aircraft plant. We will hear more about their trip later. Keep us posted boys!

On Saturday, April 28, University School F.F.A. will be represented at the Fat Stock Judging Contest sponsored by the S. I. U. Agriculture Department. Six entries will be selected from those boys who score highest in the elimination judging which will be held in the U. School classes. The judging will include beef, hogs, and sheep.

On Friday, May 4, the boys will enter the Sectional Dairy and Fat Stock Judging Contest to be held at Benton.

GOOD LUCK, BOYS! Let's bring home some prizes!!!!

BOOKMARK WINNERS ANNOUNCED

Mike Smith, a sixth grader at U. School was named winner of the Bookmark Design Contest recently sponsored by the Library Club.

Second place winner was

F.H.A.

On Saturday, April 28, S. I. U. will be host to Section II of the F. H. A. This meeting will include about 500 girls from Williamson, Jackson, Franklin, and Perry Counties.

Dr. Paul Hunsinger will be the keynote speaker at the morning session. During the morning session, candidates for various offices will make stump campaign speeches. In the afternoon session, candidates will be elected. Entertainment will be provided by the Kappaleers.

U. School students who will campaign for offices are Sallie Taylor and Linda Crawford. Each chapter is allowed to submit a nominee for delegate to the National F.H.A. Convention, to be held in Chicago in July. The record of each nominee will be carefully evaluated, and the delegate will be chosen on the basis of her work in F.H.A. Our nominee is Dede Lingle.

grade; third place was Linda Houghland, fifth grade; and Carol Hughes, fourth grade, was fourth place winner.

The winning bookmarks and those receiving honorable mention will be duplicated for use in the library. Judges were Miss Fletcher's Library Science Class.

U. SCHOOL TAKES HONORS IN MUSIC

U. School can well be proud of its musicians. Our Grade School students carried off top honors in the Illinois Grade School Solo and Ensemble Contest held at Benton on April 12, bringing back 19 First-Superior awards, 11 First awards, and 10 second place awards.

GRADE SCHOOL MUSIC FESTIVAL

On Friday, April 20, forty University School elementary students and Miss Carey, vocal music director, attended the grade school Music Festival at Herrin.

The students were divided into groups for practice sessions during the morning and afternoon. Each group was directed by one of the music teachers in attendance.

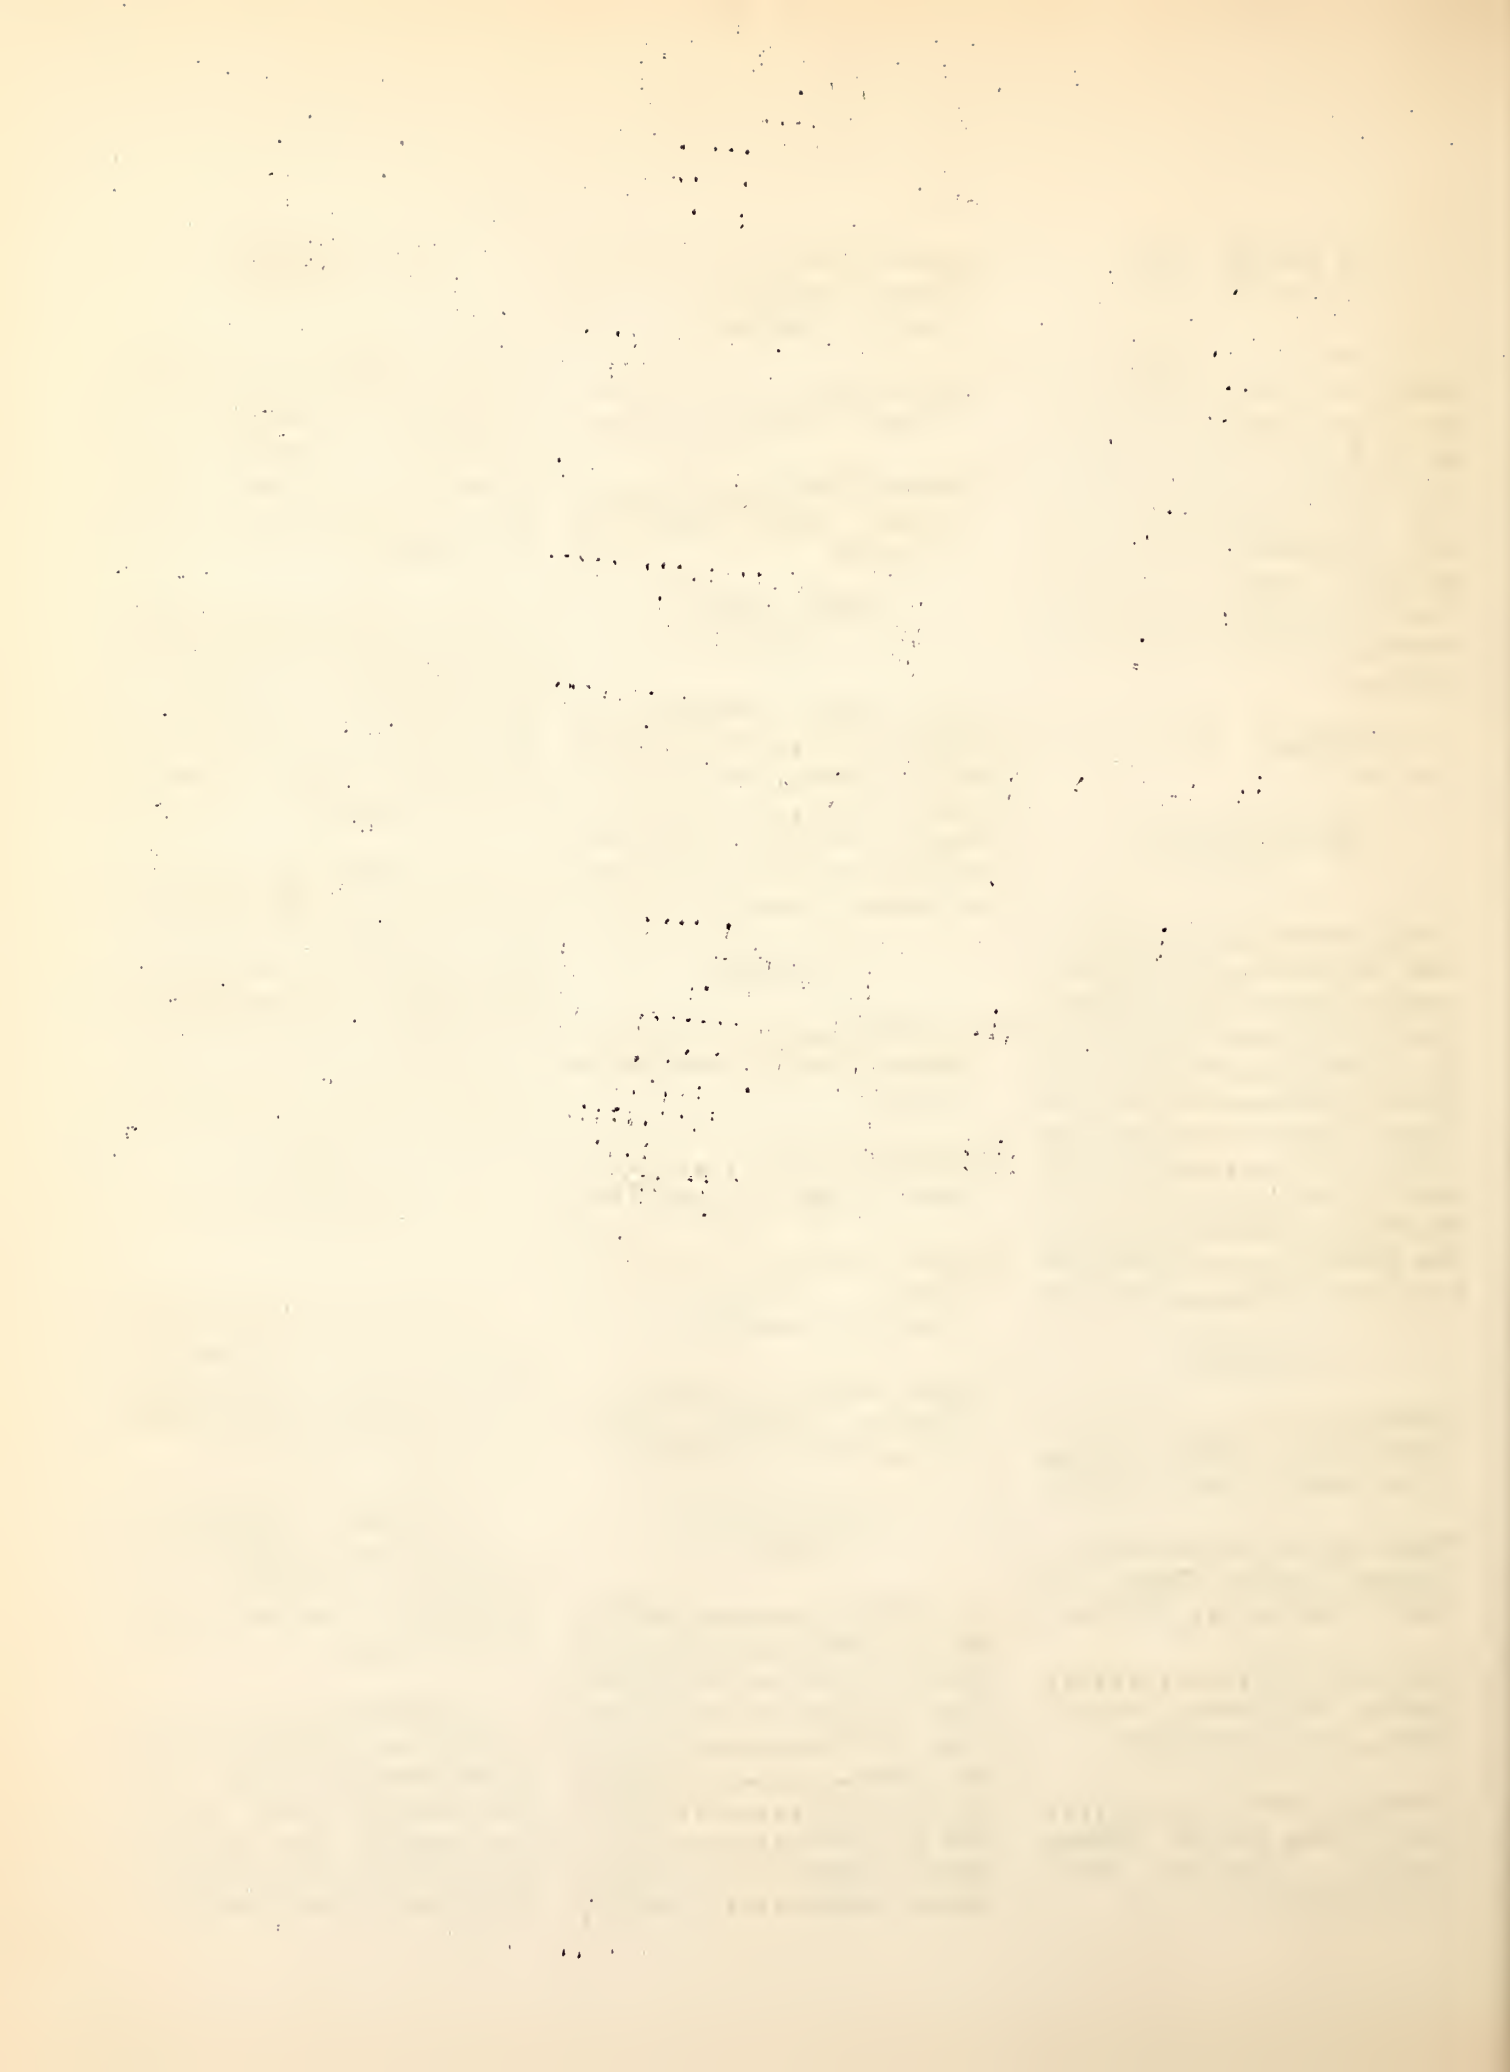

At 7:30 p.m. the combined group of 1000 students presented a public concert, at which they sang the numbers they had rehearsed during the day.

STATE MUSIC CONTEST HERE

On Friday and Saturday, May 4 and 5, University School will be host to the Illinois State Music Contest for Class B Schools.

On Friday approximately one thousand students in solos and ensembles, both vocal and instrumental will participate.

On Saturday, bands from thirty-one schools, with a large number of glee clubs and choruses will be on our campus. The University School Band will also participate in the event.

COBDEN JINXES LYNXES

That old Friday the thirteenth jinx got the better of the U. High Lynxes, as they lost the baseball opener, 8-1 at Cobden.

U. High took the lead in the first on a walk to Chaney, Mees' base on an error, and Cook's single. Zesche, a surprise starter, pitched good ball for 2 1/3 innings before being relieved by Brandon.

Cobden scored in the third on two walks, an error, and a double by Basler. They scored again in the fourth on a single and a triple, and then clinched the game in the sixth by scoring three runs.

Lamer was Cobden's big gun, with a double, a triple, and two RBI's to his credit. Cook got U. High's only hit, a single in the first. Yates was winning pitcher, Zesche loser.

ELKVILLE EDGES U. HIGH 7-5

On a cold and wet April 17, the Lynxes were defeated by the Elkhville Bluebirds, 7-5. Thanks to Gruber's wild pitching, the Lynxes scored in the first two frames, but muffed a chance to pile up a lead with the bases loaded in the second.

The Bluebirds tied the game in the bottom of the second on an error, a double, and a single. The Bluebirds scored two more in the third.

Buys got U. High's first hit in the fourth, Jackson doubled, and Dobbie Wright came through with a clutch single, scoring Buys and Jackson, to tie the game 4-4.

The Bluebirds scored again in the fifth and Fligor scored U. High's fifth run on an error. Elkhville scored again in the sixth to cinch the game, 7-5. Gruber was winning pitcher, Fligor loser.

VERGENNES 9, U. SCHOOL 1

The Lynxes went down to defeat at the hands of Vergennes, 9-1, on Tuesday, April 24.

Vergennes scored two runs on five singles and an error in the first, and one more run in the second.

U. High scored its only run in the third. Vergennes scored in the third, and Wisely hit a home run in the fourth.

U. High had a chance to score in the sixth, but a double play stopped them. Sledger was winning pitcher and Fligor took the loss. This was the Lynxes fourth loss in as many games.

TRACK NEWS

The Lynx track men entered their first meet at Zeigler, on Tuesday, April 24.

The Freshman Relay team would have qualified, had it not been for a fault. Their time was 1:43.2, with Robinson, Wright, Gumm, and Reinhardt running.

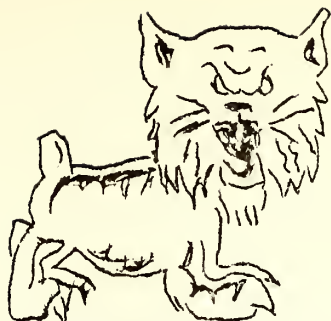

The Freshman team also ran in the Varsity 880, with Simon running instead of Reinhardt. They ran sixth; time was 1:43.61.

Other events entered were: 100-Yard Dash, Gumm and Robinson; 220-Yard Dash, Simon; Shot Put and Discus, Howell; Broad Jump, Robinson, Reinhardt, and Gumm; High Jump, Reinhardt; 880, J. McLafferty; Mile, B. McLafferty; and 180-Yard Low Hurdles, Williams.

U. High's next meet is the Herrin Relays, on Saturday, April 28.

COUNCIL CORNER

The election of Student Council members will be held from 7:30 a.m. until 4:00 p.m., Tuesday, May 15, in the ground floor corridor. The voting procedure shall be as follows:

From the Freshman class, one boy and one girl shall be elected from these candidates: Connie Elder, Richard Ehrlich, Karla Faye Meyer, and Charles Ross.

From the Sophomore class, one boy, one girl, and one other boy or girl shall be elected from the following: Jeanie Frakes, Bonnie McCaslin, John Paul Mees, Jim Sappenfield, Sheila Tedrick, Steve Williams.

From the Junior class, one boy, one girl, and one other boy or girl shall be elected from the following: George Bricker, George Buys, Winkie Lewis, Fran Schoen, and Wanda Sill.

In past elections, many ballots have been declared void because of incorrect marking; therefore, the Student Council is taking this opportunity to explain how ballots should be properly marked.

Each ballot must be marked for one boy and one girl, plus one other boy (See Page 4, Column 3)

IT HAPPENED HERE

Miss Bach walked into her English 3 class the other day, to be greeted by bedlam. She held up one hand and said, "Ding, Ding, Ding." The room quieted immediately: and when dead silence prevailed, Dick Randle looked up with his innocent eyes and calmly said, "Well, Dong, Dong, Dong."

Congratulations to our Jack Lane! Jack was notified this week that he is one of two winners of \$4000 scholarships to the University of Illinois, College of Engineering. The scholarships are given annually by the State Association of contractors to students who desire to enter engineering. Applicants are required to write a 5000-word paper on engineering and to appear for a personal interview. Best wishes to Jack in his future career!

U. SCHOOL TO PARTICIPATE IN GRADE SCHOOL CONTEST

University School will participate in the Illinois Grade School State Band Contest at Herrin on Friday, May 11. Students who will represent U. School in solo and ensemble events are:

Richard Hartwig, Gordon Teel, Steve McGrath, Donna Buboltz, Susan Willey, Wayne Fishback, Jimmy Hunt, David Fligor, Brockton Lockwood, Robert McCoy, Jon Ogur, Steve Bracewell, Art Parrish, Susan Frields, Karan Davis, Robert Mees, Janet Smith, Carmen Manus, Carol Bair, Carol Feirich, Carol Ann Klingberg, John Phelps, Linda Sisk, and Ann Owen.

Accompanists for the groups are Mary K. Sharkey and Mary Ann Rushing.

The Student Council at University School is not a "private club," or an honorary organization, or a "clique." It exists to serve the students at U. School. This year, for example, the Council served you in these ways: Homecoming Dance and Coronation, Freshman Assembly and initiation, distributed money to clubs and activities, Christmas party, suggestion box, school newspaper and, coming up, a "Last Fling" record dance.

Now the Student Council needs your help. Of course, you will want the best possible Council next year, so we ask you to think before you vote.

Don't vote for someone because "everyone else is." On the other hand, don't refuse to vote for someone simply because they have made you angry or they're not in your group. Think about the person for whom you vote. Vote for the person who will do the best job; the person who has ideas and will express them; the person who "gets things done"; the person who will serve you best.

If you use these criteria in voting-----disregarding every thing except the candidates' qualifications, you will be sure of having a Council that will do what you want done, and do it well. After all, that's what you want, isn't it?

SCHOOL ELECTIONS HELD

Congratulations to the new officers of the Sophomore, Junior, and Senior Classes for the school year 1956-57. We all know you will do your best to do a good job of running our classes next year.

We would also like to say "Thanks" to this year's officers for the fine job they have done. We have appreciated you.

Even though very good officers were elected for next year, some students seemed to take this year's

elections as a big joke. Many conscientious students are blaming the presiding officers for the lack of order and co-ordination during the elections. What they do not seem to realize is this: **EVERY CLASS MEMBER IS RESPONSIBLE FOR HELPING THE OFFICERS CONDUCT ORDERLY CLASS MEETINGS!** Officers are elected to guide the classes, that is true; however, without the co-operation of each and every member, even the best officers cannot help a class carry out all the tasks for which it is responsible.

We of the "Cat Call" editorial staff believe that a part of our responsibility to you as students is to keep you informed and aware of conditions here at U. School. It is our opinion, and we hope that of the majority of students, that school elections are a serious affair--and one in which we should uphold the traditions of the fine school of which we are a part. We realize that the action of a few persons can sometimes create a wrong impression on persons who are not aware of the true situation.

Therefore, we want to urge you, as class members, to become interested in the undertakings of your class. **Keep Informed!** Inform yourself about the candidates for offices. Vote for the person whom you feel will make the best class officer. Work when called upon for the benefit of your class. **GET BEHIND YOUR OFFICERS**

QUIPS & QUOTES

Well, things werereally lively around U. School last week end. We still can't figure out why it took Charles, Jerry, and J. P. a half hour to take those girls to their practice room. The contestants weren't the only ones lost during the contest--one of our eighth grade guides didn't know her way around very well either. Seems funny that all the men faculty members and the boys who were supposed to be guides couldn't be found Saturday afternoon. Could the Miss Southern contest have had anything to do with it??

One, two, three, four five, six, seven---did you really eat that many hot dogs, Dick?

The Smith School of Baton Twirling will soon open. After watching those gorgeous twirlers all day Friday, Mr. Smith should be an authority on the subject.

Does chalk really taste like red apples, Dr. Small?

Why does J. P. always wait 'till warm weather to start dating?

Say, Harlene, whose great big ring are you sporting around your neck? Are you trying to keep all the U. High fellows guessing?

John W.'s weird sense of humor is liable to get him bushwacked some night!!!

SENIOR HIGH SPRING PARTY COMPLETE SUCCESS

The seventh and eighth grade Spring Party was held in the gym on Friday, April 27.

Any limping among the classes may be blamed on the balloon dance. The food was delicious, and the decorations beautiful. Of course, the recreation added real spice.

Thanks to all you teachers who made the party a huge success.

U. SCHOOL MUSIC DEPARTMENTS WIN HONORS

Hurrah for Miss Carey and Mr. Paterson!!! The Music Contest was a complete success. The Glee Club and Mixed Chorus both received first ratings. The Octet was one step behind, but just as happy---they received a second rating.

After the singing, the members were making the best maidrites and hot dogs this side of Texas. Drinks were sold to help the digestion along. Lemons were also sold to the Future Singers of America, to insure perfect tones.

After a long week-end of Guiding and Selling, the music students were tired and happy. They will long remember the 1956 State Music Contest. P. S. Congratulations to Jon Ogur, Nellie and Claudia, too!!!

GUESS WHO

A senior girl who chews gum at a rate of 95 m.p.h.

Two juniors who are leaving U. School at the end of this year.

A freshman who does her newspaper articles in Algebra class (the day after they are due).

A faculty woman who is resigning.

An eighth grader who has earned two basketball letters this year.

Two eighth grade girls who stole a pair of our freshman boys.

(Last issue's Guess Who was Beulah Desborough.)

BRAIN TEASER

The combined age of Martha and Ann is 60 years, and Ann is as old as Martha was when Ann was one-fourth the age that Martha will be when Ann is as old as Martha is now. How old is Ann?

The best solution to the teaser last issue was submitted by Joe McLafferty. Jim Simon and Jack Lane did a good job of helping the Algebra 2 Class solve it.

G.A.A. PLAY DAY HERE

Saturday, May 12, is the big day for G.A.A. members. Beginning at 8:30 a.m., the visitors will be registered and ushered to dressing rooms, where they will get ready to play.

From 9:30 a.m. until 11:30, group activities of softball, volley ball, deck tennis, and shuffleboard will be played. Eighteen U. High girls will be officials, score keepers, and timers.

At 11:30, activities will be halted for lunch. Each girl will bring her own lunch, and U. High will furnish milk and ice cream.

After lunch, all the girls will go swimming in the pool for two hours. Life guards will be Janet DeWitt, Delores McCall, Mary Ann Shyrook, Marilyn Belford, Mary Ann Rushing, and Linda Crandle. We hope this "Under The Seas" Play Day will be a great success.

F.F.A. PARTICIPATES IN JUDGING CONTEST

On May 4, U. School Ag. students entered the livestock judging contest at Benton. Jim Stephens and Laverne Addison received individual awards, and teams composed of Donald Knust and Arvel Nance, and Bill McLafferty and Don

Johnson received awards. Bill Mann, Jim McLafferty, and Dobbie Wright also entered the contest.

F. H. A. ATTENDS RALLY

The spring rally for Section II of the F. H. A. was held at Shryock Auditorium on Saturday, April 23. Mrs. Rieke extended a welcome to about 600 girls from Southern Illinois schools. During the morning session, candidates for district offices made stump speeches, giving their qualifications for office. The main address was given by Dr. Paul Hunsinger.

A style show opened the afternoon session, with each chapter taking part. Models from U. School were Sandy Modlin and Dorothy Kinsey. The meeting closed with the installation of new officers. Linda Crawford was enstalled as Recreation Chairman. Dede Lingle was selected as a delegate to the National Convention.

F. H. A. SETS STYLE

The F. H. A. Style Show displayed high fashions at U. School, from Elaine Kaplan's casual bermudas to Myrna Gansmann's ruffled formal. The big surprise of the show was the theme, "This Is Your Life," which portrayed Polly Winkler's senior year at U. School. A gift was presented to Polly for her service to F. H. A.

A ballot which has been erased is also declared invalid. Spoiled ballots should be returned to the clerk, who will issue a new ballot.

X's should be crossed within the boxes.

U. HIGH SPORTS

TRACK NEWS

The Freshman relay team placed fourth in the Herrin Relays on April 20. Their time was 1:42.8, which is their best this year.

On Saturday, May 5, the Freshman Relay ran in the Pinckneyville Frosh-Soph Meet, but did not place. Charles Reinhardt tied for fifth in the High Jump, with a jump of 5'3".

There will be one more track meet for U. High, on Friday, May 11, at the S. I. U. track. This is a District Meet, and anyone placing first or second will then go to the State Meet at Champaign.

PANTHERS 5, LYNXES 2

The Lynxes were edged by the Pinckneyville Panthers, 5-2, on April 30, at their second home game.

The Panthers scored two un-earned runs in the first on a two-base error, after Bigham and Decker singled.

A fielder's choice, two walks and a base on error gave the Lynxes an un-earned run in the third.

The Panthers increased their lead by three runs in the fifth, on a base on balls, a stolen base, and four errors.

The final Lynx run was scored in the bottom of the fifth on two walks and an error. The Lynxes loaded the bases in the last of the seventh with two out, but they could not push the runs across.

ELKVILLE 12, U. HIGH 2

After playing Pinckneyville on Monday, the Lynxes were host to Elkhville on Tuesday, May 1.

The Lynxes jumped to an early lead in the first, scoring two un-earned runs as Chaney was hit by the pitcher and stole second. Buys walked and Reinhardt came through with a sacrifice bunt. Walks to Mees, Jackson, and Wright produced two runs. After this inning, only three Lynx men reached base.

Elkhville banged out 3 hits in the fourth. These hits, combined with a hit batsman, a walk, and two errors, were good for 3 runs.

The Bluebirds blew the lid off in the fifth, as 14 batters came to the plate to push nine runs across.

The game ended as the Lynxes went down 1-2-3 in the fifth.

GORHAM 10, U. HIGH 6

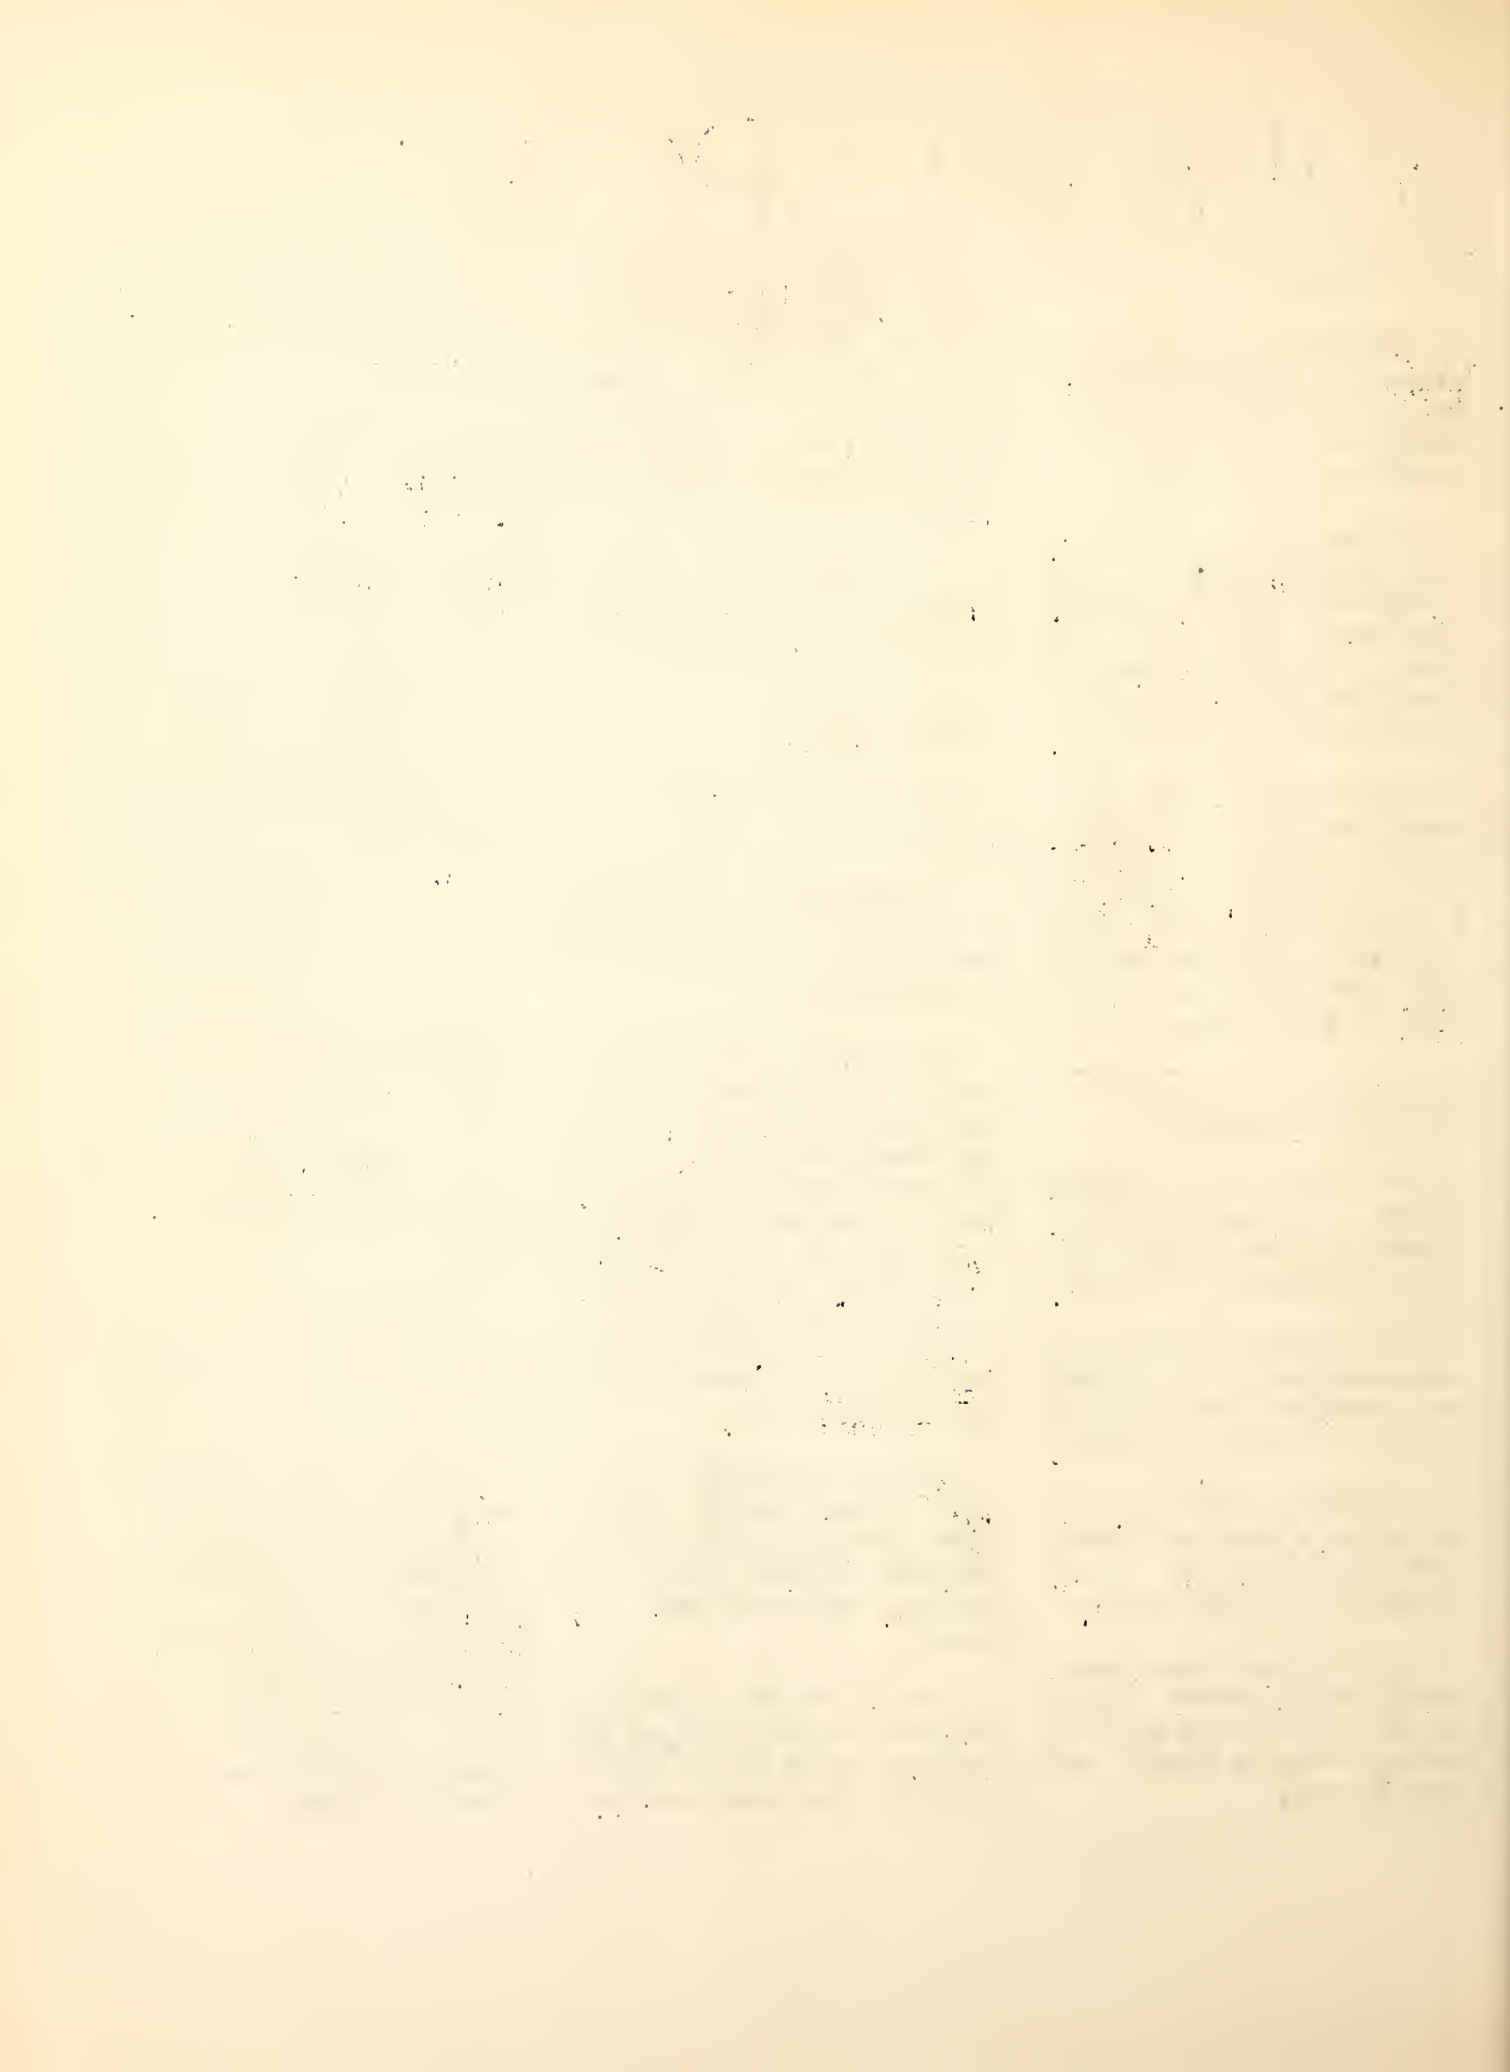

The Lynxes played one of their best games of the season against Gorham on May 3. The Lynx men scored six runs and committed only four errors, while losing to Gorham, 10-6.

Reinhardt's single to left scored Chaney, who had walked, in the first.

Two singles and three Lynx errors gave Gorham two runs in their half of the first.

Gorham had a big 7-run second inning, with Gibbs slamming out a 3-run homer.

Gorham scored again in the fourth and fifth. With two out in the sixth, Neas singled and stole second. Williams walked, both runners advanced on a wild pitch, and Modlin's single scored both runners. U. High rallied in the seventh but still lost. The winning pitcher was Shields, loser, Zeschke.

THE COUNCIL CORNER

The Student Council wishes to take this opportunity to thank all those students who have supported it so whole-heartedly this year. Without this support, it would be hard for the Council to function properly.

Many people think that the Council is just a group that is elected by some of the student body and which meets occasionally to discuss something of very little importance.

Actually, your Council is faced with many problems--problems which affect you as students of U. School. If the right solutions are reached, your life as a student is made more valuable because of it. Your Council is faced with the big task of helping the student body function in a democratic manner. This it has tried to do, to the best of its ability.

Again, thanks to you, the student body, and many, many thanks to our sponsor, Mr. Smith, who has given us much guidance and help.

COMING EVENTS

The Freshman Class will hold its annual Picnic on June 5 at Giant City State Park. The group will leave immediately after school, and will return at 8:00 p.m. Hope you have fun, gang!

The Sophomore Class has been patiently awaiting the day when they could say, "No school this afternoon, let's go on a picnic!" This year's big affair will be held at Giant City on June 8, from 1:00 p.m. to 5:30 p.m. There will be activities for all. We hope that everyone attends.

The Elementary School Spring Sing will be held on Wednesday, June 6, in the Auditorium. The program will begin at 6:30. Grades one through six will be participating, and Miss Carey will be assisted by Miss Hubbard and Mr. Eigenmann, student teachers.

The "Cat Call" Staff wishes Sandy Modlin the best of luck for a speedy recovery. GET WELL SOON!!

"CAT CALL" SALUTES SENIORS

It's 7:30 p.m. A few "last-minuter's" are hurrying to their seats. Outside may be heard running footsteps, rustling of gowns, and much "sshhing." A hush falls over the audience as the pianist takes his place at the piano. The processional begins, and another class is about to end its four-year stay at University School. To you, the Class of 1956, we of the "Cat Call" staff dedicate this issue.

Four years ago, you entered University School as green, green Freshmen. You had bright eyes, new "grown-up" clothes, and wide anticipation. You took Freshman Initiation in your stride, looking forward to the day when you would initiate some poor Freshman class. You complained about Algebra and English I, but you took them because you realized they were good for you. You elected as class officers, Mary Kay Sharkey, President, Bill McLafferty, and Jack Lane. Your Homecoming attendants were Mary Kay Sharkey and

(Senior Salute...Con't.)

Barbara Mohrman. My, but weren't you important.

One year later, you were SOPHOMORES. No more of that silly freshman stuff for you! You knew your way around school, yes indeed! You gained some new class members, and lost others. Mostly, the same old bunch was around in September to get things rolling. Your class officers were Barbara Mohrman, President; Terry Thalman, Vice--President; and Jim Simon, Secretary. Joyce Ross and Bill Felts were on the Student Council and you participated in more and more activities. Mary Kay and Barbara were your choice for Homecoming.

1955. My, you were big stuff that year. You were Upperclassmen! You could go to Prom and help initiate freshmen. You came back in September "rarin' to go." You elected Jim Simon, Claudia Cutler, and Mary Kay Squires to steer you through this all-important Junior year. And what a good job they did, too. There were a few newcomers, also. One of them, Myrna Gansmann, along with Mary Kay Sharkey, was your Homecoming attendant. "Indian Summer" was really wonderful because you were a part of it. Came Christmas and the big party.....and that wonderful vacation. Back to school, and buckle down to work. After Spring Vacation came that wonderful event.....Prom. It was no less than a

"Fantasy," what with you boys suddenly springing out in dinner jackets, and ch.. those beautiful girls! This was really the life!!

1956. This is it...The YEAR! Back to school, to welcome all your old friends, and some new faces too. One new senior boy turned up, Fred Fisher. There were numerous new teachers to greet, plans to be made, and to get ready for that long, home stretch, Senior Year. Terry Thalman was elected Skipper and Joyce Ross and Mary K. Squires, First Mates. That Senior Ship was launched.

You buckled down to Advanced Algebra, English 4, Chemistry, and other subjects. You complained about how hard it was, but underneath, you were pretty glad that you were a Senior.

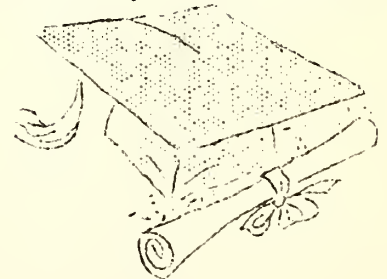

Fall came, and with it Freshman Initiation, and that wonderful "Tea-House of the August Moon," Homecoming. Your favorite girl, Mary Kay Sharkey, was elected Queen, and reigned over Homecoming. Your Jim Simon was getting the Yearbook lined up, and Bill Felts was guiding the Student Council. Came Christmas and vacation, and back to school for second semester. There was another new face this time, Pat Foster joined your ranks.

Soon it was Spring, and this old year was about to close. This

time you could sit back and relax, knowing that Prom was in the hands of your good friends, Brandon and Crew. Wasn't it a pleasure, dancing up the "Stairway To The Stars?" You were really in a dream world.

Prom came and went, and soon it was time to think about that Senior Trip. You loaded up the bus, and St. Louis....."Here we come." Your name cards and graduation announcements came, and you began to think about that DAY. School was almost over for you. Yearbooks were distributed, and caps and gowns were tried on and admired. My but weren't you the envy of the school?

Soon it will be that day....Graduation. Class of '56---we'll miss you. We know that you will have wonderful success in life. Some of you will go on to higher education, some of you will begin to earn your own bread and butter, and others may begin family responsibilities. Whatever you choose, we know that you will be successful, and that you will continue to be the fine group that you have been at University School. Good-bye, and Good Luck, Class of '56!!

THE LYNX
THINX
"CURTAIN CALL"

With this tribute to our Seniors, we of the Cat Call submit the last issue of the present school year. I feel that it is fitting to dedicate this issue to such a group--one of which we are proud. But it would take much more space than is allotted to me here to express our appreciation for their fine work while here at U. High. Enough said?

Rather, I should like to devote this column to saluting those connected with the "Cat Call" this past

year. No one person can claim personal responsibility for the success or failure of this publication. Without a doubt, you, the readers, are responsible for our success; nevertheless, I shall take this opportunity to thank those directly connected with making Bob's and my jobs as Co-editors easier.

First, to the Student Council, which gave us our start. Then to our reporters who cover the routine news and features. Thanks to our typists and publication staff---a fine, hard-working group. And, finally, a great big "thank you" to our swell sponsor, Mrs. Mary Francis! She started learning the rigors of high school journalism with us, and met each obstacle in the path of the green staff and editors with a smile and a witty remark which set us all at ease. We hope it hasn't been too hard on you, Mrs. F.

So, to everyone who has made the Cat Call possible, we, the editors, say Thanks!

SEE YOU NEXT YEAR!

SEVERAL STUDENTS SOLVE BRAIN TEASER

Last issue's teaser, (the one about Martha's and Ann's ages) was solved by several U. School students.

Richard Ehrlich, Charles Wright, Don Davis, and Joe McLafferty all submitted correct answers.

SPRING SING

The annual University High School Spring Sing was held Tuesday, May 29, in the school Auditorium. The Madrigals were in costume, and the high school girls participating wore formals.

The program consisted of the Madrigals, the Seventh and Eighth Grade Chorus, a piano solo by Sallie Taylor, the Girls Glee Club, a vocal solo by Mary Ann Rushing, Mixed Chorus, the Girls Sextet, and the Combined Chorus.

"You'll Never Walk Alone" closed the program with the right atmosphere. It seemed as if everyone was singing this particular song to Miss Carey, because we will always be behind her, wherever she may go. U. School will long remember Miss Carey and the wonderful things she has done for the music students of our school. We want you to know, Miss Carey, that we all love you very much and wish you great success in your new position.

G. A. A. TO GIVE SENIOR FAREWELL

On Monday, June 4, at 7:00 p.m., the U. School G. A. A. will hold its last meeting of the year.

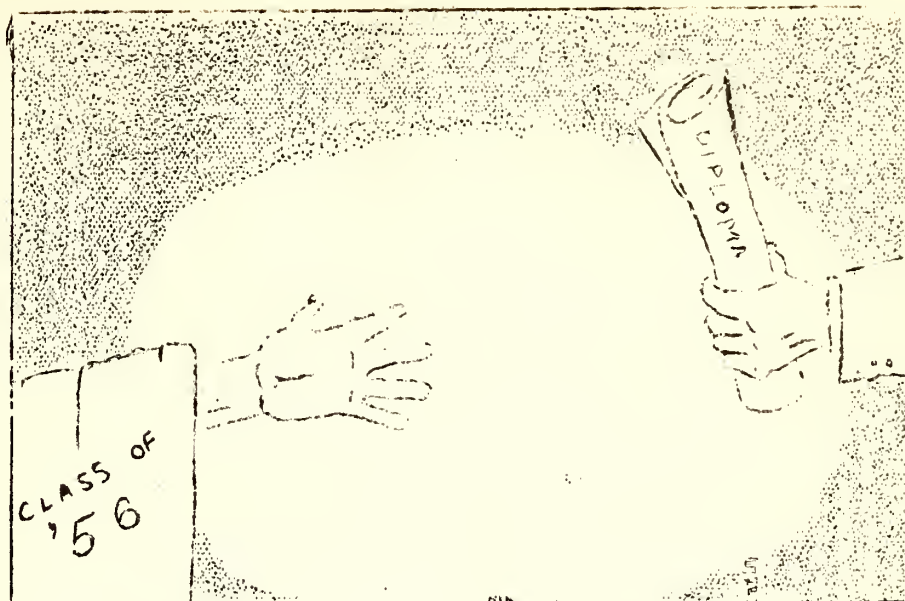

The program will consist of the Senior Farewell, the awarding of letters to those girls who have earned them, and the installation of next year's officers.

[The page contains extremely faint, illegible text, likely bleed-through from the reverse side. The text is organized into several columns and paragraphs, but no specific words or phrases can be discerned.]

TOWER STAFF HOLDS PICNIC

The 1955-56 Yearbook Staff and their guests held their annual picnic at Crab Orchard Lake on Wednesday, May 23. Nine staff members were present, as well as Dr. Gross, the sponsor, and Mr. Budde, a student teacher.

The customary picnic fare was served. In spite of cool weather, and the threat of rain, everyone agreed that the picnic was a big success.

IN THE SWIM

If anyone should venture out to Crab Orchard or Thompson Lakes, I am sure they will see some of the U. School students doing "Ballet Legs," or "The Submarine," as demonstrated at the assembly last Thursday.

The girls participating in the show were: Sheila Tedrick, Mary Wall, Linda Crawford, Bonnie McCaslin, Sallie Taylor, Jeanie Frakes, Janet DeWitt, Wanda Sill, Linda Crandle, Marilyn Belford, Charlotte Davis, Mary Ann Rushing, Frances Schoen, and Pat Widdows. The Fifth and Sixth Grade girls also exhibited their swimming skill.

Announcer for the show was Winkie Lewis. The music was arranged by Charlotte O'Dell. Miss Roos directed the show.

F. H. A. HONORS MOTHERS

The F. H. A. members honored their Mothers on Tuesday, May 15, at their annual Mother--Daughter Banquet. Each Mother was presented with a rose.

The program consisted of a piano solo by Sallie Taylor, and a talk by Dede Lingle. Wanda Sill explained the F.H.A. program to the Mothers. Following the program, the new officers were installed.

The Chapter Mothers, Mrs. Lingle and Mrs. Crawford, received gifts in appreciation of their fine service during the past year.

Several of the Mothers commented that this was the best Mother--Daughter Banquet the F. H. A. has ever had. The F. H. A. Club is sponsored by Miss Konzelman.

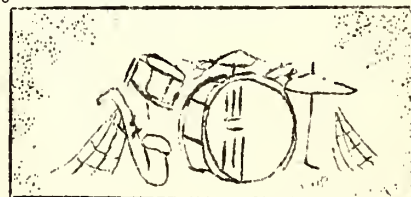

"SOCKS ALIVE"

U. High's last big fling was the "Sock-Hop," on Friday, May 26. The admission charge was one pair of shoes, checked at the door.

Boys were decked out in everything from polka dot bermudas to pink cords. Bermudas were high style among girls.

Black cows served as refreshments for our happy dancers, as long as the root beer and ice cream held out.

The big crowd was a fine tribute to our Council and the fine job they have done with this year's activities.

(Bus approaching campsite, everyone talking.)

"Gosh, just look at the mess hall! I do believe it's four times as large as it was!" Wonder if

there'll be enough food? You know how I eat." "Hey, the bus is stopping. Get your things ready." "Say, who'll hand me that bag?" "Just who has an extra hand to pick up an extra bag?" "Let's hurry down to our tent area and get a good tent."

At 9:30 a.m. everyone was to meet at the mess hall to discuss rules and regulations. Afterwards, the group was divided into three groups: "Woodzy Woodmen," "Little Grassy Hotshots," and "Fifteen Mosquitos." From these groups, they went to the following activities:

Campcraft, Handicraft, Archery, Mathematics, Indian Lore, Firearms Safety, and Conservation Exploration.

The group, as a whole, went swimming twice a day. In the evenings, a campfire program was conducted. Trail blazing, hiking, fishing, field engineering, science hobbies, and bird study were a few of the electives.

Each evening, at 9:30 p.m. almost everyone was ready to sleep, except for a few who still had spunk----- well, maybe these plans were made:

"Hey, wake up! It's o.k. now." "The Counsellor's asleep by now." "Pass it on." "Be quiet!" "Hope the water's warm." "Quiet!!"

"The Counsellor's moving." "Oh, heck! Now you've done it." "Guess we'll have to wait 'till tomorrow to go swimming."

Skits from different groups were judged by the entire group, to be presented to the parents on Friday.

In all, everyone had a marvelous time, and I'll bet this scene took place the following Saturday:

Scene IV

Time: 8:00 a.m.

"Junior, get up instantly!"

QUIPS & QUOTES

Allen Arnold and Judy Squires are really hitting it off. He's even taking her to the freshman class picnic.

Has anyone noticed the ring on Sheila Tedrick's finger? Long distance commuting isn't too easy, you know, especially from Vandalia!

Who was the most energetic couple at the Sock hop? Seems it was Mary K. Sharkey and Jack Lane.

By the way, Mary Kay, whose big, black Ford has been seen in your driveway?

Rumor has it that three of our Romeos had quite a ball at Monticello. Quote "It was expensive." Unquote

Did anyone fail to notice the outfits sported by John Wagner and Jim Barrett at the Sock Hop? They were probably just dressed up for bushwacking.

Hear, Hear! All Gum Chewers Take Notice! That evil look in Dr. Small's eye is intended for you. Well, how would you feel if you sat in some?

Just heard of a sly way to get a date. A certain freshman boy, initials G. H., paid for a certain freshman girl's sodas, initials B. H., without her knowing it. Pretty good, eh?

Linda Crandle, we do wish you'd put tape on that ring or wear it on a chain. Some day it's going to fall off. I doubt that Kent would appreciate that.

Looks as if U. School's colors should be changed to lobster red. At least most of our students seem to like sunburn.

Hope you kids who went on the Admiral didn't get sea sick-----especially since some of you were sick before you went.

SPORTS WINDUP

The Lynxes baseball season was not too successful. However, the team completed six of nine games this year, as compared to three last year. (That is, games going the full distance.)

The Lynxes performed especially well against Pinckneyville, losing by only three runs. The Lynxes would probably have won, had it not been for seven errors. Coach Small is looking forward to a better year in '57, with most of the team back.

COUNCIL CORNER

Greetings from your Student Council! We hope that you have had a pleasant summer and have come back to school fired with enthusiasm for another big year.

For the benefit of our new students, and also to remind you old-timers, we are printing herewith the list of Student Council members. From the Senior class, George Bricker, who is Acting Chairman, Winkie Lewis, and George Buys are representatives. John P. Mees, Jim Sappenfield, and Jeanie Frakes are members from the Junior class. Charles Ross and Connie Elder will represent the Sophomores.

The incoming Freshman class will elect its members within the next two weeks, so you newcomers to U. High be listening for announcements about the election.

In the event that an elected member does not register for school, the person of the same sex who recieved the next highest number of votes will take his place on the Council.

Your Student Council will hold its organizational meeting soon and will begin planning this year's social and other events.

ENROLLMENT RECORD SET

University School is off to a flying start this year with a substantial increase in enrollment. This year's beginning enrollment was 530, an increase of 52 over 1956 first semester enrollment of 478. The division of enrollment is as follows: Nursery and Kindergarten, 20 each; Grades one through six, 25 each; Grade seven, 60; Grade 8, 50; Grades nine through twelve, 224; and the new Special Education Room, 8. The High School breakdown is: Freshmen, 67; Sophomores, 63; Juniors, 44; and Seniors, 50. These figures are approximate, because at the time we went to press exact figures were not available.

Dr. John Mees, Principal, stated that, "We are nearing our capacity enrollment on the high school level, and I have closed about half the courses in the high school."

Sponsors for grades seven through twelve have been announced. Mr. Teel will sponsor grade seven; Dr. Bartlett, grade eight; Miss Bach, grade nine; Miss Smith, grade ten. Mr. Wood and Miss Francis will co-sponsor grade eleven, and Dr. Willard will continue with grade twelve.

Several new faculty members have been added to our staff. Mrs. Ita Zabroski will replace Mrs. Edna Stief in Girls' Physical Education. Dr. James Jenkins will fill the position in the Industrial Arts Dept., and Mr. James Meikle will take over Speech and Dramatics. Mrs. Leah Sims will direct vocal music, and E. L. "Doc" Bencini will become head football coach and teach Mathematics. Mr. Andrew Shotick will be in charge of the Special Education Room.

BELATED CONGRATULATIONS!

Our belated congratulations and best wishes to our staff members who entered Holy Matrimony this summer.

On June 9, Mrs. Edith Murray became Mrs. Chalmer Gross, and, incidentally, brought with her a new U. School Freshman, Emilee Murray.

On Aug. 12, Dr. Bernice Handley was wed to Mr. Herbert Seiferth.

On Aug. 18, Miss Joanne Hopkins became Mrs. Robert Gurley. BEST WISHES, FOLKS!

The LYNX THINX

Welcome to another year of fun and study at U. School! We at the "Cat Call" would like to welcome you individually, but because of limited space, will confine our efforts to classes.

Welcome Seniors! Yes, it's your final year. Some of you are anxiously waiting for graduation day.

Others are looking forward to it with tears. We sincerely hope that the best has been saved for last, and that your last year at U. Hi. will be the very, very best one yet!

Welcome Juniors! This year is the one you have been waiting for. You may participate legally in Freshman Initiation. But this year isn't all fun and frolic. This is the year of work. So put on your old clothes and work together as a team. It's teamwork that gets things done. Remember that!

Welcome Sophomores!!! Most of you are back for your second year at good old U. Hi. You are the only class that is left out of Freshman Initiation. Don't worry, there'll be another year! Keep working hard and maybe you'll be upperclassmen some day.

Welcome Freshmen! First of all, let me give you a word of warning. Beware Upperclassmen! At least for the next few days. As you know, you will be honored(?) soon. We hope you like us well enough to spend three more years here.

Welcome teachers! Glad to have you back. A hearty welcome to you new staff, too. It's a sure fact that we just can't get along without you.

Well, happy studying until next issue!

Saplings

This is the first in a series of columns that I'll be writing for you this year and I really think I'll enjoy it. I hope you get an occasional charge out of it, too.

There are, of course, numerous types of newspaper columns, but since I'm woefully unqualified to write any of them, I guess I'll just sort of solve the problems of the world in general.

Naturally, certain things arouse my competitive spirit and move me to crusade for or against practically anything. During these dread times it would be well to remember that the opinions expressed in this out-of-the-way corner are uniquely my own and do not necessarily represent those of this or any other newspaper.

I'll try to keep it mostly on the lighter side though, and maybe pass on a haw-haw or two. So before you make your Cat Call into a nifty paper airplane and sail it off that third floor landing down the stairwell, think again and give Sap's rantings an idle glance. Ah-ha, you're catching on already!

JIM SAPPENFIELD

THE SPYGLASS

The Spy Glass brings you the latest jukebox edition of the Top 10 Hits.

10. "War and Peace" seems to be the main theme in Winkie and Bill's life. We do wish them the best of luck.

9. "Friendly Persuasion" from Terry and George will soon sway Pat's liking. Which one will it be?

8. The "Soft Summer Breeze" is gently blowing around Linda and Kent. Sh-h-h-h, be careful, don't disturb!

7. The light of that "Allegheny Moon" is in Terry and Sally's eyes. It made "Heaven On Earth." Sweet Dreams.

6. Mary Ann's "Heart Aches" will "Only Hurt For A Little While," because John will return Thanksgiving.

5. You ain't nothing but a "Hound Dog" if you picked apples like Sappy did this summer. I guess we will have to call him "Sappy Appleseed." By the way, Sappy, what were you doing on the ground? The apples are in the tree!

4. The "Old Philosopher" says, Baptists have proven best for Mary. She and Charles seem to be living on "Happiness Street."

3. The "Flying Saucer" has captured Wanda and

Dede this side of heaven. Seems as if two college boys have got themselves some "Earth Angels."

2. Seems that Judy S. has been receiving a "Pack of Letters" this summer. They must be from that "Boy On Page 35".

1. Like the lady said, "That's All There Is To That," and likewise, that's all there is to our "Bee Bop A Lou-La" jukebox edition. We hope you have enjoyed our latest hits. "I'll be Seeing You" from now on every two weeks. Until then, "Auf Wiedersehen."

JUNIOR PRES. CATCHES WILD ANIMAL!!!

In the early part of our vacation, Jerry Meyer and several other U. Hi students had an amusing experience while on a picnic at Giant City.

One of the party noticed a small animal rustling in the weeds, so small that, in fact, it was just a baby. Someone cried, "Catch it Jerry!" And our Jerry did just what only he would do. He started after it. Just as he caught up with it, it froze in its tracks; and so did Jerry. After Jerry and the skunk started and stopped several times, Jerry swooped down and swept the little animal right off its feet.

Thinking to show his prize to the girls in the party, Jerry and the boys put the pet down on a picnic table. Jerry said, "Look! See what I caught!" Simultaneously, every girl

PARKING PERMITS AVAILABLE

Students who plan to drive cars to school are advised to see Dr. Edwards for a permit authorization as soon as possible.

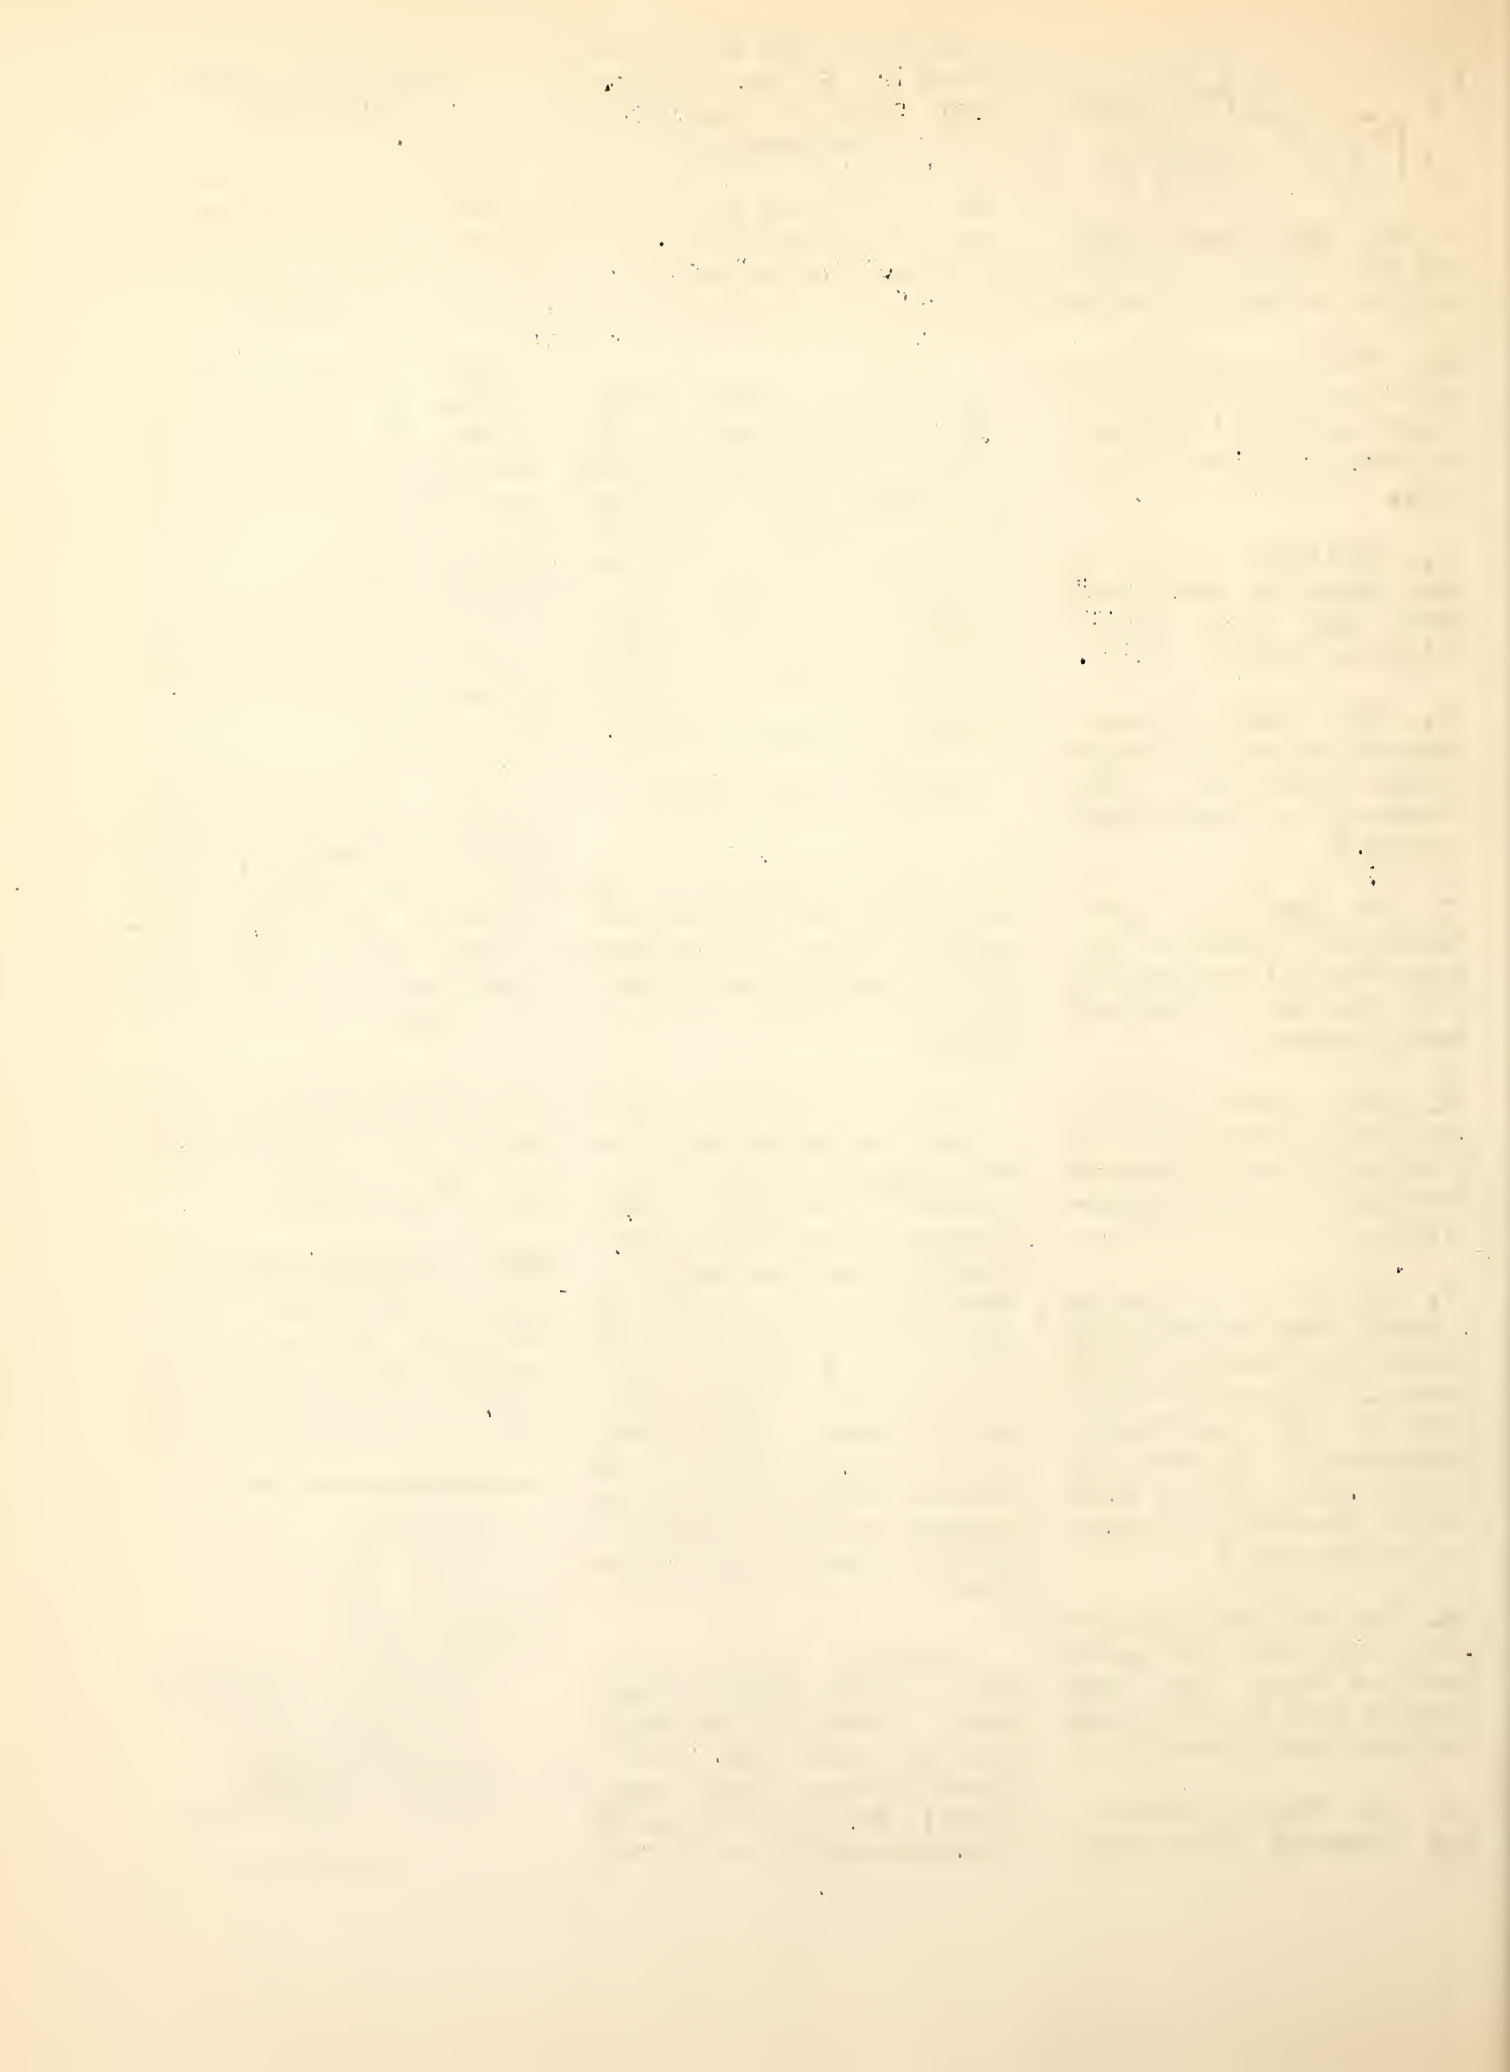

Some students will be unable to get permits because of their home addresses--basically, anyone within the city limits of Carbondale. A pamphlet entitled YOUR CAR AND YOUR RESPONSIBILITY ON THE SOUTHERN CAMPUS, available at the office, lists all rules by which students must abide.

Dr. Max Sappenfield, Chairman of the University Parking Committee, stated that rules for U. High Students are "...in conformity with rules laid down for all University students.

Authorization will begin the latter part of this week, and permits may be obtained at the Bursar's Office for \$1.00.

there screamed. Now, a baby animal can take only so much, and this was the last straw! We'll leave the rest of the story to your imagination, or ask Jerry!

GO! FIGHT! WIN!

Things are looking much better for the U. High football team of 1956.

There seems to be much more team spirit than in previous years. Any coach will tell you that it takes team work and team spirit to win games. There isn't as much experience or speed as last year, especially in the back-field, but the team as a whole is much better balanced.

There are 35 boys out for football this year. Our first game will be Sept. 21 at Elkhville. The rest of the schedule will be listed at the end of this column.

Here are a few quotes to give you an idea of the spirit displayed by this year's team: "We are going undefeated this year!" "No one can beat us if we get out there and fight!" "If anyone beats us, they'll know they beat us!"

Coach "Doc" Bencini said that he wouldn't pick the starting lineup until the day of the first game. "Every position is still open," he said.

THE PRESS BOX

Coach Stotlar said, "Most of the returning lettermen will be in the lineup somewhere."

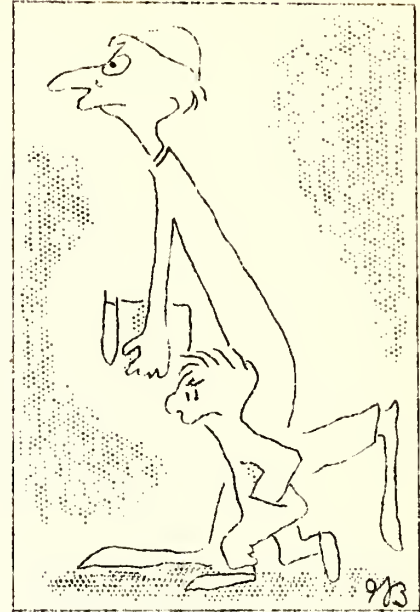

No matter how much team spirit there is, we won't have the best team possible until the student body catches the "fever" and gets out there to support the team. It gives a team that "little extra" to hear someone cheering them on. With the exception of basketball season, this school has very little, if any, "school spirit." During football season, everything seems to go in a vicious circle. If the team doesn't win, the students don't cheer; and since the students don't cheer, the team doesn't even feel like winning.

What do you say we get off to a fresh start this year. Let's show a school spirit that will put the other area high schools to shame. We can do it, so let's GO, FIGHT, WIN!

COUNCIL CORNER

Your Council is now making preliminary plans for the Homecoming activities. A theme has been selected, alumni are being contacted, entertainment is being planned, and the decoration plans are being completed.

This year plans to be quite an important one in the field of sports. The Student Council will again sponsor busses to all of the out of town games. Each week the name of the cheer leader who will be collecting bus money will be announced. Your co-operation in getting this money to the cheer leaders on time will be appreciated.

When you ride to the game in the bus, you are expected to ride back in it. Proper behavior while riding on the busses will assure you that this privilege will be continued.

JUNIOR COUNCIL ELECTED

The Junior High School classes held their Student Council elections this week. Members elected were Laura Brown, John Phelps, Dale Strusz, and David Eligor from the 7th grade.

PEP CLUB TO BE ORGANIZED

The Cheerleaders need your help! They need it to maintain the fine spirit that has been demonstrated in and before the first football game.

To get that help, they have decided to organize a Pep Club here at U. High. This is not a new idea, but it is one that has worked in many schools, and one that was tried here in 1955 without success.

A meeting has been called for Friday at 12:30 p.m.
SEE YOU THERE!

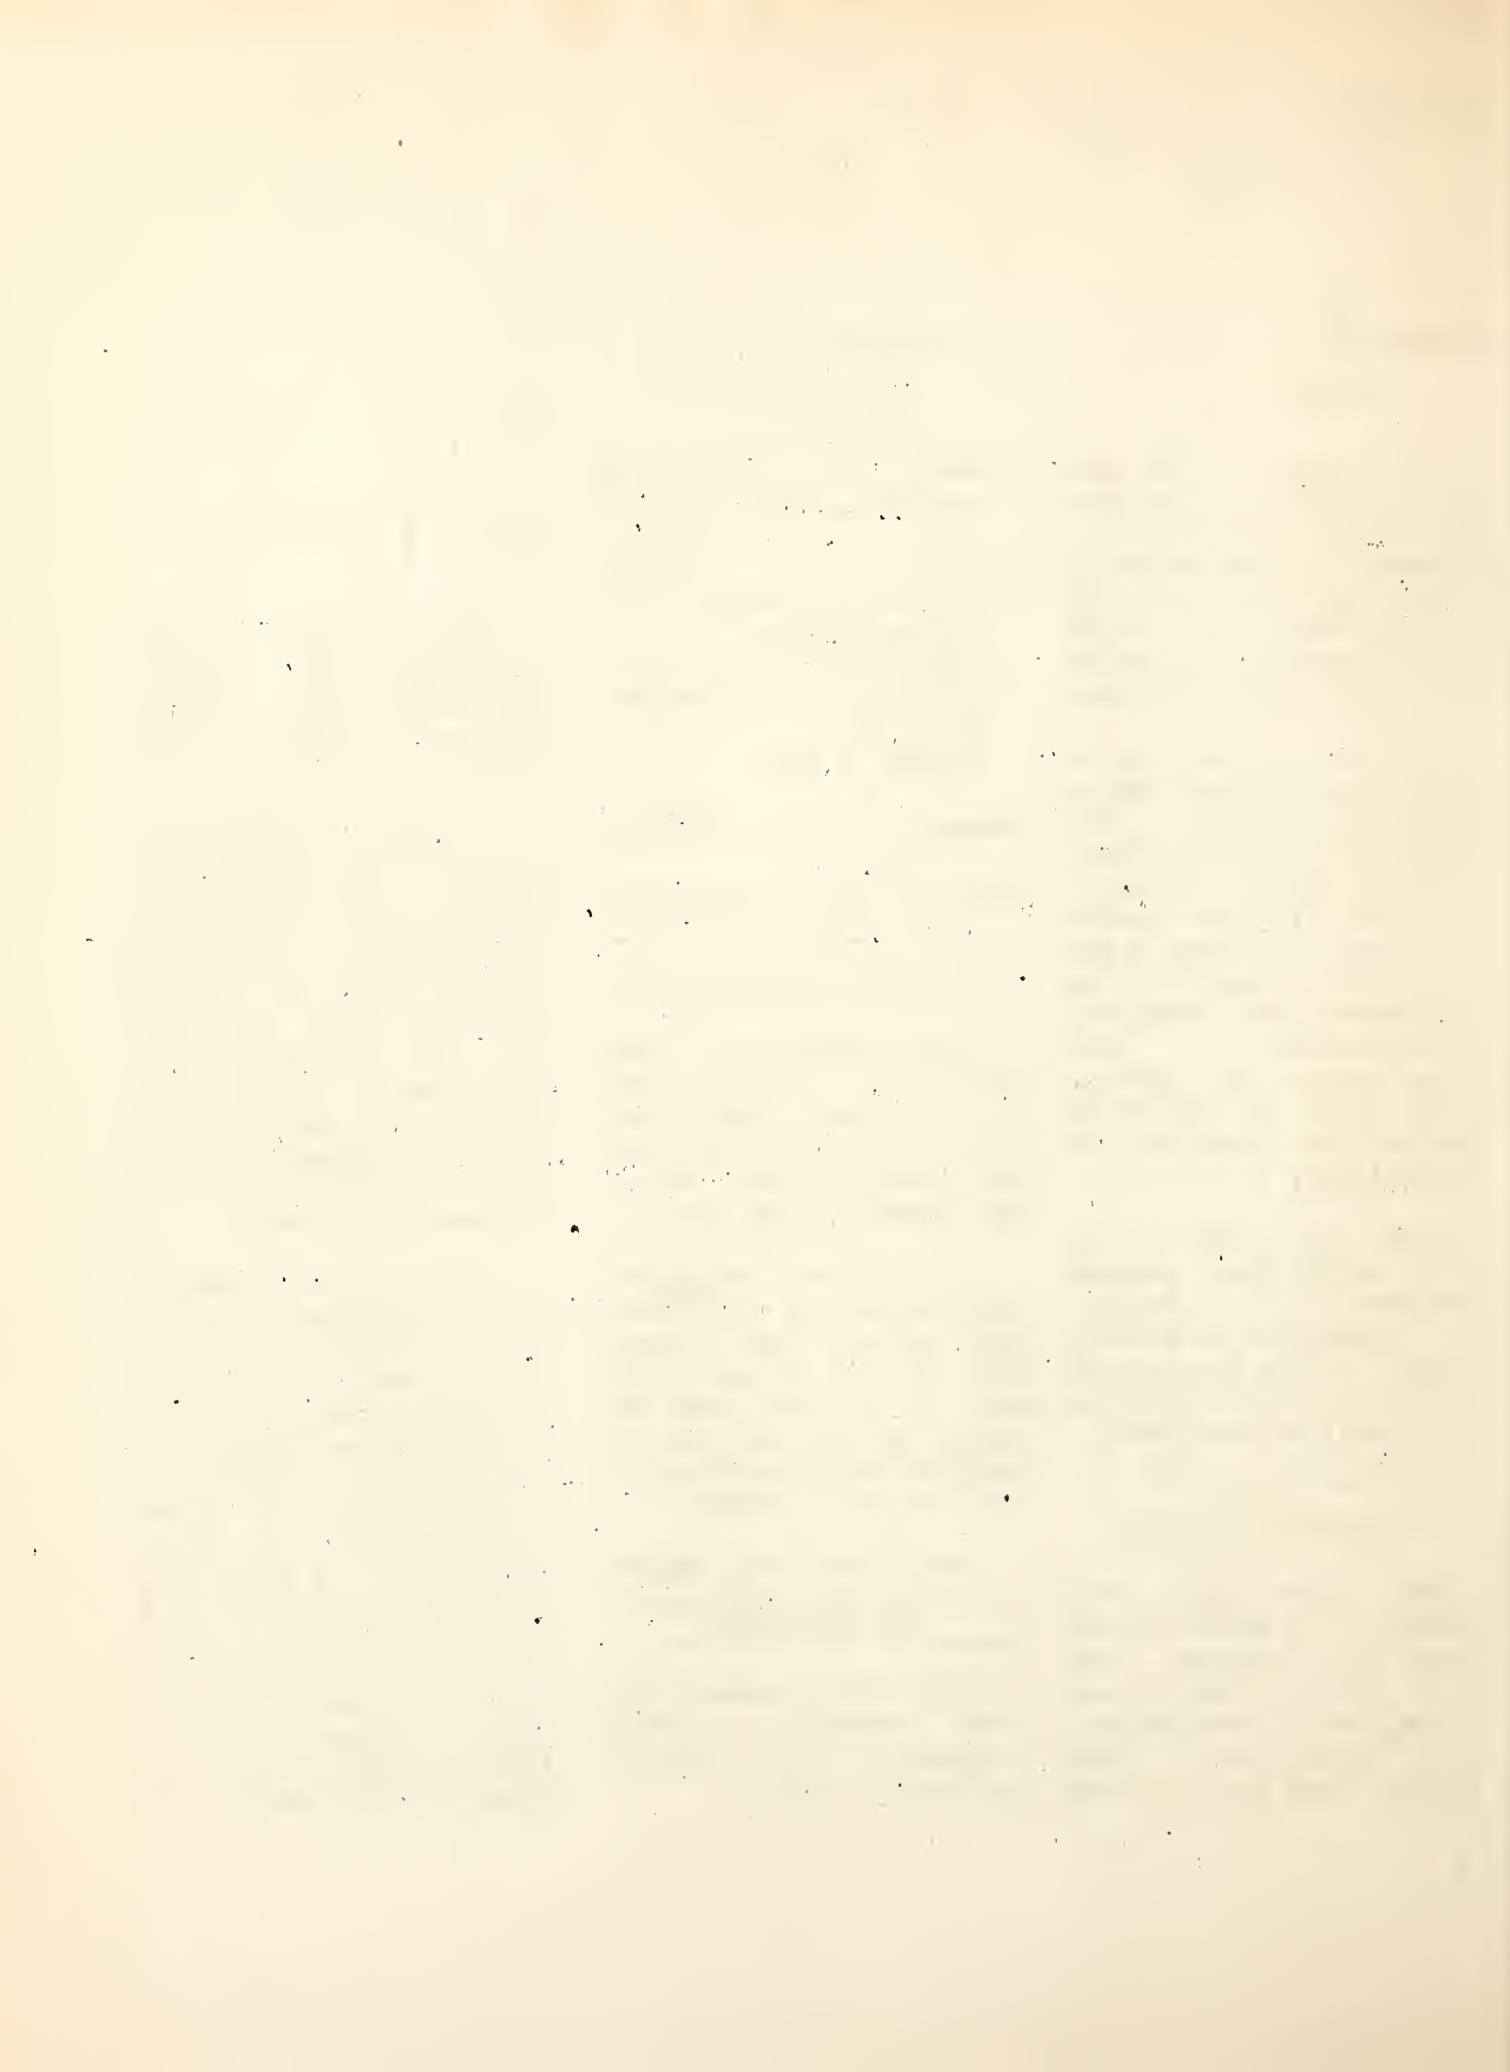

Eighth Grade members are:
Barby Harris, Bettina
Crawshaw, Tony Willard,
and Theron O'Dell.

FROSH INITIATED

Shades of Gabby Hayes and Little Eva! Didn't know there were so many old men and little girls in school these days!

U. High freshmen were initiated in grand style Friday, with costumes and shoe-shining paramount among the day's activities. Freshman boys were dressed as little girls and the girls as old men. Lolly-pops, short skirts, and hair ribbons for the boys, and beards, slouch hats, and canes for the girls were to be seen everywhere.

At 2 p.m. the assembly committee, Student Council, and the freshman class collaborated on the annual freshman assembly. Numbers on the program included a chorus line, directed by Mary Phillips; a slave auction, directed by Jim Sappenfield; a pantomime, directed by Dede Lingle, a short play entitled "Little Red Riding Hood," directed by Dr. Buys, who had charge of the program, and an Elvis Presley contest directed by John Baurenfiend.

The LYNX THINX

Have you noticed the spirit that has been seething through the halls of University School during the past two weeks? There seems to be more spirit in this year's student body than ever before.

I'm not just referring to football games and cheering the team on to victory. Of course, that's a part of it, but I mean being friendly to everyone in the halls, keeping scrap paper in the waste-baskets, not misbehaving during the noon hour in the Rec. Room, and many

other examples. All these things make for a better school and a much nicer school building. This spirit was called to my attention by a member of our faculty. She said many of the other faculty members had mentioned it to her.

This teacher said that she walked past a study hall the other day in which the supervisor had been delayed for about fifteen minutes. Instead of the chaos usually found in an unattended study hall, she looked in to find the students either whispering very quietly or studying their lessons.

As most of you know, if you have ever attended U. School in the past, we will probably have many visitors from other towns and cities in Ill., other states, and, possibly, other countries during this school year.

What do you say about keeping up this attitude and giving these visitors a good impression to take home with them? We want a school of which we can be proud. Let's keep it that way!!!

MODERN MOTHER GOOSE

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall

All the king's horses, and
All the king's men.....

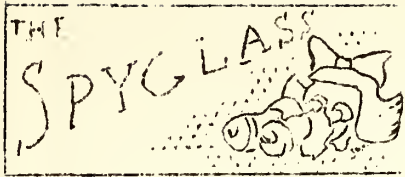

Had a great party.....
And served eggnog!!

Well, the Lynxes did themselves proud last Friday, and I guess the effect was somewhat like that of beating Murphy last year in basketball. It's sort of put U. High on the football map.

Let's stop a moment and see what really built that game for us Friday night. Was it new blood in the lineup? I must say no, because experience is surer than youth. Was it coaching? Again, although this was a vastly important factor, I must say that to me it was not the deciding one, for we have not lacked that much in coaching in previous years. I will have to cast my vote for a little thing called SPIRIT. The boys wanted to win, and more important, they thought they could. That makes for a tough team to beat.

So, here's a big tip of the hat to all you great guys in the red suits who made us all so proud last Friday P. M.,.....to "Doc" Bencini for his inspiring coaching which really made the spirit, and a special ra-de-doo-dah to you guys who didn't get to play but who keep in there hitting 'em. You deserve a lot of credit, too, in my book!!!

Thank you all for a very enjoyable evening.

The Spyglass this week is bringing you some of the "U.Hi Talk." These are just little things you hear around the halls of the school, but as they say, "Little things mean a Lot."

BOYS.....Better watch those girls very closely. Those green caps are so cute--and my, so many of them!

RUTH BENTON.....Those boys have been taking a liking to you. You had better think of some way to handle all of them.

SHEILA T....."Parting is such sweet sorrow," as the saying goes. We all wish you the best of luck in the whole world. Everyone will be looking forward to your return in two years, especially Bob!

JIM SAPPENFIELD....Poor Sam, uh, I mean Jim. It seems no matter how hard she tries, Miss Bach still insists on calling you Sam. Better luck next time!

FRESHMEN.....Dig those ancient Frosh with their granddaughters. Whatever is becoming of our modern day juvenile delinquents? And those bony knees! Oh, My!!

KENT AND LINDA.....Be careful with those slaves. They might come in handy

sometime.

ELVIS PRESLEY.....Watch out! Beware! Not only did we have one Elvis Presley, but five, all equipped with guitars and sideburns. This reporter thinks the main threat was Norman Swick.

B.J.W. AND P.B.....No more sitting in dark classrooms, even if you do have classes there!

G.A.A. NEWS

With lots of new and old members, G. A. A. had its first meeting last Friday. We were very glad to know that G.A.A. was a club in which Freshmen are interested. We hope that these new members take an active part and turn out for the hikes, camping trips and other activities which the sponsors and officers have planned.

F.H.A. NEWS

F.H.A. Are you a member? If the answer is no, you are missing a lot of fun. The U. School Chapter has planned a full and interesting program for the 1956-57 year. Each month one program and one business meeting will be held.

A pre-ball-game supper, Mother-Daughter banquet, a Daddy-Date Night, a Christmas Party and celebration of National FHA week are some of the socials on the calendar for this year.

The Chapter has also planned several service projects.

LYNXES WIN, 7-7

No, we of this staff aren't all ready to pack up and leave for the "bug house." Just think about the above heading for a few minutes and I think you will catch the point.

As was mentioned in our last edition, the U. School Lynxes had gotten into a rut. It seemed that we could do nothing but lose. Now this wasn't the direct fault of the coach, the team, or the student body. Let's face it! There was no School Spirit.

Apparently the student body took our hint and caught the "fever." This fact was demonstrated by the fact that it was necessary to take two busses to the game. Counting the parents, there were something like 100 spectators cheering the Lynxes to victory. As Dr. Mees predicted in the Freshman Assembly, the team showed a spirit on the playing field that has never been shown before.

In case you haven't figured out the headline yet, I'll explain it to you. I think we scored a victory over ourselves! Don't you agree? What do

you say we carry things a little farther and double the attendance at next Friday's game against Carverville? We can win this one officially with just that much boost to the players!

Here's how the game stacked up on the field.

The Bluebirds received the opening kickoff and marched downfield on a series of short runs. Lynn Cochran scored on a 2-yard run around his own left end. Martie's conversion was good. The Lynxes gained only a few yards in three plays. Reinhardt punted for about 50 yards. Elkville gained very little in two plays, as the First Quarter ended Elkville 7, U. High 0.

The Lynxes continued to keep the Bluebirds from gaining ground, and they had to kick. Gumm returned the ball to the U. High 40. Runs by Williams, a 5-yard offside penalty, and a pass from Chaney to Mees gave the Lynxes their first down. Chaney was dropped 15 yards behind the line of scrimmage on an attempted pass. Reinhardt ran for 6 yards on the next play. Chaney again attempted a pass which

was incomplete, and Reinhardt traced around left end for 35 yards and the Lynxes first TD. The extra point was good on a jump pass from Chaney to Mees.

The Lynxes kicked off and the Bluebirds moved to the U. High 15 very quickly. Jackson recovered a fumble and the Lynxes began to move. Williams really gave the fans a thrill as he broke through the Elkville line and moved 58 yards to the E. 23 before being flagged down. Elkville tightened its defense and threw the fans for a 5-yard loss. Chaney was roughed up on a bid for a TD via a pass and was sidelined for the 3rd quarter.

Elkville began to move in the 3rd and would have gone all the way had Jackson not smashed through the line to recover a fumble. Williams got through for $7\frac{1}{2}$ yards, but the Lynxes fumbled and were forced to kick. Elkville returned the punt to the 50, and moved down to the U. High 15-yard line in 4 plays. Reinhardt broke through and threw the E. ball carrier for a 10-yard loss, as the 3rd Quarter ended.

Reinhardt intercepted an Elkville pass on the first play of the final period and was pulled down on the 50 for a 40-yard run. Elkville tried to pull a surprise play which backfired. The Bluebirds recovered a fumble but time ran out.

The LYNX THINX

This article is mainly for the male population of this school, although the girls may read it too (if they do it in secret.)

Boys, do you have a date for Homecoming? If not, you had better get "on the ball." Some of the "fast workers" started early this year to avoid the rush. If you don't hurry up, there won't be anyone left! Believe me, I know from experience!

Don't say there's no one you would like to ask. I'll

have to admit that your first choice may already have a date, but there is still a number of girls who haven't been asked.

They say that somewhere there's a girl for every boy--but you might say, "I haven't found her yet." How in the world do you expect to find her if you don't start looking? She won't walk up and let you know she is there!

And you boys who have an idea of going without a girl, I have a few words for you, too. Homecoming is one of the few dances during the year which has music furnished by a real, live dance band. So why not make yourself and some little girl happy on the night of October 19. See you there!

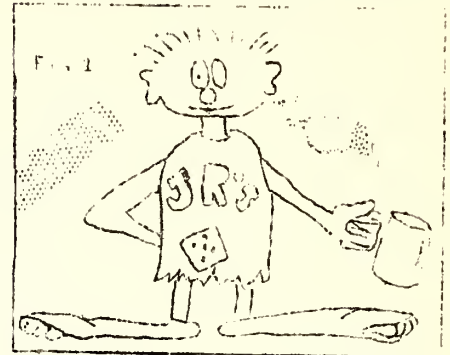

J.C.S. CONVENTION

The Junior Classical Society, a state-wide organization of Latin students, will hold its district meeting at University School, on Saturday October 13. Each year the society holds either one state meeting or two district meetings. Last year the state meeting was held at Clinton.

The theme of the days festivities is "Neptune's Kingdom", highlighted by swim show in the pool during the noon period. In addition to this, there will be a business meeting presided over by the president school, Marion, and entertainment will be provided by various schools

saplings

PHOTO BY GEORGE!!

As our special dirty CONFIDENTIAL feature this week we would like to expose a scandal that strikes at the very foundations of our school. IS OUR JUNIOR CLASS REALLY INSOLVENT???

Of course they say they are. The class treasury shows 37¢ and two Pittsburgh streetcar tokens and two photographs such as in Fig. 1. BUT our sneaky weasel of a photographer got behind and took this revealing little sneaky (seen in Fig. 2) telling a different story.

WHO IS COVERING UP??

in the area. The advanced section of the U. High Latin classes will present a play, "Saccus Malorum."

By the way, Mr. Smith, what's in your thermos bottle? Can we have some too?

"Gentlemen Prefer Blondes." This time the gentleman is a blondetoo! That's it Jeanie, capture him good!

A bowl of Wheaties, lovely weather and a real hep bicycle should make a fine trip to Cairo. Better be careful Jon O. though, some of those girls don't like to wait.

Walking nonchalantly down the hall throwing an apple in the air, J. P. was heard saying, "I am going to give this to Miss Smith." Guess who heard him? Miss Smith! And guess who got the apple!!

Now Dick! By now you should know that your one o'clock class comes before your two o'clock class. Just because our student teachers are pretty glamorous is no excuse for trying to get in their classes!

Charlie is really making headway with those Freshmen girls. Take for instance, Carol.

Dig that crazy Junior girl who tried to sell coffee at the game Friday. Two faculty members asked for coffee. "Black or with cream," she asked? "Cream," both replied. Then with a sly smile she said, "We

don't have any." How about that, J. Van L.?

Dr. Small-----Does that sign in your room really read, Listen, Think, Fooy!

Pink or Blue--which will it be? Keeps Mr. Smith guessing too!

Sallie Taylor, Karla Meyer, Linda Crawford, Betty Frakes, Betty Young, and Dede Lingle attended the Section Two F. H. A. Rally at Benton, Thursday, Oct. 4.

Linda had a part in the program as Recreation Chairman for Section Two.

Dede gave a report on the National Meeting in Chicago which she attended this summer.

Chapter Mothers for U. School Chapter were chosen Tuesday, October 2. They are Mrs. Crawford and Mrs. Meyer.

G.A.A. NEWS

The G.A.A. has held two meetings, and both teams have been competing hard in volleyball.

The Club Members have been hard at work on plans for the Club Camp-Out.

Linda Crandle, Janet DeWitt, Bonnie McCaslin, Fran Schoen, and Miss Roos are to attend a swimming clinic on October 20 at the Terrapin Club in Cham-paign.

BRAIN TEASER

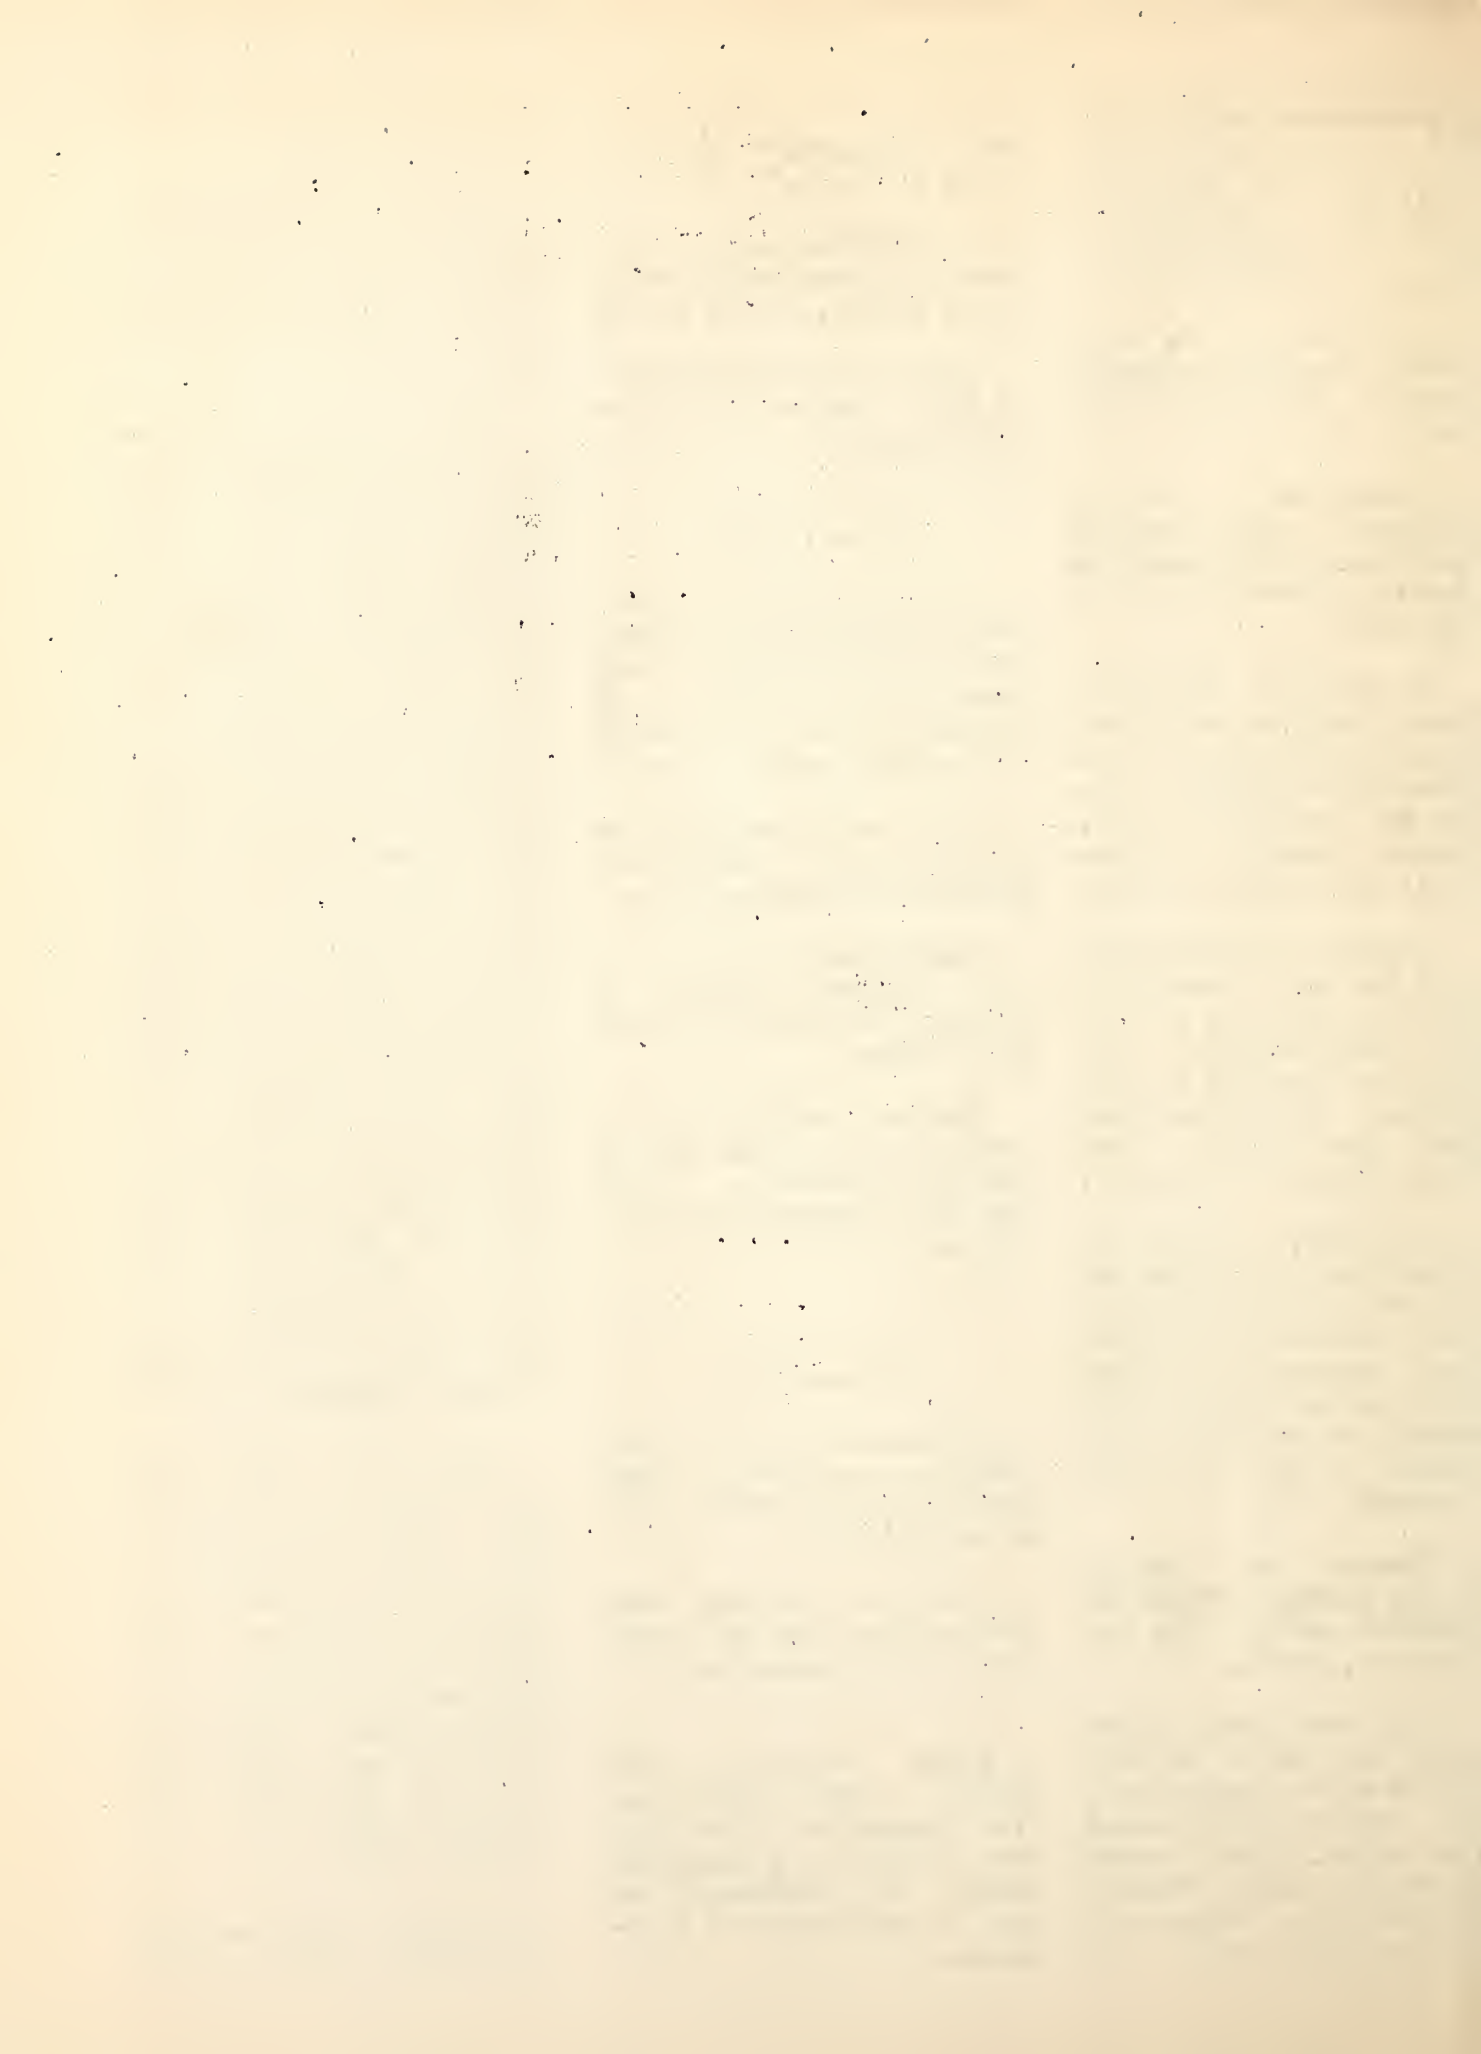

We have had several requests for the brain teasers we published last year, so for all you "brains", (except 1:00 Algebra Class) here it is:

Three sailors and a monkey are stranded on an island. All day they gathered bananas. They decided to divide them equally among themselves and give the remainder to the monkey. During the night one sailor decided he wanted his share. He divided them into three equal piles with one left, which he threw to the monkey. About an hour later the second sailor did the same. Having one banana left, he threw it to the monkey. Each sailor hid his bananas and went back to sleep. During the night the third sailor did the same. The next day, not wishing to confess to what they had done, the sailors divided the bananas that were left into three equal groups. One banana was left, which they gave to the monkey. How many bananas did they start with?

FALL PLAY SELECTED

This year's fall play is "The Member of the Wedding". It is the story of a girl who is just beginning to realize that there is such a thing as love. When her brother is married she is a member of the wedding party. She tries to be so much a member of the party that they have to throw her out of the honeymoon car.

The play cast has been chosen and work has begun.

THE PRESS BOX

The Lynxes first home game was not exactly a well-played game on the part of the Lynxes, as they were defeated 26-6.

The Lynxes elected to receive but gained very little yardage and had to kick. The Lions immediately showed their strength as they returned the ball to mid-field and then moved very quickly down field for their first TD. The try for the extra point was not good.

The Lynxes fared better on their second time before they had to punt. The Lion ball carriers and air attack went on the rampage, moving deep into U. High territory before the Lynxes defense stopped them from scoring another TD as the first quarter ended.

Three quarters of the way through the second period, the Lynxes moved deep into Lion territory. Chaney faded back to pass but was knocked down. The pigskin was recovered on the U. HI 25 by a Carterville player who ran for the second Lion TD. At the end of the first half, the Lions led, 13-0.

The Lynxes kicked off to start the second half. A fumble recovered by Reinhardt cost Carterville a probable touch-down. The Lynxes scored their only touch-down on a thrilling 82-yard run by Reinhardt.

The Lions took the kick and moved down to the U. HI 15, but good tackling by Bruins made the Lions from a first down. The Lynxes took over, but had to punt. The Lions again moved within 15 yds. of the U. High goal line as the third quarter ended.

The Lions immediately scored their third TD on a 16-yd. run. The Lynxes did not get past the C. 40 throughout the fourth quarter. Groves scored his second TD of the game and the Lions final TD. The try for the extra point was no good. Mees intercepted a pass bid for a final TD as the final horn sounded.

The Lynxes defeated Valier Friday for their first win of the season. That gives us a season record of 1-1-1.

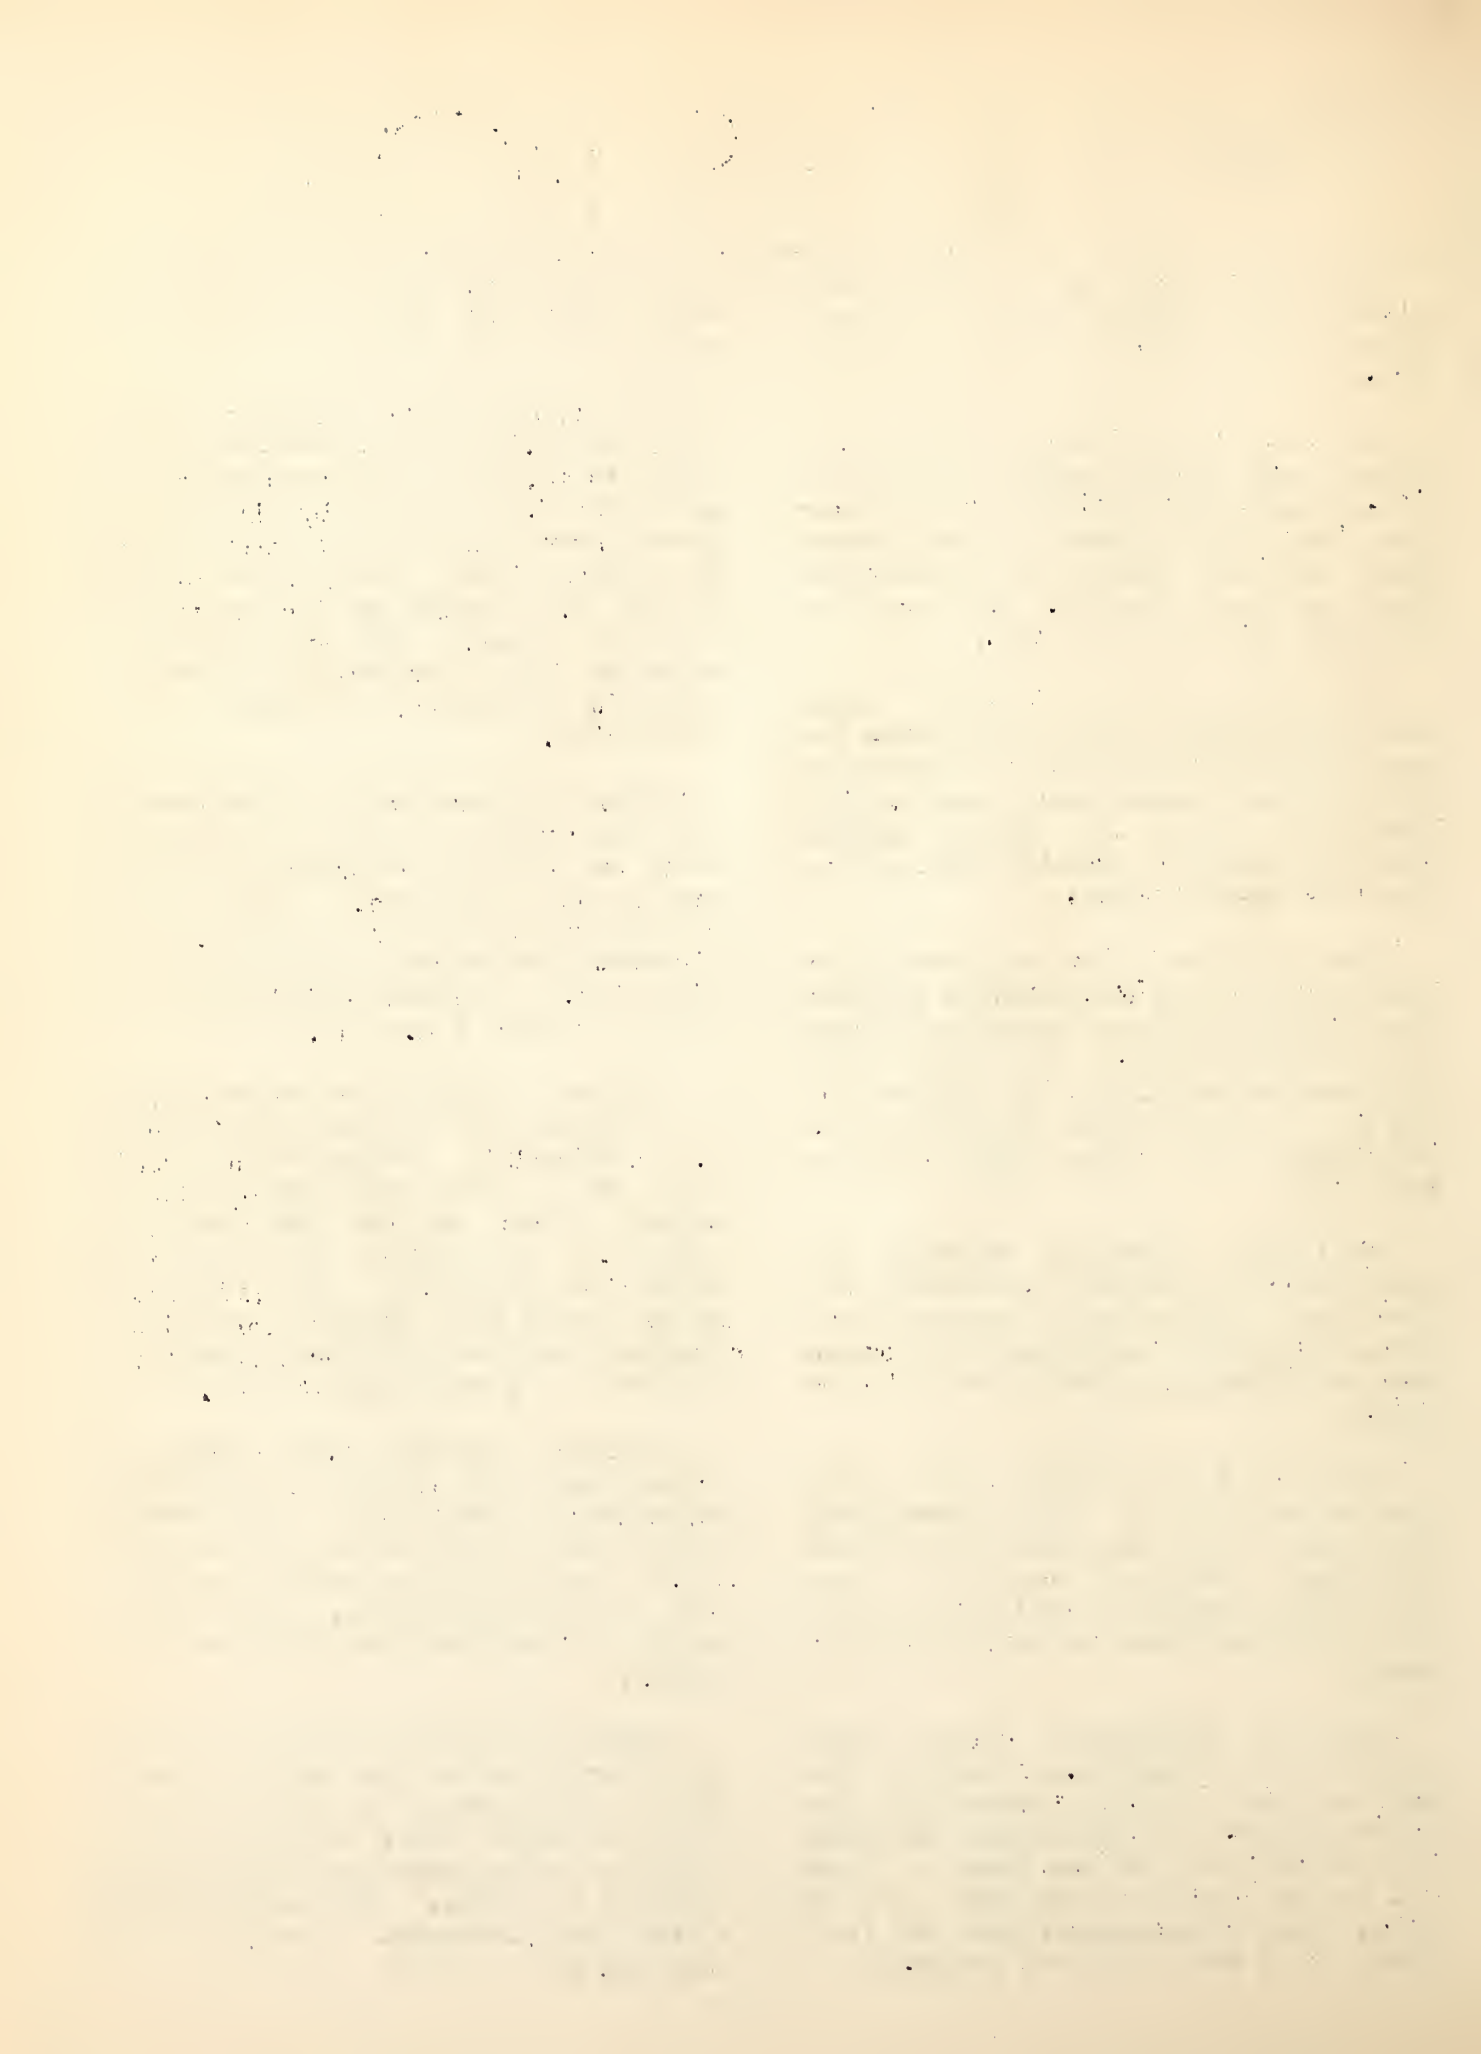

S. Williams returned the opening kick-off to the U. HI 42. With second down and 6 yds. to go, Reinhardt raced around the end to the V. 30. Gains by Williams and Chaney moved the ball to within inches of the goal line. Chaney then plunged for the TD. Lining up for the try for the extra point, the Lynxes pulled a surprise play by centering the ball to Reinhardt who passed to Mees for the extra point.

Valier took the kick on their own 45, but they could not get past mid-field. After an exchange of punts, the Lynxes were on the move again. Chaney passed to Mees who carried to the 4 yd. line. Reinhardt plunged but was stopped on the 1 ft. line. The first period ended with the ball on the 1 yd. line.

Williams started the second quarter by plunging over for the Lynxes' second TD. Reinhardt's conversion was good. Later on in the same period, Chaney passed to Mees in the end zone for a third TD. Reinhardt's kick was good making the score 20-0. And still later in the first half, Robison carried the pigskin over the line for a fourth TD. The kick was good, making it 27-0.

The score remained 27-0 during the second half even though the opposition played much better ball. "Doc" Bencini started the first string for the second half. As the game proceeded, he played many of the substitutes, some of them seeing action for the first time this season.

During the fourth quarter, it was the first string on defense and the second string on offense. Parran played some good offensive ball. It looks like we should be seeing some more of him during the next few years. The defense played a very good game also. Lots of luck next week!!

WINKIE LEWIS CROWNED HOMECOMING QUEEN

THE COUNCIL CORNER

The Council wishes to thank all students who helped make the homecoming a huge success. We also want to give special mention to the clean-up crew who worked so faithfully. A great big "Thanks" to all of you.

On Saturday, Oct. 19, your council attended the convention of the Collinsville District of Student Councils at the Anna-Jonesboro High School at Anna.

During the morning session the group was addressed by Mr. Harold Robbins, Director of Guidance at the Carmi High School, on "Student Councils and Citizenship." After lunch the Anna-Jonesboro Council provided entertainment. Throughout the day campaigns were waged for the various offices, with our Jim Sappenfield coming out victorious for the post of Vice-President.

U. SCHOOL COUNCIL MEMBER ELECTED TO DISTRICT OFFICE

U. School student council was honored Saturday, October 20, by having one of its members elected to the office of Vice-President of the Collinsville District of Student Coun-

CLASSICAL SOCIETY MEETS

U. School was host to the Junior Classical Society on Saturday, October 13.

The morning session consisted of roll call, a play, and slides of Italy & Spain.

During the noon hour students were divided into two groups. One group saw the synchronized swim show while the other group ate lunch; then the two groups switched.

At 1:30 p.m. the groups returned to the auditorium for a business meeting. After the business meeting, there were several dances, skits, and songs, presented by different schools. Everyone seemed to have a very enjoyable time.

Jim Sappenfield, Junior representative, was elected Vice-President, after a vigorous campaign was waged in his behalf by the U. School Council members during the session. As a part of his campaign, Jim made a very fine speech.

We wish Jim much success in his office, and join with all the student body in saying "thanks" to Jim and the Student Council for bringing our school this honor.

Climaxing the U. Hi 1956 Homecoming was the crowning of Winkie Lewis as Queen.

Her Majesty wore a floor-length dress of white satin with jeweled bodice. The rhinestone tiara and the scepter signifying her office were presented by the Co-captains, Steve Williams and John Nees. The Queen was escorted by Bill Chaney. Her train-bearers were Barbara Wood and Johnny Chaney. Crown bearer was Amy Huffman.

The gym was beautifully decorated, following the theme "Carousel." For the first time, three-fourths of the gym was decorated, which represented a great deal of ingenuity and work on the part of the Council. The ceiling was composed of strips of pink, violet, and lavender strips of crepe paper. The walls were lined with large pastel-colored horses. An enormous carousel in the center of the gym highlighted the decorations. Music was furnished by Archie Griffin and his band.

The LYNX THINX THESE ARE OUR OPINIONS

Since this is a election year, everyone is being urged to vote. We learn in school about the small percentage of Americans who go to the polls every year. "Isn't that terrible?" we say. "If I could vote, it sure wouldn't be my fault." Well, you had your chance to vote last week. I know you weren't voting for the President of the United States, but you were voting for something equally as important to you as high school students. Only 71% of the students in grades 9-12 voted for their choice for Homecoming Queen. There is no reason why the number voting was not 90%. If you

can't even get up the energy to vote for the Homecoming Queen during the noon hour how do you plan to get to the polls in later years when you have a family and a job to keep you busy?

This 71% vote was not entirely the fault of the students. It seems to us the Student Council did a very poor and inefficient job of conducting this year's election.

In the first place, the election was not publicized sufficiently. There was only one announcement made to let students know when the election was to be held. The new students and many of our old students didn't know there would be an election until Monday at 9:00 A.M., when they were told to vote for the Homecoming Queen between 12:00 noon and 1:00 P.M. and 3:00 and 4:00 P.M. that day.

Next, the location of the polls was not clearly defined. The announcement should have been more specific as to the location of the polls.

And last, the new method of voting was not explained to the student body. In previous years, the preferential-type vote has been used. This year we voted for one candidate.

We must agree with the Student Council that this new system is a much needed improvement over the old ballot. However, we do feel that the student body should be made aware of changes such as this which affect the entire student body.

We think you have made a good start. We only hope that in the future the organization of and participation in elections will more nearly represent a true picture of student life at U. School.

saplings

After the vain attempt at dinner which George Bricker and I put forth in our last issue. I think that it would be well to return to a somewhat more sensible note. Before I do so, however, I should like to fulfill a request from one of my loyal readers who wanted her name in my column. Linda Grandle. There it is, Linda. (It takes so little to please some people.)

Back to the subject at hand, though. I would like to discuss in this and a few succeeding issues an argument which I carry on almost constantly with somebody. That is, "Is Jazz Really Music?"

It seems that my contemporaries as a class won't have anything to do with it. Why this is, I don't know, except that I felt the same way up until just a few months ago.

To say that I personally have had a change of heart would be a gross understatement! To explain some of the factors that go into my enjoyment of jazz requires more space than one column, so I have decided to discuss several points in somewhat more detail.

Next week--A PICTURESQUE HISTORY

REMINDER---Your letters to the editor are appreciated.

SOCIAL STUDIES CLASSES TO STUDY NATIONAL ELECTIONS

The Social Studies classes are studying the major campaign issues in this year's election. Each member of each class will present either the Republican or Democratic viewpoint on an issue.

Democratic and Republican Headquarters will be set up in Room 321. Students will handle the posters, buttons, pins, and so on, for their particular parties. They will also place posters urging people to vote over the business district of Carbondale.

The Republicans will choose students to represent Eisenhower and Nixon, and Democrats will choose students to represent Ke-fauver and Stevenson.

The separate parties will hold rallies in the gym during the noon hour which will be open to all students in grades 7-12. During these rallies, the persons portraying the candidates will make speeches, placing before the student body the different sides of the issues. There will also be demonstrations on how to vote properly, given at these rallies.

To close the unit, there will be an election on the same day as the national election. Everyone in Grades 7 through 12 will be entitled to one vote.

This unit was tried during the 1952 election and was a great success. Let's make this year's election an even greater one! VOTE

G.A.A.

Last Saturday five G.A.A. girls attended the Carbondale Community High Play Day. These girls were Dolores McCall, Shannon Sims, Barbara Belford, Bessie Martin, Marilyn Johnson. All these girls enjoyed the play day.

The club has been divided into four teams. The teams play against each other in volleyball, and the girls really fly along with the ball.

F.F.A.

Friday, Oct. 12, five members of the F.F.A. participated in an annual judging contest at Trico High School. The boys were judged individually, rather than as a group. The individual awards were as follows: Ray Hicks A, Arvel Hance A, Jerry Millette B, David Rowden B, and Donald Knust C. Congratulations boys! Keep up the good work!

SCIENCE CLUB

The science club has chosen its new officers for the 56-57 school year. The officers are as follows: President James Barrow, Vice President Charles Hartwig; Secretary-Treasurer Alice McDaniel.

The club is making plans for some field trips and also for projects to enter in the Junior Academy of Science.

We would be happy to have new members join us.

F. H. A.

The last meeting of the F.H.A. consisted of a demonstration on packing a school lunch, given by Home Ec. student teachers.

The F. H. A. will observe United Nations Week by holding a luncheon in the Home Ec. rooms, serving desserts common to foreign countries.

ORGANIZATIONS ASSEMBLY

One of the most interesting assembly programs at our school was presented last Thursday morning at 8:00 a.m. The program was given by representatives of the "Catcall", the GAA, Speech Activities, the Masquers, and Senior Arts and Crafts. The demonstration by Jerry Meyer on "How To Throw A Pot" was thoroughly enjoyed by everyone. The talks explained what the clubs did in the way of activities.

To close the program, a report was given on a poll of students, parents, and faculty on extra-curricular activities, which had been taken earlier in the year.

BRAIN TEASER

A few years ago Charles Reinhardt's mother gave him money to buy candy. The store had only three types of candy; some at 3¢ each, 5¢ each, and ten for a penny. Charlie bought some of each type, spent a whole dollar, and ended up with 100 pieces of candy. How many pieces of each type of candy did he buy?

If you think you can beat this "teaser," submit your answer to Dr. Small.

P.S. The 1 o'clock Algebra class is not eligible to enter answers to this problem.

Zeigler 32, U. School 0

THE PRESSBOX

The Zeigler Tornadoes roared past the Lynxes, 32-0, on Oct. 12. The Tornadoes took the kickoff on their own 20 and returned it 13 yards. They gained very little ground on the next two plays and had to kick. Bruinsma blocked the punt and the Lynxes recovered on the Z-32. Williams gained 5 yards but the Lynxes lost 8 yards and the Tornadoes took over two plays later. Gains of 26 yards by McPherson, 12 by Hiller plus 20 more put Zeigler on the U-7. L. McPherson then scored the TD but the extra-point try was no good. Gumm returned the ball to his own 35. Runs by Williams and Reinhardt put the ball on the U-49 as the quarter ended.

Lack of yardage forced the Lynxes to punt. Reinhardt's kick rolled dead on the Z-38. In six plays by McPherson and Hiller the ball was on the U-34. Gumm recovered a fumble on the U-33, but was forced out of bounds on the U. 47. With 3rd down and five to go, the Tornadoes recovered a fumble on the U-48. Shannon scored the TD on eight plays, but once again failed the try for the extra point. The Tornadoes moved deep into Lynx territory as Reinhardt fumbled the kickoff. McPherson passed to Brod in the end zone and Hiller's kick made the score 19-0. The half ended with the ball on the U-49.

The Tornadoes took the punt on the Z-27. Tremendous running by Hiller put the ball on the U-6. The Lynxes defense finally stopped the Tornadoes on the two-yard line. The Tornadoes took the ball on the Lynxes punt and returned the ball to the U-21. Hiller scored the Tornadoes' 14th TD, and kicked the extra point. Once again the Tornadoes had the ball in Lynx

territory, as Reinhardt's punt bounced out of bounds on the Z-46. The ball was then returned to the U. High 45, as the 3rd Quarter ended with the score 26-0.

Zeigler moved down to the U. High 26 but was penalized 15 yards. Two incomplete passes forced the Tornadoes to kick. Chaney returned the kick to the 45, but the Lynxes once again had to punt. L. McPherson scored Zeigler's final TD on a 22-yard run around his own right end. The extra-point try was no good.

SESSER 13
U-HI 0

The University School Lynxes were edged out by the Sesser Red Devils, 13 to 0 in the 1956 Homecoming Game.

At first it looked as if the Red Devils would run away with the game, but the Lynxes came into their own after the first four minutes of play, and held Sesser down for the rest of the game.

The Lynxes kicked off and Sesser quickly drove down the field to their first TD. Eckles plunged for the TD and Maiker added the extra point.

Merkel kicked off for Sesser. Just as the Lynxes started to drive, Cavalletto intercepted Chaney's pass and ran 45 yards for a second TD. Flatt's plunge for the extra point was good, making the score 13-0.

During the rest of the game, the two teams seemed fairly well balanced. If the Lynxes had gotten a few breaks at the beginning of the game, it would probably have been a tied, scoreless game.

A Big Round of Applause to our BAND and LETTER GIRLS for the fine entertainment.

COUNCIL CORNER

Now that this year's Homecoming is history, your Council is beginning to work on Homecoming for 1957. The Council is contemplating a change in the procedures. One of the plans which has been suggested is having the Coronation of the Queen on Thursday evening. This would do away with the mad rush many of us find ourselves in on Homecoming evening. As many of you have discovered, it is hard to change from band uniforms or cheer-leader outfits into party wear in about a half-hour's time.

The Council is also discussing the idea of letting the Junior High have its own Queen and Attendants on a different night, possibly during basketball season. This would eliminate many of the seating problems in the auditorium and make it possible for more high school parents to have seats.

The Council would appreciate your viewpoints on these ideas.

FOREIGN LANGUAGE STUDENTS TO ATTEND CONVENTION

Members of the foreign language club plan to attend the Spanish Convention at DuQuoin on Nov. 17.

Spanish students will present the play "Es Cos-tumbre" as part of the program at the meeting.

All-School Play Here Nov. 16

At 8:00 p.m., Friday, November 16, the curtain will rise on the U. School fall play, "The Member of the Wedding," under the direction of Mr. James Meikle. This is the famous Broadway play which won the 1950 Critic's Circle Award.

It is the story of a teen-age girl, Frankie, played by Diane Kitts. Frankie is just beginning to realize that there are such things as boys and love. This is brought to her attention when her older brother, Jarvis, played by George Bricker, marries Janice, played by Elaine Bicknell. Frankie wants to be so much a member of the wedding party that she tries to go with them on their honeymoon.

Other members of the cast include Betty Young as Bernice, Karl Rodabaugh as John Henery, Emory Hall as Mr. Addams, Linda Crawford as Mrs. West, Gene Jackson as T. T., Paul Smith as "Honey," Mary Phillips as Helen, Jonanna Van Lente as Doris, Larry Withers as Barney, and Susan Garbutt as Laura. Bob Wheeler is stage manager. Tickets may be purchased from members of the publicity committee.

SPEECH CLASS TOURS PRISON

The members of the advanced speech class, working on a discussion-debate problem of "What is the best way of treating criminals, punishment or rehabilitation," saw at first hand one of the more progressive institutions which is attempting to put into practice modern principles of rehabilitation, when they visited the State Prison at Menard. The class had a lecture and discussion period with Dr. Groff, head of the Diagnostic Depot, the agency which seeks to determine the nature and methods of treatment to be given to prisoners.

U. SCHOOL DEBATERS IN TOURNAMENT AT LA GRANGE

The U. High debaters will participate in the first debate tournament of the season on Saturday, Nov. 10, at La Grange.

The debate team is composed of Geo. Bricker, Dede Lingle, Mike Morris, Kent Brandon, Linda Crandle, Dick Randle, Elaine Kaplan, Bruce Bruinsma, Larry Withers, Winkie Lewis, Gary Crews, Tommy Gootz, Bonnie Ruth, Robin Ruth, Mary Ann Shyrock, and Jim Travers.

Dr. Buys, Richard Rieke, and Dorothy Beck will accompany the group.

BRAIN TEASER

A 200-gram brass ball is heated to a temperature of 80° centigrade and dropped into a flask containing 200 grams of water at a temperature of 20° centigrade. The ball loses heat to the water and finally the two become an even temperature. What is the final temperature?

(Hint! The specific heat of brass is .09 and the specific heat of water is 1.)

Bobby Williams, a Freshman submitted the correct answer to last issue's puzzle. It was: 16 of 5¢ pieces, 4 of the 3¢ pieces, and 80 pieces of 10-for-2¢ penny candy.

WANTED!

Dr. Buys wants boys and girls who are interested in making tape recordings of basketball games. The purpose of the activity is to help students improve their voice, diction, observation, and fluency.

If you are interested in participating, see Dr. Buys.

The Lynx Thinx

This week I would like to tell you my opinion of the political rallies which were held last week in the gym.

In the first place, someone made a big mistake when they arranged to have the Democratic and Republican rallies on the same day. They should have been held on separate days so that the students could attend both and decide on the party which can do the most constructive good for our country. As it was, they had to attend one or the other, which, in about 85 or 90% of the cases, was only the party for which their parents were voting.

As if it weren't bad enough having them on the same day, they had to go and have them practically in the same room! The candidates were given only twenty-five minutes in which to present their party's side of the issues to the students. About six minutes of this was spent waiting for the applause on the opposite side of the partition to subside. If one rally had been held in the gym and the other in the auditorium, it would have been a great improvement.

I would like to say that under the circumstances, I think the students running the two parties did a very good job. I also think the student body displayed a very fine spirit.

SAPLINGS

As I promised you last time, I am going to tell you about one of the facets of jazz music that makes it more interesting, almost classical, to me--its picturesque history.

Jazz is one of the very few types of music which can claim its origin in the United States. It began, of course, in New Orleans, where inspired but unskilled Negro musicians lent their rhythm and drive to the French pop tunes of the era around the turn of the century.

Twenty years this music had a foothold in Storyville, the roughest section of New Orleans, where it was the sound of the honky tonks and other similar establishments. Songs like The Storyville Blues, Basin Street Blues, and South Rampart Street Parade were all born here.

With the riverboat traffic, jazz spread up the Mississippi to Memphis where we find tunes such as Memphis Blues and Beale Street Blues. Then on up to St. Louis and the St. Louis Blues, and to Chicago and Royal Garden Blues.

Men like Louis Armstrong, Kid Ory, and Joe "King" Oliver spread the gospel to Benny Goodman, Harry James, and Glenn Miller.

In 1937 Jazz came to Carnegie Hall in the personage of Benny Goodman's band. Since then it is on its way to becoming classical in scope. NEXT WEEK, "What Jazz Says."

G. A. A.

The G.A.A. started playing another activity last week. The game now being played is Field Hockey, which gives everyone a chance to exert stored energy.

For several meetings now there have been a number of absentees. We are sure you girls know that there can only be three unexcused absences. Also the missed meetings mean a total of three points will be taken off the club letters. So lets not miss any more meetings.

F. F. A.

In the annual soil judging contest Friday, Nov. 20, U. High placed fourth out of 13 schools. There were five entries from each school. Entered from U. High were Duke Keller, Jim Stevens, Jerry Millette, Clyde Dewitt, and James McClafferty.

Two U. High boys placed in the first ten; Duke Keller was 3rd, and Jim Stevens tied for 7th place.

HOCKEY GAME ENDS IN TIE

With anxious squeals, the noon-time hockey game between the 8:00 and 2:00 hockey classes was on. The starting bully was taken by Jeanie Frakes and Wanda Sill. Wanda took the ball as far as the 25 yard line and was tackled by Ann Cecil. With Jean Frakes dribbling with mad speed toward the goal, the 2:00 class scored the first point.

The precision playing of the halfbacks and fullbacks of the 2:00 class prevented

F. H. A.

At the regular F. H. A. business meeting Tuesday Oct. 30, plans were made for the lunch program. It is now under way. You can get hot sandwiches, relishes, milk and sweets to satisfy your hunger. The F. H. A. plans to provide a surprise food one day each week. Another organization will take over when the F.H.A. has finished.

Later in the year the F. H. A. will work on two Christmas projects. The first, filling decorated cigar boxes with personal articles, and sending them to Anna State Hospital. The second project is to make toy animals and send them to needy children, to make their Christmas more enjoyable.

F. T. A.

The Future Teachers of America held their first meeting of the year on Oct. 17. The following officers were elected: Winkie Lewis, President; Francis Moore, Sec.-Treas. They voted to send George Fisher to the F.T.A. convention at S. I. U. The meeting was adjourned at 3:30 p.m.

prevented the 8:00 girls from scoring.

The bully of the second half was taken by J. Frakes and Fran Schoen, with Fran taking the recovery. Wanda Sill attempted and scored the tying point. This was the last point of the game, and the score remained a tie, 1-1.

The Spyglass 

"Love Me Tender" is being sighed by Lynn and Barbara. May it always be "True Love."

"Dum De Dum Dum," thanks to LaVerne and Bobbie Joe it has been proven that crime doesn't pay. Three cheers for our heroes!

"Say It Isn't So" please! We sure would miss Dick and Richard if they went to Carterville High. But "Whatever Will Be Will Be!"

"The Eyes of Texas Are Upon You." On who? "Namely You" Jim!

The "Stardust" must have got in Bonnie's eyes "Some Enchanted Evening" when she and Bob were in "My Blue Heaven."

Come next August Harlene will be singing "Get Me To the Church on Time." We are sure she will make a beautiful bride.

The next song is "Walking My Baby Back Home", requested by Something Smith for John O. and Chuck T. S. S. says, "Maybe you should choose girls closer to home."

Mr. Whiteside "You Ain't Nothing But A Hound Dog." We have been wondering why dogs have become so popular here lately.

It seems that Presbyterian hayride and the "Allegany Moon" have made some changes in Jim G. Do you agree Judy? We think so!

Have you ever seen a million dollars? Well, the general business and book-keeping classes found that a million dollars is a stack of bills about 18 inches high, when they visited the Eighth District Federal Reserve Bank in St. Louis, on October 24.

The classes toured the accounting, treasury, take-in, distribution, mail, and disposal departments. In the disposal department waste paper is kept for 60 days and then shredded for disposal. In one room the classes saw four billion dollars which was being sorted into denominations and checked for counterfeit bills. They also saw a counterfeit bill.

Students Invade Industry

Friday, Nov. 2, the physics and chemistry classes went on a field trip to Monsanto Chemical Co. and the Granite City Steel Works.

The tour of the chemical plant was interesting but puzzling. They were told how the different products were made but all they could see was the outside of the big tanks. In other words, unless you were a chemist, it was hard to follow what your guide was saying.

The trip through the steel mill was much more interesting because it was easier to understand and you could see what you were being told. They were shown how steel was made, from scrap iron to the finished product. The trip was very interesting.

THE PRESSBOX

The University School Lynxes were badly beaten Friday, October 26, by Shawnee High School. The final score was 45-13. Even though Shawnee showed a little better team, they actually had a psychological victory before the game even started since they defeated the Lynxes last year by a score of 86-6. Here is the scoring in a nutshell.

During the first quarter, Gerrard scored around left end on a pitchout. Walker's conversion was good, making the first period score 7-0.

Early in the second quarter, Gerrard scored again on the very same play. Walker again added the extra point. Later in the period, Shawnee scored on a pass from Smiddy to Newton. The extra point attempt was no good, making the half-time score 20-0.

The third period was started with a very unusual scoring play. Smiddy's pass was blocked and batted in the air five or six times like a volley ball before Gerrard grabbed it and scored his third TD. Walker's conversion was no good.

U. High scored its first touchdown as Reinhardt knocked down a Shawnee pitchout, picked up the ball, and ran 55 yards to paydirt. His kick for the extra point was good. Just as the Lynxes got their hopes up, Smiddy intercepted Chaney's pass and ran 25 yards to score. The kick was no good, making the 3rd period score 32-7.

In the fourth quarter, Dobbie Wright plunged to score for the Lynxes. Reinhardt's kick was no good. Shawnee scored twice in the last period. First, Smiddy passed to Newton who ran 35 yds. to score. The conversion was no good. Later, Smiddy scored through the middle. The extra point was added, making the final score 45-13.

Even though the Lynxes didn't have a better record this year, they did show a great improvement. We want to give a big hand to all those boys who went out for football this year. We especially want to thank all the Seniors who played this year, namely, Bill Chaney, Eugene Jackson, George Bricker, and Jim Rossiter. We also give a vote of confidence to coaches Doc Bencini, and Bud Stotlar!

Behind the scenes, so to speak, was another group of people who supported the team and their school. They are the cheerleaders, the band, the announcer (George Buys), and, of course, the students. Thanks again!!

THE COUNCIL CORNER

The Council is becoming disturbed about the number of students who are abusing their noon--hour privileges in the Rec. Room.

The Rec. Room is left open as a service for students who bring their lunches to school. It also provides a place for you to meet your friends, have a coke, and let off steam during your lunch hour. Let's all help keep our Rec. Room open during the noon hour.

U. HIGH STUDENTS ATTEND SPANISH CONVENTION

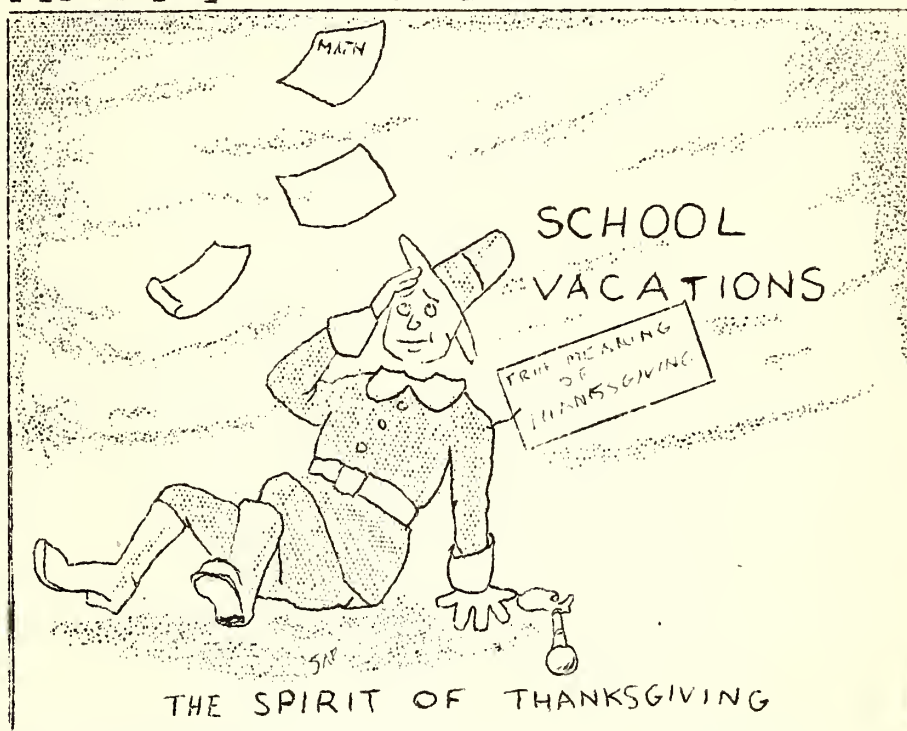

The third annual Spanish Convention was held Sat., Nov. 17, at DuQuoin High School. Members of the Spanish I and II classes attended, along with Mrs. Reike and Miss Whitmore.

We were divided into groups for group discussions. We then returned to the auditorium to sing Spanish songs and to watch skits given by University School and Marion High Schools.

After lunch we were entertained by speeches in Spanish, given by two graduate students from the University.

The program was concluded with slide films taken by Dr. J. Cary Davis when he and his class toured Mexico.

HAPPY HOLIDAY !

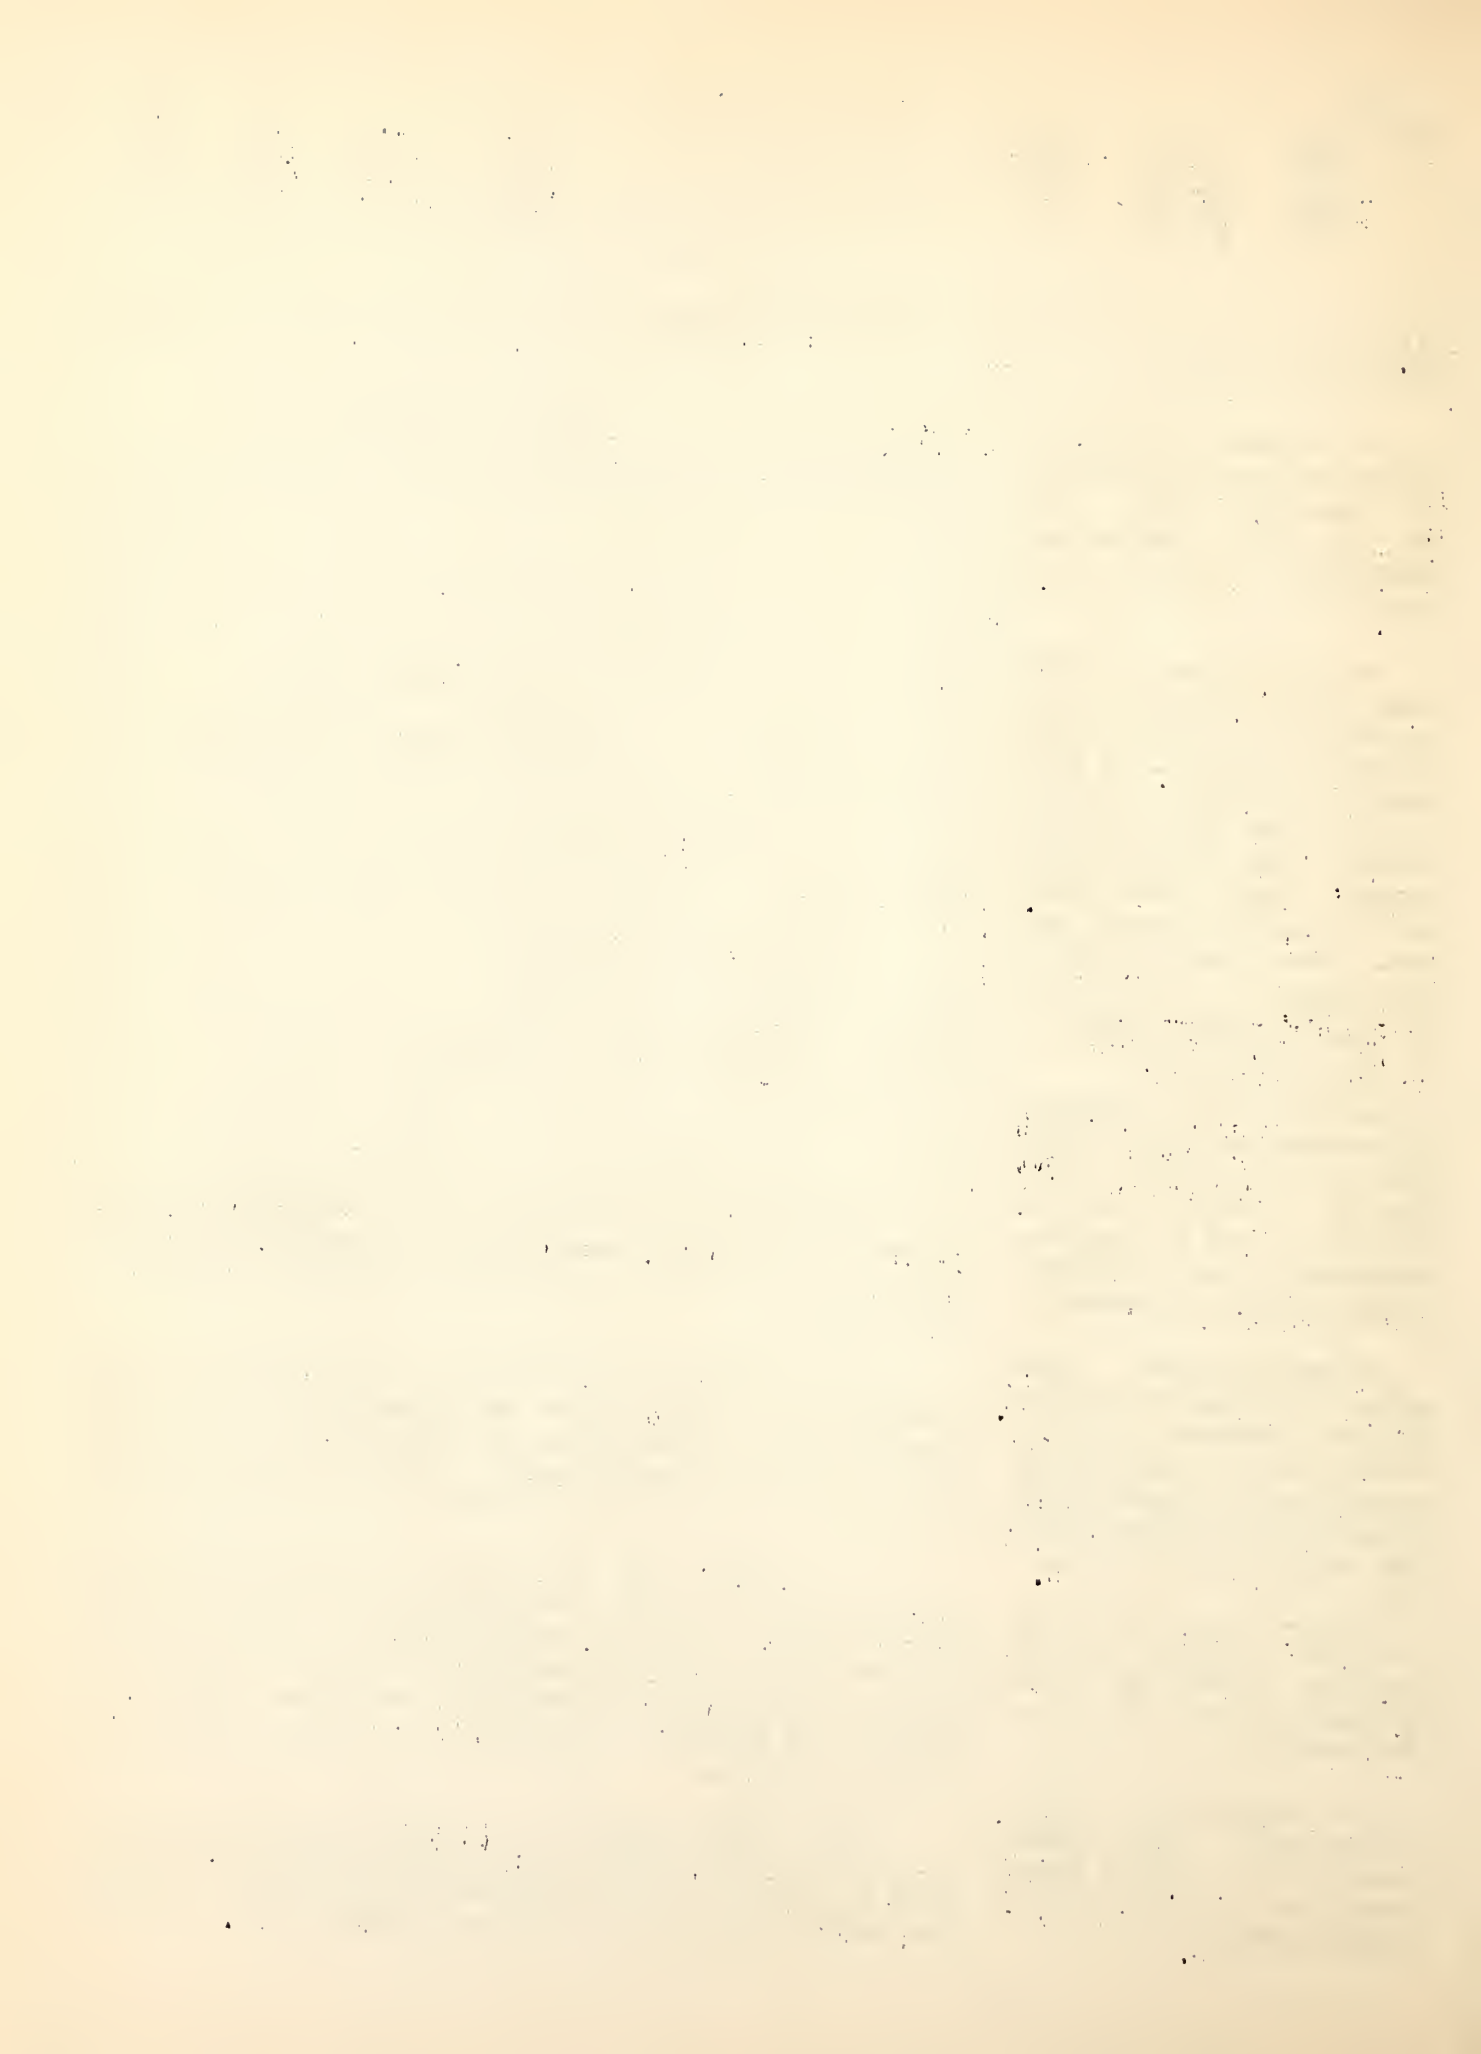

Thanksgiving was the first real American holiday. In the year of 1621, after winter hardships, the summer was very fruitful so the Pilgrims gathered together to give thanks.

This is why year after year our families gather together with turkey, and cranberry sauce, dumplings, cake, and all of the other wonderful foods with which you will stuff yourself until you are ready to "pop." We gather to thank the Lord for all of our prosperity.

As students of University School we have many things to be thankful for. We have a wonderful school building which is new, well-built, and well-equipped. We have very good, well-educated teachers to teach us what we need to know throughout our lives. School has brought us friends to work with and play with and to remember always.

This Thanksgiving try to think of all you have to be thankful for. Make a list if you want to; you will find it will be pages and pages and pages full of things you don't realize you should be thankful for.

The Lynx & Hawk

Dear Editor:

It seems that there is
an extreme lack of interest
on the part of certain
"cheerleaders," who don't
feel it is necessary to at-
tend Pep Club meetings.

The Pep Club is the main
backer of the cheerleaders,
and yet, some cheerleaders
don't support the club even
to the extent of attending
the meetings. We feel that
the Pep Club is an asset to
the school as a whole and
to the athletic activities
in particular. It is in-
deed a shame that the Way-
ward Cheerleaders don't
help give the Pep Club a
boost to becoming the large
vocal organization that it
should be.

Please remember that
this letter is directed to
the cheerleaders who aren't
attending the meetings, not
the ones who are now doing
a good job of representing
all the cheerleaders.

Concerned

Dear Concerned:

Since most of the cheer-
leaders read this letter
before it went to press,
they told me their opinions
of it. They said they
were very sorry but they
had conflicting activities
on the same day as the
Pep Club meetings. The
only suggestion I would
have would be for the "Way-
ward Cheerleaders" to meet
with the officials of the
Pep Club and try to work
our a schedule that is
suitable to everyone.

This week I am going to
finish the series on jazz
with a few words on what
jazz says. I personally
believe that jazz is a
form of art, and as a form
of art, is also a method of
expression. Furthermore,
I think that jazz is the
best form of musical
expression as far as the
individual musician is
concerned.

As I said last week, jazz
began as interpretations of
popular French tunes around
the turn of the century.
But the music soon
became an interpretation of
the musician's own personal
feelings. If the jazzman
was happy, which he usually
was, the music indicated it
in full measure. If his
life was hard, he played
what is known as the blues.
It is a slower, sadder
jazz to be sure, but it
still maintains the same
distinct rhythm as its
cousin, Dixieland.

Jazz is a free, rhythmic
style of music. It leaves
room for the imagination
to run its course. It is
uncommercial. Jazz was played
by a musician for his own
benefit, not for sale to
others. This distinguishes
it from modern popular
music, and I believe makes
it a greater form of art.

In concluding this
series, may I say that jazz
is happy music, sad music,
the music of the moods of
the common people, and I
believe that it is
good, noteworthy music.

At 3:00, Friday evening, a group of cycling girls were seen heading for the City Reservoir. The majority resorted to "The Bicycle Built For Two," (you weren't afraid of getting tired were you girls?) Everyone brought a meat or meat dish that could be cooked over the fire. After eating a hearty, hot meal, the bicycles were put back on the trail. Some were slow, and others were speedy. Congratulations, Charlotte O'Dell and Susan Garbutt for your fine speed.

LIBRARY TO CELEBRATE BOOK WEEK

The Library Club is busy with big plans to help U. School students celebrate Book Week, Nov. 25-31.

"What's Your Reading I. Q.?", a guessing game, will give high school students the opportunity to check their familiarity with well-known books. Pictures which illustrate these stories will be posted in the library. Answers and the books themselves will be displayed at the end of the week for students to check their reading I. Q.'s.

The Library Club has designed new book marks featuring Willie, the club mascot. They hope students will use them as book marks, and not for scratch paper.

THE PRESSBOX

NORMAN SPARKS LYNXES TO VICTORY

Richard Norman, captain of the University School Lynxes, racked up a total of 25 points to lead his team to a 52-39 victory over the Carterville Lions last night. This victory gave the Lynxes revenge for two losses last year by scores of 66-47 and 62-55. This victory may show one of two things. Either Carterville has a weak team this year or the Lynxes have a stronger one. We think it is the latter but we will find out for sure next Saturday as the Lynxes take on Coulterville who is rated one of the top teams in Southern Illinois this year.

The game was fairly close during most of the first two quarters. The scoring was pretty fast during the first quarter, and it looked as if both teams might rack up an impressive score. The first quarter ended with the Lynxes on top, 16-11. However, both teams started playing a tight defensive game during the second quarter, and this trend toward defense grew stronger as the game progressed. The first half ended with a 26-21 score.

During the second half, due to the close defensive game of both teams, a total of 20 fouls were committed. As a result of this, Carterville lost two players on fouls, one of them being their high point man, Gentry. The third quarter score was 36-28. During the final period, the Lynxes pulled away by scoring 16 points. The final score was an impressive 52-39 victory.

The scoring went as follows: Norman-25, Bricker-10, Mees-10, Chaney-5, and Brandon-2. For Carterville: Gentry-12, Moore-8, Noakes-6, Rains-4, Baker-4, Bleyer-3, Howerton-1, and Hampton-1.

The "B" team lost by a score of 52-40.

CHRISTMAS FESTIVITIES BEGIN AT U. SCHOOL

With whirling skirts and flying feet, U. Hi students ushered in the Christmas season Friday night at the High School Christmas party. There were records galore, and many couples took advantage of the occasion.

For the athletically inclined, there were ping-pong tables and shuffleboard games. For the intellectual types, checkers and chess tables were set up.

"Santa" Meikle visited the party and lent an ear to students and faculty. The wishes ranged from George's pink cadillac to elevators for a certain third-floor faculty member.

Door prizes were awarded to Dot Kinsey and Paul D. Smith. Refreshments were served by the Sophomores. A carol-sing wound up the evening.

JR. HIGH HAS GALA PARTY

Jr. Hi students closed their books Friday afternoon for a Christmas party in the gym.

Games were played, and dancing added to the fun. The class members exchanged gifts, which were distributed by Santa. Refreshments were served. The party is an annual affair sponsored by the Junior Council.

Merry Christmas, everybody! We of the Catcall staff extend our best wishes for the holidays.

Now that Christmas is here again, perhaps we should stop and think for a moment about just what the holiday really means. We celebrate the birth of Christ with prayers and hymns, but the familiar trappings--the greenery, gaily, and fine foods--have legends all their own.

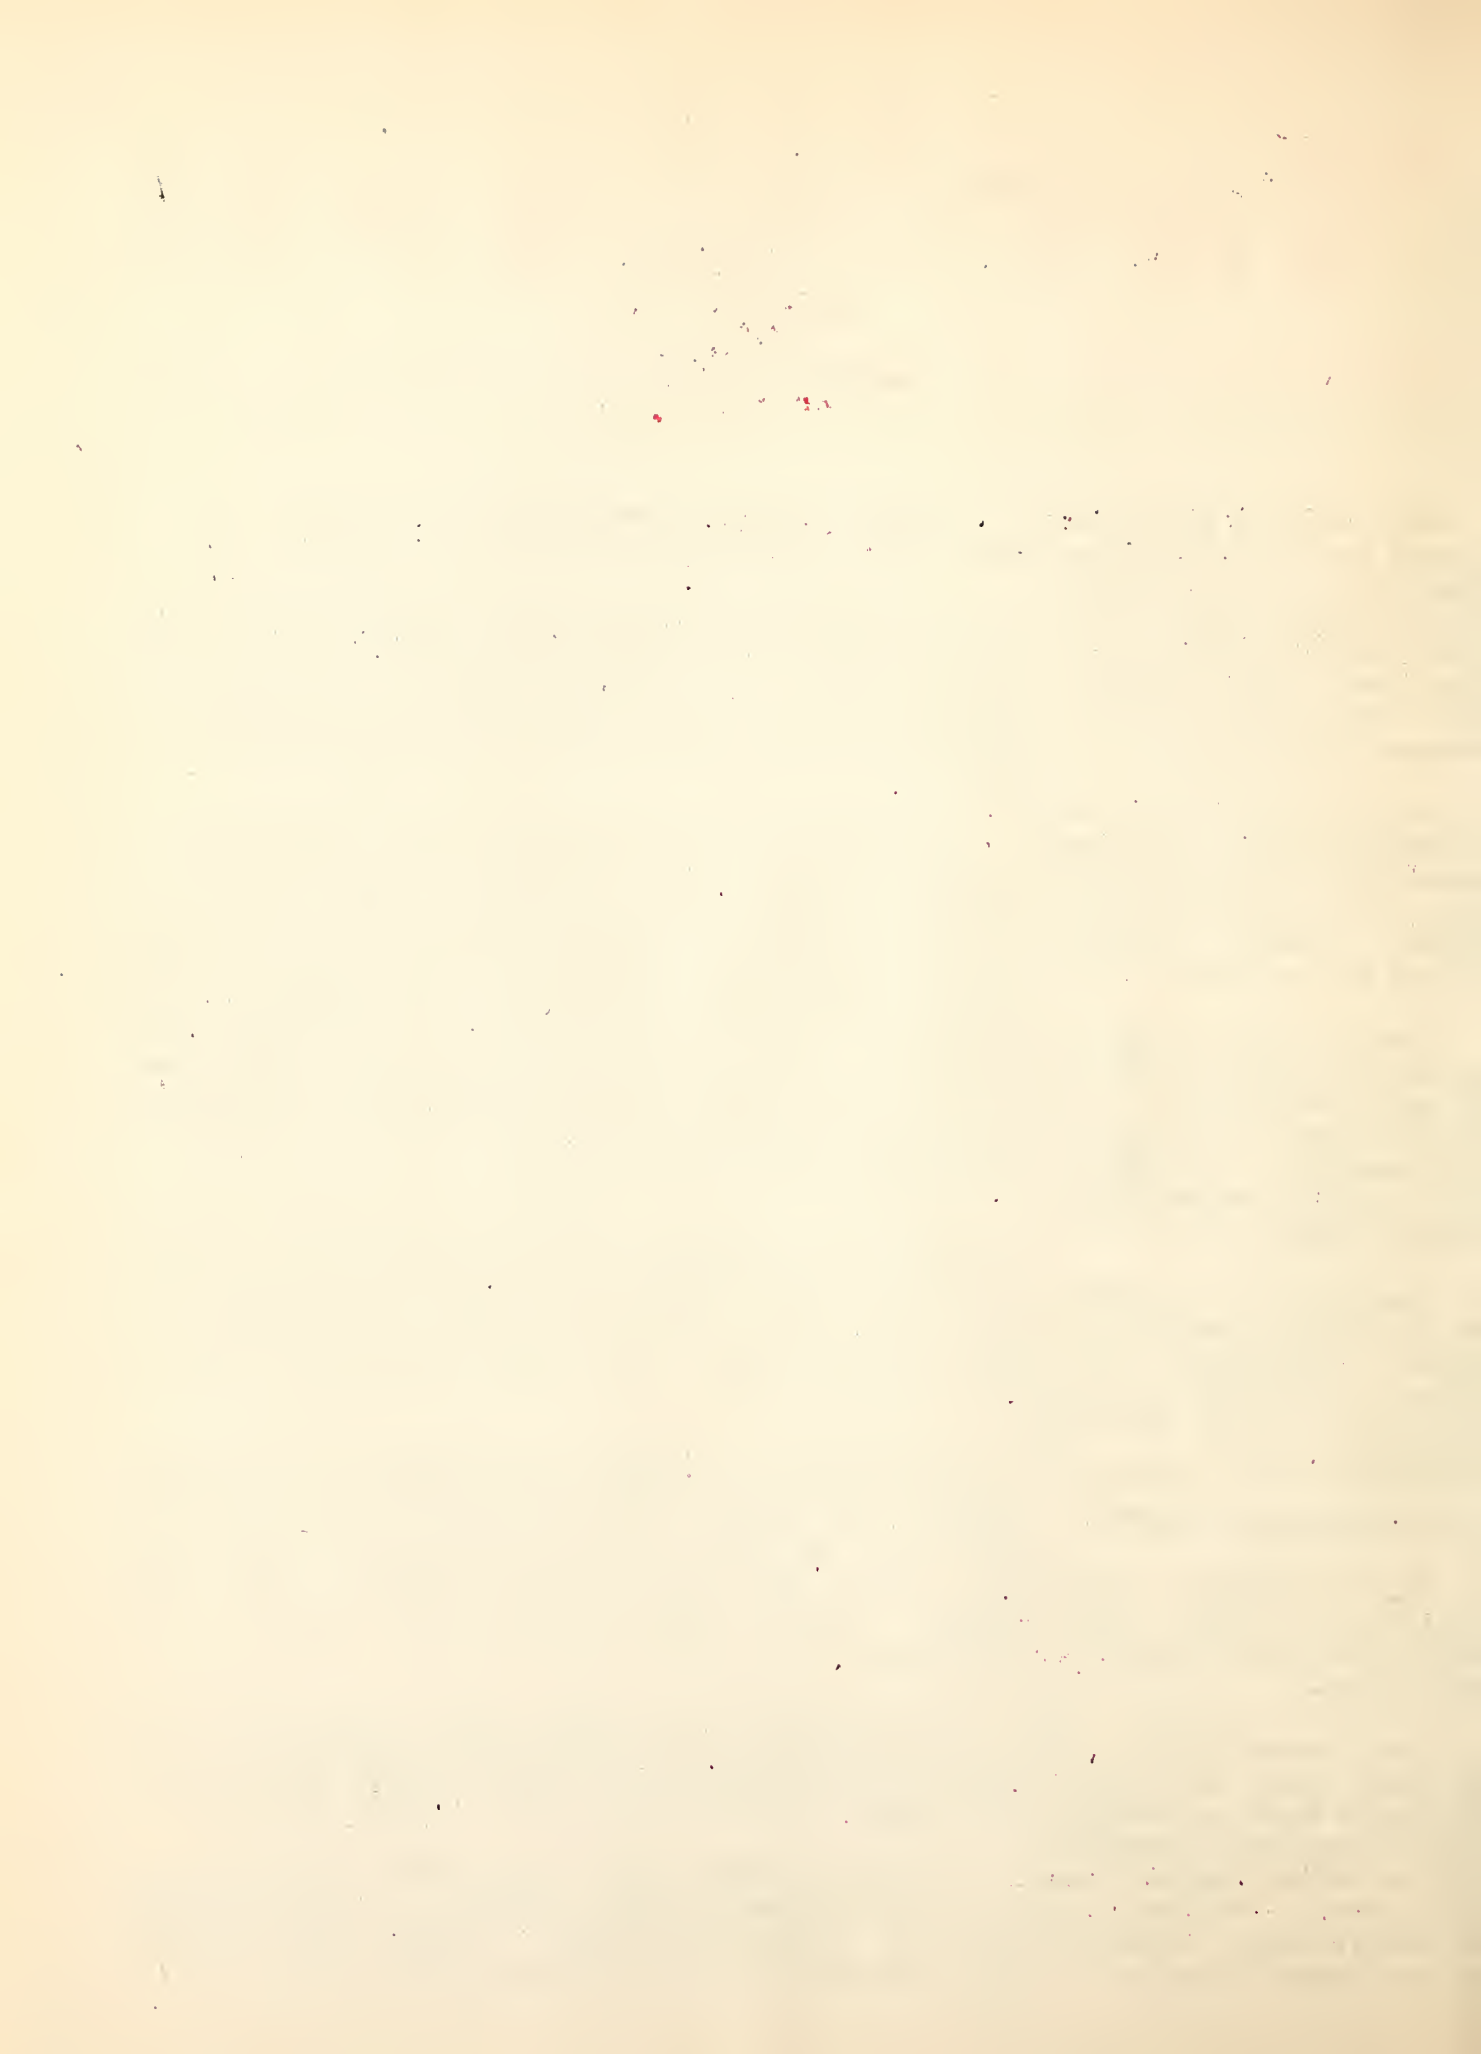

For example, there are many legends concerning the Christmas tree. The most widespread of these says that a small child knocked at the door of a cottage on a snowy night. The good people took him in and fed him. The next morning, a choir of angels was heard, and the Christ Child revealed himself in his true glory. Before leaving, he stuck a branch of a fir tree in the ground, saying that the people of the cottage would never want, for every year the tree would bear fruit at Christmas. Thus, trees bearing fruit and nuts--not toys--appeared in the early homes at Christmastime.

University School celebrated the yuletide season with lots of spirit this year, beginning with a Christmas program on the evening of December 13th. The girl's glee club, mixed chorus, and madrigals contributed to the occasion, along with vocal selections from the junior high chorus.

Following the program, on December 14th, was the annual Christmas Party. Sponsored by the student council, the party this year lasted from 7:00 P.M. to 10:00 P.M. The dance band furnished the music, and there were games and fun for everyone. Also, Santa Claus attended the festivities, with surprises for everyone.

The junior high had their own party, separate from the high school. It was held on the afternoon of the same day as the high school party. Gifts were exchanged and several games were enjoyed by all who attended.

Today, December 18th, school will be excused at 3:00 P.M. for the Christmas vacation. We hope you enter into the holidays with plenty of good cheer, and come back with lots of good resolutions for the new year.

BRAINTEASER

On a train run from Detroit to Chicago, three men; Jones, Smith, and Robinson, are the fireman, brakeman, engineer but not necessarily respectively. On this train there are also three passengers; Mr. Jones, Mr. Smith, and Mr. Robinson.

1. Mr. Robinson lives in Detroit.
2. The brakeman lives midway between Chicago and Detroit.
3. Mr. Jones earns \$2000 a year.
4. The brakeman's nearest neighbor earns 3 times as he does. The brakeman earns \$1000 a year.
5. Smith beat the fireman at billiards.
6. The passenger with the same name as the brakeman lives in Chicago.
7. The engineer earns \$6000 a year.

The question is; who is the engineer.

G. A. A.

As the geese flew south for a long winter's stay, the G. A. A. decided they had better change with the weather. Although we weren't able to fly south, we did change our activity to basketball. Many of this year's new members are good basketball players, and our prospects for a good team are very good.

We have been invited to a play-day at the Anna high school. They asked that we bring two basketball teams. Now we really have something to practice for.

LIBRARY CLUB

Do you want to have fun over the holidays? If you do, read a good book. The Library Club has a special display of Christmas books and stories in the library for your enjoyment. To find out something about the history and customs of Christmas, help your family celebrate Christmas by telling or reading them a good story. So, take advantage of the Library Club's Christmas present to the school and have a Merry Christmas!!

F. T. A.

The Future Teachers met on Nov. 28. George Fisher gave a report on the convention which he attended at S. I. U. We have decided to make our project this year that of telling stories to the smaller children in school. We also voted to meet twice each month.

F. F. A.

The following F.F.A. boys received third place at the parliamentary procedure contest which took place in Sesser on December 15: Jerry Millette, Dobbie Wright, Arvel Nance, Clyde DeWitt, and Duke Keller.

We want to thank the F.F.A. boys very much for furnishing the big Christmas tree for the party.

F. H. A.

The F. H. A. girls have been very busy getting the Christmas program and pro-

jects on the road. You have probably noticed the Christmas spirit through the halls--the tree, the figures depicting the "Twelve Days of Christmas", the nativity scene, and the bulletin board--all done by the F.H.A. and Home Ec. II and III classes.

As our final project, the chapter plans to fill a food basket, including toys and clothing, for two families.

FOREIGN LANGUAGE

Members of the U. High Foreign Language Club went caroling Wednesday evening at 6:30. The carolers wore bells on the peaks of their red caps and carried lanterns. After an hour of singing, the carolers went to the home of their sponsor, Mrs. Rieke, for refreshments.

PROBLEMS CLASS

A mock Senate is now being held in the 11:00 AM problems class. Each student has assumed the role of a senator from one of the 48 states and will defend or oppose one of the bills now before the Senate. Senate committees have had hearings on each bill. Friday, the "Rules" committee proposed to limit debate. As a result, George Bricker (R-New York) started a filibuster to oppose this measure. The president pro tempore Dede Lingle (D) ordered the Senate to remain in session until 1:00 PM. Several attempts to stop the filibuster were successful.

COUNCIL CORNER

Your Student Council wants to wish everyone a very Merry Christmas and a Happy New Year.

To usher in the New Year, your Council is going to finish revising the old constitution. The Council hopes to have the new constitution ready to present to the student body some time this spring.

The Council would also like to remind you that there is a suggestion box in the library. This suggestion box has not been put to good use by the students this year.

We hope that one of your New Years' resolutions will be to make more use of the suggestion box.

LYNX THINX

Our cheerleaders are in the news again, but this time for some good comment. An authority stated that too many cheerleaders (he wasn't referring to ours) were trying to show off rather than lead the cheering section.

The girls went to work on this, and, as a result, we are getting more cheers with the cheerleaders closer to the crowd and facing it.

The Pep Club will probably stand out at Tuesday's game because of their new beanies. A word of advice to all Pep Club members: Show up at all games; it really helps those boys to know someone is backing them up.

Incidentally, George Buys would like to see two or three more students try to broadcast the basketball games. A special thanks goes to the boys who have been keeping score for the broadcasters and giving them the rundown between the quarters.

The boys who have been keeping score and broadcasting have received favorable comment, but they are still in need of people to relieve them and spot plays. This all started out as a speech project, but now it seems that the playing of these tapes has become a time for social gathering and a place for the basketball boys to hear their names over and over. They really enjoy it.

MERRY-GO-ROUND

Another vacation time has finally arrived. I think the faculty needs this vacation worse than we do.--Did you see that beautiful stationery that Jim received from the Collinsville District of Student Councils? It's too bad his last name isn't spelled Sappingfield. Thanks to the F.H.A. we have decorations in the library showcase, the office, and many other varied spots around the school.---Did you ever see so many red and white beanies in all your life? I just hope they can cheer as loud as their beanies look.--Wouldn't it be wonderful to end the pre-Christmas season with a victory over Elkville?---I hope to see all of you at the game tonight.

Why don't we make George a regular cheerleader? I know he isn't the prettiest in the world, but you'll have to admit he has the biggest mouth!! ...The new Cat Call staff did a very good job this time.....hope they continue the trend in the future. By the way, hearty congrats to our "Kitty Kall" staff----we'll be looking for you on our staff one of these days. Say boys, what's the current record for standing up in the classroom? It looks like "Daddy Long Legs" has found himself a girl; I sure hope so. Charlie says he is going to just loaf over the holidays...hope he doesn't start tonight! Some people are having trouble "circulating," why don't you start a lonesome hearts club, fellows?

SPYGLASS

Your Spyglass editors were peeking over old Santa's shoulder the other day, and guess what they saw!!! Letters to Santa from U. Hi students. Here are just a few of them:

Dear Santa,

It is a very long story and you might not understand, but please send John H. one pair of pants. You see, he has a hard time keeping up with his, or maybe I should say he has a hard time keeping them up!

Johanna

Dear Santa,

Love and marriage have been running through our senior class these past few weeks. Let me see, Widdows has been changed to Wells, and Harlene has added one more ring to her finger, too. I guess the best thing to give them would be a long and happy marriage.

The Editors

Dear Santa,

It seems that everyone is wanting Elvis for Christmas. But I would much rather just have a nice boy!

Susan

Dear Santa,

If possible, Santa, would you please leave Ralph D. in my stocking? I sure would appreciate it.

Emilee

Dear Santa,

I would like to have a camera for Christmas so I can take my own pictures.

George

Dear Santa,

Would you please see that Mr. Wyllie gets a dog house for Christmas.

1:00 Jr. Bus. Class

Dear Santa,

Would you please send my sister something to get her mind off Julius Caesar. I'm afraid she has an awful crush on him, because she is always talking about him. Thanks a million.

David Elder

Dear Santa,

Just a note to tell you that we don't think you will have to stop at Gary Crews' house this year-- He's got what he wants!

The Editors

Dear Santa,

Please discourage Robin from taking drivers' training--we just can't stand any more car repairs!

Mr. Wood

Dear Santa,

Nos desidero auxilium!!!

9:00 Latin Class

Dear Santa,

Would you be so kind as to bring Charles and John some pencils. They are always running out of them in English.

Maria

Dear Santa,

Please send Norman one girl for Christmas, before he gets caught with some more artistic love letters in Algebra class.

Dr. Small

Dear Santa,

We request that you put down another "good mark" in your book for George B. He helped to make our pep meeting a real success.

The Cheerleaders

Dear Santa,

Please bring me a name that everyone can spell! It would make things soooo much better.

Jimmie

Dear Santa,

Please bring Judy C. a pair of stilts or a small step-ladder. It looks like she just might need one.

Concerned

Dear Santa,

There are a few boys looking around for girl friends. In order to save space in your files, we have listed their names below.

1. Bob Wheeler
2. George Bricker
3. Tommy Goetz
4. George Camp

the scoreboard

LYNXES BEATEN BY HURST-BUSH, 61-49

The Lynxes were beaten by the Hurst-Bush Hummers 61-49, Dec. 7. It was the Hummers Homecoming.

The score stood at 10-10, after only 4 minutes as both teams were hitting quite well from the field. The Lynxes could score only 1 point in the remaining 4 minutes and the Hummers had a good lead of 20-11 at the end of the quarter.

The second quarter was almost a basket-for-basket type of play. The Lynxes pulled within 4 points of the Hummers, 22-18, with 6 minutes left in the half. The half time score found the Hummers still ahead, 32-24. Olkowski was the leading scorer, with 10 points. The Hummers shot at better than a .500 clip from the floor in the first half.

Neither team could throw the ball thru the hoop during the first 2 minutes of the third quarter. Norman then broke the ice as he dropped in 2 free throws for U. Hi. Norman again hit from about 8 feet, but Snider started dropping them in for Hurst. The Hummers still led by a sizeable margin at the end of the third period, 45-30.

Norman hit from 10 feet in the opening minute of play, but Fann made 2 free tosses for the Hummers. Bill Chaney picked up the loose ball and dribbled in for a layup. A few minutes later, Chaney scored again, a 2-hand push from 20 feet. Chaney hit again from 20 feet. Once again Bill put the ball thru the hoop to bring the Lynxes within 11 points, 53-42, but they never got any closer, as Hurst held on to their lead to win, 61-49. SCORING: Mees 9, Norman 17, Chaney 10, Brandon 5, Hand 1, Bricker 4, and Reinhardt 3. Snider was the Hummers' leading scorer with 18 points.

Hurst also took the preliminary, 60-50. Newton of H-B was the leading scorer with 28 points. John Hand dropped in 21 for the Lynxes.

LYNXES PLAY ELKVILLE TONIGHT at CARBONDALE

JUNIOR HIGH NOTES

Coach "Bud" Stotlar's Junior High Lynxes completed half of their schedule Friday, Dec. 14, as they dropped a 42-34 decision to Gorham. Their record is now 3 wins and 2 losses. Prior to Friday night's loss, the Lynxes had defeated Dowell, 27-26; lost to De Soto, 47-33; defeated St. Andrews of Murphysboro, 35-30; and edged Vergennes, 39-31.

The Lynxes' second team have a 1-4 record. Their only win was against Vergennes.

Jan. 10	Gorham	Home
Jan. 17	Vergennes	Home
Jan. 24	St. Andrews	Home
Feb. 1	Dowell	Away

LYNXES WHIP SHAWNEE, 53-44

Led by John Mees, the Lynxes beat the Shawnee Red Skins 53-44. Mees hit for 23 points to give him a 17-point per game average.

The Red Skins jumped to an early lead, but Norman tied the game on two free throws 9-9 with 2:45 remaining in the first quarter. The Lynxes led 13 to 9 at the end of the first period.

Throughout the second quarter, the score was pretty even as the Red Skins tied the Lynxes time after time. The Lynxes still led at half-time, 23-19.

Norman hit on 2 straight shots in the first minute of the third quarter. Shawnee then hit on 2 field goals. The Lynxes lost Norman on fouls in the last few minutes of the period. The Lynxes led by 8 points, 37-29, after 3 periods.

The Lynxes built a safer lead as they scored 9 straight points in the final period. Mees and Reinhardt hit on 2 shots each during the streak. The Lynxes continued to play good ball to win, 53-44. SCORING: Mees 23, Norman 10, Chaney 8, Brandon 6, Reinhardt 4, Bricker 2. Newton led Shawnee with 11.

Shawnee took the preliminary 48-45. The Lynxes almost pulled it out of the fire, as they scored 16 points to pull within 1 point of the Red Skins with about 15 seconds to go; but Livesay cinched the game for Shawnee on a lay-up. Gumm led the Lynxes with 13 points.

LYNXES LOSE AT TRICO

The Hurst-Bush Hummers beat the Lynxes, 64-48, in the first round of the Trico Tournament, Nov. 27. Once again the Lynxes were plagued by a bad quarter in the third, scoring only 3 points.

The two teams traded just about basket for basket in the first period, but the Lynxes led 13-12 when the quarter ended.

The Lynxes increased their lead a little in the next quarter as they scored 14 to the Hummers' 11. The thing that kept the Lynxes in the game was their good percentage from the field (about 50%).

The disastrous third quarter put the Lynxes way behind, 44-30.

The Lynxes put on a terrific drive but could not overtake the Hummers. Fann hit for 37 points, Mees for 14.

COULTERVILLE 54, U. HIGH 44

The Coulterville Eagles beat the Lynxes, 55 to 44, Saturday, Nov. 24. The free throw shooting proved to be the margin of victory, as both teams scored 14 field goals. The Eagles made 26 of 42 free throws.

The first quarter score found the Eagles out in front 16 to 3. Mees scored all the Lynxes' points.

After the shaky start, the Lynxes settled down and played good ball the rest of the game. Mees scored 21, Norman 12, Brandon 5, Reinhardt 4, and Hand 2. The Eagles won the preliminary, 53-49.

JOHN MEES AND RICHARD NORMAN

John Mees and Richard Norman were chosen as the Lynxes' two outstanding players, on the basis of all around play for the first 5 games.

COUNCIL CORNER

MORRIS & MICKAN CAPTURE DEBATE HONORS

In the last issue of the Cat Call the I.A.S.C. was mentioned. Some people would like to know what this organization is.

The I.A.S.C. is the Illinois Association of Student Councils. It meets once a year, in Chicago during the latter part of April. The purpose of this convention is to bring together student council representatives from all parts of Illinois. These representatives discuss problems that face their councils and find out how other councils are solving these problems.

At its last meeting your council elected Bruce Bruinsma and Connie Elder as its representatives to the state convention. At the same meeting, the council was informed that Jim Sappingfield had been accepted as a discussion leader. This means that three members of your student council will be attending the I.A.S.C. convention in April.

PARENT AFTER SEEING

REPORT CARDS!

Last Saturday at the Annual S. I. U. Debate Tournament, Mike Morris and Pat Mickan were awarded the trophy as being the outstanding negative team at the tournament. A Granite City team received the affirmative trophy. Mike and Pat were the only team which received a perfect record, so they were the outstanding team. Bonnie and Robin Ruth came within three points of receiving the affirmative trophy.

Individual debaters and teams received ratings of Good, Excellent, and Superior. Mike Morris was one of three individuals who received Superior. The team of Morris and Mickan was one of three which received Superior rating.

Individual Excellents were given to Bonnie Ruth, Tony Willard, Pat Mickan, and Art Parrish. Teams of Ruth and Ruth, Willard and Leonard, and Parrish and Hartwig received Excellent ratings.

Our affirmative teams of Ruth and Ruth, Willard and Leonard, Parrish and Hartwig won three of four debates. The negative teams of Fulkerson and Fisher won two and lost two, and the team of Hunter and Lobenstein won one and lost three.

Of 30 teams representing 8 schools, University High debaters had 19 wins and 6 losses. Much credit for the fine ratings goes to our sponsor and coach, Dr. Buys.

Be watching for more news of our Debaters soon'.

BAND CONCERT HELD HERE LAST NIGHT

On Thursday, Jan. 30, the band held its first concert of the year.

The fourth grade opened the program with three vocal selections. The U. School Dance Band will follow. The Junior Band will play several numbers, and the program will close with selections by the Senior Band.

F.H.A. - G. A. A. TO SPONSOR CALYPSO DANCE

The Calypso dance will be held on Feb. 15. Since the theme is "Calypso," we should have some bright costumes and lots of fun. It is a "girl ask boy affair," unless a boy dates a girl from another school; then he can ask her.

Tickets will be on sale beginning today from FHA or GAA members.

THE LYNX THINK

We were very happy to
receive these letters from
U. School students. We hope
to have many more in
the future. You, no doubt,
hear many complaints and
criticisms from students
about various matters, but
how often do you run into
someone who does something
about it? Well, you have a
chance to do something about
it now, by sending your
opinions on school activi-
ties, current events, or
any other matter, to the Cat
Call. Remember, we print
all signed letters.

Dear Bonnie:

Initially may I compliment you on the force and
content of your editorial in the last issue. I think
you deserve an answer and some action. First, a little
background on the issue.

The Council which is serving you at present is a
progressive one. In years past, Councils have been
retarded in their actions by the forces of tradition.
This year's Council feels differently about the mat-
ter. We have found some unsound traditions and have
often breeched them. To mention a few, the Council:

1. Created the two-day Homecoming.
2. Created a standing Constitution Committee
to review and repair weaknesses in the
school's constitution.
3. Created the office of Treasurer within
the Council itself.
4. Ruled that the Christmas Party as a Student
Council project was unwise and inopportune.

This has been background, but I also promised
action. If you have followed the announcements, you
know that minutes of all Council meetings will be pub-
lished by the Secretary for you to read and discuss.
Moreover, you know that you are invited to attend any
meeting of the Council to watch it in action.

This, I feel, is a step in the right direction .
I hope you agree, and I hope that all or part of this
letter will be of interest and enlightenment to you
and your readers. Thanks, and keep that sort of mat-
erial coming!

Senior Student Council

AN EDITOR'S NOTE

The annual F.F.A. pest
contest ended January 21,
1958. The winners were
Theron O'Dell, first place,
killed the following pests:
rats, 24; blue jays, 2; spar-
rows, 102; mice, 19, and
rabbits, 191. Herb Hagler
second place, killed the
following pests: sparrows,
150; mice, 100, rabbits, 78.

The F.F.A. will have its
annual alumni ball game
and party February 10.

As you will see, we are
printing several letters
which were received after
the last pep session.

While these letters in
no way reflect the opinion
of your staff, we do feel
that they represent the
feeling of a segment of
the student body, and,
therefore, deserve atten-
tion. Please remember
that this is your paper;
let us have your opinion!

LETTERS TO THE EDITOR

Dear Students of University School:

ATTENTION STUDENTS

Have you watched the vaudeville acts which have taken place at our basketball games for the past few years? Have you noticed how our cheerleaders can sing and dance? Now these girls have taught us many new routines, but tell me what do they have to do with basketball?

Lets compare them with Southern's cheerleaders. Southern has both boy and girl cheerleaders. They don't bother with stunts, songs, Indian dances, or any dances, or the great historian Paul Revere. They just yell and get the spectator to yell with them, now stare at them.

Sure our students yell, but we have heard many criticisms about the songs, dances, and just plain entertainment.

Our cheerleaders were elected for leading cheers, not entertainment. Sure we elected them because they were popular, but we also wanted our team to win with their help, not be hindered in pre-game warm-ups with them taking up all the gym to entertain the crowd.

Come on girls, you have got lots of good yells, excluding the songs, dances, and Paul Revere, so let's stick to them and cut out the dances, songs, etc. We know most high school cheerleaders are like this, but can't we be the first to lead cheers, and not bother with the fancy stuff? (name withheld upon request)

This letter is being written for the sake of bringing to the attention of our cheerleaders something we feel is important. This something does not concern the cheerleaders themselves--I'm sure all the students will agree we have two fine groups of cheerleaders--but it does concern itself with the type of cheers being lead. It is the feeling of a number of students, who have been asked, that the singing cheers have little or no value, nor are they proper for the occasion. By this we mean that the singing cheers are not peppy and do not help our players in the least! It should be brought out that during games probably 50% or more of the students drop out on the cheers that are sung.

When our team is in a tight game, singing cheers certainly do not help the morale of our players and really sound very mellow compared to the cheering of other schools. Do other schools use singing cheers? It seems not often.

We believe, therefore, cheers should be loud and peppy, and not sung!

One other point that should be briefly stated is the fact that cheerleading is not a vaudeville act! The duty of the cheerleaders is to lead cheers and not to put on demonstrations. This statement does not apply to a large portion of the cheers.

Perhaps, with these few thoughts in mind, our cheerleaders would like to make a survey of their own to find out if the above points are justifiable.

INTERMURAL BASKETBALL LEAGUE STARTED

A fine intramural basketball league has been organized at U. School. There are four teams in the league: Team 1, captained by Bob Williams, Team 2, captained by George Fisher, and team 4, captained by Paul Smith.

In league action last Thursday, team 1 defeated team 2 by a score of 43 to 35. In other action, team 4 defeated team 3, 45 to 34. In coming league action team 3 will meet team 2, and team 4 meets team 1.

U. SCHOOL TO HOST FROSH BASKETBALL TOURNEY

University School will be host to an eight team freshman basketball tournament February 3, 5, and 6. First round play will begin at 3:30 p.m. Monday, and will find Attucks opposing Gorham. The second game will begin at approximately 4:45 with U. School opposing Murphy.

The evening slate will include Carbondale Community against Elkville, and Anna versus Pinckneyville.

Second-round play will begin Wednesday, with the winners of games 1 and 2, and games 2 and 3 playing.

The winners of Wednesday's games will meet for the championship at approximately 8:15 p.m. Thursday.

DID YOU KNOW

That Dr. Gross was once a "Big Ten" fencing champion?

That Bruce Bruinsma went through the first grade in the Netherlands?

That Bonnie Danby once broke an umbrella over a boy's head?

That Mrs. Francis once won a baby contest at a county fair?

That Betty Frakes once drank kerosene?

That Dr. Edwards was a basketball letterman at Southern?

That George Camp skipped a grade? (Kindergarten?)

That Jim Medlin was the first center to score a touchdown in U. School's history?

That Betty Young was the first "May Queen" to be crowned at Attucks Grade School?

That it once took Judy Squires fifteen minutes to get off a horse?

That Dobbie Wright once painted the front of his grade school with polk berries?

That I don't have any more room for this column?

A BIT FROM BOB

Well, it's been two weeks since my last column and many things have taken place.....For instance, the varsity cheerleaders faced a big problem but tackled it with gusto. I am happy to say that the cheering was better than usual at the Elkville game even though it wasn't a particularly nerve-racking game.....Let's all go to Shawnee and cheer the Lynxes to another conference victory. As you know, the Shawnee boys handed the Lynxes their only conference loss earlier this season..Please co-operate with the Advanced Speech Class if you are asked.....It has been rumored that Dr. Willard has been stealing his jokes from a certain boy's counselor with the initials, A. S.....There has been too much cheating on tests in some of our classes! And it's some of the people you wouldn't expect. Let's see if we can't clear this matter up.....Until next time, here is a warning to all Juniors. Be sure and read the articles of confederation.....

F. H. A. Meeting

It is getting near Valentine's Day and Cupid has already started aiming it's arrows. If you don't believe us, just ask either Pat W. or Charlie W.

Ann C., How much paper did you use while writing "I Love Jim Gumm"?

Congratulations to Sandra Schmidt and David Matheny on going steady.

What is this between Jim Gumm and Joann Etherton?

Has cupid also been working on Susan Crawford and George Camp?

Do we understand correctly that Judy H. and Sandra S. want Ralph D. to teach them to play footsie?

Nita B., who was number 45 on Elkville's team that was making eyes at you? What do you think of this Allen A.

Why does Susan Frields make it a point not to miss any of Ra-Com meetings? Maybe Jim B. can answer this for us?

What has happened to some of our old steadies? Do you know the answer to this on Judy C. and Bill E., Wallace and Glynda, or Sue t. and John?

Ronnie Brumley, did you have a good time at Amos Black's party? If so, could the reason be Leslie Ruth?

It looks as if cupid finally caught up with John B. and Carol B.

We understand that Susan Caldwell bought a new two-seater English car. Whom did you have in mind when you bought it, Susan?

Charlie Ross, who was that boy 'Who' was with you Friday in all of your classes. It was no wonder that Miss Bach had such a hard time keeping her English class's attention that day.

What is this about Orlon sweaters in Biology, Betty F. Are you really learning anything in Biology?

A little bird told us that Judy E. has a tendency to like John B., is this true Judy?

It seems that Brenda Dillow has been very happy lately. Can you account for this, Jim M.?

Hey, Barbara B., isn't that chain getting a little too heavy with two rings?

WE've been wondering who that tall boy with the initials J. B. is, whom Beverly Howell is after.

It certainly is nice to see Sheila around school again, isn't it Charlie?

It seems that Judy L. collects tall football players and Mike collects short cheerleaders.....What do you collect Amy?

Susan Willey, We've heard of color crases, but red headed boys on the Southern Acres bus...Well.....don't forget that red headed boy in your own class.

The FHA held its regular meeting on January 28, in the Home Ec. Room. A demonstration was given by Miss Phyllis McDonald, one of the Home Economics Student Teachers, on Quick Breads. After the meeting some of the girls stayed to help prepare the pizza for the Pre-Game Supper which was enjoyed by all the girls, mainly because there was so much pizza and salad. After the supper the new members had the honor of cleaning up the room, while the old members got to go on down to the game.

There were 30 members present plus the Student Teachers and Miss Konzleman.

MYSTERY MISS

Our last issue's Mystery Miss was Mette Much. The contest winners were Pat Wycoff, Tony Willard, and Judy Ehrlich.

This issue's Miss X is a senior who has been attending U. School for three years. She is a member of G.A.A., F. H.A., swim club, and the year-book staff. We don't know whether she's kidding or not, but she says her favorite color is "black and beige together." Her favorite movie star is Rock Hudson, favorite singer Pat Boone, and favorite song, "Broken Promise." She says "the S. I. U. swim team" is her chief interest.

Do you recognize Miss X? Then hurry and get your answer to Bonnie Ruth.

LYNXES BOW TO CHESTER IN
DOUBLE OVERTIME.

The University School Lynxes lost for the first time in their last seven games last Saturday as they lost to Chester 44-42 in a double overtime.

Chester took the "sudden death" overtime tip and Terry Draves shot and scored from the free throw circle to end a very exciting ball game.

The game was close all the way, and the first period ended with the Lynxes trailing Chester 8-9. The Lynxes came back the second quarter to gain a 20-20 halftime tie, but only scored 5 points the third quarter to Chester's 9, and consequently trailed 25 - 29 going into the last period. The Lynxes then came back to tie it 36 - 36 at the end of regular play, and sent the game into overtime. In the first overtime Chester scored 6 points as the Lynxes scored 2, and thus Chester led 42-38 with only 30 seconds remaining. John Mees, Lynx Captain, made 4 free throws in 4 tries to send the game into a double overtime, which Terry Draves ended with a jump shot to give Chester a 44-42 triumph. The Lynxes also bowed to the Chester in the Preliminary by a score of 62-40.

* In setting the school high for this year, Mees beat the previous high set by teammate Reinhardt, who was at home ill. Reinhardt made 29 points at the Vienna game, to set the previous record.

GET WITH IT! GET ON THE

LYNXES LOSE TO MOUNDS
DOUGLASS IN ANNA TOURNEY -

The University School lost to undefeated Mounds Douglass last Tuesday in the first round game by a score of 65-61.

Mounds Douglass started scoring fast and first to an 8-2 lead early, but the Lynxes came back for a 14-14 tie at the end of the first quarter. The Lynxes then picked up their scoring pace slightly and took a 33-27 advantage at halftime thanks to a .650 shooting clip. The Lynxes cooled off considerably as they made only 3 of 15 shots in the third quarter, but found themselves still leading by a score of 45-40. Then Mounds Douglass started their rally. They caught the Lynxes and went ahead 48-47, but the Lynxes traded buckets with them until John Mees, who missed only 2 free throw all game, made two free throws to give the Lynxes a 53-50 lead with a little less than 4 minutes left. James Wells of Mounds then made two field goals to send his team ahead to stay. The Lynxes held with Mounds until Mound Douglass went into a stall. The Lynxes fouled, and Mounds Douglass made the free throws which put them ahead. The Lynxes after having scorred, had to foul to get possession of the ball, but Mounds Douglass made the free throws and won 65-61 in a very exciting contest.

Mees led all scorers with 24 points, 10 of which were free throws. Reinhardt and Bruinsma also scorred in double figures with 18 and 10 respectively.

LYNXES WIN OVER ELKVILLE
58 TO 48

The University School Lynxes defeated the Elkville Bluebirds, Tues., behind the fine shooting of Captain John Mees. John, in getting 30 points, set his own personal high, and also it was the top output by a Lynx player this year.* The Lynxes won it, statistically, from the free throw line for they made only 15 field goals to Elkville's 18, but made 28 of 38 free throws while Elkville made only 12 of 29.

The Lynxes opened to an early 7-2 lead, but found this whittled as Elkville came back to trail by 14-12 as the first quarter ended. The Lynxes out-scored their opponents 16-7 the second period, and found themselves leading 30-19 at halftime, the team having made 11 of 22 shots and Mees having 17 points.

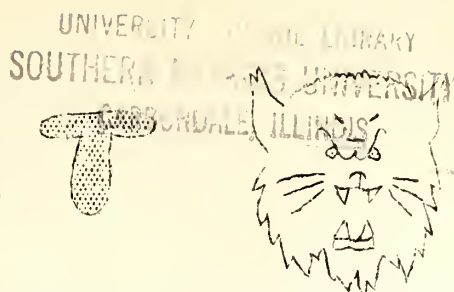

The Lynxes again out-scored Elkville in the third quarter, to pull to a 41-28 lead, but early in the 4th quarter, Elkville made 6 straight points, to pull within 7 of the Lynxes, but, the Lynxes behind Mees, bounced back with 8 straight to keep control. Mees ended Lynx scoring with his free-throw #14, three minutes later. Mees took rebound honors with 11, followed by Wright with 8.

COUNCIL CORNER

The Council has decided to take the suggestion box out of the library. In the future, students who have questions or ideas should present them to the Council at one of the open meetings. By presenting the problem in person, students will be able to hear how these problems are answered and to see how the Council functions.

The Council itself will not always be able to use your suggestion, but they will be able to recommend a club or person who will be able to use it.

Each week before the open meeting, the time and place of the meeting will be announced on the morning announcements. If you don't happen to hear the announcements, ask any Council member the time and place of the meeting.

The Council knows that many of you have suggestions which will be beneficial to the other students--so come to the open meetings, present your suggestions, and see how your Council works.

PEOPLE IN THE NEWS

Our U. School debaters have been very much in the news this year. On December 8, Dede Lingle, Kent Brandon, Winkie Lewis, Dick Randle, Mike Morris, and Elaine Kaplan went to Normal, Illinois to take part in a debate event.

On December 13, the debaters went to Paducah, Ky. Winkie, Mike, Dick, Larry Withers, Mary Ann Shyrook, Elaine, Dede, Kent, Jim Travers, and Gary Crews took part in this event. These two events were practice sessions in preparation for the state debate meet.

On December 8, several of our students participated in the Du Quoin speech festival. Bruce Bruinsma and Linda Crawford entered serious play reading; Rita Carson and Nannette Cox took part in comedy; Larry Withers and Roger Withers entered radio speaking, and Wanda Sill and Susan Garbutt entered verse reading, with Wanda placing first and Susan placing third.

TWELFTH NIGHT PARTY HERE

The Foreign Language held its annual Twelfth Night party on Wednesday. The new members were initiated by going through Hades.

King Dyke Howell and Queen Mary Wall were chosen to rule over the Twelfth Night ceremony, according to the custom followed by the French; that is, the couple who eat the pieces of cake containing beans, are elected king and queen. At the command of the royal couple, the pledges performed stunts.

The Twelfth Night party originated in France, and commemorates the arrival of the wise men.

NEW STUDENT TEACHERS HERE

Have you been seeing a lot of new faces lately? Well, did you know that we have 91 of them--new student teachers, that is?

Men's Phys. Ed. seems to be the most popular field this term, with 11 student teachers; while Music is running a close second with 10. Agriculture and Speech are neck and neck for the lowest enrollments, with 1 and 2 respectively.

Incidentally, we have some celebrities with us this term. Miss Bruce, who was Miss Illinois in 1954, is in 2nd grade, and Miss Curry, 1956 Homecoming Queen, in History.

BRAIN TEASER

On a certain ticket stub which I received last spring was the number 3025. This stub was creased down the middle so that the number appeared to be two numbers, (30 and 25). It so happens that 30 added to 25 equals 55, and 55 squared is 3025.

This week's teaser is to find another number with a square root less than 100 with these same characteristics.

LYNX T-HIX

Did you see the Vienna game? If you didn't, you missed the best game so far this season. Even though we lost, everyone got his money's worth. You could have shared this excitement for a measley 35¢.

You may be wondering why I'm bringing up a game we've lost and are trying to forget. I just want to say that ten or twenty more students might have given the team that extra something that they needed to put us ahead by two points.

Also, ten to twenty more students is just the amount we need to enable us to continue taking a bus to out-of-town games. That's right. The Student Council is losing money on every bus they send, and they are seriously thinking of discontinuing the service for the student body. All because some of our students would rather sit at home and read about the victory in the newspaper!

I realize that there are reasons which may prevent some of you from attending the away games, especially those on school nights. But what about those of you who are at the show, or someplace else, while the team is trying to win. YOU are the ones who can help us continue the bus service!!!

SPEEDSTER AT LARGE!

In an ~~exclusive~~ interview with Charles Ross, the Liberator of the typewriter, Charles modestly revealed that after 4 months of gruelling practice he was able to eke out about 75 words a minute on a 1-minute timed writing. To convert this score to more meaningful terms for non-typists, Charlie can type about four times more words in one minute than most people, with years of practice, can write with pen or pencil. On a 5-minute timed writing, Charlie can type better than 50 words a minute with enviable accuracy--a feat that many typists cannot perform after 2 years of high school type-writing.

Most students of the "blank keyboard" contribute success to diligent practice, but not Charlie!! When asked what contributed most to his typing success, Charlie remarked, "Spending hours writing sports columns for the Cat Call, getting up at 5 a.m. to deliver the Chicago Daily News, and listening to George Buys's 'crummy' jokes have done as much toward increasing my typing speed as anything I know."

THE SCOREBOARD

LYNXES PLAY SHAWNEE AT ANNA TOMORROW NIGHT

The Lynxes will meet the Shawnee Red Skins tomorrow night at the Anna Tournament. If the Lynxes beat the Red Skins, they will meet the winner of the Anna-Jonesboro--Elkville game Thursday evening. The final and consolation games will be played Friday night. If the Lynxes play the kind of ball they played against Vienna and Hurst-Hush last week, they should come home with the second place trophy and with an exceptionally good night they could even take first, but they will have to win that first game or there won't be any second or third night. A big group of U. High students at the game might be all that the players would need to urge them to out forth a little extra and bring home the first place trophy.

SEE YOU AT THE GAME!!

GAME HIGHLIGHTS

Since the last issue the Lynxes have played five games, winning four and losing only one. The highlights of these games start on this page with the Jurst-Bush game and continue on the following pages. The U. High record now stands at 6-4.

JAN 11--LYNXES CRACK "JINX" AND BEAT FURST*BUSH, 74-63.

Coming from behind, the Lynxes beat the Jurst-Bush Hummers, 74-63, in a thrilling home contest. Over the past 2 seasons the Hummers had beaten the Lynxes 5 times, but the Lynxes cracked that "spell" with the very impressive victory last Friday. The players' big desire to beat the Hummers, stemmed from their great

showing against Vienna, one of the stronger teams in Southern Illinois.

Kent Brandon opened the scoring as he dropped in 2 charity tosses. Murphy then scored for the Hummers, as he pulled a rebound off the boards, put the ball up again and through the hoop to tie the game at 2-2. Rich Norman and Snider traded field goals, but Snider made his free throw as he was fouled in the act of shooting. With 5:30 left, H-B led 10-6. Norman and Bricker tied the game at 10-10, as both made 2 free throws. With Tommy Fann leading the way, the Hummers forged into the lead again which they still held at the end of the first period, 22-16. Fann had 13 of his team's 22 points.

Each team scored only 2 free throws in the first 3 minutes of the second quarter. The two teams continued at the point-for-point type of play for the next 3 minutes. With 1:50 to play in the half, the Lynxes trailed by only 2 points as Chaney had stepped to line 2 times within 20 seconds and scored 4 points. Olkoske dropped in 2 free throws, but Norman scored the Lynxes' first field goal of the quarter to match the Hummers. Seconds later Norman again hit to tie the game at 30-30. With time almost expired, Kent Brandon stole the ball, dribbled within 3 feet of the charity line, jumped, shot, and scored just as the buzzer sounded to give the Lynxes a half time lead of 32-30.

The Lynxes took the second half tip and Chaney opened the scoring on a 23 footer. The combination of 3 free throws by Murphy and a field goal by Fann returned the lead to H-B, 35-34. The Lynxes took the lead again as Chaney scored from out in front and Bricker dunked an easy layup after taking another

"Lynxes Crack H-B Jinx"

sensational pass from Mees. Leading only 40-37, the Lynxes lost Brandon on fouls with 5:25 left in the period. Two points each by Mees, Norman, and a beautiful tip-in by Bricker gave the Lynxes a 10-point lead, 51-41. The Lynxes still led at the end of the quarter, 53-45.

Reinhardt gave the Lynxes an 11 pt. lead, 56-45, on a free-throw and a lay-up.. Chaney committed his 5th personal with 6:15 remaining. Although they led 62-49, it looked as though U. High was going to be in for some real trouble as Norman fouled out with almost 5 minutes to play, but they got a real break as the Hummers lost their leading scorer, Fann, on fouls. The U. High substitutes, (Gumm, Bruinsma, Reinhardt, and Hand), played surprisingly good ball in the final $4\frac{1}{2}$ minutes, to preserve the victory for the Lynxes. Mees's field goal in the final seconds gave the Lynxes a total of 74 points, which is the most points the Lynxes have scored in 1 game this year. TOP SCORERS FOR U. HIGH: Norman 16, Chaney 15, Bricker 14, Mees 13. Fann was the Hummers top scorer with 28 points.

Jan. 8--Lynxes Lose Heartbreaker To Vienna, 61-59.

The Lynxes lost to the Vienna Eagles, 61-59, in a road contest, as Don Brady, Vienna guard, sank 2 free shots with only 6 seconds remaining in the game. It was the Lynxes' best game of the year, despite the loss.

Although the two teams were tied frequently, the Eagles never were in the lead until the final 2 minutes of the third period after Bill Chaney put the Lynxes ahead, 6-4, on a jump shot. Near the end of the quarter the Lynxes gained a 4-point lead, but the Eagles rallied to tie the game at 12-12 before the quarter ended.

For 4 or 5 minutes in the second

quarter, the Lynxes would take the lead only to have the Eagles tie the game up. With $2\frac{1}{2}$ minutes remaining in the first half, Chaney dropped in a 22-foot "kiss" shot and Norman sank 2 jump shots to give the Lynxes a 32-26 lead. The Eagles cut the U. High lead to 4 points before the quarter ended, 34-30.

In the third quarter, once again the Lynxes took the lead, and the Eagles tied it up. The Eagles then got the lead as Brady hit 1 of 2 free throws, making it 43-42. Chaney hit on another long two-hand shot before the quarter ended, but the Eagles still held the lead, 48-46.

In the first few minutes of the final period, it looked as though the Eagles were going to break the game wide open, as they scored 6 straight points to lead 54-46. Chaney and Norman scored 5 points between them to cut the Vienna lead to one point, 58-57, with 1:45 remaining. U. High tied the game up, but Brady then hit on 2 free throws for the Vienna win. U. HIGH SCORING: Norman 28, Chaney 17, Mees 8, Bricker 6.

Jan. 4--Lynxes Down Vergennes, 66-53

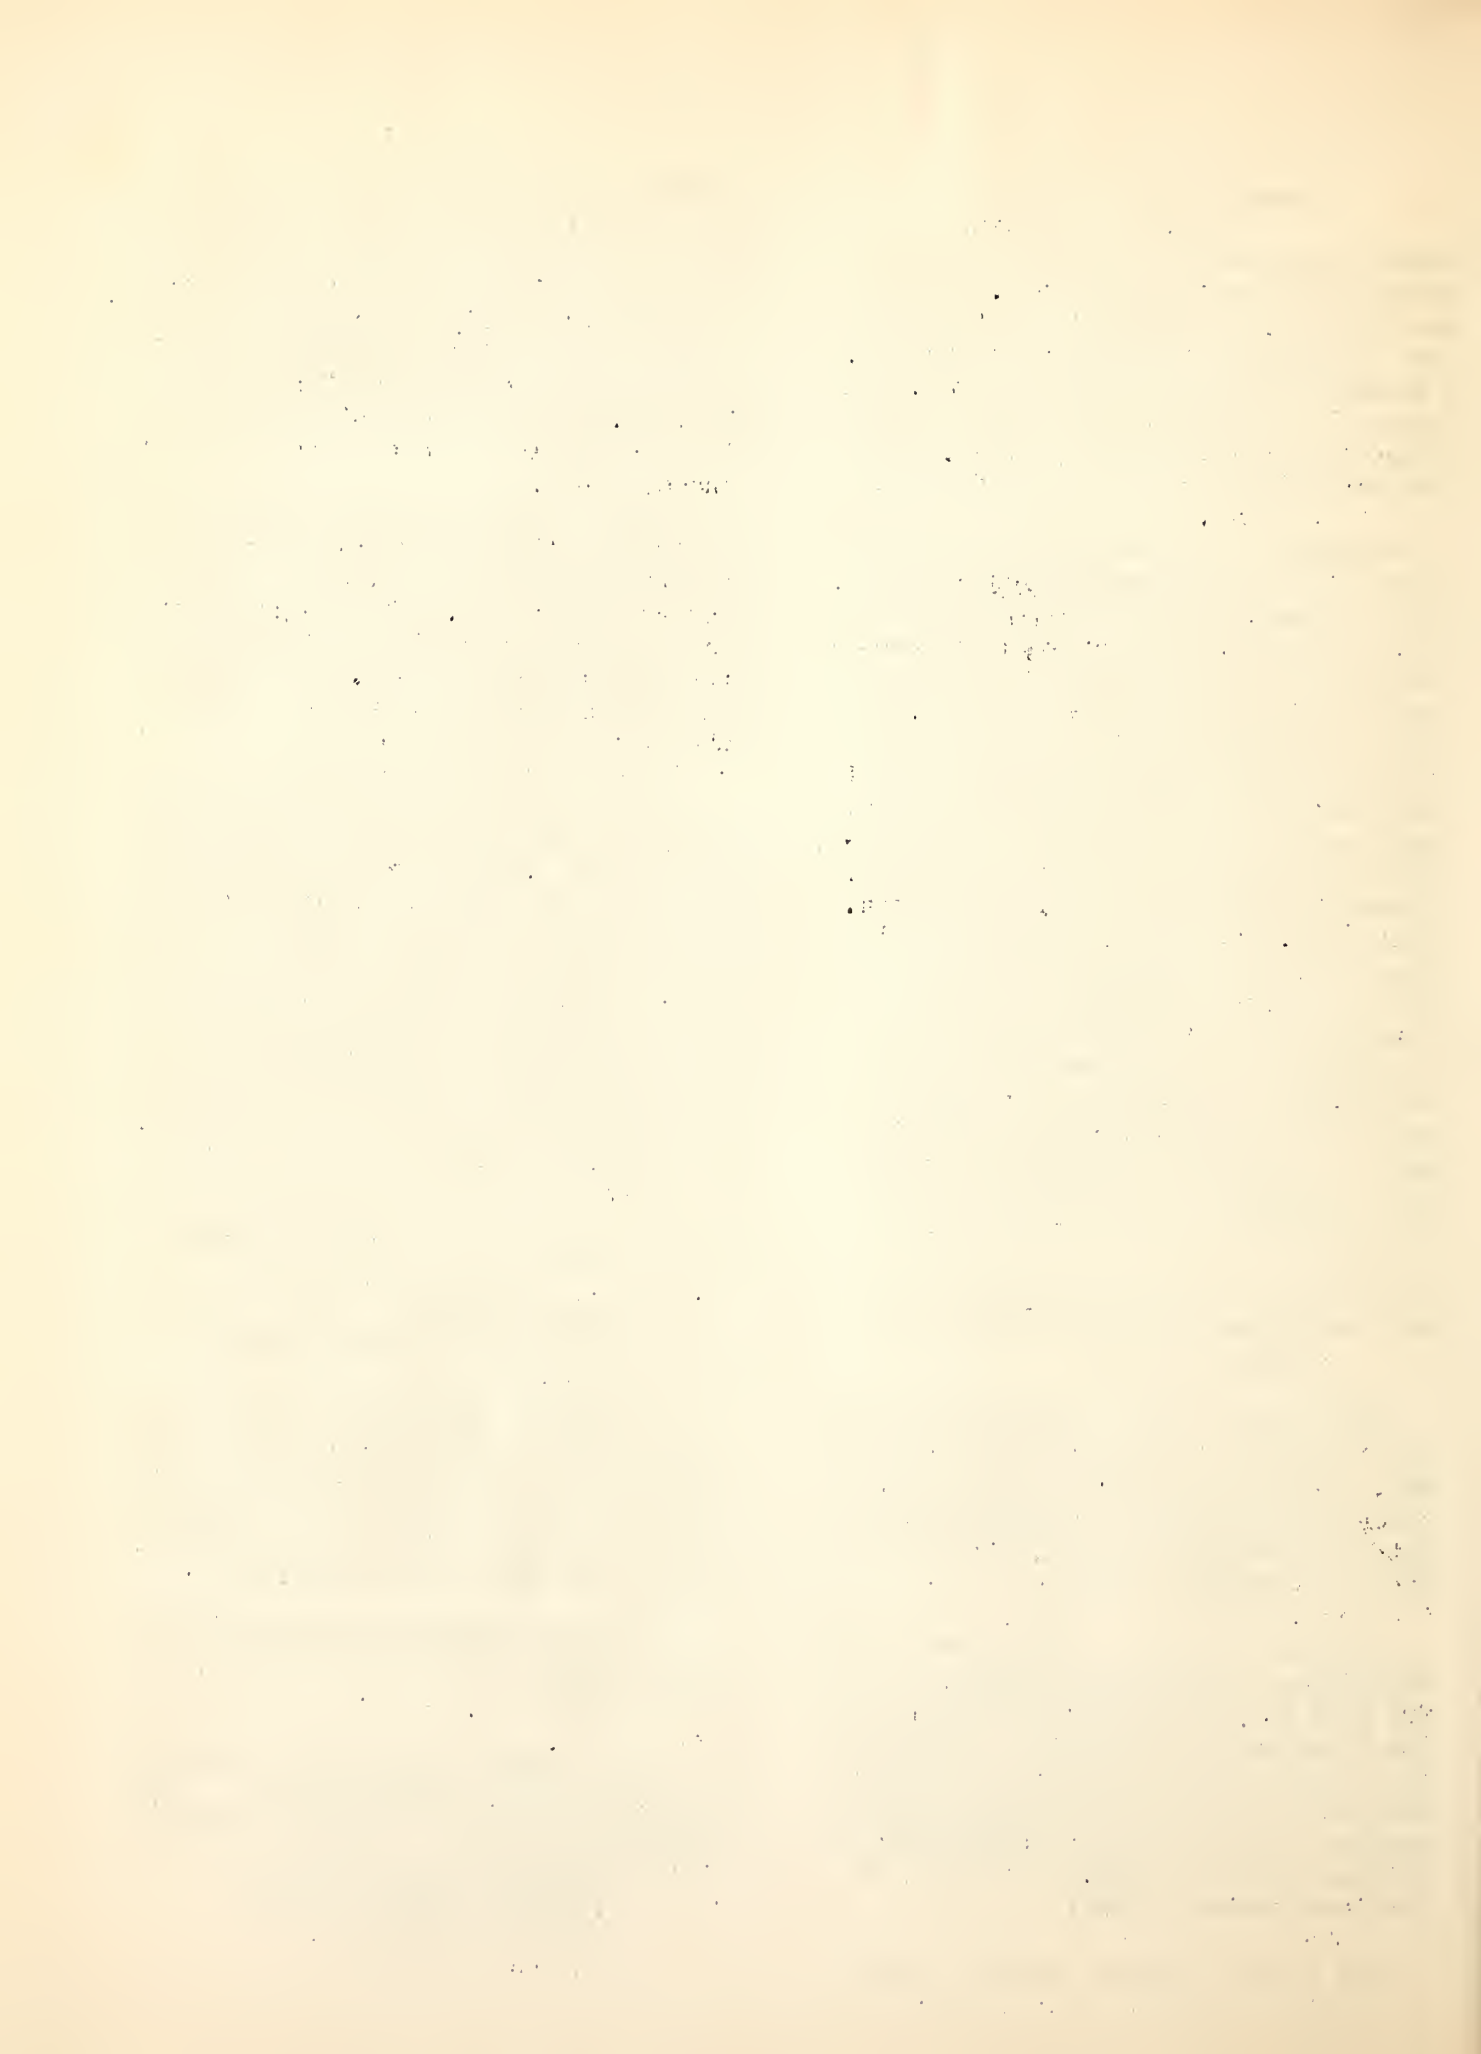

In a road contest, the Lynxes beat the Vergennes Tigers, 66-53.

The Tigers built up an 8-2 lead, in the first 3 minutes of play. The Lynxes tied the game at 10-10 as Mees sank 2 F.T.'s with 2:45 to play. Norman hit just before the quarter ended, and the Lynxes led 14-12.

The Lynxes increased their lead by 5 points, 31-24, at the end of the first half.

Coach Thate played his reserves throughout most of the third and fourth quarters, as the game was rather well in hand.

LEADING U. HIGH SCORERS:
Norman 20, Mees 11

Dec. 21--Lynxes Edge Gorham, 53-44

The Lynxes took the lead early and never relinquished it as they beat the Gorham Mustangs, 53-44.

The contest was a see-saw battle until Mees put the Lynxes ahead, 11-10, on 2 free throws near the end of the first quarter. Chaney's shot from the side gave the Lynxes a 5-point advantage, 15-10, at the end of the 1st quarter.

The Lynxes increased their lead to 8 points during the second quarter, 27-19. During the third period the Lynxes scored 16 points to the Mustangs 9, to lead by 15 points, 43-28.

The Lynxes were scoreless in the first 2 $\frac{1}{4}$ minutes of the final quarter; Mees scored the Lynxes' first points on a field goal. Although outscored 16-10 in the final period, the U. High team still came out on top, 53-44. Mees (12) and Bricker (12) were the Lynxes' leading scorers. Korando copied the game scoring honors with 18.

Dec. 18--Lynxes Wallop Elkville, 70-46

In a game which was hardly a contest mainly due to the Lynxes great first half shooting, (21 of 34 attempted F. G.'s-61.8%), the Elkville Bluebirds were beaten by the Lynxes at C'dale.

After the Bluebirds had opened the scoring, the Lynxes then dropped in 4 straight baskets to take the lead. The Lynxes were way out in front at the first quarter mark. Chaney was the Lynxes' big gun in the next period as he scored 10 of the Lynxes 24 points. The half-time score stood at 47-24.

The Lynxes scoring dropped off considerably in the second half as the Lynxes slowed the tempo and substituted freely after the first 5 minutes of the third quarter. Mees (21), Chaney (17), and Norman (13) led the Lynxes. Martie took honors for Elkville with 18 points.

Capt. Norman Leads Lynxes In Scoring

After the Lynxes first 10 games, The Lynxes' leading scorer is their Captain, Richard Norman, with 16.0 points per game. Norman also has the best free throw percentage, hitting 48 of 60 attempts for 80%.

U. High "B" Squad Has Won Four Of Its Last Five Games

The "B" squad, as well as the varsity, has played quite well during the last five games, winning 4 and losing only 1.

Gumm (13), Smith (12), D. Wright (11), and Bruinsma (9) led the Lynxes to a 60-41 rout over the Elkville Bluebirds Dec. 18. The win was the Lynx Cubs' first of the season.

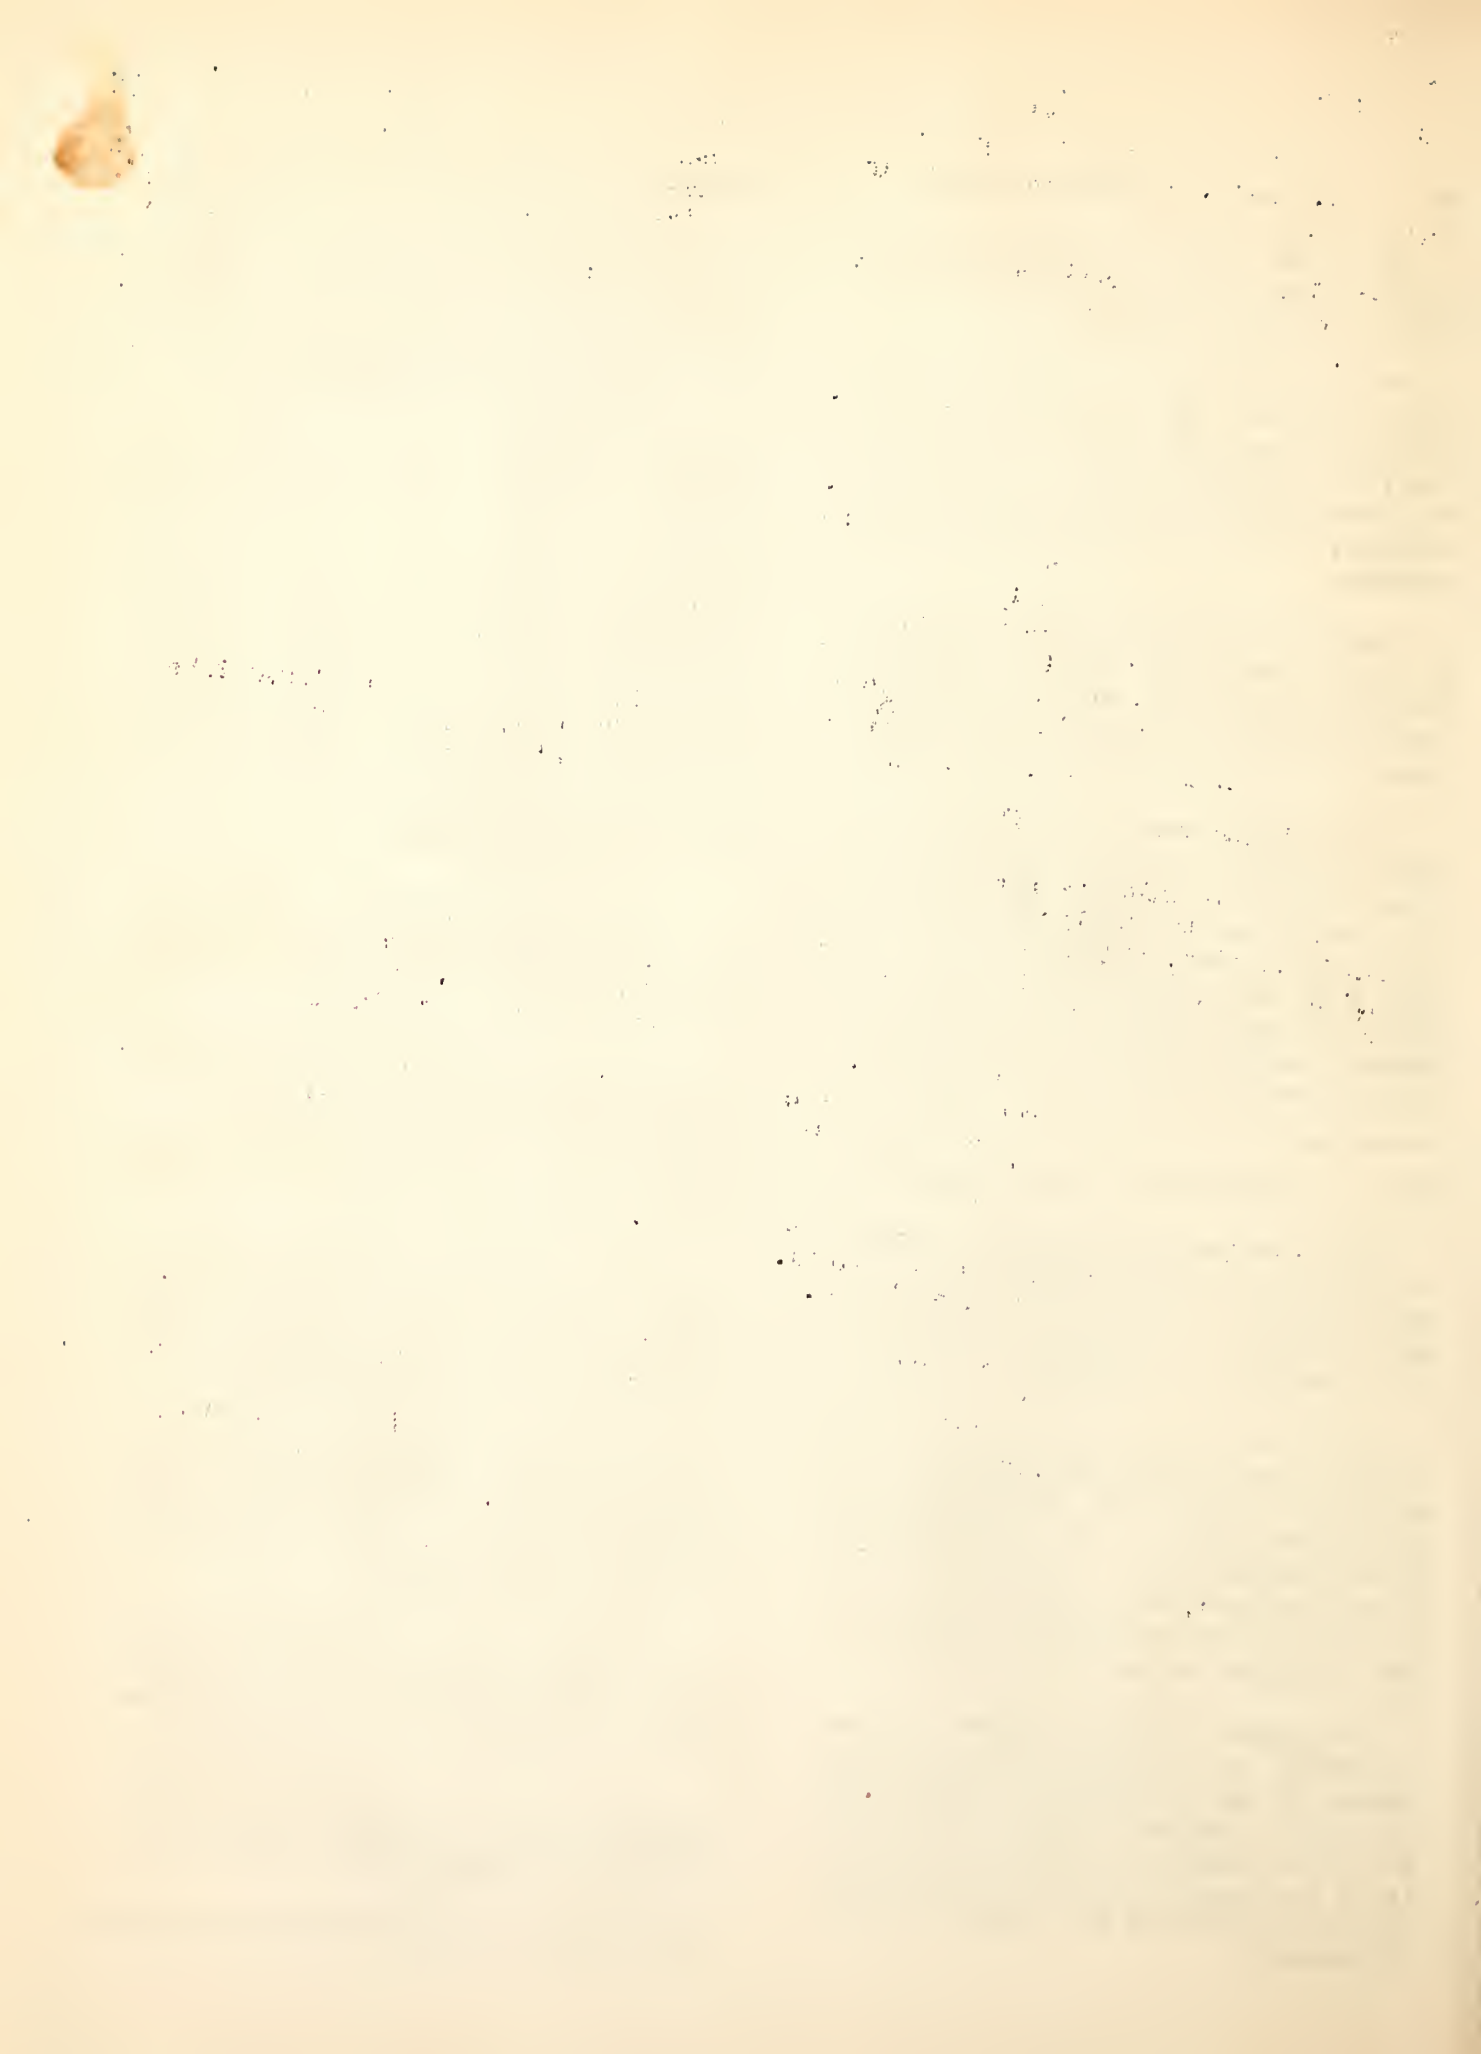

After leading most of the game, a bad final period, 4 points, for the Cubs gave the Gorham Mustangs a 33-30 victory Dec. 21. Reinhardt led the Lynxes in scoring with 10 pts.

The Cubs got back in the win column with a 39-23 triumph over the Vergennes Tigers. Gumm with 15 pts. and Smith with 9 points headed the U. High scoring column.

In another easy contest, and with every player seeing action, the Cubs took a 60-48 decision from the Vienna Eaglets. Etherton was top scorer, 12.

Reinhardt led the Cubs to a 48-39 decision over the H-B Hummers with 23 points. Gumm got 14.

COUNCIL CORNER

Your Council is adopting a new procedure for handling the lost and found articles.

The lost and found room, which is located near the drinking fountain across from the office, will be open from 9:00 to 10:00 a.m., 12:15 to 12:45 p.m., and 3:00 to 3:15 p.m.

If any articles are found, they should be taken to the room at these times. If this is inconvenient, there will be a box in the office, which will be labeled "lost and found." You must come to the lost and found room to claim articles, as the office will not handle the return of lost articles. With your help, the Council hopes to have the lost and found problem eliminated.

U. SCHOOL WINS HONORS AT S.I.U. SPEECH FESTIVAL

The SIU Speech Festival was held on January 19.

Wanda Sill, Susan Carbutt, and Linda Crawford received excellent ratings for verse reading. Bruce Bruinsma received excellent for after-dinner speaking, and Kent Brandon received superior for extempore speaking. Others who participated were Larry and Roger Withers, Linda Crandle, Rita Lou. Carson, and Nanette Cox.

DEDE LINGLE RECEIVES AWARD

Dede Lingle was elected to receive the D. A. R. Award from our school.

The Senior class nominated five senior girls for this honor. The final selection was made by the faculty.

Dede has been active in the Foreign Language Club for four years. She has also won honors in debate during her junior and senior years.

She will receive the award at a reception given by the John Rogers Chapter of the D. A. R. at Christopher.

DOROTHY KINSEY NAMED BETTY CROCKER HOMEMAKER

Congratulations to Dot Kinsey for winning the Betty Crocker award for University School. The contest is designed to further the dignity and prestige of the American Home and to stimulate an interest in the art of Homemaking.

The girls are tested on their knowledge of and attitudes toward homemaking. The test is sponsored by General Mills. Each school winner will receive an award pin. The girls' papers will then be entered in the State contest, and from these

WHAT'S NEW IN SHOW BUSINESS

U. School students demonstrated some of their talents yesterday when the Assembly Committee presented the Annual Variety Show.

For almost an hour, an appreciative audience enjoyed everything from "soup to nuts," including the Dance Band, the Junior Girls Quartet, a 7th-grade Girls Octet, Lovia Valentine's solo, and the 7th grade skit from the Jr. Hi Speech Workshop.

The latter half of the program included a quartet of Junior girls with Betty Young as soloist, Karla Faye and Pat's skit, Marilyn Borger's indian dance, Bob Wheeler's solo, and a modern dance group.

The program was ably Emceed by George Buys, and was directed by Dr. Buys.

During the program the Student Council members were installed in office by Dr. Mees.

winners a national winner will be named.

Dot has been active in F.H.A. during her four years at U. High. We wish her the best of luck in the state contest.

LYNX THINX

Do you use reference material from the library? If you do, have you ever looked for a particular magazine article and found a page or part of a page missing? Or have you started to use an encyclopedia and found the volume you wanted missing?

If you have, you may wonder why students would do such things. Is it thoughtlessness? When students clip out a coupon or cartoon, do they stop to think that they also clip out what is on the back of it. This makes the magazine incomplete, and articles listed in the Readers Guide may be missing.

Could it be laziness? By looking through our encyclopedias, it would appear that some students would rather snip out a page or take the whole volume than to copy the material they want.

Possibly students do not realize that they are defacing STATE property when they tear or cut a page from a magazine. This could result in their expulsion from school. If you must cut on something, use the magazines which are not indexed in the Readers Guide. A little cooperation from everyone will reduce the damage to nothing. It is not easy to obtain back issues of these magazines. PLEASE DO YOUR PART TO KEEP OUR LIBRARY FILES COMPLETE!

Merry-go Round

Why all the long faces? Report Cards! What else?Talent assembly was best in several years, good audience participation!....Have you noticed any new faces around school here lately? Well the boys seem to be interested in Juanita Bobbish!....Lynxes played a good game....Does Mr. America approve of the wrestling unit in 2:00 P.E.?....Don't miss the swim show, May 17-18. It will be a two night performance this year so everyone will be sure to get to see it....Say Bill Chaney, next Monday has come and gone...Hello to Miss Carey! We were sure glad to see her. Hope she will come again sometime real soon....Only eight more basketball games before the tournament. Let's all try to support our team....Welcome back to Jim Sappenfield, it's nice to see his shinning face around the school again!....Why all the little bumps on the arms? I've seen a lot of them here lately!....Remember, only 278 more shopping days until Christmas!....Good luck to a mid-term graduate, Mary Ann Rushing....Congratulations to Dede Lingle and Dorothy Kinsey!....Look out Bob here comes Mrs. Francis!

SIU DEBATE MEET HERE

The SIU Debate Meet was held January 26, 1957. Our teams had an excellent overall showing, with 6 of 9 students receiving awards of excellence.

Winkie Lewis and Mike Morris won 2 of 4 debates, and received team and individual ratings of excellent. Dede Lingle and Kent Brandon won 3 of 4 debates, and also received excellent.

Tom Goetz and Dick Randle lost 1 debate; Mike Wilson and Dick won 2 of 3, each receiving excellent ratings. Gary Crews and Larry Withers lost 4 debates; they had just been teamed together.

This was a very good showing, and we hope that they do just as well at the next meet in St. Louis, on Feb. 9.

SWIM SHOW ORGANIZED

The Synchronized Swim Club met at Miss Roos' house last Saturday, January 26, to make the first plans for the swim show to be held in May. There were several present, other than members, who are volunteering to help with costuming, lighting, set designing, publicity, and so on.

At the meeting the general plans were discussed by everyone. Bob Wheeler was elected as producer and Miss Roos will direct the swimming. The committees and their chairmen were also appointed.

The theme of the show is "Fantasyland." All but one of the thirteen numbers will be taken from Walt Disney productions such as Cinderella, Snow White, Song of the South, etc.

BRAIN TEASER

Rodney Brod, our freshman genius etc., has come up with the correct answer to last week's Brain Teaser. Rod gave two answers, both of which were correct. They are 45, whose square is 2025, and 99, whose square is 9801.

This week's Brain Teaser is: "A brick weighs six pounds plus half a brick. What is the weight of the brick?"

Did you notice all of the looks the girls from Mt. Vernon received Friday night? You will have to invite them down more often, Pat. And afterwards that was a long chase, wasn't it, girls?

How come Dobbie's lips were all red? Hasn't he heard of Kleenex?

It seems Dick R. has taken on another interest. At least it appeared that way Friday night.

Are those coke bottles you've been playing with Richard?

It looks like George B. is certainly giving Bonnie Danby a "hearty!" welcome---especially in Geometry class!

Hey Mr. Wyllie, whom did you have in mind when you put those valentines on the bulletin board?

Look out for those wild Driver Training students!! Especially Linda C. and Mary W., who find tree climbing in a car great sport.

Attention Mr. Wyllie! Will you please keep B.J.W. in Bookkeeping Class, or transfer him to Shorthand?

THE SCOREBOARD

LYNXES TROUNCED BY ELKVILLE, 66-56

Inaccuracy from the field plagued the Lynxes again for 3 quarters as they were beaten by the Elkhville Bluebirds, 66-56, last night in a road contest.

The score was tied at 4-4 with about 5 minutes to play, but Cochran and Martie pulled the Bluebirds out in front with good shooting. The Lynxes were behind, 13-8, at the quarter mark.

The Lynxes pulled themselves together in the first part of the second period, and took the lead, 16-15, as Chaney dropped in 2 free throws with about 4 minutes to play in the quarter. With 3:30 remaining, the Lynxes still led, 19-17, but the Bluebirds scored 10 straight pts. to lead at the half, 27-21.

While the Lynxes were fumbling around trying to put the ball through the hoop, the Bluebirds were putting the points in twice as fast as the Lynxes. Chaney and Norman were the only Lynx players that entered the scoring column in the third period. Norman scored 5 of the Lynxes 7 points. The Bluebirds held a substantial lead of 41-28 at the end of the third quarter.

With the Lynxes pressing most of the final period, they dropped in 28 points, but their defense fell apart as the Bluebirds had a good quarter also, in getting 25 points. A little over half the Bluebirds points came on free throws as they hit on 13 of 18 shots. The 66 points scored by the Bluebirds are the most that an opponent has scored against the Lynxes this year. Jerry Martie and Lynn Cochran led the Bluebirds with 17 and 18 points respectively. Mees was high for U. High with 15.

In the preliminary, the Lynx Cubs won their 6th game in their last 8 starts, 52-36. Paul Smith was the Lynxes big gun for the second straight game with 17 points.

U. High Scoring: Mees 15, Bricker 11, Norman 10, Brandon 9, Chaney 8, Reinhardt 2, Medlin 1.

A-J INVITATIONAL TOURNAMENT--Lynxes Take Fourth Place

At the 2nd annual Anna-Jonesboro Invitational Tournament, the Lynxes won 4th place. The Lynxes got off to a good start as they racked up an 82-55 first round win over the Shawnee Red Skins.

The Lynxes got off to a slow start and trailed 15-14 as Jack Smiddy sank 2 FT's before the first quarter ended. Mees and Norman led the Lynxes in a 22 point scoring spree as each tallied 8 points in the second period to put the Lynxes ahead at halftime, 36-29.

The Lynxes really caught fire in the 3rd period as they pumped 12 field goals and 4 free throws through the hoop for 28 points, while the Red Skins were held to 15 points. The Lynxes continued to score at a pretty good clip in the final period (18 points) to rack up a total of 82 points. Since the 1949-50 season, the Lynxes have topped this number only once. On January 22, 1954, the Lynxes beat Tamaroa, 90-60.

A well balanced scoring attack against the Red Skins was the major factor in the large point production by the Lynxes. The game for Bricker and Reinhardt was probably their best game of the season, as both scored 12 points. George played exceptionally well under the boards.

In the semi-finals the next night, the Lynxes were beaten by the Anna-Jonesboro Wildcats, 60-47. With Norman scoring 8 points, the Lynxes held a slim lead 14-13 at the end of the first quarter. The Wildcats immediately took the lead in the opening minutes of the 2nd quarter. With Bill Pitts chipping in 10 pts., the Wildcats held a commanding lead at the half, 34-23.

The Wildcats increased their lead to 46-31 in the third period. The 2 teams scoring in the final period was about the same, but the Wildcats had the game well in hand. Pitts finished the game with 27 points, which was the highest individual scoring performance of the tournament.

(Next page-col. I-"Anna Tourney")

"Anna Tourney"

The final night of the tourney, the Lynxes were beaten by a tough Carbondale Attucks team, 56-39. Again, as in the night before, the Lynxes stayed close to the Bluebirds in the first quarter and trailed by only 2 points, 10-8, at the end of the period. The Bluebirds pulled away a little more in the 2nd period to lead by a 22-16 score at half-time.

With only 2:10 to play in the third period, the Lynxes were still in the contest, as they trailed by only five points, 32-27, but Attucks dropped in 7 points before the quarter ended, to lead 29-27. With the Lynxes simply out-classed, they could not catch the Bluebirds. Reynolds was Attucks' big gun with 21 points. Norman was the Lynxes leading scorer for the tourney, with a total of 49 points in 3 games.

LYNXES TRIM COBDEN, 61-49

The Lynxes won their 5th straight home tilt of the season over the Cobden Appleknockers, 61-49, January 24. Bill Chaney played his best game of the year as he scored 16 points and had a foul-less night--for the first time this season.

With the Lynxes trailing and 5:15 showing on the clock, Chaney put the Lynxes out in front to stay, as he popped in 3 straight jump shots within 1 minute and 15 seconds of play. Near the end of the quarter the Lynxes dropped in 3 straight once again to lead 18-10. The Lynxes still held their 8 point lead at the end of the period, 24-18. The second quarter was a low scoring period as each team bagged only 6 points. The halftime score stood at 30-22.

The Lynxes cracked the game wide open in the first 2 minutes and 15 seconds of the third quarter as they scored 10 pts. Norman got 2 baskets, Mees 2 layins, and Chaney a 15-footer during the spree. Cobden settled down and scored 12 points in the final 4 minutes of the quarter. The Lynxes lead at the third period was by 13 points, 48-35.

Once again in the early minutes of the quarter, the Lynxes went on a scor-

ing spree as they dropped in 7 straight points. Yates then sank 2 free shots, but Reinhardt and Norman hit from about 15 feet to give the Lynxes a 22 point advantage, 59-37, with 4:15 to play. The two teams exchanged baskets in the next 2½ minutes. Then, with 1:30 remaining and the Lynxes leading, 65-45, Coach Thate sent in his reserves to finish the game. A 15 footer and 2 free throws by Jim Gumm and a jump shot from 23 feet by Jim Medlin just as the final horn sounded climaxed the U. High scoring.

The Lynxes "B" squad won their 5th game in their last 7 starts, 62-51. Paul Smith and Bruce Bruinsma led in individual scoring for the Lynxes with 17 and 16 points respectively.

U. HIGH SCORING: Chaney 16, Norman 16, Mees 15, Bricker 6, Brandon 6, Reinhardt 4, Gumm 4, Medlin 2, Hand 2.

LYNXES WALLOPED BY STEELEVILLE, 63-43

In a game that was hardly a contest (for a number of reasons) after the first quarter, The Lynxes were beaten by the Steeleville Warriors, 63-43, Jan. 22.

The Lynxes played pretty good ball the first quarter as the score stood at 16-16 at the end of the quarter, but they seemed to fall apart in the 2nd and 3rd periods as they scored only 11 points in the 2 periods. The Lynxes fourth period production matched their first quarter in scoring. U. High Scoring: Mees 14, Reinhardt 4, Norman 8, Bricker 7, Brandon 6, Chaney 4. Wolters was the Warriors leading scorer with 25 points.

U. High	16	6	5	16----	43
Steeleville	16	20	12	15----	63

B Squad Score: Steeleville 38, U. High 37

----- Jr. High Notes

The Jr. Hi Lynxes now have a 5-4 record for the season with one game remaining, which is tomorrow night against Dowell. Since the Christmas vacation, the Lynxes have won 2 and lost 2. The wins were against St. Andrews and Vergennes. The losses were at the hands of Gorham and De Soto.

BRAIN TEASER

Rodney Brod, our freshman genius etc., has come up with the correct answer to last week's Brain Teaser. Rod gave two answers, both of which were correct. They are 45, whose square is 2025, and 99, whose square is 9801.

This week's Brain Teaser is: "A brick weighs six pounds plus half a brick. What is the weight of the brick?"

AN OPEN LETTER TO THE 2:00 GIRLS P. E. CLASS

Is our face red? Girls we apologize!! Because our sponsor didn't check the information(as she is always telling us to do), we inadvertently recorded the volleyball game as a victory for the 8:00 class. We are sorry, and hereby announce publicly that the victory was copped by the 2:00 class!

NOTICE!

For all you lovers of big words, and also to satisfy your minds, we wish to advise that a "Xanthacroid" is nothing more than a fair complexion! Now don't you wish you had known that sooner?

U. SCHOOL CONCERT THURS.

University School will present the second concert of this year on Thursday, January 31, at 7:00 p.m.

The concert will feature vocal numbers by the fourth and sixth grades directed by Mrs. Sims.

The instrumental portion of the program will include numbers by the Orchestra, directed by Mr. Wharton; the Junior Band, directed by Mr. Wittlich; the Senior Band, directed by Mr. Paterson; and the Dance Band.

What happened to Miss Shryock? Was it not enough sleep or too much smoke?

Did you notice all of the looks the girls from Mt. Vernon received Friday night? You will have to invite them down more often, Pat. And afterwards that was a long chase, wasn't it, girls?

How come Dobbie's lips were all red? Hasn't he heard of Kleenex?

It seems Dick R. has taken on another interest. At least it appeared that way Friday night.

Are those coke bottles you've been playing with Richard?

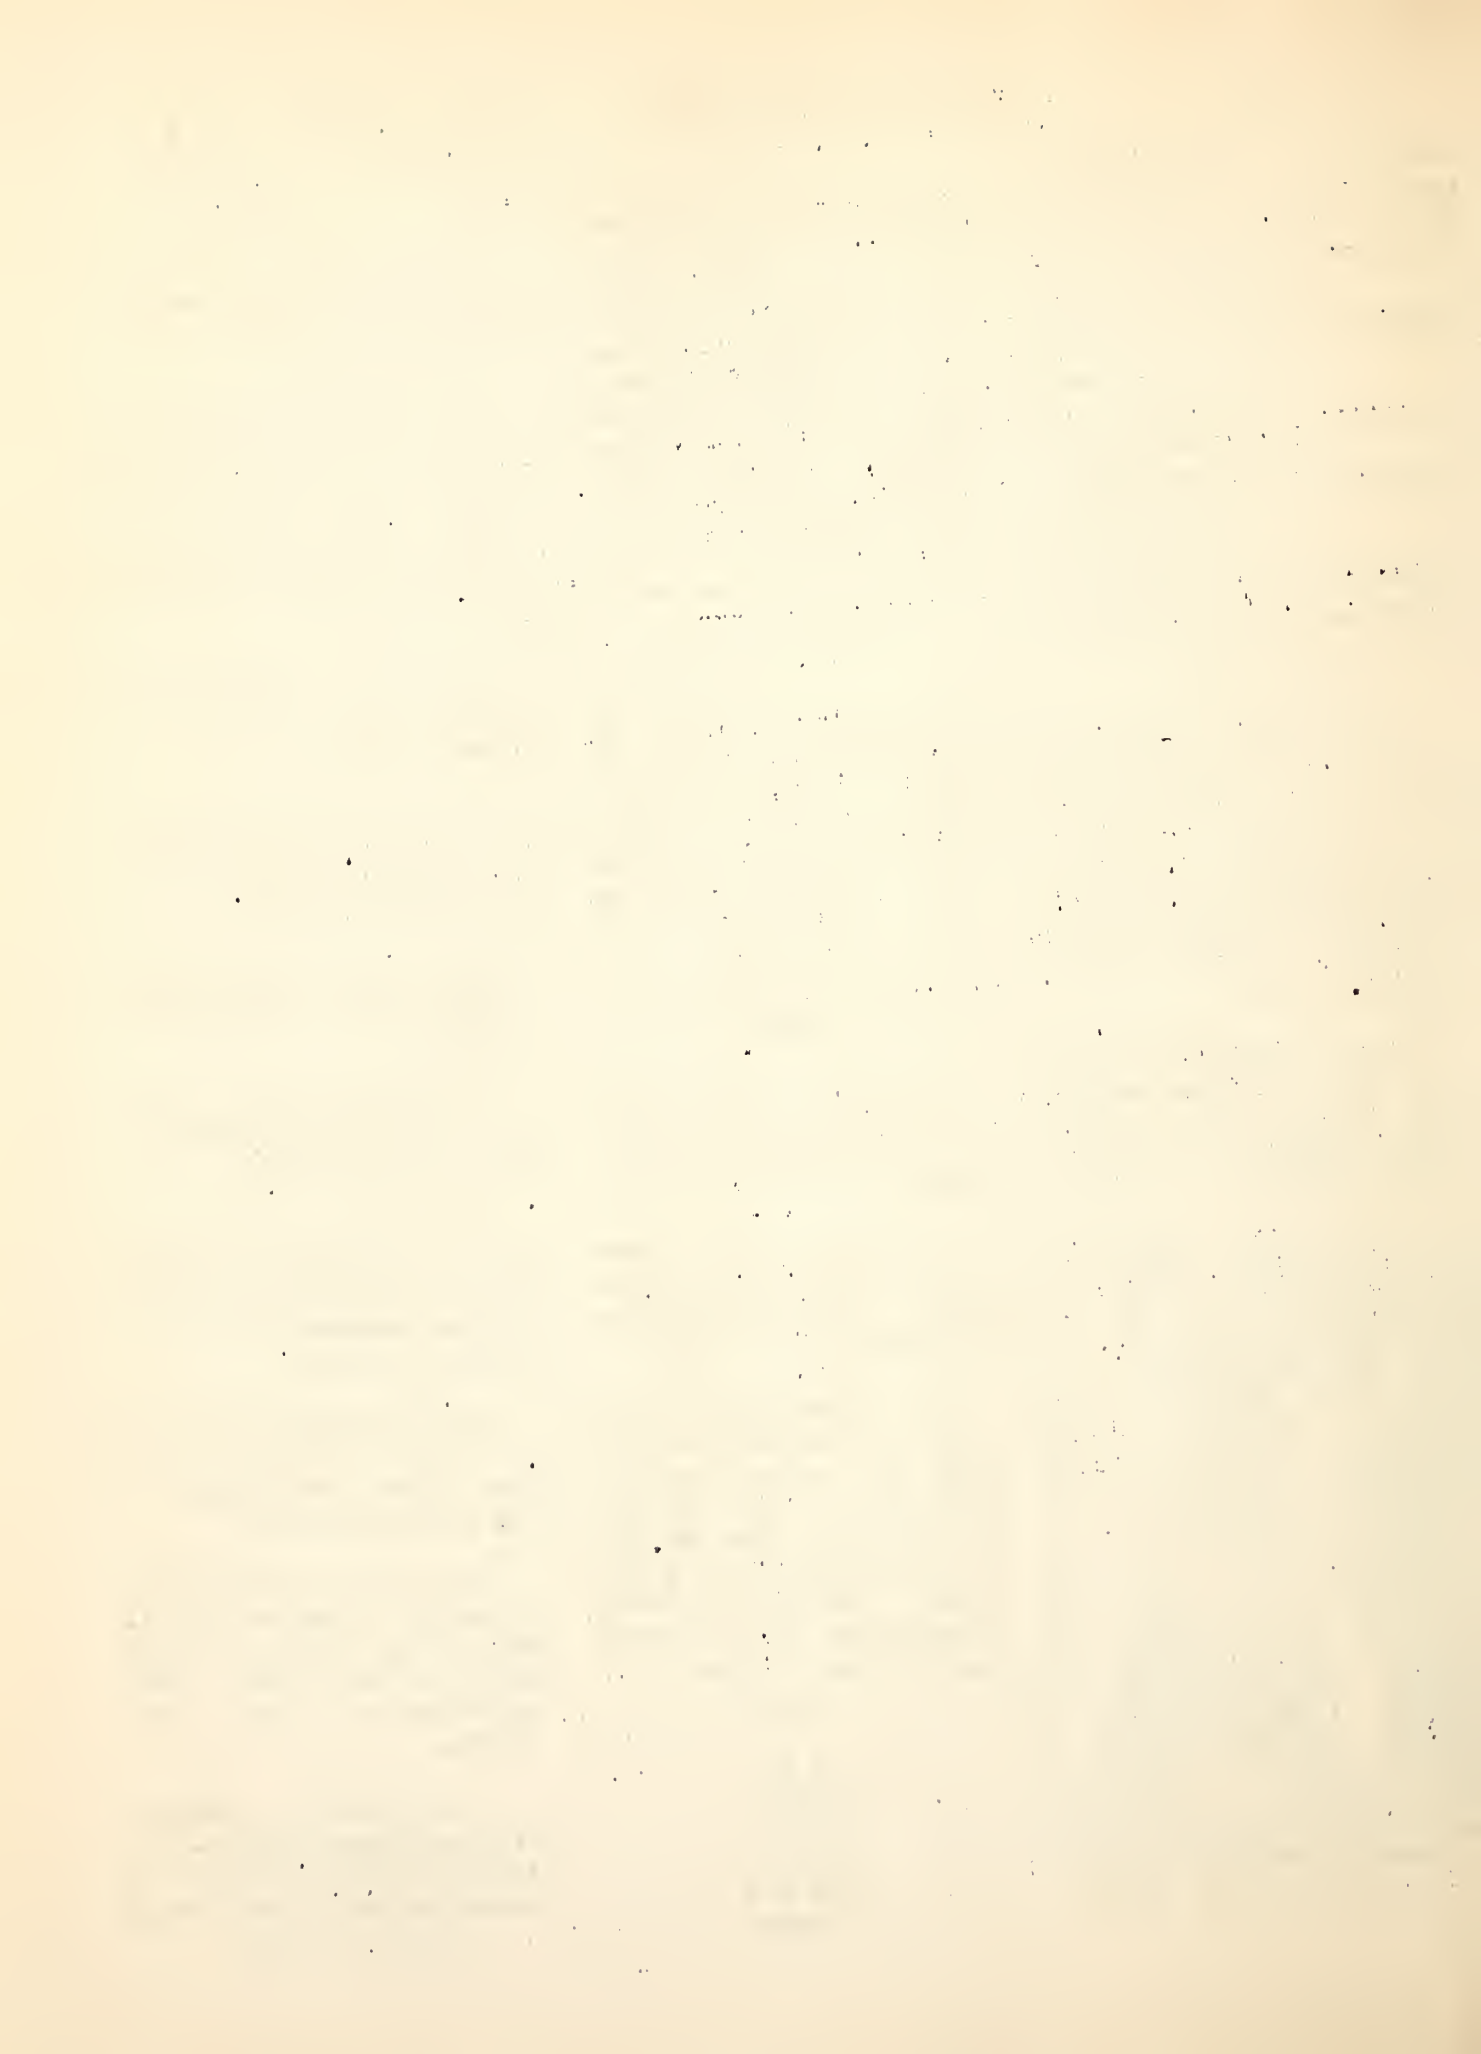

"John White has a mania for holding hands lately," says Mrs. Francis.

It looks like George B. is certainly giving Bonnie Danby a "hearty!" welcome---especially in Geometry class!

Hey Mr. Wyllie, whom did you have in mind when you put those valentines on the bulletin board?

Look out for those wild Driver Training students!! Especially Linda C. and Mary W., who find tree climbing in a car great sport.

Attention Mr. Wyllie! Will you please keep B.J.W. in Bookkeeping Class, or transfer him to Shorthand?

THE SCOREBOARD

LYNXES TROUNCED BY ELKVILLE, 66-56

Inaccuracy from the field plagued the Lynxes again for 3 quarters as they were beaten by the Elkville Bluebirds, 66-56, last night in a road contest.

The score was tied at 4-4 with about 5 minutes to play, but Cochran and Martie pulled the Bluebirds out in front with good shooting. The Lynxes were behind, 13-8, at the quarter mark.

The Lynxes pulled themselves together in the first part of the second period, and took the lead, 16-15, as Chaney dropped in 2 free throws with about 4 minutes to play in the quarter. With 3:30 remaining, the Lynxes still led, 19-17, but the Bluebirds scored 10 straight pts. to lead at the half, 27-21.

While the Lynxes were fumbling around trying to put the ball through the hoop, the Bluebirds were putting the points in twice as fast as the Lynxes. Chaney and Norman were the only Lynx players that entered the scoring column in the third period. Norman scored 5 of the Lynxes 7 points. The Bluebirds held a substantial lead of 41-28 at the end of the third quarter.

With the Lynxes pressing most of the final period, they dropped in 28 points, but their defense fell apart as the Bluebirds had a good quarter also, in getting 25 points. A little over half the Bluebirds points came on free throws as they hit on 13 of 18 shots. The 66 points scored by the Bluebirds are the most that an opponent has scored against the Lynxes this year. Jerry Martie and Lynn Cochran led the Bluebirds with 17 and 18 points respectively. Mees was high for U. High with 15.

In the preliminary, the Lynx Cubs won their 6th game in their last 8 starts, 52-36. Paul Smith was the Lynxes big gun for the second straight game with 17 points.

U. High Scoring: Mees 15, Bricker 11, Norman 10, Brandon 9, Chaney 8, Reinhardt 2, Medlin 1.

A-J INVITATIONAL TOURNAMENT--Lynxes Take Fourth Place

At the 2nd annual Anna-Jonesboro Invitational Tournament, the Lynxes won 4th place. The Lynxes got off to a good start as they racked up an 82-55 first round win over the Shawnee Red Skins.

The Lynxes got off to a slow start and trailed 15-14 as Jack Smiddy sank 2 FT's before the first quarter ended. Mees and Norman led the Lynxes in a 22 point scoring spree as each tallied 8 points in the second period to put the Lynxes ahead at halftime, 36-29.

The Lynxes really caught fire in the 3rd period as they pumped 12 field goals and 4 free throws through the hoop for 28 points, while the Red Skins were held to 15 points. The Lynxes continued to score at a pretty good clip in the final period (18 points) to rack up a total of 82 points. Since the 1949-50 season, the Lynxes have topped this number only once. On January 22, 1954, the Lynxes beat Tamaroa, 90-60.

A well balanced scoring attack against the Red Skins was the major factor in the large point production by the Lynxes. The game for Bricker and Reinhardt was probably their best game of the season, as both scored 12 points. George played exceptionally well under the boards.

In the semi-finals the next night, the Lynxes were beaten by the Anna-Jonesboro Wildcats, 60-47. With Norman scoring 8 points, the Lynxes held a slim lead 14-13 at the end of the first quarter. The Wildcats immediately took the lead in the opening minutes of the 2nd quarter. With Bill Pitts chipping in 10 pts., the Wildcats held a commanding lead at the half, 34-23.

The Wildcats increased their lead to 46-31 in the third period. The 2 teams scoring in the final period was about the same, but the Wildcats had the game well in hand. Pitts finished the game with 27 points, which was the highest individual scoring performance of the tournament.

(Next page-col. I-"Anna Tourney")

"Anna Tourney"

The final night of the tourney, the Lynxes were beaten by a tough Carbondale Attucks team, 56-39. Again, as in the night before, the Lynxes stayed close to the Bluebirds in the first quarter and trailed by only 2 points, 10-8, at the end of the period. The Bluebirds pulled away a little more in the 2nd period to lead by a 22-16 score at half-time.

With only 2:10 to play in the third period, the Lynxes were still in the contest, as they trailed by only five points, 32-27, but Attucks dropped in 7 points before the quarter ended, to lead 29-27. With the Lynxes simply out-classed, they could not catch the Bluebirds. Reynolds was Attucks' big gun with 21 points. Norman was the Lynxes leading scorer for the tourney, with a total of 49 points in 3 games.

LYNXES TRIM COBDEN, 61-49

The Lynxes won their 5th straight home tilt of the season over the Cobden Appleknockers, 61-49, January 24. Bill Chaney played his best game of the year as he scored 16 points and had a foul-less night--for the first time this season.

With the Lynxes trailing and 5:15 showing on the clock, Chaney put the Lynxes out in front to stay, as he popped in 3 straight jump shots within 1 minute and 15 seconds of play. Near the end of the quarter the Lynxes dropped in 3 straight once again to lead 18-10. The Lynxes still held their 8 point lead at the end of the period, 24-18. The second quarter was a low scoring period as each team bagged only 6 points. The halftime score stood at 30-22.

The Lynxes cracked the game wide open in the first 2 minutes and 15 seconds of the third quarter as they scored 10 pts. Norman got 2 baskets, Mees 2 layins, and Chaney a 15-footer during the spree. Cobden settled down and scored 12 points in the final 4 minutes of the quarter. The Lynxes lead at the third period was by 13 points, 48-35.

Once again in the early minutes of the quarter, the Lynxes went on a scor-

ing spree as they dropped in 7 straight points. Yates then sank 2 free shots, but Reinhardt and Norman hit from about 15 feet to give the Lynxes a 22 point advantage, 59-37, with 4:15 to play. The two teams exchanged baskets in the next $2\frac{1}{2}$ minutes. Then, with 1:30 remaining and the Lynxes leading, 65-45, Coach Tate sent in his reserves to finish the game. A 15 footer and 2 free throws by Jim Gumm and a jump shot from 23 feet by Jim Medlin just as the final horn sounded climaxed the U. High scoring.

The Lynxes "B" squad won their 5th game in their last 7 starts, 62-51. Paul Smith and Bruce Bruinsma led in individual scoring for the Lynxes with 17 and 16 points respectively.

U. HIGH SCORING: Chaney 16, Norman 16, Mees 15, Bricker 6, Brandon 6, Reinhardt 4, Gumm 4, Medlin 2, Hand 2.

LYNXES WALLOPED BY STEELEVILLE, 63-43

In a game that was hardly a contest (for a number of reasons) after the first quarter, The Lynxes were beaten by the Steeleville Warriors, 63-43, Jan. 22.

The Lynxes played pretty good ball the first quarter as the score stood at 16-16 at the end of the quarter, but they seemed to fall apart in the 2nd and 3rd periods as they scored only 11 points in the 2 periods. The Lynxes fourth period production matched their first quarter in scoring. U. High Scoring: Mees 14, Reinhardt 4, Norman 8, Bricker 7, Brandon 6, Chaney 4. Wolters was the Warriors leading scorer with 25 points.

U. High	16	6	5	16----	43
Steeleville	16	20	12	15----	63

B Squad Score: Steeleville 38, U. High 37

Jr. High Notes

The Jr. Hi Lynxes now have a 5-4 record for the season with one game remaining, which is tomorrow night against Dowell. Since the Christmas vacation, the Lynxes have won 2 and lost 2. The wins were against St. Andrews and Vergennes. The losses were at the hands of Gorham and De Soto.

Saturday evening after the basketball game Mr. Smith, the Council sponsor, entertained the Council members at his home. We were served hamburgers with all of the trimmings, potato chips, soft drinks, and chocolate cake. After refreshments we had a very interesting discussion about the yellow cadillac convertible. If you have not yet heard about the YELLOW CADILLAC CONVERTIBLE see one of the Council members.

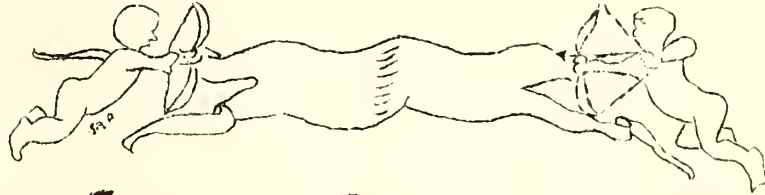

The Council wishes to thank Mr. Smith and his wife for the fine time enjoyed by all.

NEW MAGAZINES IN THE LIBRARY

Last spring several persons expressed a desire to have the magazine YOUNG MEN added to the Library's collection. This magazine can now be seen on the Browsing Shelves under its new title AMERICAN MODELER.

The Library has a little money to spend on new magazines and would appreciate suggestions from the students. The Library is allowed to purchase only those magazines which comply with library standards. Sorry, we can't buy PLAYBOY!

TOO BAD!!

who done it?

The custom of exchanging valentines on February 14 has been going on for nearly three centuries. The story says that Father Valentine was a young Italian priest who made a practice of often sending cheery little notes or messages to his friends and loved ones. Roman soldiers discovered that he was a Christian, and he was thrown into prison. Even there, however, he continued cheerful messages to his friends by means of a pet dove who carried the inscriptions back and forth. When the young priest was finally executed by the Romans, the custom of sending valentines on the date of his death was begun in his memory.

Actually there is little, if any, truth in this story. As far as can be learned, St. Valentine had little to do with the day named in his honor. The custom of sending valentines and choosing sweethearts on this day had its origin in the medieval European belief that birds wooed and chose their mates about this time. In olden days the customs of the day were taken quite seriously by young men and women. People believed that the first person of the opposite sex one met on that day was to be his "valentine" for the year, perhaps for life. As one young damsel wrote in 1754, "I lay abed and shut my eyes for all the morning till he came to our house, for I would not have seen another man before him for all the world."

Sometimes the young people held a lottery on Saint Valentine's Eve. The names of the girls were put in a box and drawn at random by the young men. Then they would exchange gifts and each would be the other's "valentine" for the year.

Although the association of this day with the saint is accidental, Saint Valentine had come to be regarded as the patron saint of lovers.

HAPPY VALENTINES DAY!!

FOREIGN LANGUAGE CLUB TO HOLD VALENTINE PARTY

Members of the Spanish classes are in charge of the foreign language club valentine party on Wed., February 13, in the Rec. Room.

The first part of the evening will be spent in a contest to see which four people in the room can make the most elegant valentine. John Bauernfeind, Dick Fulkerson, and Charles Hartwig will serve as judges. Each winner of the contest will receive a prize. Charles Reinhardt will serve as Master of Ceremonies.

Four beautiful pinatas filled with a variety of goodies will be broken as the highlight of the party. Committees from the Spanish I class designed and made the pinatas.

Roman punch will be served.

JUNIOR HIGH VALENTINE PARTY

The Junior High will hold a party on Valentine's Day from 7:00 p.m. to 9:00 p.m. Committees have been appointed to plan the party. Games will be played in keeping with the valentine season and there will also be dancing. Refreshments will be served.

GAA-FHA HAT DANCE PLANS UNDERWAY

Get yourself a date and a fancy hat, and come to the GAA-FHA Hat Dance Friday, March 1, in the gym.

The joint publicity committee has announced the final plans for the dance, which is an annual affair, sponsored jointly by the FHA and GAA. The dance will be held from 7:00 to 12:00 p.m. in the school gym, on Friday, March 1. The admission is \$1.00 per couple and 50¢ stag. Each girl must wear a fancy hat, or at least a hat, and boys may wear one. It is hoped that each person makes his own hat. Prizes will be given for the prettiest, most original, etc.

Boys may invite girls, or girls may invite boys, but one member of the couple must be a student of University School. Music will be furnished by Keith Pierce at the organ.

bit one-sided doesn't it, but you never know just how much life the faculty may have left, so this is your opportunity to see.

Students have been assigned to six teams, each team consisting of both boys and girls. The two faculty teams will each play three different student teams. Two games will be played simultaneously in the gym. An All-Star Team will be selected from the student teams and will play the entire faculty in the finale. The proceeds are for the March of Dimes, and the game is being sponsored by the Student Council. Bring your dimes and see the fun.

IMPORTANT CONTEST

During the rush to put our this edition, we made many errors. In order to hide our blushing faces and partly excuse these errors, we are running a contest!!

Yes, we are running a contest to see who can find the most goofs. Anyone in grades 7-12 is eligible to enter.

Here are the rules:

1. Any misspelled words can be counted.
2. Incomplete sentences can be counted except in the Spyglass.
3. Crowding of lines to fit the margins cannot be counted.
4. Grammatical errors can be counted.
5. Sorry, but you can't count two errors in one word even though there are probably hundreds.
6. All staff members and their immediate families are not eligible.

All entries must be turned in to Mrs. Francis or Bob Wheeler by 3:00 p.m. on Friday, February 15.

BRAIN TEASER

A batsman, by name
Clutterbuck,
Squared his total of runs,
just for luck,
Then subtracted his score,
took off 156 more,
And found the result was a
duck.

(Hint: A duck is an
English term meaning zero.)

OPINIONS

Just a few more lines
from your editor. I wish
you would think about the
points listed below. If
the shoe fits, wear it!

In the first place I
don't think it is right
that some of our students
should treat the student
teachers as rough as they
do. This theory (which I
have heard many times) is
no excuse. "After they've
been through us, they can
handle any situation." So
what!!

Also, I hear that petty
theivery is becoming quite
the sport around the
school. It seems that sev-
eral pens and pencils were
stolen from the Lost and
Found. Also, that food
sold at noon isn't free!!

LYNX THINX

Dear Editor:

I am writing this letter after seeing the Lynxes defeated at Elkville by 10 points. About 22 University High fans were there, plus five cheerleaders and some parents and faculty members. The other 80 or 90 percent of the students at U. High either have never cared for University High sports or alibied out of going. Either of these reasons shows poor school spirit.

Early in the Fall, when the Lynx football players played Elkville, two busloads of fans went along and saw their team play their heavily-favored opponents to a draw. At the Anna Tourney many fans cheered the Lynxes to a victory over Shawnee. But the next day U. High rooters stayed at home, and the Lynxes were beaten. The last two road games found fan support at its lowest ebb, and people willing to pay 35 cents to go to games were hard to find. These examples show that fan support has a lot to do with team success.

So for the "tip-of-the-hat" award this year, I nominate the loyal rooters who cheered Lynx teams this year through thick and thin. And for the "thumb-on-the-nose" award, I nominate the people who just never find the time to cheer for the Lynxes at out-of-town games.

An interested bystander

Dear Interested Bystander:

I agree with you 100% that fan support has a lot to do with the won and lost column. Not enough people are going to our out-of-town games! And our out-of-town record is 4-9.

Psychologically it gives the team a good feeling to know someone cares whether we win or not. I think it is a shame that we have so little interest in the team that we can't put out that extra effort to attend the away games.

However, I must stick up for the people with good reasons for not attending the games. Mr. Interested Bystander, have you ever heard of parents? I don't think I need to explain much further on that point. Or maybe I do. Some parents don't want their children out late on school nights. And you must admit we get back rather late sometimes. But what about the Friday games? Also, strange as it may seem to some students, some people literally can't afford 65¢, 70¢, or 75¢ twice a week.

SPAGHETTI

Yes valentines are here again. Let's see what our special U. School cupid is going to cook up.

Seems that two Georges both have the same trouble, car trouble that is. The cupid is really playing games these days.

Calling all of Cupid's help!! We need a girl for little Bob W. Won't you please lend us a hand!

Say Cupid, that Gary Crews is really getting around. How did this happen?

Cupid has sure sent Linda C. spinning over Terry Lockman. A driving instructor! I wonder what Cupid is driving at this time?

It seems that Pat W. has been busy lately giving away apples and pecan pie. Could it be that she believes the old saying, "The way to a man's heart is through his stomach." Maybe Cupid has shot her with one of his poisoned darts.

Cupid had better get busy and load up on darts so the F. H. A., G. A. A. dance will be a big hit. We hear there is going to be some very special music.

Where did Cupid go, Emilee?

Dr. Small wants to know where your little fly went after the game last Tuesday night, to Valentine Land??

Cupid has kept up his good work on Chaney and Weinhardt, hasn't he?

What's the big holiday after Valentine's Day, Winkie?

Don't keep those freshman girls waiting. Who's your Valentine now, Rodney B.?

Just a little hint from the Spyglass: "Beware of darting arrows, but if caught, make the most of it!!"

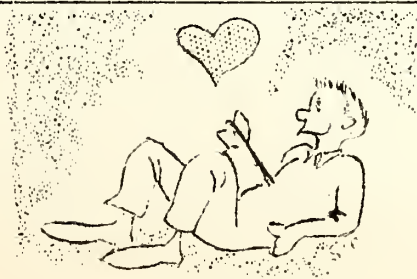

There is a rumor that Cupid's arrow went in the right direction as far as Bonnie D. and Dick R. are concerned!

G. A. A.

The G. A. A. has begun its bowling unit. Every Friday, immediately after school, the girls go to the bowling alley to load up on spares, strikes, and mashed fingers.

It seems the girls are learning to set pins, too. (Incidentally, it's not as bad as you may think.)

Many of the girls are doing very well, considering it is their first time.

F. H. A.

The University School F.H.A. Chapter had an Italian Spaghetti Dinner Tuesday evening after their regular meeting. After the dinner the new members were initiated and then the girls attended the ball game.

The dinner followed the Valentine theme with paper cups filled with candy hearts.

You have probably been wondering why so many of the F.H.A. girls have those suspicious-looking bottles in their lockers. Well, it is nothing but vanilla flavoring. The F. H. A. girls are trying to sell 100 bottles of vanilla flavoring, because if they do, they will receive a silver tea service. We are sure your organization will want to use this tea service, so please buy a bottle of that wonderful vanilla.

F. T. A. CLUB PROJECTS UNDER WAY

One of the projects of the F. T. A. got under way February 1, when Pat Wycoff read a story, "The Little Green Tree," to Dr. Shotick's class. The next week Rita Lou Carson read one prepared by Fran Moore.

The F. T. A. is giving the Library two new magazines, ILLINOIS EDUCATION and NATIONAL EDUCATION ASSOCIATION JOURNAL. They are now in the library for students to use, especially those who are interested in teaching. We are sure you will want to get them from the Browsing Shelf soon.

LYNXES LOSE IN "SUDDEN DEATH" TO CHRISTOPHER, 62-60

JUNIOR HIGH LYNXES 5-5 FOR SEASON

The Lynxes lost a "sudden death" overtime game to the Christopher Bearcats last night, 62-60, as West sank a 10-foot jump shot. The loss shattered the Lynxes perfect mark at home.

With Neal and Troutt leading the way, the Bearcats piled up a 16-7 lead with 4 minutes to play in the first quarter. The Lynxes pulled their defense together the last half of the quarter and held the Bearcats to only 4 points while they were scoring 10. The Lynxes trailed 20-17 at the quarter mark.

Trailing 26-20 with about 5 minutes to play in the first half, the Lynxes scored 9 straight points to take the lead for the first time in the game, 29-26. Neal tied the game with 3 points, and West dropped a 10-footer in, but Mees retied the game at 31-31 before the half ended.

Neal's beautiful 1-hand tip-in was sandwiched between 8 points for the Lynxes to give the Lynxes a 29-33 lead. The Lynxes increased their advantage to 8 points, 43-35 before the third quarter ended.

The Bearcats cut the U. High lead to 3, 45-42, but then they lost Neal on fouls with 6:15 to play. The two teams exchanged points in the next 3 minutes. The Lynxes lost Brandon and the Bearcats lost Troutt on fouls minutes before the final period ended. The Lynxes held a 56-50 lead with 1 minute to play, but they blew it as Clark hit on 2 field goals and West sank a 15-footer just as the final horn sounded to tie the game at 56-56.

With 18 seconds remaining in the overtime and the Lynxes trailing 60-58, Anderson fouled out, Reinhardt sank both free shots and sent the game into a sudden-death overtime. The Lynxes got the tip and a number of shots that missed. West ended it all after 2:45 of play with his 15-foot shot. West was Christopher's top man with 20. Mees led U. High with 16.

Coach "Bud" Stotlar's Junior High Lynxes were beaten by Elkville, 37-33, in their final game of the season. The Lynx won 5 and lost 5 for the season. Stotlar said, "If Amos Black could have played it would have helped." Stotlar also said, "Eddie Danby and David Fligor will lead next years team."

The Lynxes had their banquet this past Monday at the SIU cafeteria. Fifteen varsity letters, two managers' letters, and five cheerleaders received letters.

The following boys received letters. Barrett Holder, Tharon O'Dell, Denny Hill, Gordon Tell, Eddie Danby, David Fligor, Steve McGrath, Elmer Ferrill, Jim Smith, Mickey Watkins, Scott Randle, Gene Klimstra, Charley Brown, Jerry Kline, Brockton Lockwood. Manager's receiving letters were John Rushing and Jim Hunt. Janice Medlin, Sue Cherry, Dale Strusz, Mary Jo Stroup, and Laura Brown received cheerleading letters. Gay Holliday and Bettina Crawshaw served as substitute cheerleaders.

Listed below are the individual scoring records and each game's score.

It has been called to our attention that many students at University School do not understand what our school colors are. The colors are maroon and white. Many students are confused by the fact that the athletic department uses red and white in their uniforms. The reason for using red and white in the uniforms is that the manufacturers will not guarantee to match maroon colors when it is necessary to reorder additional uniforms. They can, however, match cardinal, which is the shade of our uniforms.

We hope this will clear up any misunderstanding on our uniforms.

CHEMISTRY ASSEMBLY PRESENTED HERE

Monday's assembly literally exploded the school, as Dr. Llewellyn Heard, of the Standard Oil Company laboratories at Whiting, Indiana, presented "The Magic of Fire."

Dr. Heard's exciting assembly included a spontaneously combustible gas which blows smoke rings, wood as explosive as gunpowder, a smoldering photograph, and an "eager beaver" candle. If you hear strange noises in our Chemistry lab, it will probably be some of our budding chemists trying to out-explode Dr. Heard.

U. SCHOOL STUDENTS ENTER DISTRICT MUSIC CONTEST

The District High School solo and ensemble contest is to be held at Community High School in Carbondale on March 9.

Gloria Carruthers will play a flute solo, and Susie Willey will play a clarinet solo. Connie Elder, Jon Ogur, Nellie Lybarger, and Charles Reinhardt are playing in a saxophone quartet. Gloria Carruthers, Connie Elder, and Jon Ogur are playing a flute trio.

BUSINESS STUDENTS INVEST IN STOCK MARKET

The General Business Class is studying the operation of the stock market as a part of its work in a unit on savings and investments.

The class has appointed Gary Crews, Nellie Lybarger, and Judy Chaney to act as stock brokers for the entire class. The brokers have invested \$1000 in stocks of Revelon, General Motors, Standard Oil of California, Studebaker-Packard, American Tobacco, and Peabody Coal Company. The brokers will follow the progress of the stocks on the New York market and will give weekly reports to the class as to whether the investments were sound.

JUNIOR ENGLISH CLASSES IN ST. LOUIS WED.

Members of the two Junior English classes, Miss Bach, and several student teachers were in St. Louis yesterday.

The group left at 10:00 a.m. by chartered bus. They plan to have some free time in the city, and the entire group will attend the matinee of Thornton Wilder's "The Matchmaker" at the American Theatre.

They will return early in the evening.

OFFICE PRACTICE STUDENTS TOUR NORGE OFFICES

The Typewriting and Secretarial Office Practice classes toured the offices of the Norge Division in Herrin on Tuesday, February 26.

The classes have been studying office procedures, learning to use office machines, and typing office forms. During their visit they were given an opportunity to see many of the same types of machines and procedures in actual practice.

The classes were able to see secretaries, stenographers and executives in action. The tour also included part of the factory.

1. The first step is to identify the problem. In this case, the problem is that the system is not working properly.

thinx

Even though we had no exceptionally high scorers at the game with Trico last Tuesday, it was a very exciting game with several players contributing about the same number of points to add up to a 50-48 victory.

That victory made it possible for us to end the season play with a .500 or better mark. It gave us a 13-11 record. If we lose to our cross-town neighbors next Tuesday at tournament, our record will be 13-12; if we win, it will be 14-11 and still climbing.

Also, on Tuesday night, J. P. Mees went over his 700th point for his high school career. Barring injury, and with a good season next year, it is possible that he can break through the 1000 point barrier.

Even though we didn't have a spectacular season, our fine team has given the loyal fans many a thrill which will never be forgotten. So, we'd like to say hurray for the team--including those loyal bench warmers who didn't see much action but who practiced so faithfully-- a pat on the back to Coach Thate, and nice work to the Cheer leaders and the pep club for being faithful through all our wins and losses.

Also, we might add, that the theme of several of our editorials still goes; that is, a good group of backers goes a long way toward a winning team. Let's all get behind the team for tournament and have a big turn-out next Tuesday.

As a footnote to our editorial, we'd like to say "Thanks" to the band and majorettes for their fine work throughout the season. We know that it has meant much hard work and many long hours of practice. You really are appreciated!

BRAIN TEASER

Another goof could be added to last week's paper. I forgot to mention the persons who submitted correct answers to the brain teaser of the Jan. 29 issue. They were Karan Davis and Mrs. Francis. The correct answer was 12 pounds.

As to last issue's teaser, there were four correct answers. They were submitted by Denny Kircher, Dick Fulkerson, Clifford Dey, and John Lobenstein. The answer was 13 runs, and was correctly worked as follows:

$$\begin{aligned}x^2 - x - 156 &= 0 \\(x-13)(x+12) &= 0 \\x-13 &= 0 \\x+12 &= 0 \\x &= 13\end{aligned}$$

We have agreed upon a new way to turn in answers to the brain teaser. From now on, if you have an answer, drop it in the box in Room 308, the Mathematics room. The answers will be collected and the winners announced in the following issues.

The following problem is one of addition. Each letter represents a digit. What does each letter stand for?

$$\begin{array}{r}A D E \\A D E \\A D E \\\hline2037\end{array}$$

SPYGLASSES

Mysterious things are happening in Geometry lately. Seems Maria's note got intercepted-----right, Maria?

Come on girls, get on the ball! There is a certain Jim G. running around loose. Don't you think we should do something about it?

Mary Jane H. is really doing very well for herself as far as boys are concerned. What's your formula, Mary Jane?

ATTENTION EVERYONE! Is your soul in need of reform? Don't see a psychiatrist-----see our own Dick Randle!

Why George! Who was that good-looking dish you were escorting to the dance after the game?

Why was it that Dick F. and Charles W. messed up the score-keeping during the Gorham game? Could it have been the cute score-keepers from Gorham?

Is it a new fad to play pool in the dark, Bill and Winkie?

Whose picture is Bob W. showing around?

Which one of the Randle boys is it, Bonnie?

This is a switch--Dale and Denny and Eddie and Margie!

Daggers and swords are flashing around all over the place--some crossed

and some straight. What does one dagger mean, Emilee?

How do you spell Mees, Rachel?

Were Barney and Sappy really chased by campus cops, in front of Old Main? And while taking Driver Training! Really-----

F. H. A.

The F.H.A. had a special meeting Tuesday, February 26. Two Home Economics majors from S.I.U. came to give a demonstration on party foods. Christine Young showed us how to make snack and party cookies. Joann Arensman gave examples on quick snack foods. The girls' mothers were also invited to come to the meeting. After the demonstration punch was served and everyone sampled the tasty party foods.

Oh, by-the-way! Have you bought your bottle of vanilla? If you haven't, see one of the girls today.

"Now watch me closely," said the teacher, as he stepped up to the blackboard, "I'll go through it again."

FOREIGN STUDENTS TALK TO SOCIAL STUDIES CLASS

Dr. Bartlett's 7th grade social studies class is studying various foreign countries. The class has been divided into five committees of six students each. The committees are giving reports on the countries, and then guest speakers, who are foreign students on campus, will give a one-hour speech on their countries.

The committees and the guest speakers are as follows:

Formosa - Chairman, Gay Holliday; speaker, Miss Nora Liang Wang.

Thailand - Chairman, Anne Boyer; speaker, Miss Suntaree Banyong.

Jordan - Chairman, Wayne Fishback; speaker, Mr. Fahmi Dahdah.

Korea - Chairman, John Patterson; speaker, Mr. Kwan Jong Joo.

India - Chairman, Cindy Lerner; speaker, Miss Jam-eela Kahn.

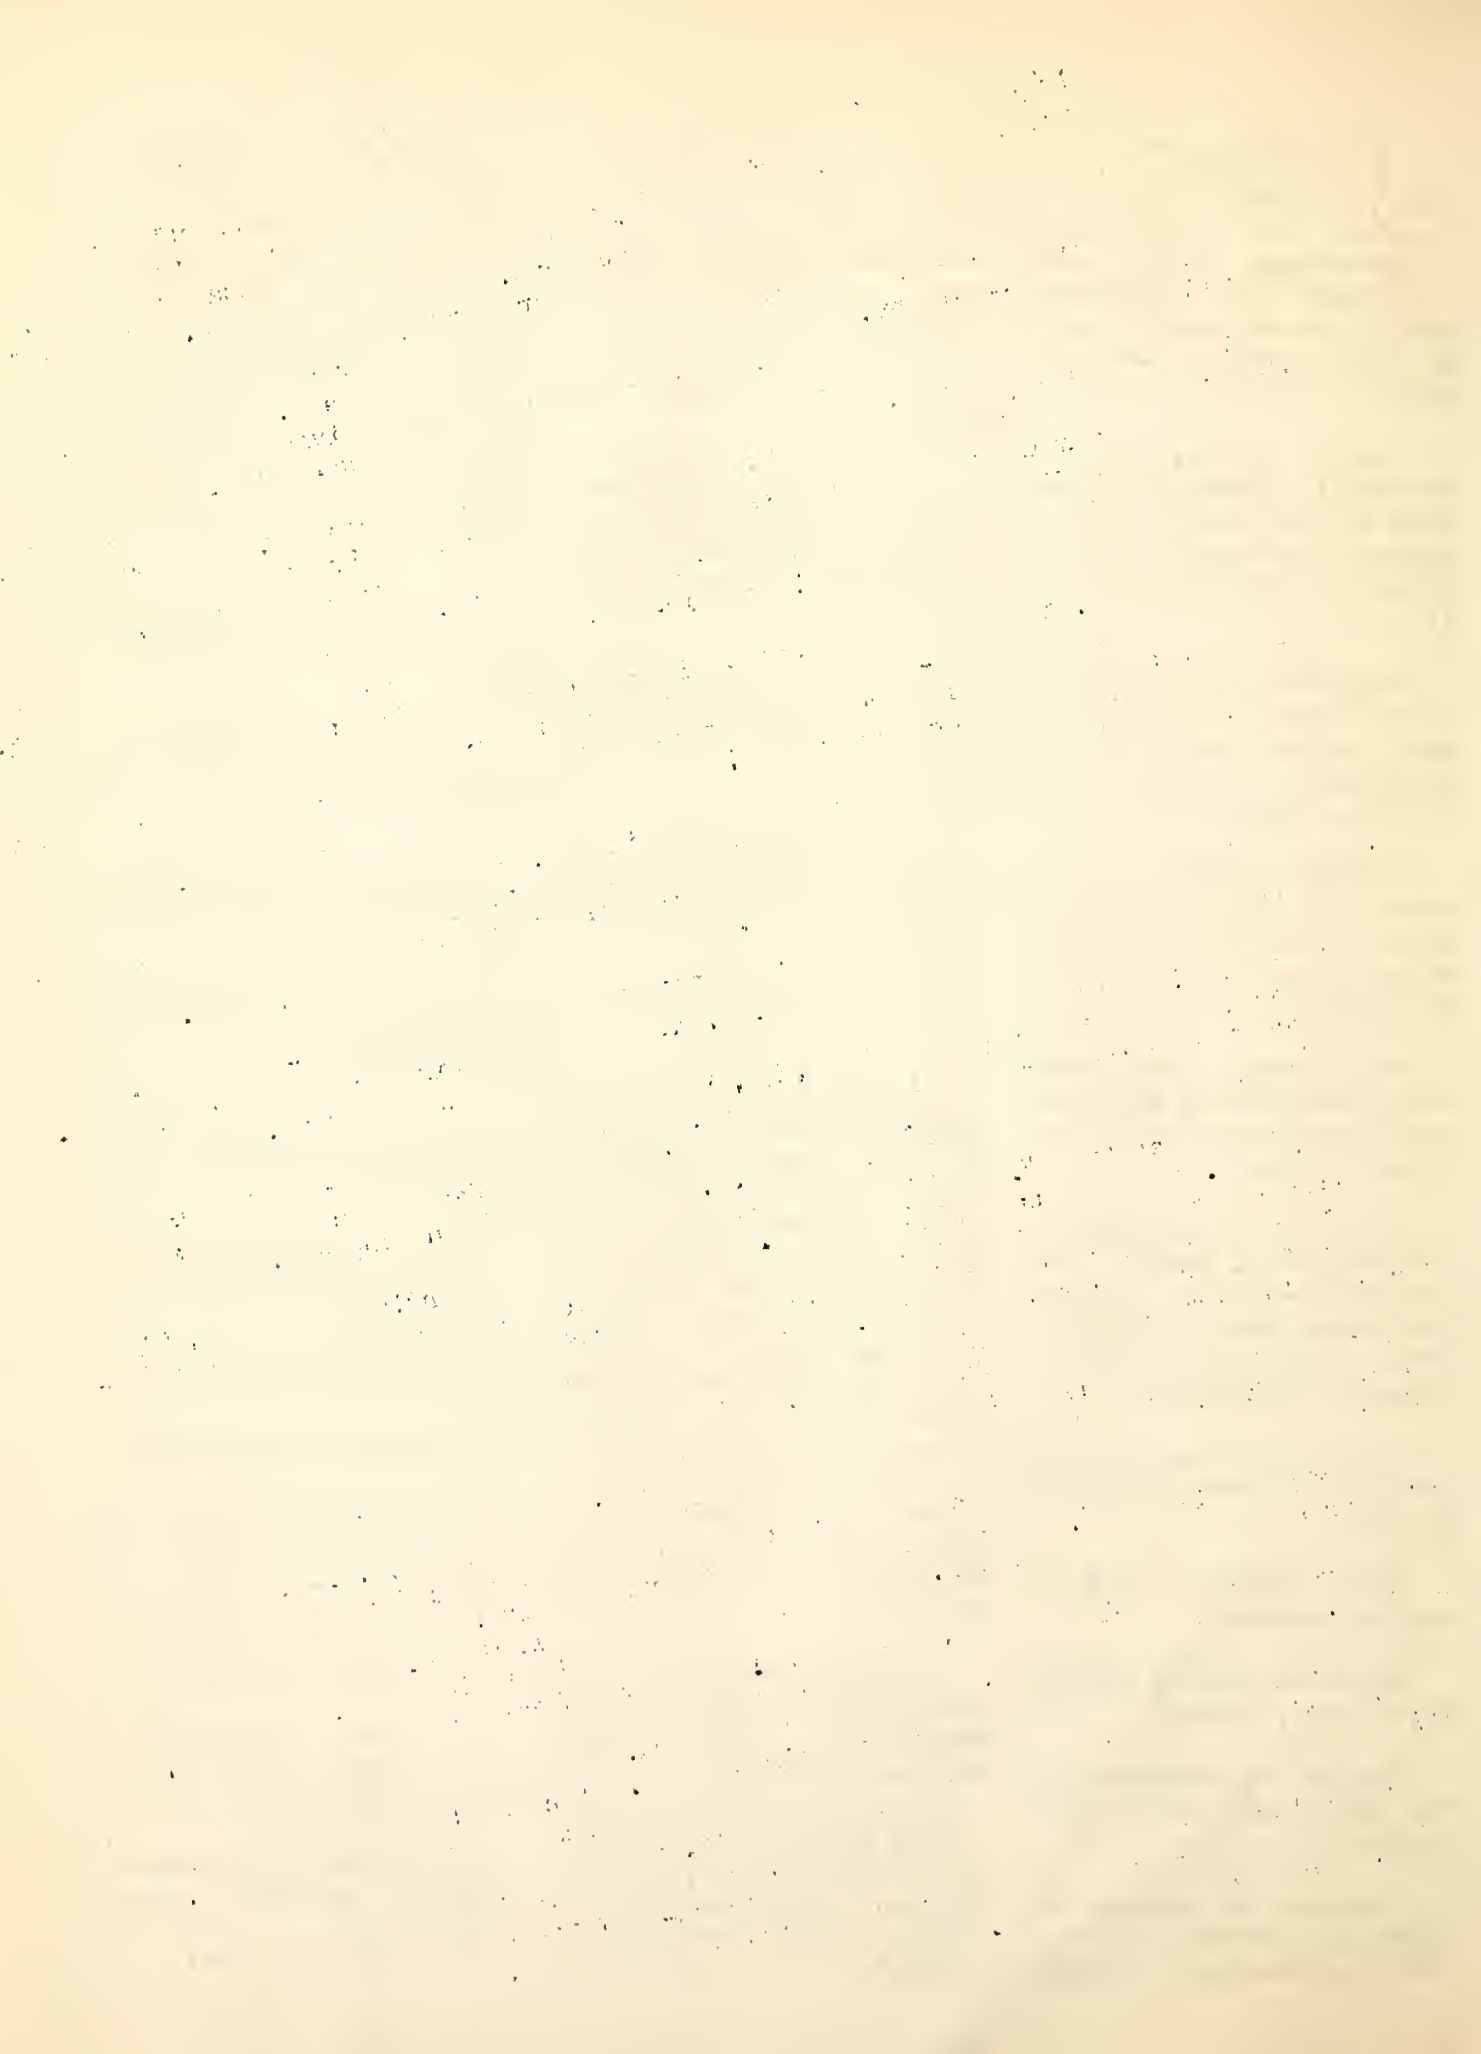

HAT DANCE HERE FRIDAY

The F.H.A.-G.A.A. Hat Dance will be held Friday, March 1, from 8:00 to 11:30 p.m. The dance will be semi-formal, but don't forget to wear a fancy hat.

Buy your tickets now, because they are selling fast and will soon be gone.

Let's have an all-school turn-out for this annual affair.

SEE YOU THERE!

SCORE BOARD

LYNXES EDGE SESSER ON THE ROAD, 54-51

LYNXES TOP TRICO IN SEASON FINALE, 50-48

Good free throw shooting gave the U. High Lynxes a 54-51 victory over the Sesser Red Devils February 22, at Sesser. The Lynxes made 16 of 23 free shots while the Red Devils sank only 11 of 20. John Mees was the Lynxes top scorer once again as he scored 21 points.

Chaney opened the scoring on a 15-footer and 30 seconds later Mees also scored to give the Lynxes a 4-0 lead with 6:10 to play in the quarter. The Red Devils tied the game up and Mees and Cavaletto exchanged a pair of 2 pointers. The Lynxes scored 5 straight points to take a 13-8 lead with about 1½ minutes to play. A free toss by Reeves closed the first quarter of scoring with the Lynxes in front, 13-9.

The Devils pulled within 1 point of the Lynxes, and the teams then exchanged points throughout most of the quarter. The Red Devils took the lead as Cavaletto scored 2 straight field goals with 1:50 to play in the quarter. Chaney's "kiss" shot pushed the Lynxes back into the lead, 23-22, but Maddox matched it to give Sesser a 24-23 lead at the end of the first half.

Flatt scored on a fast break, and the Red Devils led 26-23. Mees then put the Lynxes back into the lead with 4 successive points. A field goal by Cavaletto was squeezed in between 8 points by the Lynxes who now held a 35-30 lead. Mees matched 4 points scored by Sesser and Reinhardt sank a 15-footer just before the third quarter ended to give the Lynxes a 41-34 lead.

Sesser pulled within 3 points of the Lynxes, but the Lynxes held onto this slim margin through most of the quarter. A free toss by Mees and 2 by Chaney gave the Lynxes a more comfortable lead of 50-44 with 1:40 remaining in the contest. Harmon and Norman scored on free shots, and then Manker dropped in 2 field goals to cut the U. High lead to 2 points, 51-49. Norman then clinched the game as he sank 3 straight charity shots to give the Lynxes a 54-49 advantage with only 7 seconds left. Flatt scored for Sesser just before the final horn sounded to make the final score 54-51. Flatt was top scorer for Sesser. The Lynx cubs were defeated in the prelim, 60-37.

The Lynxes completed their 1956-57 schedule with a 50-48 triumph over the Trico Pioneers at home Tues. night. The victory was the Lynxes 8th in 10 starts at home this season. They will carry a 13-11 mark into the Murphysboro Regional against CCHS next Tuesday.

The Lynxes took an early lead on Norman's 18-footer after 45 seconds of play. The Lynxes still lead with 5:15 to play, but the Pioneers dropped in 6 pts. to take a 9-6 lead. Chaney and Richmond exchanged long shots, and Reinhardt cut the lead to 1, 11-10, with 5 seconds to play. Richmond, the Pioneer playmaker, shot a 2-hand set from 60 feet that zipped through the nets to make the score 13-10 at the end of the first quarter.

The Lynxes took the lead in the first 2 seconds of play in the 2nd quarter as Norman sank a 20-footer and Mees added 2 free throws. Chaney re-tied the game at 15-15 with 5:03 remaining. Two minutes later the score was still tied 21-21. Bricker's lay-in and Mees' 10-footer gave the Lynxes a 25-21 lead. Nisbet scored on a layin, but Chaney matched it to maintain a 27-23 lead

The Pioneers tied the score at 27-27 in the opening minutes of play, but the Lynxes forged back into the lead with 7 straight points. The Pioneers pulled within 1 pt. of the Lynxes, 36-35, with less than a minute to play, but Mees gave the Lynxes a 3-point lead on a 1-hand push.

The Lynxes dropped in 3 baskets while the Pionners scored only 2 to make the score 44-39. Vogt cut the lead back to 1 on 2 charity shots and a jump shot. With 2:03 remaining, the Lynxes still held a 5-point lead, 48-43. Three points by Trico, with less than a minute to play, cut the lead to 48-46. Reinhardt scored the winning basket as he took the ball out of one of the Pioneer's hands and dropped the 6-footer in to make the score 5-46. Ten seconds later, Vogt scored the final point on a jump shot. Norman got 14 to lead U. Hi. but Vogt took scoring honors with 17.

COMPLETE BASKETBALL WINDUP IN
NEXT ISSUE OF THE CAT CALL

The Steeleville Warriors handed the Lynxes their second overtime loss of the week, February 15, 51-49. A 10-footer by Walters with 4 seconds left in the overtime was the winning basket.

The Warriors jumped into an early lead of 10-7 midway through the first quarter. The Lynxes dropped to a 5-point deficit, 14-9, with 2:20 to play. The Lynxes then scored 5 points while the Warriors got 1, and the Lynxes trailed by only 1 point, 15-14. Mees scored to give the Lynxes a 16-15 first quarter lead.

In the first 3 minutes of the second quarter, the lead changed hands many times. Rubach and Walters hit from 15 feet to give the Warriors a 24-21 lead. The final 4 minutes of the period the Lynxes only basket was a hook by Bricker, but the Warriors scored 6 points to lead, 30-23, at half-time.

Rubach scored 3 free throws to give the Warriors a 10-point advantage, 33-23. The Lynxes pulled within 4 points of Steeleville, 35-31, with 3:05 remaining in the quarter, on Chaney's 18-footer and Mees' 10-footer. The Warriors then dropped in 6 straight points to take a 41-31 lead at the end of the third period.

Mees dropped in 4 straight points in the first 1:20 of play in the fourth period. With a little less than 4 minutes to play the Lynxes were trailing by 8 points, 47-29. The Lynxes bounced back though, as Mees scored 5 points and Brandon 1 to put U. High only 2 down, 47-45, and about 3:00 to play. The Warriors tried to stall the game out, but Bricker came through with a 6-footer to tie the game at 47-47 and only 8 seconds remaining. Neither team could score, so the Lynxes found themselves in the second overtime game that week.

The Warriors stalled out the first minute of the overtime, and then Rubach was fouled. He sank both free shots to give Steeleville a 49-47 lead. Mees, after being fouled by Snider, tied the game as he sank two free throws. Once again the Warriors stalled; this time they were waiting for 1 final shot. Then with 4 seconds left Walters sank the clincher from about 10 feet. Mees was the Lynxes top scorer with 28 points. Walters scored 22 for S'ville.

The Lynxes were victorious over the Gorham Mustangs, 64-58, Feb. 19 in a home contest. Mees was the Lynxes big scoring gun with 22 points. Skobel of Gorham took scoring honors for the game as he scored 24 points.

Throughout the first 5 minutes of the first quarter the teams matched each other to put the game at a 12-12 deadlock. After Tuthill sank 2 free shots, the Lynxes scored 4 straight points to take a 16-14 lead with 30 seconds left in the period. Hellmer hit on a 15-ft. jump shot to re-tie the game at 16-16, at the end of the quarter.

While Norman sank 4 free throws, the Mustangs were scoring only 3 points to trail 20-19. Bricker hit on a hook, but Hellmer tied it again at 22-22. The Mustangs scored 4 more points to take a 26-22 lead with about 4:20 to play. A free toss by Chaney and Mees' lay-in cut the lead to 26-25, but the Mustangs pulled away on 4 straight points, 31-25. Reinhardt and Brandon cut their advantage to 3 points before the half ended.

Bricker opened the scoring in the third period with his second hook, to make it 31-30. Norman's 22-foot jump shot, sandwiched between 8 points by the Mustangs, made the score 39-32. A hook by Bricker and 2 free shots by J. Paul failed to cut the 7-point lead, as the Mustangs made it 43-36. The Mustangs lost Tuthill on fouls with 3:55 to play. The Lynxes then scored 10 straight points, getting a big lift from Reinhardt, who scored six of the points, to close the third with a lead of 46-43.

The Lynxes lost Chaney on fouls in the opening minute of the fourth qtr. Mees kept U. High in the scoring as he sank 2 free throws. Both teams scored 4 points in the next 2 minutes to make the score 52-47 in the Lynxes favor.

Reinhardt scored from 12 feet out & Mees sank 2 free tosses to give U. Hi. a 56-47 lead with 3:30 remaining. The Mustangs cut the lead to 3 points, Free shots by Mees and Hand and a 12-ft. jump shot by Brandon just as the horn sounded gave the Lynxes a 64-58 victory.

COUNCIL CORNER

As all of the student body at U. School knows, we elect our Student Council members to represent us in our student government. It is the desire of each of us to have our Student Council work as closely with the student body as possible. To achieve this end, your Council has completely rewritten and ratified the University School Constitution.

Sometime soon copies of the Constitution will be available to the student body. The Council wants you to read the new Constitution and make any suggestions which you feel are needed. An open meeting will be held for the purpose of hearing these suggestions.

Whether the new Constitution is accepted or rejected by you will determine the fate of the activities of U. School for years to come.

BRICKER TO BE HONORED AT STATE ACADEMY OF SCIENCE

George Bricker, a senior at U. School is one of 38 science students who have been selected for special recognition by the Illinois State Academy of Science at its annual meeting in Normal, May 3.

U. SCHOOL STUDENTS PLACE IN DISTRICT MUSIC CONTEST

The District Music Contest was held March 9 at Community High School.

In the instrumental contest, Connie Elder, Jon Ogur, Nellie Lybarger, and Charles Reinhardt received a first on their saxophone quartet. Charles Hartwig received a first on his French horn solo.

Jon Ogur, Connie Elder, and Gloria Carruthers received a second on their flute trio, and Gloria received a second on her flute solo. Sally Taylor received a second for her piano solo, and Susie Willey received a third on her clarinet solo.

In the vocal contests the girls' sextet received a third, the mixed octet received a second, and the madrigals received a first.

All those receiving a first place rating will go to the State contest in Greenville, Illinois.

George will receive a certificate of award, and will be a guest of honor at the annual banquet.

George's project was "A New Method For The Preparation of Sulfuric Acid."

LATIN CONTEST

Contestants in the Southern District took Latin examinations on March 9th at University School. The examinations were scheduled from 8:00 a.m. to 9:30 a.m. to accommodate the band and vocal contests at C.C.H.S. the same day.

Elaine Kaplan competed in the Latin III examination from our school.

Winners of this district contest will compete with other contestants from the lower half of the state in a sectional meet on April 13. This meet will also be at University School.

REGIONAL SPEECH CONTEST HELD IN MARION

The Regional Speech Contest was held March 2, in Marion. Those participants who were awarded 1st, 2nd, or 3rd will advance to the Sectional Tournament. U. School winners were as follows: Winkie Lewis, 1st in Comedy Play Reading; Linda Crandle, 3rd in Serious Play Reading, and Charles Ross, 3rd in Oratorical Declamation.

Others who entered the contest were Wanda Sill, Kent Brandon, Bruce Bruinsma, and Larry Withers.

BRAIN TEASER

Last week we had a flood of responses to the brain teaser. Ten people turned in correct answers. They were: George Bricker, Charles Prickett, Bobby McCall, Roger Withers, Kent Brandon, Andy Swanson, Ann Arvin, Pat Harriss, Paul Buff, and Dick Fulker-son.

The teaser last week was so easy that answers were accepted without seeing the work; but this week's problem is much harder, and you must show the work with the correct solution, before you will be given credit.

At last the box is in Room 310. Remember, if you have an answer, write it out, include the work, sign your name, and drop the paper in the box. Here is the new teaser:

A brilliant lassie named Patty,
Drove her deardaddy batty.
Square my age times four,
Subtract 900 more,
Equals nothing at all and
is catty.

the lynx thinx

There seems to be quite a discussion going on around the school as to whether our school colors are red and or maroon and white.

It says in the handbook which we received last fall that our true school colors are maroon and ~~white~~. Now you may wonder why our basketball, football, track, and baseball uniforms are red and ~~white~~. The reason is this: Every year that we get new uniforms, we couldn't be guaranteed of getting the same shade of maroon. But red is red, and no matter when ~~we~~ want to buy, we can get red and white suits.

Next, you may ask why we don't change the school colors to red and white. This is what many people are asking.

First of all, our traditional school colors are maroon and white. Now I am willing to confess that I wouldn't mind a change in the traditional colors, but many students and faculty members are against a change in tradition.

The big argument against changing the colors is a very good one. As you know, the band uniforms are maroon rather than red. If we changed the school colors to red and white, we would have to buy new band uniforms, which could cost the school and state several thousand dollars!

One last argument in favor of changing the colors and I will close. Many students feel that we could change the colors to red and white but keep the maroon uniforms for the band. After all, maroon is a shade of red.

DISTRICT SCIENCE MEET HERE APRIL 8

U. School will be host to the Southern Illinois District meeting of the Jr. Academy of Science on April 8. Students from approximately 20 high schools are expected to attend and exhibit projects. The exhibits will be set up in the gymnasium and will be open to the

public from 10:00 a.m. to 3:00 p.m. The program will include a special speaker from Danville.

First-place winners in the district meet will be eligible to enter their projects in the State meet at Normal, Ill. on May 3.

THE SPYGLASS

SUNDAY IS GREAT IRISH NATIONAL HOLIDAY

"The Irish Washer Woman" is really doing a good job on our school walls and doors. We would like to congratulate the painters!

"My Wild Irish Rose" is gone again, Chuck T. was heard saying most sorrowfully!

"T'was Only An Irish--man's Dream" that Jim J., Gary C., and Andy S. were at Bonnie D.'s slumber party, or was it?

Mr. Smith will soon be singing "Irish Lullabies" instead of having conferences!!!

It seems that the men of our faculty got the song mixed up and were in red instead of "Wearing of the Green" at the volleyball game.

"Long Long Aog" one Monday night at Madrigal practice it seemed that Bonnie Mc. and Jeanie F. had some pretty good pictures that they wouldn't share with the rest of us. Could it have been that J. P. and Bruce were in them also?

"Believe Me, All Those Endearing Young Charms" are doing things to our janitors--at least, that is what Lovia says!

"Love's Old Sweet Song" will soon fade away for Dyke when Miss Curry leaves.

Wonder why Mr. Wyllie's "Walkin' In The Rain," of late?

Saint Patrick's day is a great day for the Irish; there's no doubt about it. It would be difficult to find any holiday in any nation that brings about quite so much celebration as this feast of Ireland's patron saint. Even in our own country the "Wearin' O' the Green" is observed all over the nation, and to many of those with Irish ancestry it's the greatest day of the year.

Next Sunday, March 17, the eyes of the entire world will be turned toward the tiny islands where, around the year 400, a young Catholic missionary priest found paganism the only existing religion. Using the three-leaved shamrock to symbolize the Blessed Trinity, he prepared to devote the remainder of his life to the conversion of this hostile land.

That one man, in one lifetime, could accomplish what St. Patrick accomplished in Ireland is certainly startling, not to say astonishing. Before he died, in 461, he founded 360 churches, baptized with his own hand 12,000 people, and ordained a great many priests. He influenced strongly the Irish mind, and Celtic imagination has surrounded him with many picturesque legends. He banished the snakes and toads from Ireland; he performed the most astounding miracles in his contests with the druidical priests; he confounded his enemies by bringing down darkness upon them. It was said that at his death the glory was so great that there was no night for twelve days.

Shamrocks and the green color of shamrocks have been used in memory of this saint for several centuries.

NEW CLUB FORMED HERE

A new club is in the formation stage at U. Hi. The name is to be Ra-Com, taken from the words radio and communication.

The club's purpose will be to organize and build a library of tape recordings for the use of students and teachers, the construction of an amateur radio station, and the construction of a radio production center. The club will also train students in the operation of tape recorders and give them practice in sportscasting.

HAT DANCE A PLEASANT MEMORY

A week has passed since the Hat Dance, but the memory is still fresh in our minds. The decorations of blue and white streamers on the ceiling and hats on the walls and tables added much to the mood of the dance.

The contest for the most beautiful and most original hats proved interesting. Sandy Modlin's hat was chosen most beautiful, and Bonnie McCaslin's as most original. The FHA's refreshments helped make the dance a complete success.

BASEBALLERS BEGIN PRACTICE

Coach Dwain Small officially started baseball practice Monday afternoon. Nine returning lettermen and four others were called out for the early practice sessions. After spring vacation a general call for baseball players will be made. Practice at the present time is being conducted in the gym.

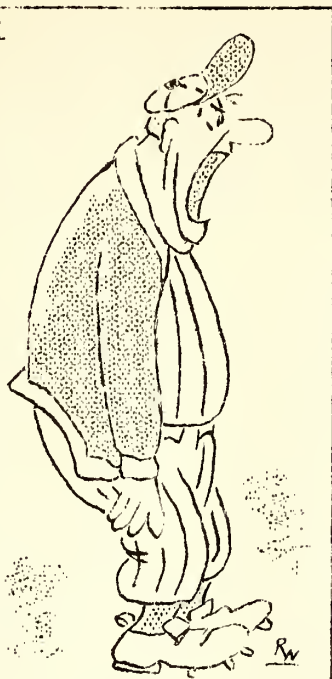

Returning lettermen and the positions they played last year are as follows: Steve Williams (Junior--catcher), Gene Jackson (Senior--Catcher), Charlie Ross (Soph.--2nd base), John Mees (Junior--short stop), "Dobbie" Wright (Soph.--out-field), Bill Chaney, (Senior--outfield), Charlie Reinhardt (Soph.--out-field), Terry Modlin, (Senior--out field), and Kent Brandon (Senior--pitcher). Others called out are: Gary Crews, (Senior), Dick Randle, (Senior), Danny Lewis, (Sophomore), and Jim Gumm, (Soph.)

The Lynxes' pitching staff should be pretty strong with lefthanders Brandon and Crews, and righthanders Reinhardt and Wright handling the assignments.

The Lynxes will open their 12-game schedule against the Pinckneyville Panthers, April 3, at Pinckneyville.

Re-designed uniforms will give the Lynxes a new look when they take the field in their opener with the Panthers. "LYNXES" in cardinal red, stitched in blue, has been added across the front, and numerals of the same color scheme don the back of the shirts.

Coach Small also plans to have a Frosh-Soph team this year.

"You'll never get to state that way!"

BASKETBALL BANQUET HELD TUESDAY

The annual University High Basketball banquet was held Tuesday, March 12, at the University Cafeteria.

Coach Thate awarded varsity letters to Richard Norman, John Mees, George Bricker, Kent Brandon, Bill Chaney, Charles Reinhardt, Jim Gumm, Bruce Bruinsma, John Hand, Terry Modlin, and Dick Randle.

Chuck Tudor was awarded a letter for his services as manager.

Cheerleader letters were presented to Winkie Lewis, Linda Crandle, Mary Phillips, Shannon Sims, and Brenda Dillow.

Leland "Doc" Lingle, head coach in Track and Cross Country at Southern, was the guest speaker. He talked on "Why Are We Here?" He emphasized that athletes should take care of their bodies by getting plenty of rest, eating the right foods, and getting plenty of exercise so that they would be physically able to do the things they would like to do later in life.

Players who received certificates of award are as follows: Paul Smith, Jim Medlin, Steve Williams, Mike Morris, Gary Crews, Larry Etherton, "Dobbie" Wright, John Beimfohr, Charles Ross, Jerry Baine, Jerry Kline, Andy Swanson, Doug Tracy, Paul Buff, Charles Wright, Allen Arnold, Gregory Parran, Rodney Brod, Jon Ogur, John Wright, Bob Williams, Dick Camp, Tommy Goetz, Denny Kircher, and Clifford Dey.

LYNXES DEFEATED IN MURPHY REGIONAL, 62-47

The Lynxes were defeated in the first round of the Murphysboro Regional, March 5, by the Carbondale Terriers, 62-47. It was the final basketball game at U. High for Capt. Richard Norman, Bill Chaney, Kent Brandon, and George Bricker. Terry Modlin and Dick Randle are also Seniors, but they didn't see action.

The Terriers jumped into the lead and increased it to 8-2 with 4:53 remaining in the first quarter. Norman and Mees sank 2 free throws each and the Lynxes trailed by only 2, 8-6. Samford scored 3 points, but Norman got 2 of them back on 2 free throws. Reinhardt matched 2 free shots that Lovelace made and Norman scored the Lynxes' only field goal of the first half on a layup with 2 minutes left to put the Lynxes 1 down, 13-12. The Terriers increased their lead to 5, 17-12, before the first quarter ended.

Two easy layups by Bobbit gave CCHS a 9 point advantage, 24-13, with 4:40 left in the second period. Mees sank 4 free shots to cut the lead back to 7, 24-17. Ten straight points gave Community a 17 point lead with 2 minutes remaining in the first half. The Lynxes cut the Terrier lead to 14, 36-22, before the first half ended. The Lynxes made 20 of 27 FT's as Community committed 15 personals in the first half of play.

CCHS held a commanding lead of 19 pts after about 4 minutes of play, 43-24. A tipin by Norman followed 10 seconds later by 2 charity shots and an 8 foot jump shot by Chaney put the Lynxes only 13 back 43-30 with 2:05 remaining to be played in the third quarter. The Terriers increased that lead by 3 to lead 48-32 at the end of the third quarter.

The Terriers held their biggest margin after 3 minutes of play, 56-34. A 9 footer and 2 free shots by Norman and a free toss by Reinhardt pulled the Lynxes within 17 points, 56-39. Chaney matched MacLeod's 12 footer with 2 free throws. The Terriers still held their 17 point lead with 11 seconds left in the game, 62-45. With 2 seconds remaining, Rich Norman closed the U. High scoring on a layin.

JOHN MEES TOPS LYNXES IN SCORING

John Mees was the Lynxes top scorer for the 1956-57 season with 376 points in 25 games for a 15 pts. per game average. J. P. was also the Lynxes' top free throw shooter, hitting at a .753 clip (140 of 186 attempts). Capt. Rich Norman ranked 2nd in both departments with 347 points and .719 on free throws.

Listed below are the final scoring records. Besides the boys listed below, Dick Randle, Steve Williams, and Mike Morris also saw varsity action.

Player	G	FT	FTA	FT%	TOT.	
					PTS.	AVE.

TWO CAT CALL

Vol. II

April 26, 1957

No. 14

COUNCIL CORNER

April 25, 26, and 27, Jim Sappenfield, John Paul Mees, and Mr. Wyllie will attend the Illinois Association of Student Councils Convention in Chicago.

Your Student Council is allowed to send two members and a sponsor to this convention. The purpose of this convention is to get new ideas to put into practice when the members return from the convention, and also to see what kind of work student councils from other parts of the state are doing.

At the convention there will be numerous discussion groups, each of which will be a different topic. The delegates from each school are allowed to select the discussion groups which they want to attend.

Let's hope that Jim and J. P. come back from the convention loaded with new ideas for our council.

AMERICAN HISTORY CLASS TO TOUR SPRINGFIELD

On May 13 the American History Classes will tour Springfield and New Salem State Park. The classes will visit the museums, a session of the Legislature, and other historic spots in Springfield. The bus will leave Carbondale at 6:30 a.m.

U. SCHOOL STUDENTS TO ATTEND STATE SCIENCE MEET

The Junior Academy of Science state meet will be held at Illinois Normal, on May 2, 3, and 4. The first-place winners of the seven districts of Illinois are eligible to exhibit their projects at this meeting.

The meeting will consist of judging of exhibits, a business meeting, several student discussion groups, and a banquet at which Geo. Bricker and other Merit scholars will be honored.

On Saturday the Junior Academy members will go on field trips with the Senior Science Academy.

U. School students who will attend are: Alice McDaniel, Will Arvin, and David Rector. The group will be sponsored by Dr. Gross.

U. SCHOOL BAND CONCERT WEDNESDAY, APRIL 24

The annual spring concert by University School music organizations was presented Wednesday evening in the auditorium.

Numbers were presented by the Senior Band, Junior Band, Dance Band, and the newly organized German Band.

The mixed chorus and the third grade sang.

G.A.A. OUTING TODAY

The annual GAA outing will be at Little Grassy, today and Saturday, April 26 and 27.

The girls will camp out in tents. The fun and frolic will begin with a hike Friday afternoon; on Saturday morning, if the weather permits, swimming and sun bathing will be on the menu, with a softball game and hike winding up the activities. The girls will cook out three meals.

Highlight of the weekend will be the initiation of new members, on Friday evening. Those to be initiated are: Brenda Dillow, Judy Hunter, Karan Davis, Fran Peterson, Sandra Schmidt, Sarah Moore, Rita Carson, Nanette Cox, Sue Tomlinson, Sandra Wheeler, Judy Chaney, Carole Jolly, Kay Prickett, Joyce Watkins, and Pat Wycoff.

HAVE FUN, GIRLS!

SENIOR PROBLEMS CLASS TO HAVE FIELD TRIP

On May 2 the 2:00 Sr. Problems Class will take a tour of the Anna State Hospital. The class will hear a discussion of the social problem of insanity, by one of the psychiatrists, followed by a tour of the institution, led by one of the nurses or one of the social workers connected with the hospital.

BRAIN TEASER

Dick Camp and Bob McCoy submitted answers to the Brain Teaser which were almost correct. They were off by several thousand leaves and one day. The correct answers are as follows:

- (a) The 31st day
- (b) 1,073,741,824
- (c) 2,147,483,649

Since this is a number series which keeps doubling, and since he, (the bird), ate 2 leaves on the first day, this makes half the leaves gone at 0 hour, the 31st day. Therefore, he ate the same amount of leaves on the 31st day as he did between the 1st day and the 30th day. The formula for finding the last number in a number series of this type is, $2^{(n-1)} + 1$, where (n) is the number of numbers in the series. This is when the first number is 1, and the second 2, etc. In the series 1, 2, 4, 8, 16, etc., the sum of all numbers between the first and next to last will equal the last, minus one, (try it). I added one to the first number (one) to prevent this. WHEW!

At any rate, the Cat-Call staff believes this bird has a large appetite.

Here is this week's Teaser. A metal cutting machine takes a stroke over a piece of metal and then returns to its starting position three times as fast as the time it takes for the stroke. This machine is used continuously for 8 hours. The question is: How much "Actual cutting time" does this machine have in an 8-hour period.

LYNX THINK

Two students out of the 63 who are taking typing have found time to type the dummy sheets and stencils for the CAT CALL. Due to this single fact, the four remaining issues of the CAT CALL will come out.

Right now I want to approach a subject which concerns everyone in grades 7-12. It is this: What about next year's CAT Call; will there be one? Truthfully, no one can say. We have and will have students to write articles, the money to buy paper and ink, the mimeograph machine to print the paper, the students to run the mimeograph machine, the typewriters to cut stencils, and a sponsor, but will we have typists?

A school newspaper is like a chain. To do its job properly, the staff must have all of the above-mentioned links. One of the most important, the typists, have been lacking this year.

Do you want a school newspaper? Can you type? Will you have time to type for the CAT CALL next year? If you answered yes to all three questions, then come around to the special Cat-Call meeting, Mon., April 29, and sign up. Don't be afraid to sign up because several other people have. "Many hands make light work."

If you answered yes to only the first question, then prove it by reading your paper thoroughly and by giving the staff a pat on the back for a job well done!

CORRIDOR COMMENTS

The other day, as I was walking down the hall, I overheard a visitor to our school remark, "This certainly is a beautiful building and is so well kept up."

Now, we all must realize that the new coat of paint on our building had something to do with this remark, but it should be our desire as students of University School to want to keep our building as beautiful as it is now.

If we thoughtlessly scribble on a desk, or kick at a locker that doesn't want to come open, we are certainly not helping the appearance of our school.

Walls seem to be another temptation for doodlers, especially in the rest-rooms. I'm sure that most of us don't doodle on our walls at home, so why should we do this at school.

Let's all work hard to keep our building beautiful and well kept so that we will be proud to show it to our visitors.

U. SCHOOL WINS 28 FIRSTS IN DISTRICT BAND CONTEST

University School Junior Band members took 28 first and 7 seconds at the district solo and ensemble contest at Metropolis, April 12.

First place winners who received Superior were: James Silvania, Gordon Teel, Brock Lockwood, Karl Rodabaugh, Charles Prickett, and Susan Farris.

First place winners were: Steve McGrath, David Fligor, Byron Treece, Tom Gallegly, Carol Hughes, Jim Etherton, John Patterson, Linda Sisk, Mike Martin, John Phelps, Tony Willard, Robert Mees, Laura Melvin, Wayne Fishback, Mike Watkins, Kay Hunsinger, and Bill Wright. Duets by Lockwood and Rodabaugh, Teel and McGrath, Jim Hunt and Fishback, Patterson and Phelps also won firsts.

Second place awards were won by Baxter, Wright, Pearce, Willard, Boyne, and Mann, all of whom played solos. A duet by Sisk and Willard won second.

FTA NEWS

The FTA state convention was held in Bloomington, Illinois, April 12-13. U. School, entitled to one delegate, sent George Fisher. At the meeting, officers were elected for next year. Southern's candidate for First Vice-President, Gerald Kent Martin, was elected to that post.

The name of the state organization, which used to be Illinois Association of Future Teachers of America, was changed to Student Illinois Education Association. The high school clubs, however, have not been changed from the old FTA. The high schools have the option of changing their name to SIEA clubs, if they wish. Geo. Fisher made a report to the FTA at their meeting on Wednesday, April 17.

GAA PLAYDAY

The following girls attended a Playday at Trico High School on Saturday, April 13: Marilyn Johnson, Karan Davis, Judy Hunter, Donna Buboltz, Fran Peterson, Shannon Simms, and Barbara Belford. They were accompanied by Miss Roos and Mrs. Zabroski.

They played deck tennis, and bowled. Each school put on a skit.

F.H.A. RALLY

Our school was represented by eleven girls, three teachers, and two mothers at the F.H.A. rally in DuQuoin, April 13.

The program for the morning consisted of the

election of new Sectional officers, a skit, a panel discussion, and talks given by three foreign students from S.I.U. Lunch was served in the school cafeteria, and tours of the school were arranged.

In the afternoon a movie was shown, and a style show was sponsored and arranged by our school. Betty Young was the narrator.

The eighth grade girls were invited to the April 16 meeting of the F.H.A. to give them an idea of what the F.H.A. is and what the girls do.

Miss Konzelmanspoke to the girls about the club during the first part of the meeting, and during the second part, the new members were formally initiated. Each of the new members was presented with a rose (the national F.H.A. flower), and a red and white ribbon, representing the national colors.

After the ceremony, refreshments were served to the members.

LYNXES BOW TO COMMUNITY, 16-0

The U. School Lynxes, playing their first game since April 9, bowed to Carbondale Community Tuesday, by a score of 16-0.

The Lynxes showed lack of outdoor practice, as they made several errors that led to 6 Terrier runs in the first inning. The Lynxes started in the first as Chaney beat out a bunt with only one out, but was left stranded. After this the Lynxes were held hitless by Gary Imhoff and Harry Bobbitt.

Community picked up 5 runs in their half of the first on errors, which, had the Lynx defense been better, would not have scored. They picked up 1 run in the 2nd and 3rd frames, but really loosened their bats for 10 runs in the 4th, as Dobbie Wright, who started, left for Chas. Reinhardt.

The Lynxes couldn't pick up the needed runs in the 5th to prevent the game from being ended at five innings.

LYNXES DROP 5-3 DECISION TO ATTACKS

The Lynxes were defeated Wednesday by Attucks, despite good pitching by Gary Crews, and the fact that they outhit the winners by a 5-2 margin.

The Lynxes got off to a good start as Ross singled and went to second on a wild pitch; Dobbie Wright walked, and McDaniel struck out, but Mees lined a single to center scoring Ross. Dobbie took third on the center fielder's error and scored on Kent Brandon's ground-out for the second run of the frame. The winners picked up one run in their half of the frame as Miller got on on an error and scored on two passed balls.

The Lynxes failed to score in the second, but Attucks picked up three as Scott singled, went to 2nd as the throw was late trying to cut him off on Yarborough's grounder, Morris then walked to load the bases, and all three men scored on a walk, a ground out, and a fielder's choice.

Both teams failed to score in the 3rd, but Attucks got one more in the fourth on a walk, two stolen bases, and a wild pitch. The Lynxes got their final tally in the 5th, as Jackson walked, stole a base, took third on a ground out, and went home on a passed ball. The Lynxes weren't able to score a man after this.

Crews, in striking out 11 men, only allowed two hits, with only one of them figuring in the scoring. He seemed to get stronger in the later innings, as he allowed only three base runners over the final four frames.

TRACK TEAM PICKS UP THREE FIRSTS AT TRI-SCHOOL MEET APRIL 25

The U. School Lynxes attended a tri-school track meet April 25, with Anna-Jonesboro and Carbondale Community.

Charles Reinhardt took two firsts in high jump and broad jump. The Freshman Relay also took first. Jim Gumm placed third in the 100-yard dash. Wayne Robison picked up 1 point in the 100-yard dash and another in the 220. Other members of the team who placed were Rich Norman, who tied for second in the high jump; Dick Randle in the high hurdles, and Dyke Howell, who placed second in the shot-put.

The Lynxes next meet will be at the Herrin Relays, Saturday. They will also attend the Zeigler meet April 28.

COUNCIL CORNER

On April 25, Jim Sappenfield, J. P. Mees, and Mr. Wyllie left for the State Student Council Convention in Chicago. On Thursday evening, Jim attended the district officers' meeting, at which the fall district conventions were planned.

On Friday our delegates attended the opening session where they heard a speech by Kenneth McFarland, of Gen. Motors. In the afternoon, they heard a speech by a representative of the State Highway Commission, titled, "Students Lead The Way In Highway Safety." After the afternoon speech, the students went to discussion groups.

Friday evening they attended a banquet in the Terrace Casino of the Morrison Hotel. The speaker was Jesse Owens, the Olympic Broad Jumper.

On Saturday the election of officers was held, and the delegates returned home.

BRICKER TURNS PRODUCER

On Monday afternoon, the play, "Case of the Crushed Petunias," was presented under the direction of George Bricker. The play is one of the few one-act plays written by Tennessee Williams. Winkie Lewis, John Bauernfeind, Connie Elder, and Bruce Bruinsma composed the cast.

ART CLASS VISITS ST. LOUIS MUSEUM

Early Thursday morning, May 2, 30 sleepy-eyed art students boarded the bus for St. Louis. The class spent the entire morning at the Art Museum. Among the exhibits the students saw were rooms of furniture in various periods, exhibits of pottery and jewelry, armour, and paintings.

The class ate lunch at Forest Park, and then visited the zoo. They arrived in Carbondale at 6:30 p.m.

SPEECH II CLASS PLAY HERE

The Speech II Class' original play, "Let Man Decide," will be given at 8:00 p.m. in the school auditorium tonight.

The Speech Class has interviewed a lawyer, police authorities, criminologists, and other informed persons to obtain information. They have written the play, designed the sets, and produced the play as a part of their class work.

A jury will be chosen from the audience tonight to decide the fate of a teenage boy, thus the name of the play, "Let Man Decide."

The members of the cast are as follows:

GIRLS ARE "IN THE SWIM"

The Girls' Swim Club will present its annual show on Friday and Saturday nights, May 17 and 18.

The theme of the show is "Fantasyland." Here you will meet many of your favorite Walt Disney characters, such as Dumbo, Cinderella, the Seven Dwarfs, and many more.

Members of the show are: Gay Holliday, Cindy Lerner, Suzanne Swanson, Dale Strusz, Virginia Vogler, Gail Gilbert, Bonnie Limpus, Mary Jo Stroup, Lois Tucker, Marilyn Johnson, Linda Crawford, Linda Crandle, Fran Schoen, Mary Wall, Bonnie McCaslin, Fran Peterson, Sandra Schmidt, Karan Davis, and Donna Buboltz.

Special credit is given to the many persons helping to make the show a success, the costumes, scenery, tickets, publicity, and make-up committees. Buy your tickets now! Adult tickets are 50¢, and children's are 25¢.

Speech Class Play.....

Kent Brandon, Bill Wright, Ray Hicks, Eugene Jackson, Gary Crews, Mary Phillips, Winkie Lewis, Amos Lane, Chuck Irwin, Emory Hall, Dick Randle, Bob Walker, and Mike Morris. Dr. Buys is the instructor of the class.

Brain Teaser

Clifford Dey was the sole victor of the Brain Teaser last week. The problem could have been worked several ways, but the way Cliff worked it is as follows:

$$\begin{aligned} 3/4 &= x/8 \\ 4x &= 24 \\ x &= 6 \end{aligned}$$

Clifford reasoned that out of four units of time, three of these would be spent cutting the metal. He then set the ratio of the cutting time to the time it takes for the complete cycle as equal to x, which represents the total actual cutting time, over the period of time that the machine was used, which was eight hours. After that, it was a simple proportion problem.

Here is this week's Teaser: An object and a flashlight are in a small room together. When the light is below the object, the shadow on the ceiling is circular shaped. When it is on the west side, the shadow on the east side of the room is shaped like a square. When the light is on the north side, the

NOMINEES FOR STUDENT COUNCIL NAMED

The time has again arrived when student council members are to be elected. Remember that the people you elect are those who will decide on the activities of your school for the next year; therefore, the Cat Call urges you to give some thought to your vote. It is important! The nominees of each class are:

FRESHMAN

Judy Hunter, Judy Chaney, Sue Tomlinson, Danny Kirchner, Dick Camp, Jon Ogur.

SOPHOMORE

Shannon Sims, Mary Ann Shryock, Connie Elder, Bruce Bruinsma, Charles Ross, Betty Frakes, and Charles Reinhardt.

JUNIORS

John Hand, Jim Sappenfield, Bob Wheeler, John Mees, Elaine Bicknell, Jeanie Frakes, Johanna VanLente.

Although it is customary to nominate only three boys and three girls, the vote in the Sophomore and Junior Classes was so close that it was decided to retain all the persons nominated on the ballot, provided they are all eligible.

The voting procedure will be the same as last year. The incoming Freshman and Sophomore classes are entitled to two council members; the Junior and Senior classes, three members.

shadow on the south side is triangular shaped. This is a common object. What is it?

NEXT YEAR'S STAFF: A WORD OF ADVICE

We have a motto around the Cat-Call staff. It is this: "Anyone who complains about the paper is welcome to join the staff." None of this year's complainers' names were among the applicants for next year's staff.

However, fifteen people did apply, and we were able to use them all. Here are the people who will bring you next year's Cat Call:

John White, Bonnie Ruth, Judy Chaney, Bonnie Danby, Kobe Lewis, Pat Wycoff, Elaine Bicknell, Connie Elder, Charles Wright, John Wright, Karla Meyer, Allen Arnold, Larry Etherton, Art Parrish, and Darrel Cutler.

If you will notice, the staff is thick in sophomores (they will be sophomores next year) and juniors. This is not too good, as we would like approximately an equal number of students from each class on the staff, but additions (and subtractions) may be made next year. If you think you would be interested in journalism, come around to one of the CAT-CALL meetings and make known your intention, especially you people who are eighth graders now.

A certain philosopher at U. High has just released a bit of advice which I think it wise for all of us to take. Here it is: Drink a quart of milk every month for 1200 months and you will live to be 100 years old.

JR. HI SPIES

"Get Me To The Church On Time" were Mr. Meilke's last words....And it looks like he made it! !

It seems that Richard N. has found himself a "Party Doll." Is that true, Judy?

Mary Ann S. seems to be "All Shook Up" over George B.or is it the other way "Round and Round?"

Bob is through "Talking To The Blues," that is, since Betty Howerton came into the conversation!

Brenda D. is no longer "Too Young To Go Steady,"....at least, Mike L. has changed her tune!

John Bauernfeind has been acting like a "Butterfly" here lately. We hope that he will soon make up his mind and settle on one "Pretty Baby" instead of several.

You can find Jim Gumm..... "Sitting In The Balcony" with Linda Crawford, on the very last row.

"Danny Boy" seems to be Donna's theme song now days.

Bruce is now a "Lonesome Polecat" down at "Heart-Break Hotel," pleading to Jean, "Don't Be Cruel!!"

Hey Judy Chaney! How about that "Band of Gold?" oops! We mean silver!

Connie E. has been in..... "Paradise" since Jim J. said, "Come Go With Me!" Eh, Connie?

At the last F.H.A. meeting, on April 30, the election of the 1957-58 officers was held. A slate of the following officers was presented to the club:

President.....Sally Taylor
Vice-Pres.....Karla Meyer
Secretary.....Mary Wall
Treasurer.....Bonnie Danby
Historian.....Judy Squires
Parliamentarian.....
Donna Buboltz
Recreation.....Ruth Benton
Public Relations.....
Maria Osorio

This slate was voted on and passed.

During this meeting plans were made for the Mother and Daughter Banquet, which will be Tuesday, May 21; and for the Style Show which will be presented in the auditorium on May 16.

CHICAGO, HERE WE COME!

Thirty-two seniors will leave for Chicago, May 23, on the annual senior trip. They will be accompanied by Dr. and Mrs. Willard, Mrs. Francis, and Mr. Wyllie.

The class will leave Carbondale at noon, Thurs., and will arrive in Chicago about 7:00 p.m. They plan to tour the Museum of Science and Industry, and to take a tour of Chinatown by night. They will also have some free time for shopping. They will return Saturday evening, May 25.

The Jr. Hi spies were in a musical mood at the Spring Party. Here's what they found.

"Dim, Dim, The Lights," ...what happened to the electricity?

Don and the broom had a "Mutual Admiration Society."

Gay, was it "Because of You".....that Scott missed the bus?

"Cindy, Oh Cindy,"..... Davis was nice, wasn't he?

Brad must have been.... "All Shook Up."

Who are Gail G's.... "Chains of Love" linked to?

Mr. B. was....."Walkin' After Midnight" with whom?

"I'm Forever Blowing--- Bubbles", where did you get those games?

It was "Almost Paradise" wasn't it Denny?

Jerry Kline sure was a"Lonesome Polecat."

Charlie and Dec's theme song is..."After The Dance Is Over."

Was J. E. stepping on.. Dale C's "Blue Suede Shoes?"

Mary Jo was Theron's... "Party Doll."

G. said, "I Almost Lost My Mind" because J. wasn't there.

Ann B. was singing..... "Don't Be Cruel" to Eddie.

Margie is still..... "Singin' The Blues."

HIGHLIGHTS

LYNXES DROP 6-1 DECISION TO GORHAM

The Lynxes ended regular season play Wednesday as they dropped a 6-1 decision to Gorham, despite good fielding and good pitching.

Gorham scored first as they pushed one run across in their half of the first, but the Lynxes came back in their half of the 2nd to tie it up as they scored on two Gorham errors.

Gorham picked up 2 more in the 3rd and 3 in their 6th to end the scoring.

The Lynxes collected 5 hits to 7 for Gorham, and made only 2 errors, as compared to 7 for Gorham.

LYNXES BEAT VERGENNES

The University School Lynxes continued winning Tuesday, as they downed Vergennes, 16-6, in 5 innings. The Lynxes got off to a fast start in the first as they jumped on Vergennes pitcher D. Hicks for 2 runs. In the second they added another, and really exploded in the 3rd for 9 runs and a 12-run lead.

Vergennes came back in the 4th for 6 runs to decrease the lead to 12-6. When the Lynxes came to bat, they were leading by this same score, but then they pushed across 4 runs to lead by 10, and the game was halted.

LYNXES DOWN ELKVILLE, 4-2

After dropping two games Saturday, the Lynxes came back Monday to defeat the Elkhville Bluebirds, 4-2, behind good pitching by Dobbie Wright. Dobbie, in picking up his first high school victory, allowed only four hits while walking three. The Lynxes got six hits off loser Spain, but they left 15 men stranded on base. The victory was the Lynxes' third.

SCORE BY INNINGS:

LYNXES DROP DOUBLEHEADER

The University School Lynxes dropped a doubleheader to Gorham and Attucks last Saturday. They lost to Gorham 11-3 in the morning, and in the afternoon, dropped a 5-4 thriller to Attucks.

CREWS PITCHES LYNXES TO VICTORY

Southpaw Gary Crews pitched the Lynxes to a 4-2 win over Cobden, May 1. He set 11 players down on strikeouts, allowed only 3 hits, and walked 2. The Lynxes also came through in the hits department.

Modlin scored in the 2nd and both he and Brandon scored in the 4th. Cobden threatened in the 6th, but Crews put Bernhard out with a runner on 3rd. The Lynxes pushed across their final run in the 6th as Wright walked, went to 2nd on a balk, and scored on Jack-

son's single.

Crews struck out his rival pitcher and a pinch-hitter in the 7th, to chalk up the Lynxes 2nd victory.

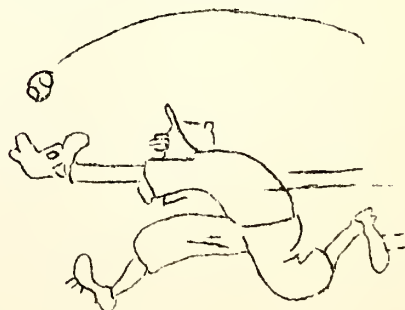

TRACK NEWS

The Track Team picked up 4 points at the Herrin Relays, as Charlie Reinhardt got a 4th in the broad jump, and the sprint medley relay team of C. Reinhardt, C. Wright, W. Robison, and J. Gumm got a fifth.

The University School track team scored 12½ pts. in the Zeigler track meet last Tuesday. Reinhardt got a second in the high jump, third in the broad jump, and fifth in the 220. Jim Gumm got third in the half mile, and the relay team of Gumm, Wright, Schoolcraft, and Reinhardt got a fifth.

Charlie Reinhardt and Jim Gumm scored at the Pinckneyville Frosh--Soph. meet Saturday.

Charlie scored a first in the broad jump and tied for first in the High Jump. Jim Gumm got a fifth in the half-mile, to make up the 10½ points the Lynxes scored in the meet.

SALUTE TO CLASS OF 1957

"Boy did we have fun!" That's what the boys said about their hayride and wiener roast on May 27.

Sam Young furnished the wagon and hay, and the Club furnished the refreshments.

The ride back was somewhat quieter (we won't say why), and a flat tire was exciting, but otherwise--- everyone had a ball!

BAND HOLDS FIRST BANQUET

The band held its first annual banquet, Wednesday, May 29, in the University Cafeteria. Mr. Paterson, Dr. Mees, and Nellie Lybarger talked to the group of 90 members and parents who attended.

The merit system and the letters which were awarded were explained. Letters were presented to 15 sophomores, 2 juniors, and 3 seniors. Nellie Lybarger received a letter with honor. Other senior winners were Ray Hicks and Bill Wright.

The band members presented Mr. Paterson with a swivel boat seat. Entertainment was furnished by Charles Hartwig, Dr. Taylor, and the German Band. Mrs. Sims was the accompanist.

The hands of time turn backward, and it is 8:00 a.m. on September 9, 1953. You are entering U. High for the first time as green, inexperienced young freshmen. My, how big you feel! You live through Freshman Initiation, somewhat to your surprise, and look forward to the day you can initiate some unfortunate Freshman class.

As your class officers that year, you elect Kent Brandon, Dick Randle, and Wanda Sill. David Holloway and Winkie Lewis are chosen to be your representatives on the Student Council.

In no time at all Homecoming arrives with the big game and--for many of you--your first really big dance. Your Homecoming attendants are Harlene Sims and Betsy Swindell.

As the year goes on, you complain loudly about assignments and homework, but you usually manage to get them done. Christmas comes and goes, with that big party; and finally, the day you've been waiting for all year arrives: The last day of school!

September 8, 1954....After that long, lazy summer you're back again, and what a lot of beautiful sun tans! You number 52 this year. Some new faces are added, among them Bricker, Hall, the bdlins, and others. The year gets off to a good start with Kent, Patty Bain, and Kay Davis as your officers. You elect George Bricker and Mary Ann Rushing, oops--we mean Williams, as your Council representatives.

Once again Homecoming is here, this time with Winkie Lewis and Patty Bain as attendants. Many of you boys who were too bashful to get dates for the dance your freshman year show up this time, and just look at those beautiful gals!

Again the Christmas party, vacation, then more school work, and before you even know it your second year at U. Hi is over, and you leave for summer vacation with the realization that when you return you will be upper classmen!

STUDENT COUNCIL ELECTIONS

If you voted on the new constitution, chances are you voted yes, for it was passed almost unanimously; but do you really know what you voted for?

Elections have been a weak point of this year's Council. In the last election no attempt was made to explain the new constitution until one week before the election. This did not leave the council time enough to thoroughly explain the new constitution. Therefore the campaigning consisted mostly of telling everyone the "the new constitution is better, so be sure to vote for it".

Printed below are three failures of the Student Council during the last election:

- (1) Failure to properly inform the students of the differences between the two constitutions and why the new one is better.
- (2) Failure to properly advertise the place of voting.
- (3) Failure to properly inform the students of the correct method of voting.

I would like to elaborate some on that third point. The instructions for voting were passed on verbally but sometimes didn't reach their destination. Several students voted for Student Council in all the classes thereby invalidating their ballot.

There is only one student council here; if they don't do the job, then it's not done. Next year we will have a new and better constitution. Let's hope the new council takes their duties more seriously.

FRIENDS, ROMANS, COUNTRYMEN....

Tornado scares and soaking rains caused the members of the foreign language club to postpone their Roman funeral until Wednesday, May 29th.

The "body" lay in state all day. At 4 p.m. the procession of musicians, dirge singers, torch carriers, cries, mourners, and relatives proceeded the

stretcher carrying the body; it moved to Lake Street where a pyre was prepared for cremation of the body.

After a ceremony around the pyre, a picnic was held in good Roman style.

F.H.A. News

The University High School chapter of Future Homemakers of America presented the all school assembly program May 16.

Highlight of the program was the annual F.H.A. style show with the theme, "I Remember When". Garments of the "Early 20's" were modeled and compared to present day fashions made and modeled by home-making girls. As an added interest, University High School boys modeled present day sports, school and dress fashions provided by Kenneth Odum, manager of the Walker and Son's Clothing Store in Carbondale. Boys modeling were Bruce Bruinsma, George Bricker, Andy Swanson, and Charles Reinhardt. Dorothy Kinsey narrated the style show and Susan Caldwell accompanied with music.

During the style show, entertainment was provided by the German Band, the Starlits, and George Buys, who gave a comedy act.

On May 2, the annual Mother-Daughter Banquet was held in the homemaking department. To carry out the theme of "When Mother Was A Girl", the tables were attractively decorated with rose bowls, nosegay favors, and pastel program booklets. Following the dinner, everyone adjourned to the Studio Theatre where the program was given. Fond memories were brought back to the mothers by a skit showing dresses of the 1920's.

SENIOR SALUTE.....

SpyGlass

WANDA SILL...wow! what a big sparkler! Congrats!!!

"DR" SMITH...get that! gee! everyone be on their toes because Mr. Smith has changed his title. Congratulations to you!!

JIM GUMN...seems Jim has taken a liking to Mary Ann S. Keep up the good work.

BRUCE BRUINSMA..."The Last Fling" was really flung by Bruce! He made quite an appearance as "Mugsy" the mouse; but where was his girl?

MRS. SIMS...we want to thank you for a wonderful year of music, and we are so sorry you will not be with us next year.

JUDY LUKENBACH...what will she do do when Richard N. graduates?

JIM TRAVERS.....why don't you wake up and give that freshman girl a chance?

DICK RANDLE...we hear you are going steady with Marilyn Geer!! Is she the cousin From DuQuion?

WINKIE LEWIS...the University of Florida is a long way from University of Illinois, isn't it??

ART PARISH...it looks like you are doing fine with Karen Davis! Is this true?

LOIS KILMER...a senior trip sometimes proves to be very interesting! Does Emery agree?

September 7, 1955.....Back again, and aren't you proud! You are no longer underclassmen, but suave, experienced old juniors. You choose Kent, B. Chaney, and Nellie Lybarger to be your class officers in that all important year, and Bricker, Lewis, and Sill to be your student council members. Your homecoming attendants this year are Carole Zurflueh, a newcomer, and Winkie.

The year seems to fly by as you buckle down to chemistry and advanced algebra. Soon spring rolls around again, bringing with it the Big Night you've all been dreaming of--the Junior-Senior Prom! You work hard to make the Prom a success. Remember the \$85 in crepe paper, and how many times the ceiling fell! But no one could have hoped for better results than you get.

Graduation day for the class of '56 arrives, and as you watch the seniors walking forward to get their diplomas, you realize that next year it will be you who will be honored on commencement day.

This is it! The Year! Yes, the year you think you've been waiting for all your life has arrived. You're seniors now, the "big wheels" in school. Don't you feel proud when you get those admiring stares from the green, green freshmen?

As your senior class officers you elect Brandon, Lingle, and Lybarger. You choose Buys, Bricker, & Lewis for Student Council, and George Bricker is elected President.

Winkie reigns as Homecoming Queen this year, with Lois Kilmer, Patty Bain, Wanda Sill, and Linda Grandle as her senior attendants. Again you enjoy the dance at the Carousel, and also the Christmas party, but there is the sobering thought that they are the last ones of which you will be a part.

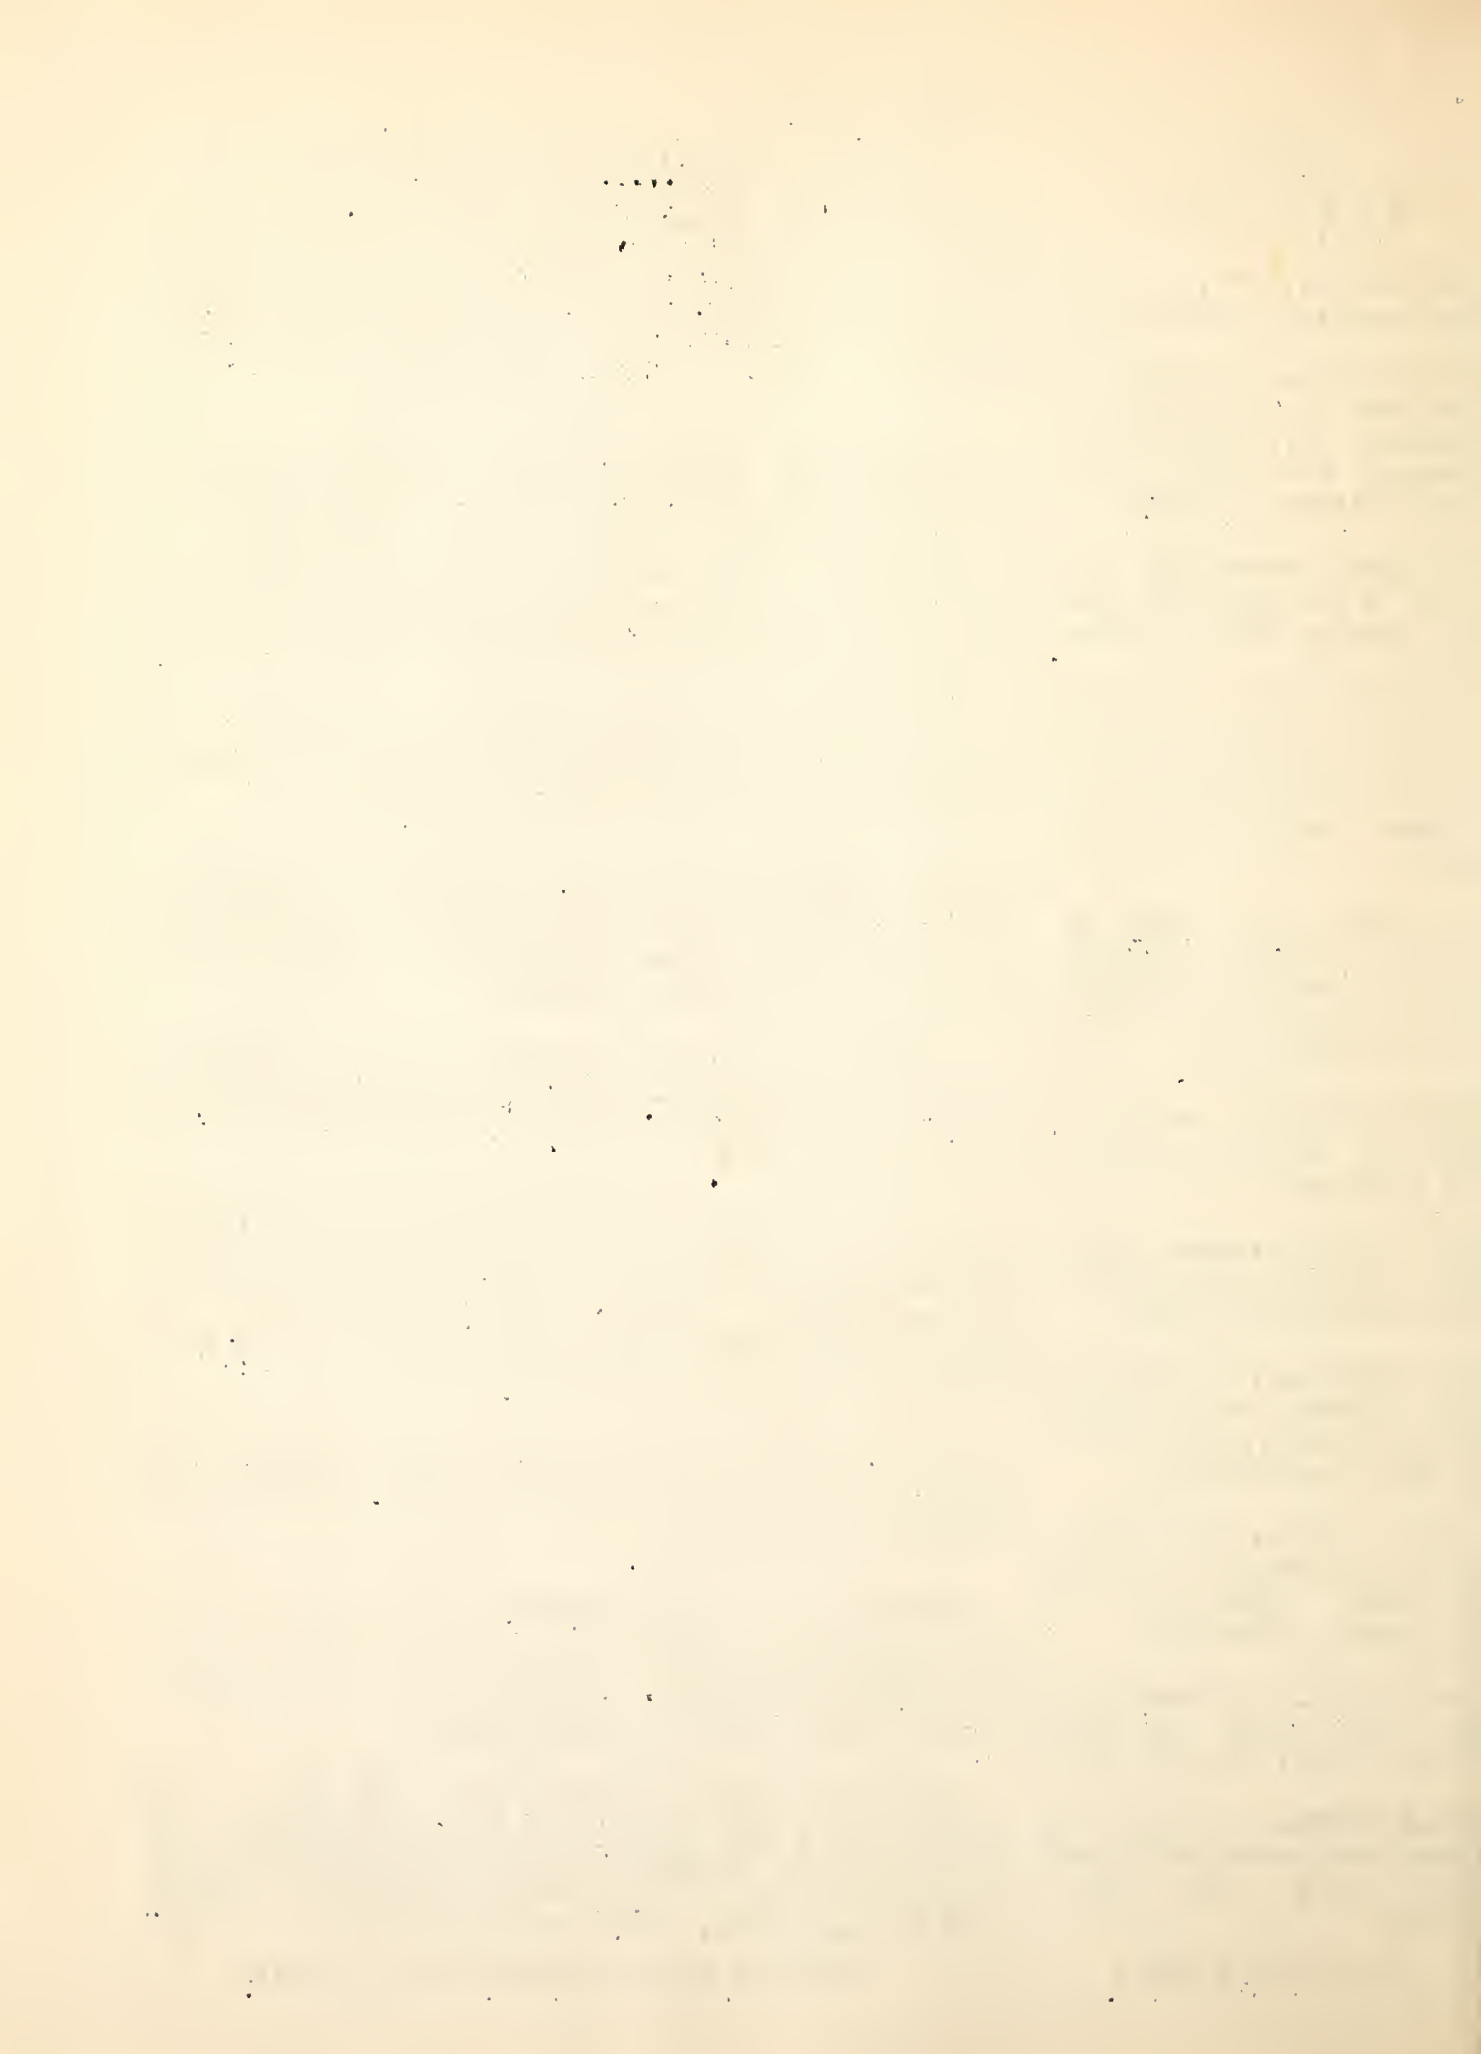

You come back from Christmas Vacation,----rested and refreshed, and ready for more work. You dig into Physics and English IV with renewed vigor, and look forward to graduation.

Again springtime and Promtime arrive, and this time you relax and enjoy it while the Juniors plan that Castle of Dreams. And what good planning they did, too! Your last high school Prom turns out to be a night you will always remember.

Now that day is almost upon you. Soon you, the Class of '57, will walk out of University School for the last time. We whom you leave behind will be watching you, knowing that you will be successful in whatever you undertake. We're proud of you!

SEE YOU NEXT YEAR!

Goodbye, and Good Luck, Class of 1957!

TRACK NEWS

18 RECEIVE LETTERS IN SPRING SPORTS

This year the lynxes were host for the District Track Meet at S.I.U. There were 30 schools entered in the meet. Charles Reinhardt tied for fifth place in the high jump, picking up a half point. He also broad jumped nineteen feet two inches, but did not place. Jim Gumm picked up the other points as he ran the half mile in 2min. 7.07 sec. to tie for fifth, obtaining another half point. Charles Wright, Bill Schodft, and Wayne Robinson entered, but failed to place. The team scored in every event it participated in except one.

Charles Reinhardt scored 26 points, Jim Gumm scored 7.5 points, Charles Wright scored 3 points, Wayne Robinson scored 2 points, and Bill Schoolcraft scored 1 point for the season. The team as a whole scored 39½ points for the year.

Eddie Danby placed 4th in the pole vault at the grade school's meet. Eddie was the only grade school boy to receive a letter.

INCIDENTALS

The JV baseball team had a 0-3 record this year as they played only three games due to the fact that some were rained out. John MacDaniel led the team in hitting with a .571 avg. followed by Andy Swanson with a .375 average.

See you NEXT year!
C.W. W.R. L.E. K.M.

18 boys received letters in track and baseball at the annual spring sports picnic Tuesday. 5 boys lettered in track while 13 received letters in baseball. The letterwinners in track were Jim Gumm, Charles Reinhardt, Charles Wright, Wayne Robison, and Bill Schoolcraft. The letterwinners in baseball were Bill Chaney, Terry Modlin, Gary Crews, Dick Randle, Gene Jackson, and Kent Brandon seniors, John Mees and Larry Hearn juniors, and Charles Reinhardt, Dobbie Wright, Charles Ross, Danny Lewis, and Lavern Addison sophmores. All the track letterwinners were sophmores.

In addition to the presentation of the awards, the boys also participated in a basketball and a "Kitten" ball game with the track men versus the baseball men. After the games were over, the boys all went swimming and then all ate heartily of a huge picnic lunch, after which the awards were presented.

Charles Reinhardt, sophomore catcher, led the Lynxes in hitting over the 1957 season as he obtained 9 hits in 21 at bats for a .429 average.

The final unofficial individual averages are as follows:

	<u>AB</u>	<u>R</u>	<u>H</u>	<u>RBI</u>	<u>Avg.</u>
Reinhardt	21	4	*9	4	.429
Mees	24	3	*9	4	.375

MacDaniel	3	0	0	0	.000
Baurenfeind	1	0	0	0	.000
Swanson	1	0	0	0	.000

* indicates that the person either tied for team lead or led team. Charles Ross led the team in sacrifices with three.

The Lynxes this year compiled a 4-6 won-lost record. The Lynxes defeated Elkville, Vergennes, Cobden and Pinckneyville, while losing to Attucks twice and Gorham three times.

Also receiving letters at the spring sports picnic were Chuck Tudor, Craig Curran, and John Rushing managers. Tudor and Curran were High School managers and Rushing was the grade school manager.

COUNCIL CORNER

Another school year is underway. This year U. School enrollment is bigger than ever, with a number of new students and several new faculty members. It's up to you old "U. Highers" to help these new students and teachers get acquainted and to make them welcome.

This year your Council is going to be working harder than ever to help you. The only way the Student Council can help is for you to bring your problems to it. Remember, that it is your Student Council, and the people on it are all representing you.

For the benefit of the new students, here is a list of Council members:

Seniors:

Jim Sappenfield, Pres.
Elaine Bicknell, Sec.
Bob Wheeler

Juniors:

Charles Ross, Vice Pres.
Connie Elder
Bruce Bruinsma

Sophomores:

Judy Hunter
Dick Camp

The freshman representatives are elected in the fall to give new students an opportunity to be on the Council. Janice Elder and

U. SCHOOL SETS ENROLLMENT RECORD

Dr. Mees has said that U. School enrollment is up fifteen students over last year. Broken into classes, the figures stand like this: Freshman, 66; Sophomore, 68; Juniors, 61; and Seniors, 45. This is an all-time high of 240 students, and according to Dr. Mees, is about capacity for the size of the U. School staff.

The Junior class has the largest difference in boy-girl enrollment. There are 19 more Junior girls than boys. The Sophomores come in second with 12 more girls than boys.

Fifty-two and fifty-nine are enrolled in the seventh and eighth grades respectively. All other grades have 25.

FHA ENTERTAINS NEW GIRLS

The F.H.A. entertained the Freshman girls with a supper and games at school Thursday, Sept. 12. The party started at 3:00 p.m. and lasted until 6:30 p.m. Miss Konzleman and Sallie Taylor, President, welcomed the girls and explained the club. Karla Meyer told the girls of the club's program for the coming year.

The F.H.A. hopes to see many, if not all, of the freshman girls at the next F.H.A. meeting.

Ronnie Brumley were elected Monday.

Any time you have a problem or suggestion which you feel concerns the school, take it to your Council representative!

WHO WILL SHE BE?

The big question at U. School right now is, Who will be the 1957 Homecoming Queen. Election for Queen's Candidates and Attendants was held Monday.

Her Majesty's attendants will be Holly Brown, and Suzanne Swanson from Jr. Hi., freshmen Carol Howell and Margie Malone, sophomores Brenda Dillow and Judy Hunter, and juniors Judy Lukenbach and Karla Meyers.

Five senior girls are vying for Queen. They are: Mary Phillips, Jeanie Frakes, Elaine Bicknell, Susan Garbutt, and Bonnie McCaslin. One of these girls will be chosen Her Majesty by a popular vote of the student body. Rules for voting will be announced later.

Now that the rather hectic first week is over, activities at U.School are in full swing. We started the year out well by having a good turn-out for our opening football game, and we hope that this good spirit will continue throughout the year.

We are also expecting active participation from the student body in the many clubs and other extra-curricular activities which U. School offers. And by "participation" we don't mean joining a club and then forgetting about it until it has a party! It's true, of course, that getting into too many activities can interfere with your school-work--and, incidentally, in the amount of good work you can do in each club. But participation in an activity that genuinely interests him is good for anyone.

So, let's try to strike a happy medium this year: Don't be a "joiner" who gets into everything that comes along, but don't go to the other extreme either. Remember that you're wanted and needed in any club that interests you.

LYNX BAND NEWS

This year the band is 48 in size, and it shows signs of being as good or better than last year's band. Our officers are Connie Elder, President; Jim Sappenfield, V. Pres., and Susie Wyllie, Sec.

Of course, if we play at all the home games, we'll need the full support of all the band. If any of you play an instrument and aren't in the band, we would like for you to join us. We badly need a ball player, and anyone who has played piano could easily pick this up. We also need a bass player, a bassoon player, a baritone player, and a piccolo player. If you want to join the band, please see Mr. Paterson as soon as possible.

In our marching band we also have several letter girls and twirlers. Our majorette is Dolores McCall. Our twirlers are Emillee Murray, Barbara Belford, Betty Frakes, and Judy Lukenbach. Our letter girls are Sue Tomlinson, Joyce Watkins, Sandra Schmidt, Janet Dewitt, Carol Jolly, and Carolyn Meyers.

BRAIN TEASER

Yes, again this year we will have a brain teaser. Winners' names will be printed in the following issue. Submit your answers to Art Parrish.

Here it is:

The numbers 1 - 9 can be arranged in two columns so that they have the same sums. Can you arrange them?

CARRONDALE HOME COMING TO HAVE SPECTACULAR CHANCES

This year's homecoming will be different from any other in U.High's history. It is to be spread over a two-day period. That's right, Homecoming will be October 3, 4. The Coronation is to be on Thursday night and the game and dance on Friday.

The theme this year is "Dutch Mill." A blue and yellow mill 8 feet high is being constructed. Three-fourths of the gym will be used this year. Music will be furnished by Archie Griffin's band. Lighting will be taken care of by George and Dick Camp.

The Queen and her attendants will attend the game and will be presented on the field. Your Council has arranged for the use of Edsel convertibles for the night.

Jim Sappenfield, home coming co-ordinator says this year's event will be "hurried, since it is so close to the opening of school, but we're going to do as much beforehand as possible." The Agriculture classes are helping construct the mill.

FUTURE TEACHERS MEET

The FTA held its first meeting on Wednesday, Sept. 25. Frances Moore was elected President, Rita Lou Carson Secretary, and Pat Wycoff was named chairman of the yearly project.

The club plans to make vocational bulletin boards for the third-floor board this year.

The U. School Lynxes opened their 1957--58 football season last Fri. by beating the Elkhville Bluebirds, 32-6. The Lynxes scored their first TD about midway through the first quarter. Dobbie Wright completed a 40-yd. pass to John Mees, putting the ball deep in Elkhville territory. A few plays later Gumm carried the ball over to score.

Shortly after the quarter opened, Gumm scored on a beautiful 58-yd. run down the sideline to make it 12-0, as both placements were missed.

Elkhville fumbled and the Lynxes recovered. Gumm carried around left end for a 41-yd. gain to the E. 20. Tom Williams carried round right end to put the ball on the 5, where Dobbie carried over for the score, making it 18-0.

Elkhville took to the air, but Tracy intercepted one and ran to the E. 3 and Gumm carried for the TD. Reinhardt place-kicked the extra point, to give the Lynxes a 25-0 halftime score.

Neither team scored in the third quarter, but early in the fourth Goffel of Elkhville intercepted a Lynx pass, and the Bluebirds then marched downfield to score. The Lynxes came back late in the game, as Dyke Howell skirted right end from the Elkhville 5 with seconds remaining, and Reinhardt kicked the extra point for a 32-6 victory.

Attention all gals and guys at U. High. We are proud to introduce some of the new students from various parts of the country.

Betty Appleton, a senior from Milwaukee, loves to ride horseback. Arthur Couch, a sophomore from Mt. Morris, Mich. likes to build model planes. Susan and Audrey Crawford both hail from Carterville...but are not related.

Allen Davidson loves to fish. Jane Hinners, a jr. from Urbana, likes to write to pen pals. Bruce Homoya likes model planes. Lynn Leonard, sophomore from St. Louis, likes swimming and reading. Rebecca Keller, freshman, likes Pat Boone. Kathryn Loder, a senior from New York, likes drama and art. Lloyd Nigro has the 'distinction' of coming the longest distance, from Costa Rica. He likes photography.

Rodney Parrish, freshman from Vergennes, likes to collect stamps. Jim and Jerry Pickar, freshmen from Carterville, like to ride horseback. Margaret Schechmeister, a sophomore from St. Louis, collects records.

Judy Smith, a sophomore from Minnesota, plays the French Horn and piano. Jim Talley, sophomore from Mounds, likes hunting. Winston (Charlie to you) Zeeckler, a freshman from Evanston way, likes stamp collecting and photography.

The Catcall staff waves a big WELCOME and hopes you are feeling at home at U. High.

SENIOR NEWS.....

It seems most of our '57 seniors are still here at S.I.U. Those who have gone away to college are George Bricker, Emory Hall, Bill Chaney, Linda Crandle, Marilyn Johnson, Elaine Kaplan, Winkie Lewis, Fran Schoen and Jim Travers.

JR. HI CELEBRATES
HOMECOMING WITH PARTY

HOMECOMING 1957 IS A GALA AFFAIR

After the game Friday evening, there was a party for the 7th and 8th grade students in the Recreation Room. The room was decorated with streamers of crepe paper and clusters of balloons. Refreshments of cookies and punch were served. The most popular dances were two-step, rock 'n roll, and the bunny hop.

The climax of the party was when everyone started grabbing at the crepe paper and popping balloons, much to the decorating committee's dismay.

The party was sponsored by the Junior Student Council.

HURRAH FOR OUR BAND

One of the highlights of the football game was the band performance at halftime. We should congratulate Mr. Paterson and the band members for a job well done.

Excellent music, along with marching formations, made the evening more enjoyable. We would also like to congratulate the unidentified (?) clown who added so much to the performance. How about some baton lessons, clown?

SEE YOU AT THE
GAME TONIGHT!!

MARY PHILLIPS CROWNED QUEEN

University School's 1957 Homecoming started with a bang last Thursday, as Mary Phillips was crowned Queen by co-captains J. P. Mees and Steve Williams.

Mary was chosen by vote of the Student body. Senior attendants were Susan Garbutt, Elaine Bicknell, Jeanie Frakes, and Bonnie McCaslin.

Other attendants were Judy Lukenbach, Karla Meyer, Margie Malone, Carole Howell, Suzanne Swanson, and Molly Brown.

Train bearers were Mary Swindell and Billy Brown, and Mary Lewis was crown bearer.

Bruce Bruinsma, Vice-President of the Student Council, did an excellent job as MC, and Sallie Taylor provided the musical accompaniment.

F.T.A. RECEIVES PUBLICITY

Newsletter, a publication of the Student Ill. Education Assoc., carried a story about U. School's FTA project for last year. It also contained a picture of Rita Carson telling a story to the first grade room.

HOMECOMING DANCE A DREAM

Soft lights and sweet music marked the end of a beautiful homecoming weekend last Friday night, as the 1957 Homecoming dance was held immediately following the football game.

The gym was beautifully decorated in blue and yellow to carry out the theme Dutch Mill. The Council did an excellent job of constructing both a false ceiling of blue crepe paper, and an ingenious false wall to enable them to use a 3/4 gym. The center of attraction was a large blue and yellow windmill, which was built with the aid of the agriculture classes. The side walls were decorated with Dutch scenes, and the tables held small windmills as centerpieces.

Music was supplied by the Art Griff combo, which played everything from the Queen's waltz to Rock 'N Roll.

F.H.A. TO OBSERVE U. N. DAY

On Tuesday the F.H.A. will hold a luncheon in the Home Ec rooms in honor of United Nations Day. The guest speaker will be a French student from S. I. U.

U. School To Attend Latin Convention

On Saturday, October 12, thirtysix Murphysboro High School and University High School first and second year Latin students, chaperoned by Mrs. Evelyn Rieke of University school and Miss Mary Saver of Murphysboro High, will head for Alton, Illinois and the 1957 State Convention of the Junior Classical Society.

The J.C.S. is made up of Illinois high school students taking courses in Latin and has state wide convention every other year between. In 1955, at the Ninth J.C.S. State Convention at Clinton, Illinois, twenty three schools registered an attendance of 650 students.

As part of this year's program, University School Will present a play, recited in Latin, entitled "Egeria". The story tells of a slave girl, Egeria, when proven to be the long lost daughter of the family to which she is enslaved, is allowed to marry the family's adopted son, who is in love with her. The cast of the play, all second year Latin students, includes Karla Meyer as Egeria and Dick Camp as the adopted son, with Art Parrish, Margaret Schechmeister, Bonnie Mcleslin, Tony Willard, Donna Buboltz, Susan Freilds, Lovia Valentine, and Mary Ann Shryock.

F.H.A. News

U. School Chapter of F.H.A. attended the District

II Fall Rally at the Union High School on Sat., Sept. 28. Fifteen members, five student teachers, and the Chapter Mothers and Miss Konzelman attended.

The girls were entertained with a style show put on by Stroup's Store, and a flower arranging demonstration by Mrs. Willard Gersbacher.

ORCHIDS TO STUDENT COUNCIL

At the time our student council gave us our very memorable 1957 Homecoming Dance, school had been in session only twenty-two days. To have created such a success in such a short length of time obviously took a great deal of work, and we think the members of the student council should be congratulated on the fine job they did.

Our student council representatives have been exerting themselves on behalf of the student body ever since the opening of school. They have done excellent work in everything they have undertaken so far. We feel confident that they will continue this outstanding service to the school throughout the year.

Keep it up, kids. You're appreciated!

LYNXES DOWN CARTERVILLE
20-13

The University School Lynxes downed a fast Carterville team on Oct. 27, to win their second game against no losses. The Lynxes scored first on a pass play, as John Mees caught a pass thrown by Dobbie Wright and ran 16 yards to score, and the Lynxes led 7-0 as Reinhart kicked the extra point.

The Lynxes' defense held Carterville on downs, and they were again on the march downfield. Dobbie plunged over from the five for the touchdown. The extra point was missed, and the Lynxes led 13-0. But Carterville came back and fought downfield until Fozzard finally plunged over to score. However, the try for the extra point was no good and the score at halftime read 13-6.

Neither team scored in the 3rd quarter, but Carterville pushed across a touchdown after they had a touchdown called back. The try for the extra pt. was good, and the score was 13-13 with 4 minutes remaining. The Lynxes took the ball and with about 2 minutes remaining, Charlie Reinhardt did a beautiful job of broken field running to score, making it 19-13. A pass to Bruinsma gave the Lynxes a 20-13 lead.

The Lynxes kicked short and recovered the ball, and they ran out the clock to preserve their victory.

LYNXES WALLOP VALIER
39-6

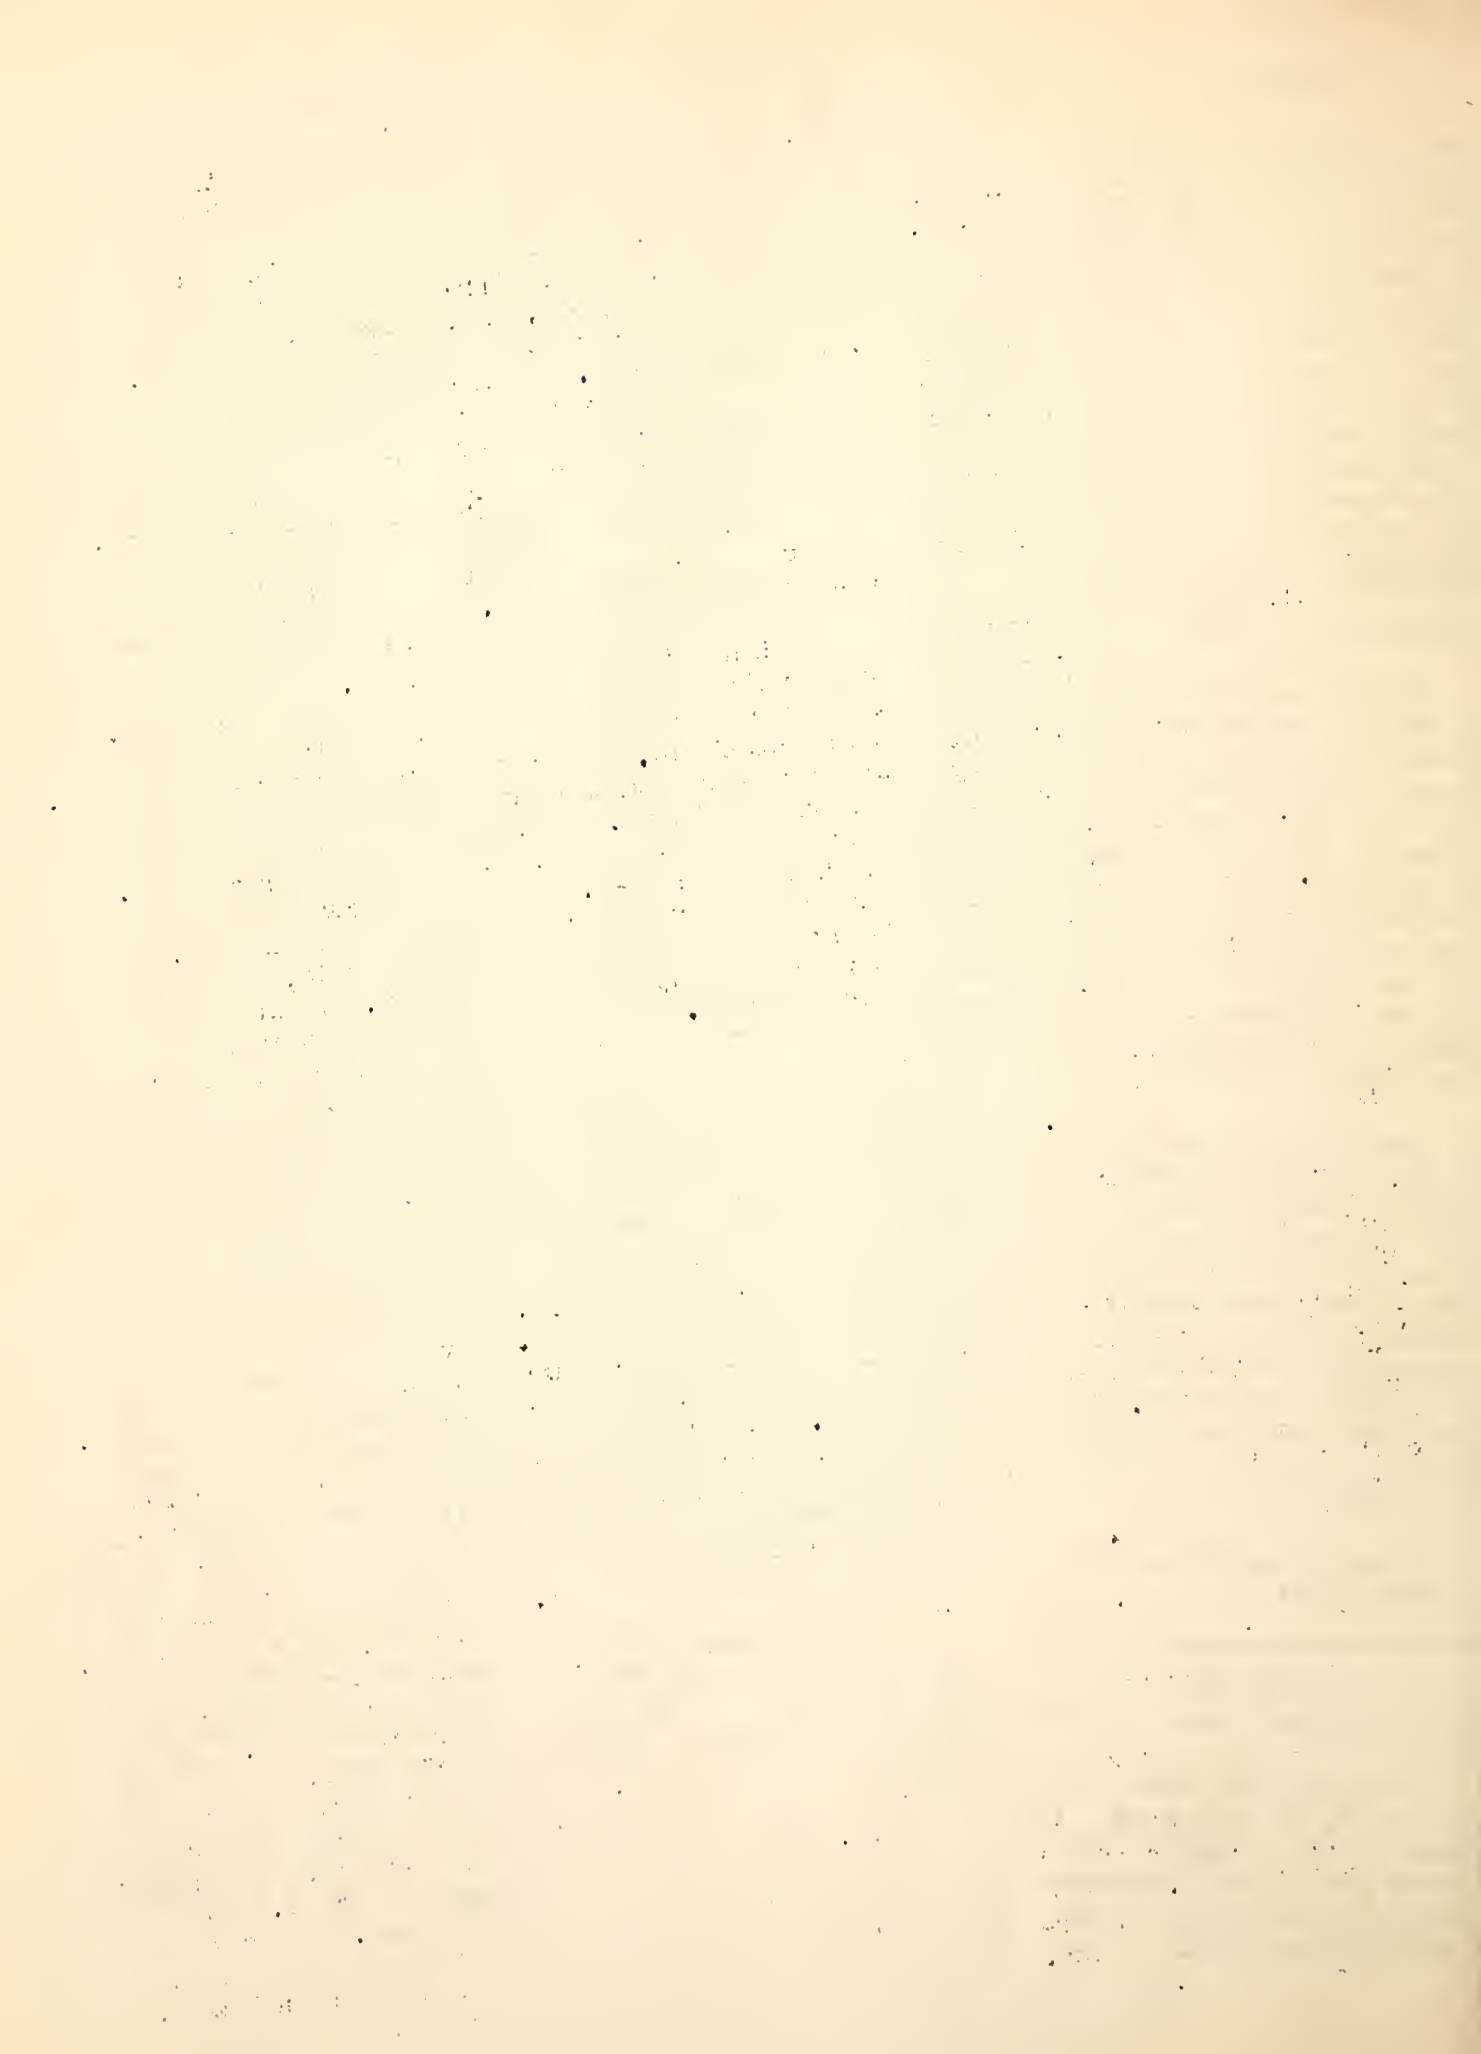

The University School Lynxes walloped Valier last Friday, 39-6, for the third victory in a row. Valier took the kickoff and started down the field, but the Lynx defense stopped them and the Lynxes took over in their own territory.

Four plays later Dobbie Wright passed to John Mees in the end zone for a 6-0 lead. The Lynxes kicked short and recovered. Two plays later Reinhardt carried over for the score.

The Lynxes again kicked short and recovered, but the drive was short and Valier took over. The Lynx line held, and they took over. Their march ended as Reinhardt carried over to score, and a pass to Dobbie was good for the extra pt.

After an offside penalty against the Lynxes, Valier took the ball and eventually scored, making it 19-6. The Lynxes took the kickoff, and Reinhardt took over to score, and a pass to Swanson in the end zone made it 26-6 at halftime.

Neither team scored in the 3rd quarter, but in the 4th quarter the Lynxes started downfield again with Jim Gumm carrying around right end to score. Reinhardt carried over for the extra point, and the score read 33-6. Shortly "Doc" Bencini sent in the reserves to run offense, but Reinhardt intercepted a Valier pass and ran 61 yards to score. At the final gun, the score read 39-6 and the Lynxes had racked up a homecoming victory.

COUNCIL CORNER

On Saturday, Oct. 26, your Council attended the Collinsville District of Student Councils Convention at Granite City. U. High was represented by Jim Sappenfield, Dick Camp, Bruce Bruinsma, and Judy Hunter. Dr. Arthur Smith, sponsor, also attended.

The meeting was called to order by the President, and members were welcomed by the Principal of the Granite City High School. Following the welcome, there was an address by Miss Dorothy Colonius.

Bruce Bruinsma, of U. School, led one of the group discussions on the topic, "Can Student Councils Aid the Social Growth of Students?"

After the discussion groups, luncheon was held in the High School. After lunch, there was a general session on the state and national conventions and the summer workshop.

Jim Sappenfield, President of the U. High Council and Vice-President of the Collinsville District, presided over the third session, which was the election of officers.

Your Council decided not to run a candidate for district office this year, but they are planning to nominate Bruce Bruinsma for a state office at the State Convention.

ALL-SCHOOL PLAY CAST CHOSEN

On November 20 and 21, at University School Auditorium, you will have a chance to travel to a small French circus and there become entangled in the strange mystery of Samarkand.

Jacques Deval has woven a delightful, romantic, melodrama, Tonight In Samarkand, around Nercia, a dedicated lion tamer, played by Kay Loder, and the many men who want her. There is Angelo, the juggler, played by Ralph Dillow; Paul Fabourer, a cynical rich man, played by Wallace Pulliam; Sourab Kyan, a moody, circus magician, portrayed by Allen Arnold.

The story is stirred into a mystery when the middle-aged police inspector, Massoubre, played by Mike Morris, calls on a surprised Sourab Kyan. Others in the cast are Susan Garbutt, Anne Phelps, Joyce Kaplan, Johanna VanLente, Jim Sappenfield, Lynn Leonard, Rita Carson, Tony Willard, and Elaine Bicknell.

This is your chance to get in the ring! Grab your binoculars and come to view a behind-the-scenes story of the people who make up the heart-leaping experiences of the circus! See you November 20 and 21 in SAMARKAND!

F.H.A. GOES TRICK OR TREATING

On Tuesday, Oct. 29, the U. School Chapter of F. H. A. participated in a national "Trick or Treat" project sponsored by Texaco. The collectors were dressed in Halloween costumes and wore identification arm bands or tags.

What is Unicef? Not many years ago the United Nations started a fund for sick and hungry children all over the world. It is called United Nations International Children's Emergency Fund.

The project proved to be a huge success. The results were \$69.33.

U. SCHOOL STUDENT ELIGIBLE FOR AWARD

The top science student in the Senior class at U. High, to be chosen early in 1958, will be eligible to apply for one of a group of major Science scholarships sponsored by the Bausch & Lomb Optical Co. at the University of Rochester.

The winner of the Bausch & Lomb Honorary Science Award, who will receive a medal at graduation, will be eligible for the scholarship competition.

All students who are near the top of their class in science are advised to check with Dr. Gross.

THE LYNX THINX

When pupils of a school are given special and unusually generous privilege, it is disappointing to see them take advantage of these privileges and use them as an excuse for rowdiness and mis-conduct. This has been the case with the noon-time privileges which are extended to U. High students every noon in the Rec Room.

It is doubtful that there are very many students in school who would not be ashamed to have an outsider observe the chaos in our Recreation Room at noon. What with slugs being dropped into the coke machine, paper cups and lunch bags being strewn all about the floor, and pushing, shoving, and general bad manners being seen in the lines, it isn't at all the sort of scene people who have reached high school age should be proud of.

The worst of it is that on top of being old enough to know better, students

have also been told countless numbers of times by teachers in the Recreation room to cease the childish behavior. It seems, however, that these warnings have little or no effect.

Let's all call on our school spirit and self-respect, and do away with these conditions in our lunchroom. How about it?

DEBATE TEAM NEWS

On Tuesday, October 29, the Discussion and Debate Team visited the Speech II classes at Benton High School, to present a discussion.

Three members of U. High's team, Rodney Brod, Tony Willard, and Art Parrish, were on a team with two Benton debaters; and Bonnie Ruth and Mike Morris were on a team with three Benton debate squad members.

The discussion were presented before two of Benton's speech classes. The topic for this year's high school debates is Foreign Aid.

The team is being coached by Mr. Fee. Mr. Branch, a student teacher, is assisting him.

LYNXES BOW TO SESSER

The Universtiy School Lynxes lost for only the second time this year as they bowed to Sesser Friday by a 27-7 count. Sesses opened the scoring in the first quarter as they took the opening kickoff and marched downfield with a pass from Maddox to Taylor bringing the touchdown and as the extrapoint kick was blocked the score stood at 6-0 in favor of Sesser.

The Lynxes failed to get an attack going and Sesser took over the ball and when the 1st quarter ended they had the ball on the Lynxes 1 yard line. The first play of the 2nd quarter Gump plunged over for the touchdown and as Maddox plunged over for the extra point the score stood at 13-0. Late in the 2nd quarter the Red Devils drove to the Lynxes 2yd line for a 1st down, but the Lynx line held for three plays, but on the 4th down Maddox again hit Taylor with a pass for the touchdown and as Calvette converted the score at half-time read 20-0 in favor of Sesser. Sesser scored once in the 3rd period on a 65 yard pass play from Maddox to Taylor and as Calvette again converted the score at the end of the 3rd period stood at 27-0. In the final period Jim Medlin picked up a Sesser fumble and ran 40 yds. to score and as Charlie Reinhardt converted the score stood at 27-7, and that was what it stood when the final gun sounded.

LYNXES LOSE THRILLER TO ZIEGLER

The University School Lynxes lost for the first time this year last Friday as they bowed to Ziegler in a 13-12 thriller. Ziegler opened the scoring in the first quarter as they marched down field with Larry Hiller finally carrying over for the score. The extra point was good and the score was 7-0 in favor of Ziegler. Neither team scored in the second quarter and at the half the score still read 7-0 in favor of Ziegler.

Early in the third quarter Ziegler started a march that ended with Hiller running about 30 yards to score and then the extra point was missed the score stood at 13-0 in favor of Ziegler. The score remained the same until

the fourth quarter. On the first four plays Ziegler surrendered the ball to the Lynxes on downs. This was the last offensive play for Ziegler. The Lynxes started a march upfield with Charlie Reinhardt carrying the ball over for the score, and as the try for the extra point was no good the score stood at 13-6. The Lynxes short kicked and for the sixth time, recovered. They immediately started a march with Bobbie Wright carrying for the T.D. The try for the extra point was no good and the score stood at 13-12 with little time left. The Lynxes short kicked and recovered, and then they started another march. The Lynxes had the ball on the twentyfive yd. line of Ziegler when the final gun sounded.

THE OTHER SIDE OF THE FENCE

Fans, as we close another great season on the old gridiron, we would like to answer a few questions which may have been ozzing through your warped little minds.

Some of you may be wondering about that odd-looking brown object which the other team persists in carrying over our goal line. A survey of leading coaches reveals that this brown object is a pigskin, originally created to hold a pig together. The teams usually consist of eleven fine specimens of brute strength. The best linemen come from the species diputs toidi*. Now let's step into the dressing room and interview one of the players. What do you think of tonight's opponent? "Well, those----- are----- We----will-----so,xxxxxx if-----!"

Out on the field the boys are looking real mean. Let's go down to the sidelines and watch. Here he comes across the field around right end. This is terrific, folks! Never have I viewed such a play since my playing days. I can see his shining cleats as.....

Getting serious here in my hospital bed, I would like to name Jim Gumm as the "best offensive player," and Steve Williams as the "best defensive player." Also a big bouquet to the entire U. HI football team, not to mention our coaches, "Bud" and "Doc".

THE COUNCIL CORNER

LET'S PAUSE TO THINK

The last two weekly meetings of the Student Council have been devoted to debate on a proposed amendment to the school constitution. The proposed amendment concerns how many meetings a council member should be allowed to miss and still remain on the council, and how a member dismissed from the Council should be replaced.

The proposed amendment was presented at the last Council meeting by a committee composed of Bob Wheeler, Charles Ross, Elaine Bicknell, and Bruce Bruinsma.

Any students having an opinion about this amendment should see their Council representatives.

Dr. Smith reports that he has heard from Gary Crews, 1957 U. Hi grad who is now in the U.S. Air Force. Gary said in his letter, "I sure am glad to see U. High go to town in football. Please tell everybody hello for me."

Gary's address is:

A/B Gary A. Crews

Lacaland A.F.B., Texas

We are sure that some of you will want to say hello to Gary. We know he'll appreciate it.

Thanksgiving! What does it mean to you? Perhaps when you were younger it meant a vacation from school and the excitement of holiday festivities. Thanksgiving is a day of laughter and merrymaking with friends and relatives; a day when the dinner table is glorified with many delicious things to eat, with special treats which we only have once or twice a year. This same idea is true of Christmas.

But to get back to Thanksgiving; how many of us actually realize what we are being thankful for? Is it just because the pilgrims landed on Plymouth Rock in 1602? Of course not! We give thanks that our country, America, has been blessed down through the years with bountiful lands, freedom, and democracy; that we live in a country where we are free to worship God as we see fit. We offer thanks for our homes, our families, and the nearness of our loved ones.

On this Thanksgiving Day, let's each say a small prayer for the continuation of plentiful crops, fruitful harvests, democracy, and the freedom to live peacefully with our neighbors as the pilgrims did with the Indians.

FOREIGN LANGUAGE CLUB HAS ROMAN BANQUET

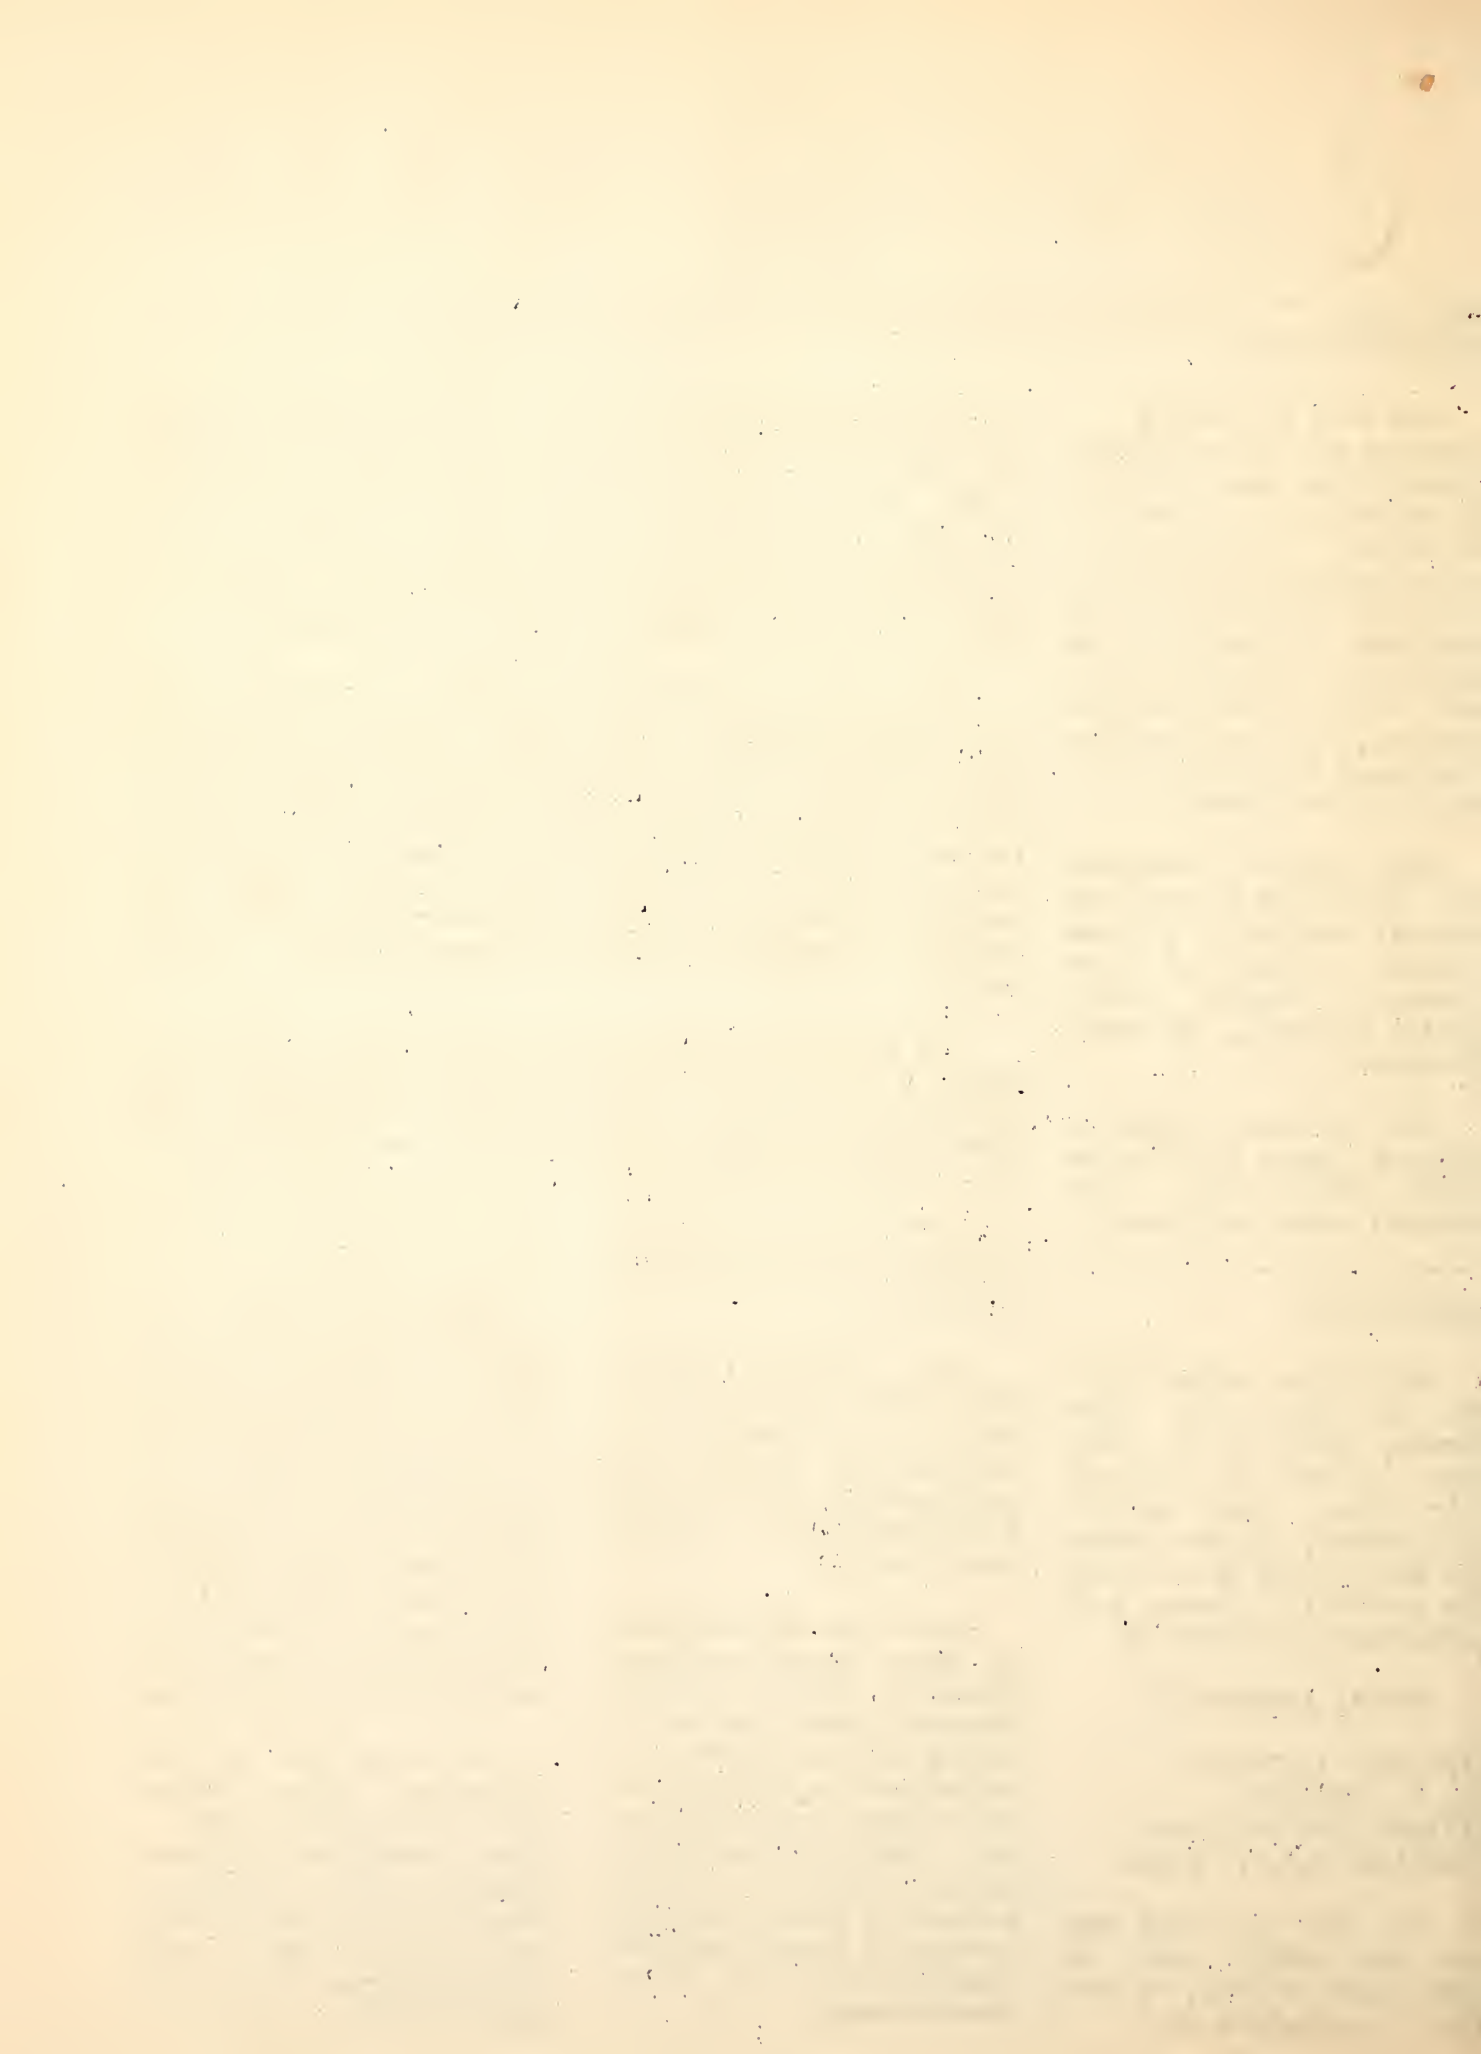

The Foreign Language Club held its annual Roman Banquet in Mrs. Rieke's basement last Thurs. evening, November 21. About thirty-five club members were present.

Those who attended were to wear Roman costumes. Students who did not wear costumes were to act as slaves for the evening. A delicious meal, similar to early Roman meals was served, but unfortunately, Roman Punch was served instead of Roman Wine. The Spanish II class provided entertainment, and Maria Orsorio sang.

NEW CONTEST

Beginning with this issue, the Cat Call is going to run a contest which everyone in U. High can take part in. We have interviewed a senior girl whom you all know, and our contest consists of guessing who she is. The first three people to turn in a correct answer to Bonnie Ruth will have their names published in the next Cat Call.

Miss X has attended U. School for four years. She is a member of G.A.A. and has also been a member of the Cat Call staff. She is taking Secretarial Practice and hopes to be a secretary someday. Her favorite color is red. She says her favorite actress is Debbie Reynolds, while Johnny Mathis tops the list of her favorite singers. Her current favorite ink hit songs is "Silhouette."

Who will be the first to get the right answer?

LYNXES BOW TO HURST BUSH

The University Lynxes bowed to the Hurst Bush Hummers in a first-round game in the Attucks Tourney Monday night by a score of 41-40.

The teams battled fairly evenly the first quarter, and as a result were tied 9-9 at the end of the period. The score at halftime read 17-16 in favor of the Lynxes.

The Lynxes started unlimbering their shooting arms in the third quarter, as they scored 17 points, to equal the entire first half score, and to take a 34-28 lead going into the final period.

The Hummers started a press and began to pull up to the Lynxes. They finally forged ahead to stay, as the Lynxes shot only about 1 of eight from the field.

The Lynxes staged a valiant rally, but it fell short, and Hurst Bush took a 41-40 decision.

LYNXES BOW TO CARTERVILLE IN 51-48 THRILLER

The U. School Lynxes' bid for a second win of the young basketball season was cut short by Carterville on Tuesday, as the hosts downed them 51-48.

The Carterville squad didn't score first, but did score the most in the first quarter, as they led, 10-8. The Lynxes, however, came back to take a 23-18 halftime lead.

Carterville again broke into the lead in the third quarter, but the Lynxes came back to tie 34-34, as Reinhardt sank a field goal just as the buzzer sounded.

Carterville then pulled ahead to stay early in the 4th period, to gain a 51-48 decision.

In the B-Squad game, the Carterville Cubs took a 36-35 decision.

LYNXES DOWN COULTERVILLE IN SEASON OPENER, 59-48

The University School Lynxes opened their 1957-58 basketball season at home Saturday, Nov. 16, as they downed Coulterville 59-48.

Superior rebounding and good free-throw shooting were the main factors in the victory. The Lynxes hit 23 of 34 free throws, as the Eagles hit only 12 of 27. John Hand grabbed 13 rebounds and Charles Reinhardt 10, to lead the Lynxes in rebounding.

Reinhardt and Mees led the Lynxes in scoring with 20 and 19 points respectively, while Feazle of Coulterville scored 17.

The teams played fairly evenly the first part of the game, before Reinhardt scored twice to help the Lynxes pull away. They led 25-14 at half-time; 48-30 at the end of three quarters. Feazle sparked the Eagles' too late-too little rally, to cut the Lynx lead to 9, but the Lynxes pulled away again to score a 59-48 victory.

In a preliminary thriller, Coulterville defeated the Lynxes, 37-35.

Williams, Wright, Barrett, and Tracy; and sophomores Ogur and Williams, received letters.

The freshmen squad received numerals, while the other boys received certificates. The letters were awarded by Dr. Stotlar. The parents were guests.

MERRY CHRISTMAS

xx
xxxx
xxxxxx
Christ-

mas does strange things to people. Almost overnight you find yourself humming the traditional carols, thrilling at the sound of sleigh bells, and smiling warmly at the busy shoppers you pass on the city streets. Each year this well-loved, festive holiday manages unfailingly to bring good cheer into all hearts. Here at U. School, holiday spirit seems to have reached fever pitch as students find themselves caught up in a giddy whirl of parties, plays, and dances. And of course amid the laughter and good times, we also find ourselves thinking of the serious side of Christmas; of a dark, snowy night and a small manger bed in a dimly lit stable. That the joy of that historic night had lived through over 1900 years is in itself a miracle of faith. When we stop to think about it, we find that almost all of our Christmas symbols are tied into this faith. The star topping each gaily decorated Christmas tree causes us to remember the Star of Bethlehem; and similarly, the exchanging of gifts is symbolic of the offerings of the three Wise Men to the Christ Child. Thus we see that the so-called "commercialization" of Christmas need not be considered wrong as such if we take it for what it is: a symbol of our religious faith. With this let's all enjoy the coming holidays, with all their old traditions, as much as we possibly can enjoy them. And now, a very Merry Christmas and the happiest of New Years to all of You, from Your Cat Call Staff.

Although quite a bit of attention has already been called to the matter of throwing paper and other refuse from busses, the Council feels that it will not be out of order to mention it again.

A letter was received by the Council from the Office of Public Instruction asking that the problem of refuse being thrown from busses, especially on out of town trips be presented to the students. In the letter it was pointed out that throwing litter on the highways was against state law, and if measures to improve the situation are not taken, it may result in fines or other penalties.

For the most part, the Council feels that you of University School have been doing a fine job in controlling this problem. It hopes, however, that after students are made aware of the extent of the problem, the situation will be completely corrected. Your cooperation, please!

ALL-SCHOOL CHRISTMAS PARTY

The school Christmas party was held in the gym Saturday, Dec. 14, from 7:00 p.m. until 10:00, and was sponsored by the cheerleaders.

Ping pong, chess and checkers, cards, and dancing were enjoyed. Of course, there was a visit from the little man in the red suit, and everyone participated in carol sing-

Oh God,

How easy it is to love a child, to worship a star, to believe, with the sudden winged passion of vision.

How hard it is to gaze through the cutting, cold reality of the city's screams: lights, Santa Claus, packages, money. How long will the clatter of shining change across a counter drown out the tower bells of the ancient chapel?

How long, oh Lord, will a bag of money be worth the price of a soul? How long, oh Lord, will it be till your people love the man, worship the spirit, follow in faith through a frozen dawn, red foot prints on the snow?

The Cheerleaders wish especially to thank Ra-Com for the music, FHA for the refreshments, and FFA for providing the beautiful Christmas tree.

FOREIGN LANGUAGE CLUB TO GO CAROLING

Members of the foreign language club will gather at Mrs. Rieke's home at 6:00 p.m. on December 18, where they will don red, peaked hoods to use in their annual caroling.

They will sing famous carols of other countries in French, Latin, and Spanish. They will return to Mrs. Rieke's home for refreshments.

The caroling is a regular club function. The members will learn the carols as a part of their work in foreign language classes before Christmas.

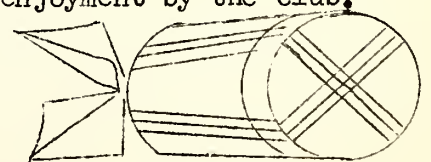

FHA HOSTS TO MOTHERS

On December 10, the FHA held its Christmas party at the school. The girls invited their mothers and other guests.

To get in a festive mood, they met in the Studio Theatre and sang Christmas carols. Miss Dede Lingle, a former member, read a story entitled "A Miracle at Midnight."

The group then went up to the Home Ec. room for refreshments. The Christmas spirit was carried out in the Home Ec. room with very beautiful decorations.

The FHA hopes that you took time out from your busy days to stop and look at the school decorations. The Twelve Days of Christmas and the Library display cases were provided for your holiday enjoyment by the club.

ALL-SCHOOL PLAY A BIG SUCCESS

Congratulations to Dr. Buys, the fine cast, and the crews of the play, "Tonight in Samarkand."

The winner of the \$10 prize in the ticket-selling contest was the Speech II class, who sold 218 tickets as opposed to 162 sold by the Speech I class. Attendance at the two performances totaled about 440. Many tickets were sold at the door. The play made a profit of \$177, which will be used to finance future drama projects.

Tamberlane and Caligula, the door prize tigers, were won by Sue Tomlinson and Frances Moore.

After the final performance, cast and crew were given a party at St. Andrews church by the Masquers club. The cast presented Dr. Buys with a tie clasp and cuff link set, and a box of chocolates, which he generously but mistakenly passed around.

CHRISTMAS ASSEMBLY TODAY

The annual Christmas assembly will be presented this afternoon by the Madrigal singers and the Speech I class.

The class will give a playlet entitled, "Happy Christmas To All." It is about the man who wrote "A Visit From Saint Nicholas." The Choric Speakers will read "The Night Before Christmas," and "Twas' the Night After Christmas" written by one of our student teachers, Howard Branch.

Lovia Valentine will emcee the program, and the final number will be a reading of Rev. Peter Marshall's sermon, "Let's Keep Christmas."

JUNIOR HIGH DRAMATICS PRESENTS CHRISTMAS PLAYS

Last Saturday the Jr. High Dramatics Club gave its Christmas plays at 2:30 in the Auditorium. The plays were attended by about 300 persons.

The plays, "The Holly Hangs High," and "Christmas Comes to Hamlin," were directed by Miss Suzanne Knox.

ILLINOIS INAUGURATES SCHOLARSHIP PROGRAM

Illinois high school seniors will compete on Feb. 1 for \$600,000 in first-year scholarships to Illinois colleges and universities. The Illinois High School Association is cooperating in this program by clearing its schedule of all conflicting activities on Feb. 1.

The new House Bill No. 380 enacted by the General Assembly provides scholarships for any resident of the state of good character who will have completed high school by the end of this school year, is in the upper half of his class, who demonstrates superior capacity to profit from college work, and who is unable to finance his college training. Honorary awards will be given to students who qualify for scholarships but who are not in need of aid.

Scholarships will begin with the 1958-59 school year and will cover tuition and other fees not in excess of \$600. Winners may select any accredited institution of higher learning in Illinois.

The first-year scholarships will be awarded on the basis of two for residents of each senatorial district, two for residents of each representative district, and a number of scholarships at large. Each scholarship is renewable without further examination. Interested seniors should contact Dr. Smith.

DEAR SANTA

While roaming the halls of U. High during study hall the other day (while Mr. Wilson wasn't looking), we found this Christmas list which fell out of someone's locker.

Kate Lewis - an Eloise doll; Denny Kircher, a time bomb; Judy Chaney - a box for Bill's car, seems that parking space is scarce on University Avenue; John White - a new doll, the old one is worn out. Bill Ecker and Dan Gallington, five chorus girls--now that's not too much to ask, is it?

Judy Hunter wants a new name--there are so many girls named Judy here. Susan Crawford just wants anything of the opposite sex. Judy Luckenbach would just need a train ticket to Chicago to make her heart bright. Clyde DeWitt wants James Dean's grave--can you imagine that?

Delores McCall would be happy with a boy from Anna. Greg Parran would like to arrange a bathing beauty contest at his house--provided he can keep the contestants! Norman Swick wants a girl friend aged 14 or up. Larry Etherton plus any number of girls too numerous to mention want Elvis. Do you think you can help them out? Beimfohr doesn't want Elvis, just his guitar.

Beverly Howell is not asking for much--just Mike Morris tied with a red ribbon, please. C. Reinhardt doesn't want anything for himself--just a pair of unbreakable glasses for Amy. Mary Ann Shryock would like a pair of stilts for Mike Luckenbach. And could you please stick a red thunderbird in your bag for Allen Arnold?

Allen Davison would love a kiddie car--purple with white polka dots, if you please. Betty Young wants a submarine so she can go see her boyfriend over the holidays. And Margie Malone would be happy with a pacifier if you have some handy. By the way, Santa, looks like the faculty is going to need lots of baby beds and diapers in the near future. Don't forget them, will you?

Oops! Here comes Mr. Wilson, Santa. We've got to go to the library. Thanks in advance for anything you can do.

Love,

It'll be a Blue Christmas without Shannon, Dobbie!

It wasn't a Silent Night at the Christmas party, was it Carol and Barney?

Jim Gumm....What was that cute Christmas spirit from Florida?

MYSTERY MISS

The girl interviewed in our last issue was Judy Squires. The winners of the contest were Karen Davis, Denny Kircher, and Donna Buboltz.

This time Miss X is a junior girl who has been attending U. School ever since first grade. She plans to be a nurse. Her favorite popular singer is Pat Boone, and, appropriately, her favorite song is "April Love." She says her favorite color is light blue. She is a member of FHA, mixed chorus, and glee club.

If you think you recognize this girl, hurry and be among the first to get your answer to Bonnie Ruth.

FFA NEWS

The U. School FFA chapter held its meeting Wed. Dec. 11. The following boys received checks for showing corn at the Trico meet:

Gary K. Lingle, Sam Young, Will Arvin, Arvel Nance, Larry Chamness, Herbert Hagler, and Jerry Millette.

The club decided to provide the Christmas tree for the all-school party.

Janice Elder.....It's evident that there's a Junior boy on your mind!

David Matheny....There are some girls who wish you would make up your mind!

Brenda Dillow....What is it you want in your sock?

U. SCHOOL DOWNS HURST

The University School Lynxes downed the Hurst Bush Hummers, Friday, Dec. 6, to gain revenge for an earlier 41-40 defeat at their hands. The Lynxes built up an early 9 point lead in the first quarter, but saw it whittled away in the second period. However, they pulled back to lead 22-14 at the halfway mark. The Lynxes stretched their lead to 35-22 at the end of three quarters, and went on to win, 45-35.

Leading the Lynx attack was Mees with 15 points. He got lots of help in scoring from Reinhardt, with 10, Gumm with 9, and Hand with 8. Bruinsma, although scoring only 3 points, pulled down 12 rebounds to lead in that department. The Lynx victory was the third of the campaign against 3 losses, and the second in conference play. The Lynxes have lost once in conference play.

The Lynx cubs dropped a very thrilling decision in the preliminary game, 32-30. Ogur led the Lynx with 10 points. This was their third loss against two wins. They, like the varsity, stand at 2-1 in conference play.

FROSH WIN THIRD GAME

The Lynx, with Brumley leading the way with 21 pts. beat the Carterville frosh 49-16 last Monday. The Lynx jumped to an early lead and the visitors never got close after that.

Helping Brumley in the scoring department was Neal with 13 points. The Frosh now stand 3-1 this year, having defeated Elkville 53-30, Shawnee, 50-33, and losing to Carbondale Community, 27-38.

LYNXES JOURN Y TO ELKVILLE TONIGHT.

The lynxes, in search of their 4th victory, will journey to Elkville to oppose the Bluebirds. The spectators bus will leave at 6:30 p.m.

LYNXES LOSE TO SHAWNEE

The U. School Lynxes lost to a big Shawnee team on Tuesday, Dec. 3, by the score of 61-54. The Lynxes opened to an early 8-6 first quarter lead, but saw this changed to a 31-23 deficit at halftime. The Lynxes came back to pull within 5 points at the end of three periods, 39-34. In the 4th period the Lynxes shot with blaring accuracy, but the visitors retaliated to send the Lynxes to their third defeat. Mees and Reinhardt led the Lynx scoring with 22 points each.

MEES LEADS LYNX SCORING

John Mees leads the Lynxes in scoring through the first 6 games, with 114 points for an average of 19 per game. Reinhardt is second with 96 points, and Gumm and Hand are next with 33 and 25 points respectively. Ogur leads the J. V.'s with 33 points. All statistics unofficial.

OTHER SIDE OF THE FENCE

'Twas the nite before Christmas,
and all through the house
Not a creature was stirring
Except a small mouse who
was waiting for Santa.

The stockings were hung
By the chimney with care
Just in case Deer ol'
Santa
Needed another pair. To
keep his feet warm.

The children were nestled
All snug in their beds
While visions of money
Danced through their heads.

And Ma in her kerchief
And I in my cap
Had just finished decorating
the Christmas tree.

When up in the air
I heard such a noise
I fell out of bed getting
to the window.

I tore open the shutter
And threw up the sash
When all at once I heard
a loud crash!

When what to my wondering
eyes should appear
But a wrecked sleigh and
With a little ol' driver
So broken and torn
I knew in a moment
They had hit the T.V.
aerial.

CAT

CALL

ASSEMBLY IS BIG HIT

On Wednesday, February 26, Bobbie Roan's Calypso Dance brought about the first curtain-call in a U. School assembly program in several years. The audience, spellbound throughout the number, couldn't seem to applaud enough.

The program, entitled "Rainbow Round the World", included several numbers from several different countries. Countries represented in the program were Australia, Korea, Sweden, Brazil, England, Ireland, India, Germany, and Chile.

The co-chairmen of the program were Mary Ann Shryock and Pat Wycoff. It was narrated by Linda Crawford and Susan Caldwell accompanied the songs on the piano. The F.H.A. advisor is Miss Konzelman.

JUNIORS WIN CONTEST

The Junior Class won the "Trico Attendance Contest" sponsored by the cheerleaders and the Student Council. Their prize was \$4.20 and was turned into the class treasury.

The contest was based on percentage and the prize determined by returning the money paid in by the winning class into said class's treasury.

All classes did very poorly as the winning class only had a 22%. The other classes were well behind.

"CAGE" BIG SUCCESS

Today at noon Ra-Com ended its eleventh day of broadcasting from the cage. After much difficulty and hard work, the first actual show was piped into the Rec-Room on Valentine's Day. Since then, everyone has enjoyed this program for either dancing or listening.

the Ra-Com members. After winning much equipment, confiscating an army surplus field switchboard, and borrowing records from charitable students, this dream shaped into a reality.

The show consists of two segments. For the first fifteen minutes an "Album of the Day" is featured. This is the "Music To Eat By" album. Then at 12:15, "pop" and dance music is played for a half hour.

This show started like most worthwhile things: a dream. It began last year in Room 310 in the minds of

The show has two aims. One is to provide music in the Rec-Room for the student body. The second and most important aim is to give the members of Ra-Com some first-hand experience in radio announcing and engineering.

Each day the show has a different disk jockey and engineer. This gives more boys a chance to participate in the program.

Oh! By the way, when you pass the cage, don't feed the animals!

SENIORS STAND OUT

Several of our seniors have qualified as semi-finalists in the Illinois State Scholarship Contest. They took the tests on February 1st.

As we went to press, we knew of five who had qualified: Robin Ruth, Susan Carbutt, Amos Lane, Jim Sappenfield, Bob Wheeler. Since they heard on different days, there may be more who have qualified.

ENSEMBLES EXCEL

Last Saturday the Lynxes entered two madrigal groups, a mixed octet, and a girl's sextet in the District Music Contest at Benton, Ill.

The Madrigal I, the Mixed Octet, and the Girl's Sextet all recieved first place ratings and will advance to the State Contest in April. The Madrigal II recieved a second place rating. There were no instrumental entries.

Miss X

Last issues "Miss X" was Pat Wycoff. Betty Frakes, Susan Caldwell, and Robin Ruth won the contest.

Our new Miss X is a senior who has been attending U. High for two years. She is a member of the glee club, mixed chorus, and G. A. A. Blue rates first among her favorite colors, "Julie" among her favorite songs, and Tommy Sands among her favorite singers. Her favorite movie stars are Debra Barrand Aldo Ray. She plans to attend college after high school and be a secretary after that.

If you think you know this girl, see if you can be the first to get your answer to Bonnie Ruth.

BELATED CONGRATULATIONS

Better late than never they say. Congratulations to Susan Garbutt who won the L.A.R. Award from our school.

She was selected by the faculty from five nominees of the senior class. The selection was based on dependability, leadership, service, and patriotism.

We're sorry, Susan, that we forgot to mention this

THE LYNX THINX ★ ★ ★

It is unlikely that there are very many students in school who were not disgusted at our last pep meeting. Perhaps many of you are beginning to wonder just why it is that our pep meetings seem to demonstrate such a lack of school spirit. Why is it that other schools are able to use their pep meetings successfully as a means of getting pre-game excitement and loyalty at fever pitch, while U. School winds up with less spirit after its pep meetings than it had to begin with?

This writer believes that it is due to a definite lack of something in the meetings themselves. As an example, lets take a look at the pep meetings held in a certain high school several miles away.

In the first place, the high school band always turns out at the pep sessions. As the students pour into the gym, they are met with spirited "victory marches" followed by the school song--which everyone sings as the band plays it. Thus the meeting begins with a spirit of gaiety and school loyalty.

At each pep meeting a different class is in charge. A sort of contest goes on to see which class can come up with the most original and spirited session. A brief skit is frequently done: a fortune-teller prophesying the results of the game, for example. (With home teams always winning, of course.) Then the team is generally called down on the floor to be cheered, and encouraged. Throughout the program, time is constantly taken out for the cheerleaders to lead a few rousing yells, and students never have to be called down for lack of cooperation. Pep meetings, for them are something to be enjoyed, not something to skip out of in order to go downtown or get home early.

A BIT FROM BOB

During the past week a very strange thing happened in a U-HI assembly program. Someone took a curtain-call. This little miss was only a freshman and her name was Bobbie Roan. She should have a great future ahead of her.....Why are humans so cruel? What good does it do to criticize Charlie Reinhardt when he has a bad nite or get mad a John Nees when he throws away a pass? I would suggest that you think of the other nites when they have hit 20 to 29 points and not made one bad pass.....Are you satisfied with our assembly programs? The T. H. A. had a very good one last Wednesday. But did you know that we have already skipped two assemblies this year? Something is wrong somewhere!.....Just how did Jim Sappenfield break his foot? There have been several suggestions made. I wonder just which one is correct?.....The talent assembly is just around the corner. If you are interested in participating see the vice-president of your class.....

EDITORIAL PAGE

Dear Editor,

Have you ever noticed the funny little jokes cluttering the doors on the first floor? This is disgraceful!

I have read them and they are very funny. But I wonder how many of our visitors, who only see them from a distance, think they are funny?

If the boys in Ra-Com insist on posting these jokes, they should get a bulletin board and place it in Room 24. This would give them a place to post the jokes and it would clean up our halls!

Bob Wheeler

Dear Bonnie,

In regard to the letters that have appeared in the last issue of the Cat-Call, we would like to make these remarks. We feel that if any of the students feel that the Spyglass is not living up to its expectations, they should offer sensible suggestions rather than "running down" the Spyglass.

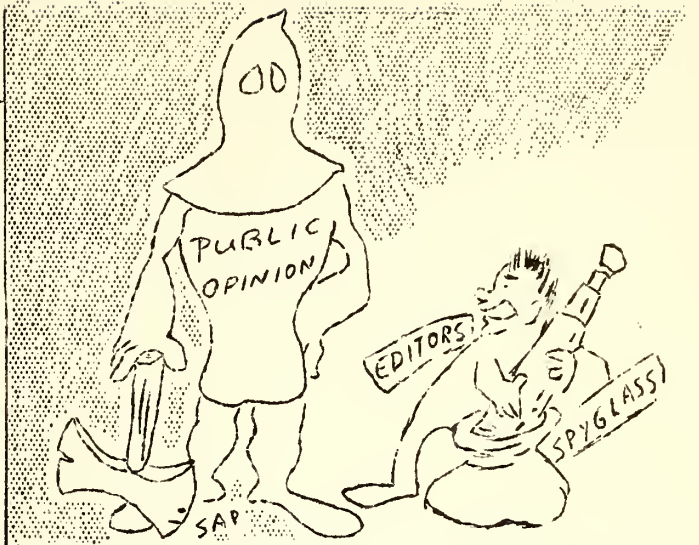

In order to satisfy everybody, we are not going to publish the Spyglass until we think that we will be able to meet the satisfactions and expectations of everybody. We would like to hear some new suggestions from everyone on how they feel the Spyglass should be written.

Judy and Bonnie

Dear Editor,

In regard to what was said about the Spyglass in the last issue, I have a suggestion which I believe would solve the problem.

Why doesn't the Cat-Call set up a "gossip box" in some room of the school, such as the library? Anyone who had some gossip for the Spyglass could put it in this box. In this way, we would have a much greater variety of gossip, not time-worn tidbits about the same people over and over again. Also, the student body would be more directly in on what was printed.

Dear Editor,

I would appreciate it if you would print these few words about the assembly.

In the first place I would like to say that I thought the assembly was very good. It had a good thought and it showed some good planning.

However, I think the attitude of some of the students was deplorable! I think they had an attitude of superiority toward the songs and dances of the other races of the world. For example, the snickering at the "Brazilian Song and Dance" or the "Korean Dance" was very juvenile. It showed that they think the way we do it beats everyone else's way. This is a good attitude to some extent. We should have pride in the "American way" but, at the same time, we should respect the ways of our neighbors.

Let me leave you with these words. What do you think the Brazilians and the Koreans think of the "rock 'n roll"?

(Name withheld)

Dear Editor,

I thought the assembly program was lousy except for the Calypso Dance which was terrific!

(Name withheld)

I am interested in seeing what the Cat-Call staff and the other students think about this plan.

(Name withheld)

ROAMIN' ^{THE} HALL

Well, here I am again with another feature in this so-called "Cat Call". As I was setting here behind this ancient typewriter, I began to think of all the things you can use a "Cat Call" for. One of the most important uses of the "Cat Call" is for putting it in the bottom of your bird cages. You know, its just the right size. Now, some of you may read it, but there are many other important uses for the "Cat Call".

If you were out in the middle of the ocean on a cold island all by yourself, with nothing to do, or nothing to read, just think of all the things you could use a "Cat Call" for now. I imagine the most important use would be to build a fire with it. Thats all its really fit for.

Now lets get back on land and find some uses for it. Have you ever been stranded in Mr. Wyllie's typing class without any typing paper. Well, you know what kind of mood he can get in. Now, if you had a "Cat Call" handy, you could use the back of it to type on. Another great use of the "Cat Call" for you future pilots is to make paper airplanes out of it.

After all these and many other uses, I can't possibly see how you could miss an opportunity to grab a couple dozen "Cat Calls". Well, I will have to close for now, but I will be back in the next edition with some more news about this slander sheet. Good-bye, be good, and remember, rocks don't float.

LYNXES TAKE SECOND

The Lynxes ended their regular season with a bang as they defeated the Cobden Appleknockers 74-62 to take second place in the Southern Six Conference. They ended the regular season with a 6-3 record in conference competition. Their overall record was 13-9.

Senior center, John Hand, had his best night of the season in scoring 26 points on 11 of 17 shots. However, the Cobden center, Vanover, outscored him by two points to take high point honors for the game.

U. School shot at a .450 pace. It was one of the most exciting games of the season.

University School	16	13	18	22	--	74
Cobden	9	11	17	25	--	62

U. School -- Hand 26, Mees 19, Reinhardt 15, Gumm 8, Bruinsma 4, Wright 2

Cobden -- Vanover 28, Casey 15, Bernhard 7, Burnett 5, Campbell 4, Smith 5

LYNXES DOWN PIONEERS

The U. School Lynxes downed the Trico Pioneers last Tuesday night, 56-46. This game put the Lynxes in second place with one game yet to play in conference competition.

Trico broke to an early lead and held it for a 13-10 first quarter lead, but the Lynxes came back with a red hot second quarter to take a 29-20 halftime lead. Trico pulled within six points to end the third period, 44-38. Trico had a good start in the fourth period but they couldn't catch the Lynxes as they coasted to a 56-46 victory.

University School	10	19	15	12	--	56
Trico	13	7	18	8	--	46

U. School -- Mees 23, Hand 16, Reinhardt 13, Bruinsma 3, Gumm 3

Trico -- Lodge 13, Nisbet 11, Cheatham 10, Thies 3, Robinson 4

SESSER TOPS U. SCHOOL

John Cavaletto and the Sesser Red Devils visited the Lynx gym on Friday February 21st and left with a thrilling 63-57 victory. It was the second consecutive defeat for the U. School Lynxes.

Both teams shot well from the floor as the Red Devils made 46% and the Lynxes made 43%. Cavaletto was the high scorer with 27 pts. Mees led the Lynxes with 17 points and Bruce Bruinsma, playing one of his best games of the season, made 16 pts. and hauled down 7 rebounds. Taylor of Sesser and Hand of U. School also scored in double figures.

LYNXES LOSE THRILLER

On Tuesday, February 18, Gorham handed the Lynxes their eighth defeat of the season. The score was 38-37. Even though it was a poorly played game on the Lynxes part, it was still very exciting. With a few seconds to go, Bob Taylor made a 15 foot jump shot. The Lynxes immediately called time out but could only get off a long heave by Mees.

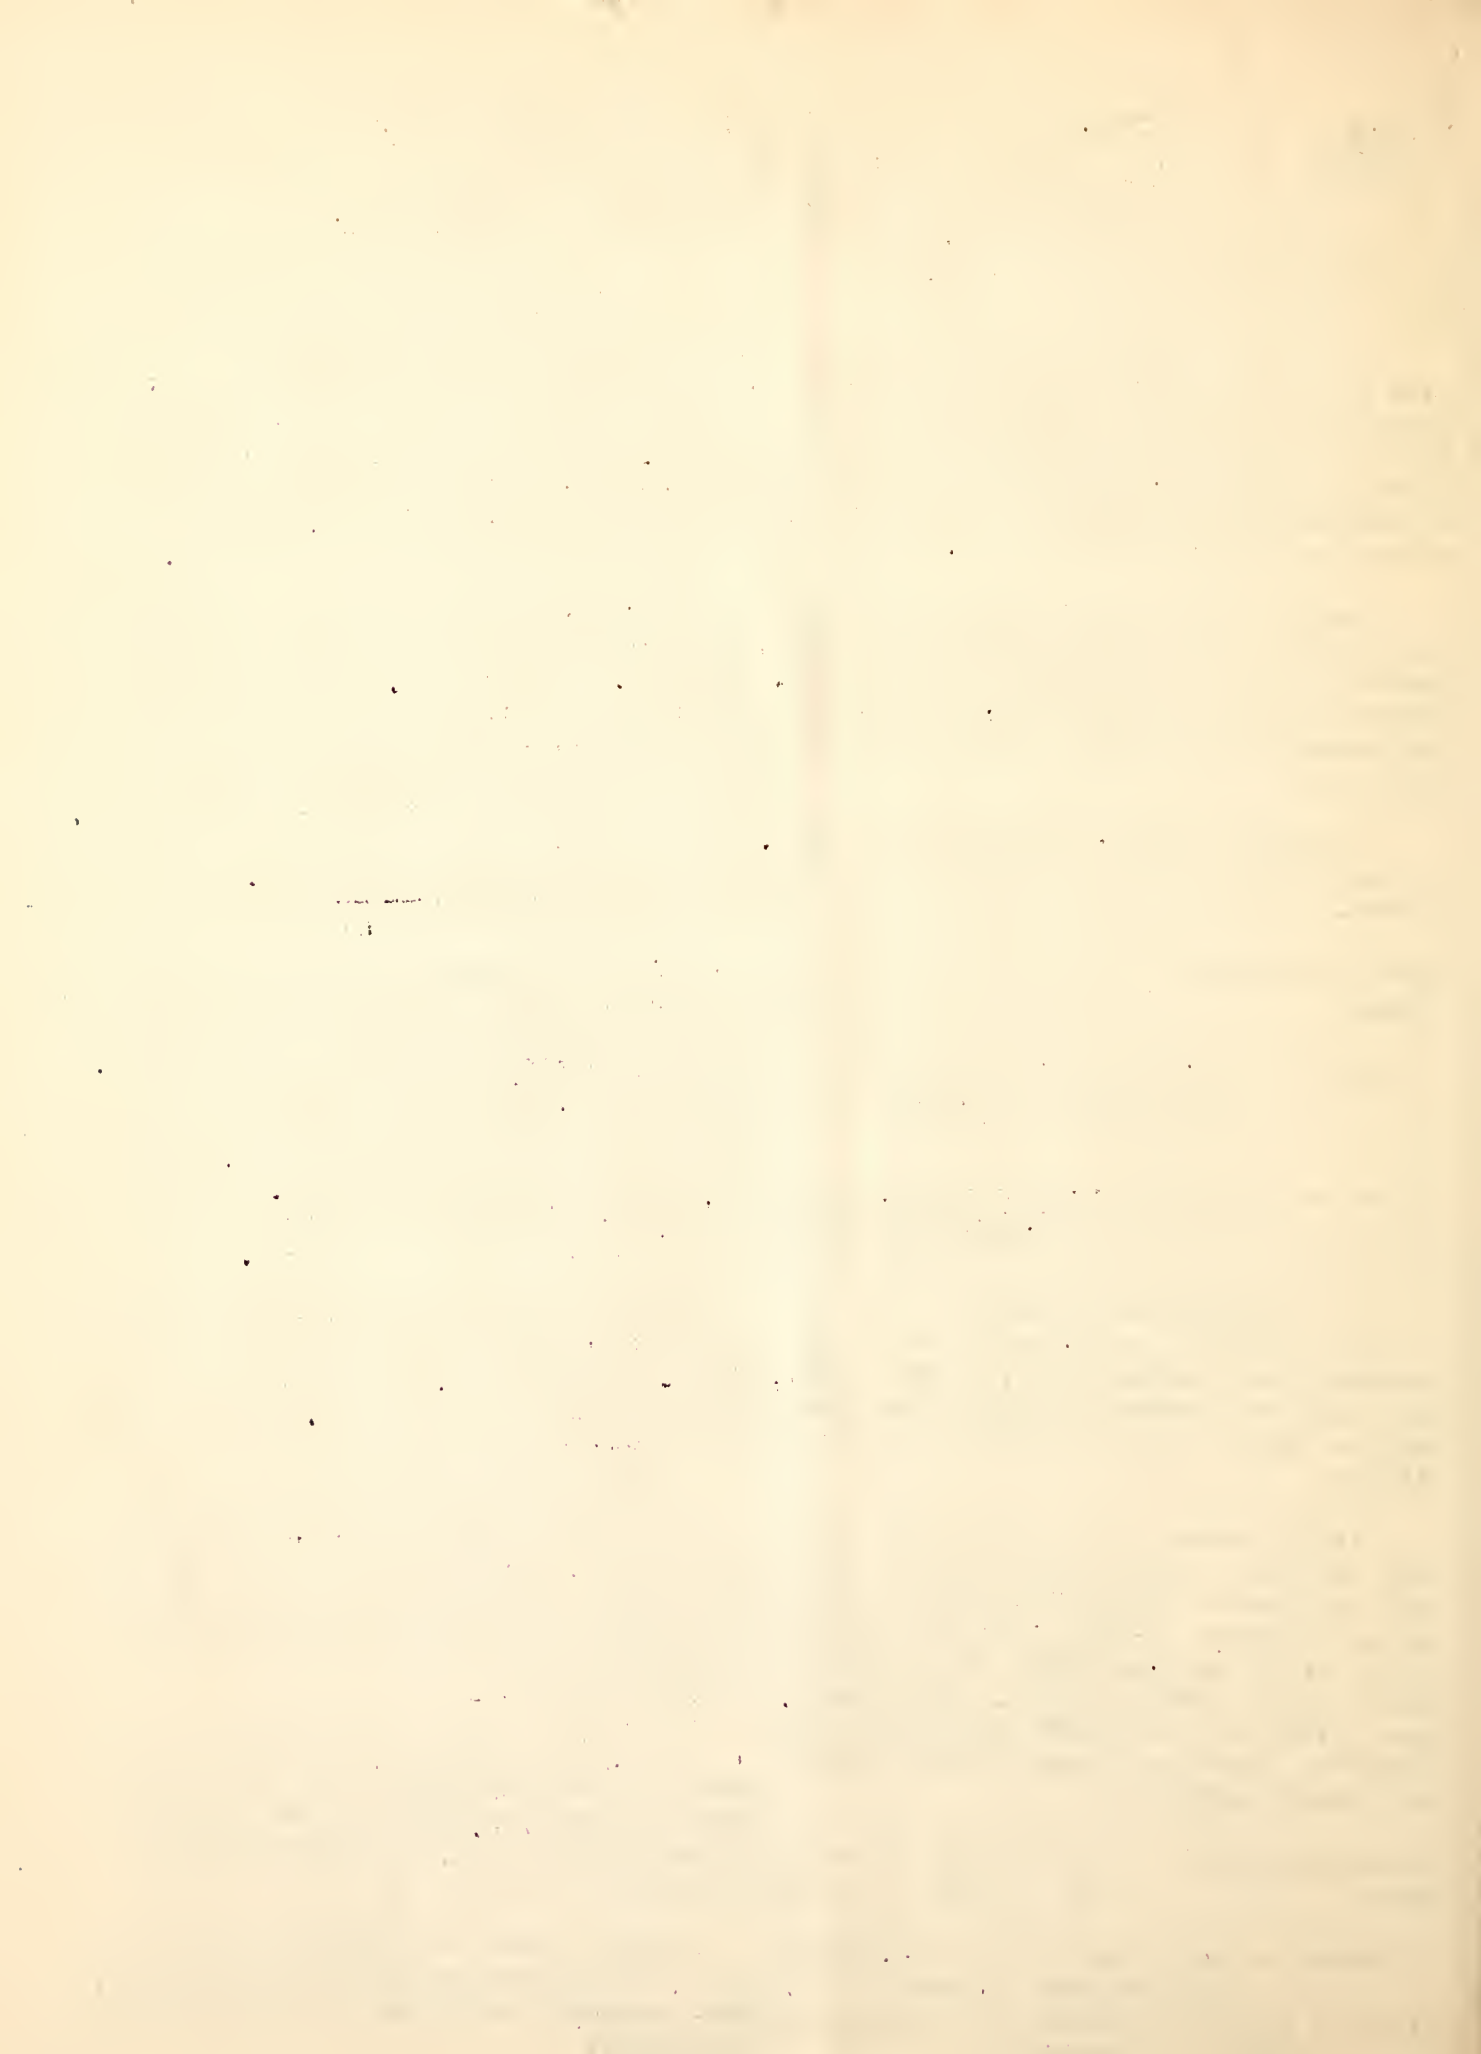

Only four boys hit in the double figures, two from U. School and two from Gorham. The high scorer, Taylor, only made 13 points.

LYNX CUBS HAVE GOOD SEASON

The Lynx reserves ended the season with an 11-9 record. Late in the season they made a big drive and had a seven game winning streak going until they met the Cobden reserves who stopped them with a 62-54 defeat.

The Cubs played very good ball and showed great potential for the future. Also, our freshmen team is the strongest in some years. We are looking forward to seeing more of these boys in the future.

Rodney Brod and John Wright are the most promising at the moment as both got some varsity experience. They are both sophomores.

LYNXES LOSE 2!

John Hand, 6' 4" center of the Lynxes, has yet to hit his potential in a basketball game. He hit his career high last Friday against Cobden as he put in 26 points. John doesn't play in any other sports except basketball. He spends a good deal of time on his studies which accounts for his A average. He is

John Mees, captain of the Lynxes, is another boy with a brain in his studies as well as on the playing floor. He has an A average and is keeping up his work this year as a senior. He has set a new career scoring record for U. School. With each game he adds to his record of 1125 points. His best individual game in scoring produced 29 pts. He

a great competitor and puts his all into everything he does whether it be in the classroom or on the basketball court. He has a great sense of humor when you get to know him and can keep you laughing for hours with his clever little observations of life. John probably plays the hardest and yet keeps the calmest of anyone on the team. He is just starting to use his height and we hope he can repeat with another 26 points against Murphysboro.

is a great all-around athlete and has done well in every sport he has played. Also, he is an exceptional musician. He is in the Madrigals and the Mixed Octet. He also plays the trumpet in the School Band and the Dance Band. John hasn't yet decided where he wants to go to college, but we at U. School know that some lucky school will soon grab themselves a fine basketball player.

SMITH LEADING PACK

Paul Smith's team has gotten off to a fast start in the Intramural League with four wins and no losses. Bob William's team is two games back with a 2-2 record. Dick Camp's and George Fisher's teams are three games behind with identical 1-3 records.

Smith is also leading in the personal scoring race with 53 pts. for a 14.5 ave. Not far behind is teammate Tyrone McDaniel with 51pts. Others scoring in the double figures in the league are Tommy Goetz, Larry Hearn, and Danny Lewis.

This Thursday night we find Williams trying to cut down the lead as he takes on Smith. Camp and Fisher play in the other game.

LYNXES TOP WARRIORS

The Lynxes outscored the Steelville Warriors in every period to take an easy victory on Valentine's Day, 74-52. The Lynxes shot at a .438 clip from the floor as the Warriors shot .265.

The Lynxes Cubs ran their win streak to four straight as they won the preliminary by a score of 58-27.

MORNING CLASS WINS

The champions of the various weight divisions in the 8:00 a.m. and 2:00 p.m. PE classes met in an inter-class meet. All of the matches were well fought and very close.

In the 110-120 division, Ben Lewis pinned Charles Ross. In the 120-130 division, Herbert Hagler beat Charles Wright by a decision. Mike Morris decisioned Amos Lane in the 130-140 division. In the 140-150 division, Steve Williams decisioned Larry Withers. In the 150-170 division, Wayne Zeschke decisioned Tony Bianchi. And in the 170 and up division, George Fisher pinned Leon Holder. The morning class won four of six

SECTIONAL DEBATE TOURNAMENT

March 14 our varsity Debate team left for the Sectional Tournament in Alton the next day. Pat Micken, Art Parrish, Bonnie Ruth, Dick Fulkerson, George Fisher, and Mr. Small made the trip by car. Mike Morris flew up the next day with his dad.

After we got our rooms at Shurtleff College, a division of S.I.U., Pat, Bonnie, Art, and Mr. Small went to see the city.

After we returned Dick and George challenged Pat and Art to Poker. At first Pat and Art declined because Fisher claimed to be the "World's Greatest Poker Player." Finally Pat and Art consented, and poor George and poor Dick lost. Too bad, Boys!

The next morning we got up and started for the High School where we debated three rounds. Our Negative Team won two of their de- and our Affirmative Team won one of their rounds, giving us a record of three wins, and three losses. That is not bad because at the State Tournaments the best of teams are there.

This trip as you can see, was enjoyed by all, and if you would like to Debate next year come around to 229 any Tuesday at 3.

March 25. Mr. Paterson, several cars, and 20 Grade Achool Contestants left for the District Music Contest at Benton, Illinois.

Mr. Paterson and the contestants come back with 6 first superiors, 8 first, and 6 seconds.

Those receiving first-superiors were; Kathy Boyne, Kay Klimstra, Nancy Ross, Kay Rodabaugh, Jim Morris, and Jo Dougherty.

Those receiving firsts were; Kathryn Hinners, Kike Martin, Susan Pearce, Bill Wright, Robert Nees, Karl Rodabaugh, Ryron Treece, and Susan Farris.

Those receiving seconds were; Susan Stoelzle, Jim Etherton, Judy Willard, Phyllis Hadley, Joe Mann, and Kay Hunsinger.

The band is now busy preparing two Spring Concerts. One is the commencement program and the other is for April 23. The April concert is different in that it is all Paterson, that is all the numbers played by the Senior Band, and many of the numbers that will be sung are all written by Mr. Paterson.

Easter is the ending of the Lenten season, with all its Sacrifices. Easter is the changing of the gloom of Good Friday into rejoicing and the sprouting of bright new Easter bonnets into a carefree world.

Easter is a child, thrilled with the discovery of a basketfull of brightly colored eggs. Easter is a mother unmindful of her own six-year old dress as she proudly watches her daughter model her chic new outfit. Easter is a flower, bravely blossoming forth to greet the first early signs of spring. Easter is a symbol of the triumph of good over evil, of life over death. Easter is a song in the hearst of mankind; the eternal repetition of the most joyous words ever uttered in the history of the world: "The Lord is Risen!"

U High's three vocal groups were all rated "Superior" in the District Music Contest held at Benton last Saturday.

Entered in the contests were the Girl's Glee Club, the Boy's Glee Club, and the Mixed Chorus.

The groups are now preparing for the State Contest, which will be held in Effingham on April 19th. Also entered in the State Contest are University

MYSTERY MISS

The "Mystery Miss of last issue was Mary Ann Waldron. Because so many people have been turning in correct answers to our Miss X contest, we have made a change in the rules. Instead of publishing only the first three, we will mention everyone who guesses Miss X's identity correctly. Winners of last issue's contest, therefore, were Betty Frakes, Janet DeWitt, Mary Wall, Charlie Reinhardt, and Will Arvin.

Today's Mystery Miss is a senior who has attended University School for fourteen years. She is a member of G. A. A., mixed chorus, and glee club. She's a Sinatra fan, with "Witchcraft" as her current favorite song in the field of popular music. She intends to go to college after graduating, but says her only plan for a career is "marriage". Her favorite color is red.

Perhaps it is a tribute to the good sense of humor of mankind that a day is set aside each year for the purpose of playing harmless and amusing practical jokes. April Fools day, known also as All Fools Day, probably originated with the old custom in France of making formal calls on April 1, which was one week after New Year's Day according to the Julian Calendar. When the old calendar was replaced by the Gregorian Calendar in 1562, mock calls continued to be paid on April 1 as a joke. Since then, All Fools Day has come to be almost universally observed throughout Christen-

ROAMIN' THE HALLS

Hello there, beautiful or ugly or whatever the case may be. Here I am again with another "Roamin' The Halls" column. In the past I have told you what the "Cat Call" is and what it can be used for. Now, I'm going to start picking on the articles in this paper.

As you know, there are several columns that appear in every issue of the Cat Call. Some of these are the "Bit From Bob," Council Corner, The Mystery Miss, and last and not least, the Spyglass. This week I will talk a little about the Spyglass.

The Spyglass is one of the oldest articles in the paper. They have had several good articles in the past, but not very many. I think their best article appeared in the last issue. This article gives a lot of valuable information. Where else could you find out that Q. W. was making eyes at W. Z.? I don't know of anyone who would be interested in this though, not unless it was W. Z. Well, this is all I can think of to compliment the Spyglass on right now, so I will state my closing lines:

When you're in the middle of a test, and your pencil lead breaks, you run out of paper, your shoe string comes untied, and everything seems to be going wrong, don't get mad..... Just think of all the things that could have happened. Oh, yes, I almost forgot. Charley Reinhardt asked me to send all his love to all you girls for him!

Here we are again, back after a wonderful Spring Vacation. I hope you enjoyed it as much as I did.... The baseball team is scheduled to open its 1958 season today against the C.C.H.S. Terriers. If the weather permits, let's all go out and cheer the Lynxes to their first victory..... Last fall I used to laugh at Mrs. Goetz when she told us we should take soap shower and use a deoderant. Now that warm weather has arrived again, I am beginning to get the message. You see, I sit next to a few sweat factories in some of my classes. Let's all go home this afternoon and take a bath..... If you are a member of one of the musical groups this year, I am sure you are very happy with our district. Out of seven groups entered in the district contest, we have won six "firsts" and one "second."..... I mentioned this once before but I think it is important enough to state again. When you cheat in school, you only hurt yourself. This best pillow is a clear conscience.....

ANNUAL BASKETBALL BANQUET HELD

The annual University School Basketball banquet was held last Thursday. Awards were presented to the boys and the cheerleaders were recognized. Letters were presented by Coach Thate to seniors John Mees and John Hani. Thate also made a speech about these two seniors calling Mees "the best basketball player I have ever coached." Juniors receiving letters were Charlie Reinhart, Jim Gumm, Bruce Bruinsma, Larry Etherton, Andy Swanson, Jerry Bain, and Jerry Kline. Sophomores receiving letters were John Wright and Rodney Brod.

Manager letters were presented to Chuck Tudor and Charles Wright. Certificates were awarded to Mike Morris, John Beimfohr, Doug Tracy, Dobbie Wright, Jon Ogur, and Bob Tobesman. Freshman numerals were awarded to Ron Brumley, Barnett Holder, Lorenzo Palmer, Walter Neal, Russ Black, David Matheny, John Kelly, John Cook, Albert Shukis, Jimmy Smith, and Gordon Teal.

The varsity cheerleaders, Brenda Miller, Mary Phillips, Judy Chimes, Shannon Sims, and Barbara Delford, and the Junior Varsity cheerleaders, Carl Jolly, Susan Crawford, and Amy Lukenbach, were also praised by Mr. Thate.

Dr. Buys was the principal speaker, giving a very amusing after dinner speech.

BASEBALL

Spring has sprung and with it has come the familiar pop of baseballs and cracking of bats as baseball practice comes to the University High Campus. Coach Small's boys will be trying hard to improve the win-lost record this year as compared to last years.

This years schedual proves to be equally as tough if not tougher, than last years. The Lynxes will open their home session against Carbondale Attucks, Saturday April 5, at the S. I. U. diamond, game time 2:00.

As of onw the following boys are on the varsity.

Council Corner

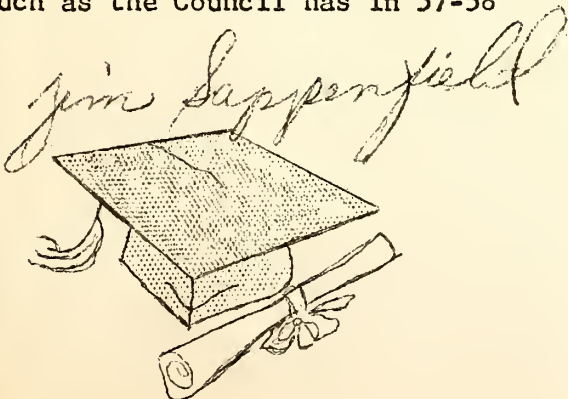

Senior Salute

A Progress Report

When President Caster takes the reins of the new Student Council this summer, he may have the sensation of taking the horns of the proverbial bull. He will find himself piloting one of the most progressive Student Councils in the State of Illinois. This is the same council that in two years has included one district officer, one district discussion leader, and one state counterpart, and one candidate for state office; the same Council that has recently rebuilt a medieval constitution into a progressive document incorporating new ideas from all over the country; the same council that has re-organized the Homecoming celebration and tightened the policy on club allotments.

But in reality, Dave Caster is taking over the controls of a group such as he and every other conscientious leader dreams of. Student Councils all over the State are aware that U.School, Carbondale is going somewhere. We'll all be gone when U. High has a national president, but at the present rate of progress, this is a real possibility, and the importance of the Student Council program certainly justifies all the work needed to bring about such a thing.

And I'm proud to have been identified with a group that advanced the cause as much as the Council has in 57-58

Do you remember September 8, 1954? That was an important day in your lives, the day you first entered University High as green, green freshmen. Your chief concern in this first few days at U.High was the fast-approaching freshman initiation, but when the dreaded day came, you discovered that you really rather enjoyed parading around school as flatpers out of the 1920's. Following initiation, Homecoming was upon you before you knew it, and for your queen's attendants you chose Susan Garbutt and Mary Phillips. In the meantime, you had elected Jerry Meyer as your class president, Peggy Young---no longer with us at U. School---as your vice president, and Susan Garbutt as your secretary-treasurer. Your student council representatives were John Mees and Mary Phillips.

Christmas vacation came and went, and soon you found that spring had arrived and the year was nearly over. With a sigh of relief, you closed your Algebra I books for the last time and departed for that long, lovely, summer vacation.

You were full of enthusiasm on Sept. 7, however, when classes resumed once more. Sophomores, now you made the startling discovery that the freshmen looked like absolute babies as they ran from class to class, trying to find the right rooms. Feeling quite sure that you had never been so scatter-brained, you turned your minds to the more important matter of choosing your class officers. This time Bob Wheeler was elected to the presidency, Steve Williams to the vice-presidency, and Mary Wall became your secretary treasurer. You chose Susan Garbutt and John Mees to represent you on the Student Council. Then, in what seemed to be a very short time, Homecoming had rolled around again. Once again you chose Mary and Susan as your attendants, and then you were caught up in all the hurry and excitement of preparing for the big game and dance.

The
LYNX
THINK

As you know, it has been quite a while since we have put out an issue of the Cat Call. This is due to the fact that we have not been able to secure enough typists to get the work done. Perhaps this is because the students at U. High simply do not realize what a tremendous job it is to get out an issue of the newspaper. At any rate, although we have received many complaints about the discontinuance of the Cat Call, none of the complainers have expressed any desire to help. In spite of the fact that you all want a school newspaper, and that there are approximately 70 students enrolled in typing classes at U. School, we still can not get enough typists to continue bringing out the Cat Call!

The future of this newspaper, therefore, lies with YOU. If you can type and wish to have a school newspaper next year, remember that the only way to do it is to volunteer your services. Hope to see you helping us next fall; and, till then, here's wishing you the very happiest of summers!

BAND BANQUET AND AWARD NIGHT

Last Wednesday Evening the Band members and their parents had the 2nd annual Band Banquet at the University Cafeteria. There were about 115 there. This was a practice of the Band many years ago, but last year was the first time we had this in recent years. The Hartwig Brothers and Mike Morris furnished cornet entertainment, and Mr. Paterson presented certificates to the Freshmen, pins to the Sophomores, pins with guards to the Juniors, and pins with guards plus 4 stripes to the Seniors. The Band Officers also received pins telling what their offices are. The climax of the evening was the presentation of a set of cuff links and a tie clasp to Mr. Paterson.

HOW ABOUT SEEING YOU AT STAFF MEETINGS
NEXT SEPTEMBER?

Soon came December, bringing with it the Christmas Dance and the long-awaited Christmas vacation. You returned in January; rested, refreshed, and ready to really buckle down to your studies. But before you had a chance to put the good resolutions into practice it was spring again, and, of course, who can study in Spring? You flocked out of the school doors on June 9 ready once again to enjoy your summer vacation.

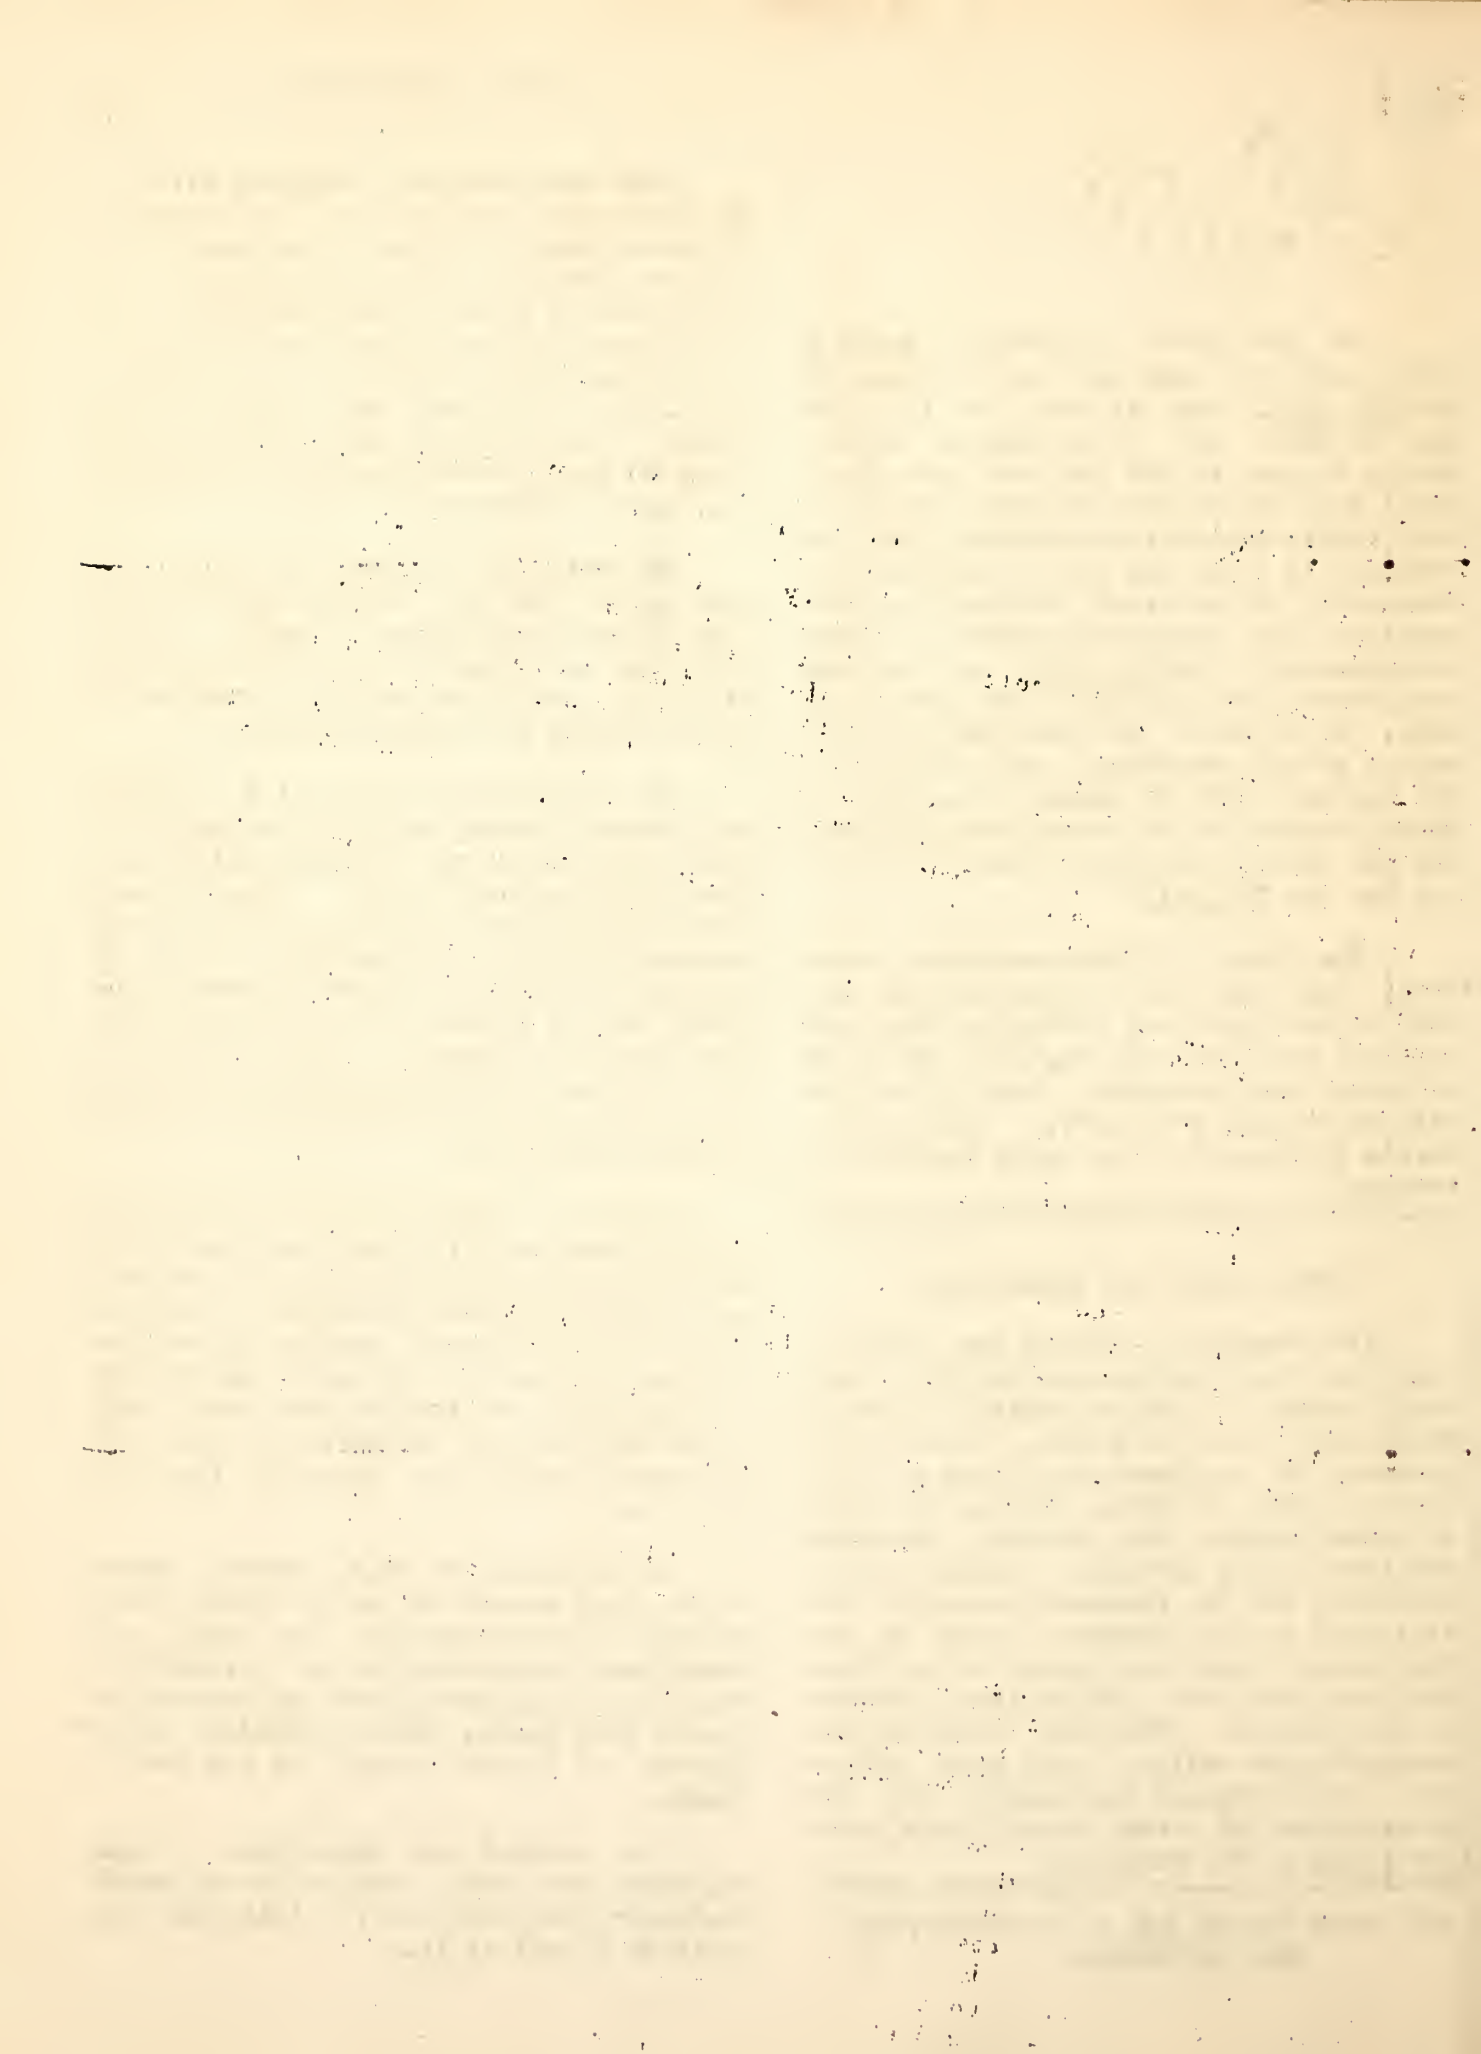

By September you were anxious to be back again, and you started your Junior Year out well with Jerry Meyer, Mary Phillips, and Susan Garbutt guiding the old ship. Your Homecoming beauties were Jeanie Frakes and Elaine Bicknell.

The fall sped by in a whirl of dances and football games, as you madly sold hot dogs and cokes to pay for that all-important Junior-Senior Prom. Then came Christmas Vacation, followed by lots of American History and Chemistry. Soon it was April, and you became engrossed in plans for the BIG DAY. You put your all into "Castle of Dreams," and you decided in the midst of that long-remembered evening, that it was worth every bit of your trouble after all.

Then came June 7 and the graduation of the Class of '57. John Hand and Dyke Howell were the marshalls for Commencement and Robin Ruth, Mary Phillips, Johanna Van Lente, and Susan Garbutt served as ushers. You were all somewhat sobered by the startling realization that next year yours would be the graduating class. You wondered, fleetingly, where all the time had gone.

In September of 1957, however, graduation still seemed far away. Again Jerry was your class president, and Mary and Susan were vice-president and treasurer. When Homecoming came, Mary was honored as Queen, with Susan, Bonnie McCaslin, Jeanie Frakes, and Elaine Bicknell as her attendants.

You enjoyed the Homecoming game and dance even more than in former years realizing that this was the last time you would be a part of it.

Roamin' the Hall

Howdy! Here we are back with some more stale gossip, boring columns, and ancient news. Boy, it sure was nice to be on vacation. You could walk peacefully down the hall without someone creeping up behind you and yelling down your neck "WHERE IS YOUR COLUMN?" It had another advantage, too. You didn't have to go to those blasted meetings every time you turn around; but, of course, no one ever went to any of them anyway.

Well, I guess some of you seniors (those are the tall ones who are seven grades higher than the fifth graders even though they don't act it) will be leaving us before long. Some of you seniors sure have a lot of talent. Take Jim Sappenfield, for instance. Now there is a boy who really has the ability to draw. Why, I'll bet he could draw more flies than any cotton-pickin' alley cat in the country. Well, as you can see, they really have some abilities.

To get serious for one-fourth of a second, I do want to wish to all the seniors the best of luck in the world, because they really deserve it.

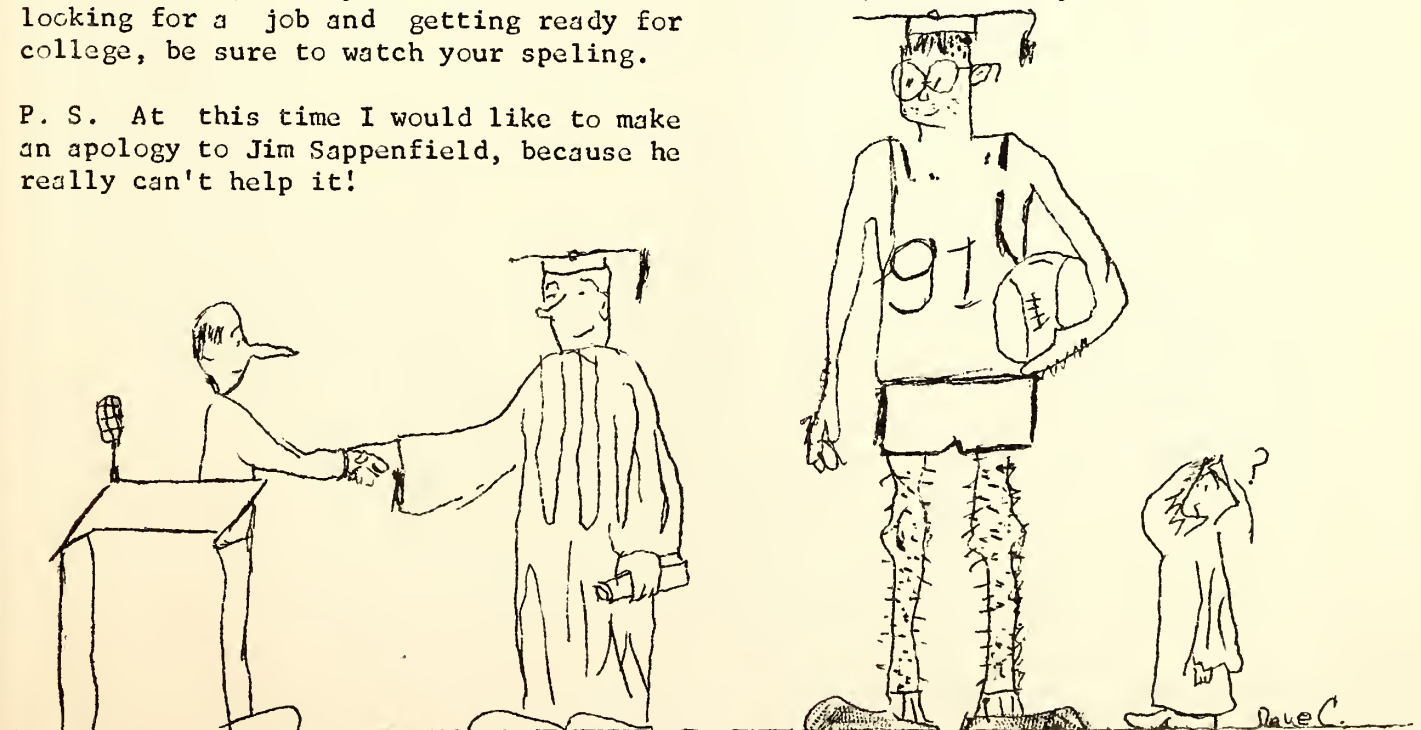

Remember, when you seniors are out looking for a job and getting ready for college, be sure to watch your spelling.

P. S. At this time I would like to make an apology to Jim Sappenfield, because he really can't help it!

SENIOR SALUTE (finis)

How eventful that autumn was! You found yourselves engrossed in what seemed to be an endless number of activities; trying to get the most you possibly could out of your final year in high school. The days sped by with amazing rapidity; and before long Christmas vacation was over and you were settling down to Problems and Physics with your usual mid-year resignation. All too soon, however, your last winter at U. School was over, and spring was upon you once more. Full of anticipation, you departed on May 17 for that neber-to-be-forgotten Senior Trip to Chicago. No sooner was this over than it was time for you to enjoy the Prom again, relaxing, this time, while the Juniors did the work.

And now, having gone through your past at U. High, let us look into the future. It is seven-thirty on the evening of June 11. Amid the rustling of caps and gowns, you, the Class of 1958, are filing into a hushed auditorium, filled with proud parents and relatives. In a few minutes you will be walking across the stage, one by one, each of you to receive your High School Diploma; you pass into the adult world of college, or business, or even homemaking. But, no matter what the future may hold for you, you know that you will always remember the years you spent at University High School; and we whom you leave behind know that we will always remember you.

SUMMER-ZETTE

A Publication of The English III Class of University High School

ENGLISH CLASS PUBLISHES NEWSPAPER

The English III class at University High School recently decided to publish a summer school newspaper. The students hand in articles every Thursday, which are graded by the teacher, Mrs. Rieke, and given to the newly elected editor, Jon White. Assisting Jon as an editorial committee are Danny Bartella and Mary Jo Williams. Ann Owen, a talented artist, was appointed in absentia as newspaper illustrator. Other departments were added as needed.

This newspaper will necessarily be considerably different from usual school papers, as this is its first and last issue. The staff hopes you will enjoy reading and keeping your copy to remind you of friends and acquaintances you made during the long, hot summer at U. School, 1959.

by Mary Jo Williams

CLASS READS POETRY

During the week of July 27 to 31, the students in English III literature were told to choose a poem from a book other than our text book. As the students selected poems their names were checked off a list. Thursday, they read aloud the poetry they had chosen.

by Ruth Ann Tucker

ENGLISH HOURS

This summer of 1959, students suffer the heat through four hours of English III. Luckily the four hour day comes only 3 days a week; Monday, Tuesday, and Thursday. Those days classes are for three periods: 7:30 to 11:35 with two ten-minute breaks. Wednesday and Friday classes are two periods from 7:30 to 10:10 with one ten minute break.

KORRIDOR KAPERS

Students attending the summer sessions at University School are finding many things to do during their extensive leisure hours between classes.

The most common sport that the students are taking part in is Coke-Drinking. In this ancient and honored sport the participant approaches a device known as a coke machine, inserts in a slot an amount of money, and then tries to find his change, coke, or both. The game is much like hide-and-seek.

Some students prefer real action in the hours between their classes. "Cowboys and Indians" is still a favorite as pale-faces sit in council with Indians amid parked autos and smoke the piece-of-pie (or cigarette) that they have. Many complain though because the game must stop every hour for a fifty-minute class session break.

OUR ILLINOIS

Some ask, "What is there to do in Illinois?" People should stop and realize that Southern Illinois has everything. There are several state parks, such as Giant City, Pere Marquette, Fort Massac, and Ferns Clyffe Parks. The great Crab Orchard Lake, with beautiful swimming docks on both sides, has many opportunities. And at Carlyle they are building another lake bigger than Crab Orchard. Everywhere you go there is pretty scenery with all the spring blossoms, the fields in full bloom. What a pretty state we have!

FOREIGN LANGUAGE IN SUMMER SCHOOL

Foreign languages are not taught in summer school. Do you think they should be? My opinion is that they should be offered--if not all foreign languages, then just one or two.

At this school I regularly attend, foreign languages aren't taught. I have always wanted to study a foreign language, but I have not been able. I was hoping I would be able to study one during the summer at University High School, but I found out that they do not teach summer courses of foreign language. What can be done about this situation?

by Stan Goldsmith

(ed. note--short schedules prevent this.)

THE CAR AND YOU

In this modern world, walking is becoming more and more "Unheard-of". Many fellows think the key to success is the key to the family car. You may have a lot of friends while you have the family car, but will they stick by you when you don't have a car? A lot of fellows think they need a car to take their girl friends to the show, or to some other event, but if their girls liked them enough, they wouldn't mind walking.

by Pat Gillmore

THE GRIND WITH TIME

There isn't any leisure time at summer school. Work, work, work, and more work, from 7:30 till 11:35 is all we do, or so it seems. Really it is not so bad; getting a year's credit in eight weeks is a pretty good deal. The time spent in school will be well worth it. Short classes on some days and ten minute breaks between take most of the pain out of it. Soon we will have the whole summer to ourselves, and we will be glad we came to summer school, 1959.

by Jerry Brown

WHAT TO DO

The leisure time at summer school is spent getting a drink, rereading the assignment and getting your notes straight. Sometimes, if you have caught up with all your work, you can run outside for a little while and catch some sun and get a quick breath of fresh air.

by Ann Owen

THAT'S HOW IT WORKS

We say harsh things about the teachers at U. High, who pour the work on us, but once summer school is out, we accept the grades that are given us. Tempers cool off, and angry words are forgotten. There is no bloodshed. The students shake hands with the teachers and everybody settles down until the next school year rolls around.

"PUMP"

Ladies and gentlemen,
Robbers and tramps,
Cross-eyed mosquitoes and
Dow-legged ants;
I stand here before you--
You may think I'm a lout--
To tell you of something
I know nothing about.
The admission is free
So pay at the door;
Draw a chair up
and sit on the floor.

PARLIAMENTARY PROCEDURE

The best way to conduct a meeting of any size is Parliamentary procedure. The English Three Class, having studied the subject used it in a class meeting. The result was very shaky, but it also showed some very humorous aspects, such as an amendment to amend an amendment to amend an amendment; also, to refuse to put it away or to talk about it.

In the future, Mr. Moss will try to iron out these little difficulties, and to make Parliamentary procedure an easily used thing.

by Albert Shukis

BOMB EXPLODES IN ENGLISH III

The English III Class was gasping for breath when an aerosol perfume bomb sprayed its potent contents into the classroom at 11:00 A.M. on July 8.

The perfume belonged to Dixie Boswell and was lying on her desk when the accident occurred. It was an eight-ounce container of "Emeraude", French for Emerald, and was a product by Coty.

Evelyn Rieko, English instructor, took immediate steps to remedy the situation by turning the circulatory fan on to high speed.

TO BE OR NOT TO BE--COOL

To be cool or not to be cool, that is the question. Do you like to sweat in the summer heat when with just a little effort you could be cool? Teachers are just as human as you are; they get as hot as you do. The solution to our common problem stands in the left hand corner of our classroom. To those of you who haven't seen one, it's a fan. With its big, black, smiling face, it is summer's best friend.

by Doug Sapper

SUMMER CLASSES

There are many courses offered at U. High summer school, such as English for those who don't want to take it in regular school, and Problems, for those who have them. Physical Education, typing, bookkeeping, and science are among other classes offered. Kids from all around come to U. High for its summer courses.

SUMMER SCHOOL AN INTERESTING EXPERIENCE

Since I have attended Carbondale Community High School for three years, this is all new and quite interesting to me. I enjoy going to school here very much. They have very nice teachers and classrooms. They have all the facilities which you would need for a good education and for enjoyment too.

GIRLS' CORNER

In Summer School, we have little time to get very well acquainted with each other. But one way to get to know the "make-up" of each girl a little better is to ask her the shade of lipstick she uses. Often her character will be suggested by the name of the product.

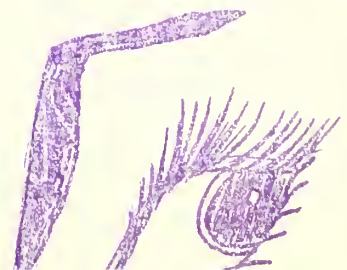

A girl who uses "Paint the Town Red" may be the Marilyn Monroe type. However, if she uses "Paint the Town Pink", she will probably be more dainty--the Debbie Reynolds type.

Here are the favorite shades of lipstick of each girl in our English III class this summer. To learn more about each girl, read the following list and come to your own conclusions.

Betty Crider and
Judy Heck--Persian Melon
June Sassee--Ditcher
Ruth Ann Tucker and
Pat Gilmore--Pink Vanilla
Barbara Hill--Coral Rose
Linda Brayfield--Pink Lace
Carolyn Bowman--Powder Pink
Dixie Boswell--Sheer Velvet
Leslie Horecker--

Cinnamon Stick
Mary Jo Williams--
Cute Tomato
Linda Bavenport--Pink Jade
Ann Owen--Pinkissimo!
Mrs. Rieko--Coral

96 DEGREES IN THE SHADE

"Today would be a very good day for swimming." That's what all the English III students of Room 213 are saying.

It is so hot. Everyone is imagining he or she is in the nice cool lake or pool. It's such a refreshing thought if only it could come true.

by Betty Grider

HOW TO ENJOY ENGLISH III

The summer English class of 1959 is a class like all the rest. There are good students, fair, poor, and then there are sleepers. There are four teachers: Mrs. Hinkle, the supervisor; Mr. Moss, Miss Cunningham, and Mr. Hanner, the student teachers. The teachers are always on their toes, watching those who pass notes, whisper, or just snooze. Spending four experiences, I have never been in a class so restful and relaxing.

TEST

There once was a hard spelling bee, which took place in old English III.

We all were so punk, we each one did flunk, my goodness, how punk can you be?

by Lois Tucker

AS I SEE U. HIGH

I never saw University School until a few years ago, when I came with some friends from Cartersville High, to see some industrial arts projects on display.

Early this summer I revisited U. School with my principal, to see if I could get into summer school.

This place is bigger than I ever thought; it is a place where you can get lost easily if you aren't careful.

A HOLIDAY AT THE LAKE

July 4 this year was a very exciting day for me. I went to Crab Orchard where some girl friends and I had a picnic. I got quite a sun tan. Later on in the evening, I went over to the beach pier. I had a date there for boat riding and sking, and we ate supper on the boat.

by Linda Davensport

FRIENDS MEET AFTER EIGHT YEARS

When Miss June Sassoon attended the first day of summer school, she met an old friend, Carolyn Bowman, whom she hadn't seen for eight years. Carolyn and June knew each other in grade school at Cartersville. Carolyn remembered a set of Sassoon twins in her class and asked June if she were one of them. It was hard to believe that she had remembered, for there had been at least three sets of twins in that class.

by June Sassoon

Why do the birds fly south in the winter?
Because it's too far to walk.

Definition of a clever remark: Something that you think of 15 minutes later.

THE GOOD EARTH

The Good Earth is a good book to be on the English III reading list. One of the reasons is that it is fairly hard to read. It is a very interesting book about family life in China. I just love to read books that Pearl S. Buck writes. The book tells of all the problems of a poor family and how they solved them. The book was easy for me to understand.

by Judy Mack

GOD'S LITTLE ACRE

God's Little Acre is a story full of bold and daring ventures. Once you start reading the story, you don't want to stop. The author puts mystery into it as well as danger, excitement, and love.

by Leslie Kerecker

WHY COME TO SUMMER SCHOOL?

There are many reasons for attending summer school. One of these is to graduate from school a year early; another is to increase knowledge; or to take a subject or subjects over again. There is another reason; that is to meet new people and to see old friends again. These are a few reasons for attending summer school.

by Dixie Bostwell

"DOG-GONE"

Two country boys, 21 and Pi had prize-winning dogs. Then Pi's dog became sick, he went to Si's house and asked him what he gave his dog when it was sick. Si replied, "Turpentine." The next day Pi came back to Si and said, "You know, Si, that turpentine you told me to give my dog--it killed him." "Funny thing", Si answered, "Killed mine too."

by Larry Stofer

THE ROBE

I think reading lists should have all types of books listed. All people don't like the same type of books and if they have a choice, they can read the type of books they want. The Robe is a religious book telling about Christ's Crucifixion, and it also has a love story in it.

by Marilyn McCree

Hi there! This is your big bad editor with just a few final words. Before I say anything else, I would like to give credit to a few persons, without whose help, this newspaper could not have been printed: To Ann Owen, for her cute illustrations; To Larry Stofer, for the jokes; To Mary Jo Williams, who helped with the typing; To my editorial committee, who helped with the organization; and to the whole class, who so generously supplied us with articles to print; and especially to Mrs. Bieka, whose help and constant attention made this journal possible.

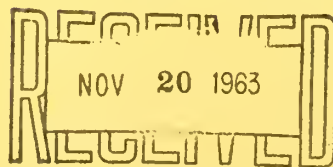

Since summer school students receive no year book of any kind, the editorial committee thought the remaining space should be reserved for you to collect autographs of all your new friends and classmates. We hope you've profited by coming to U. High this summer and that you will spend the rest of your vacation having a good time.
